Jason Underwood from the Dorset & Wiltshire Fire and Rescue Service introduced himself as the Officer responsible for the Marlborough area and gave a brief update on activities since taking post on 1 April 2016.

Marlborough Town Council

Mrs Shelley Parker, Town Clerk, drew attention to copies of the Marlborough Town Council Annual Report for 2015/16 circulated at the meeting and encouraged all to read it and pose any questions.

40

Community First Responders

Julia Doel and Stewart Ackland represented the South Western Ambulance Service NHS Foundation Trust's Community Responders.

Ms. Doel informed the meeting that volunteers were trained to attend emergency calls received by the ambulance service and to provide care until the ambulance arrived. Ms. Doel mentioned that the scheme operates as a community partnership between NHS and local ambulance service trusts. She emphasised that having someone in the community who has been trained in first aid and can reach the patient quickly makes all the difference.

On being questioned about training requirements, Ms. Doel explained that training usually took two weekends and volunteers were asked to be available for at least 12 hours a week. She noted that the minimum age for registering was 18 years and that uniforms were also provided.

In response to questions asked about a 200 metre rule on range of operation Ms. Doel explained that the 200 metre rule was a control mechanism and guide for the range of distance within which a defibrillator could be used by a registered volunteer to allow for quick access and use. For storage, it was recommended that the equipment is kept in an unlocked cupboard and be checked monthly.

The average cost of defibrillators was estimated to be in the range of £700 - £1,500 depending on the type of scheme signed up.

All private owners of defibrillators were encouraged to register their equipment in order to increase chances of accessibility and survival for those very precious moments within which a life could be saved.

41	<p><u>CATG items to be considered by Marlborough Area Board</u></p> <p>Councillor Sheppard noted that the CATG had reached an impasse regarding deliberations on the items listed below and it was important that the Area Board support the issues raised and escalate them to the appropriate levels of authority for action.</p> <p>i. Wheelie bin space at Ogbourne St Andrew and getting a quote from Highways</p> <p>ii. Resurfacing of The Parade</p> <p>The resurfacing work expected to be done on the Parade road had not been done because the road had been omitted from the CATG listing.</p>
42	<p><u>Local Youth Network Update</u></p> <p>Jan Bowra, Marlborough Community Youth Officer, gave a verbal update on the Local Youth Network. She noted that there were no Youth Grant Applications submitted for the final round of the 2015/16 Positive Activities Young People's funds. Ms. Bowra informed the meeting that the 2016/17 Youth Budget had been set at £20,860 and the balance of funds remaining from 2015/16 which would be rolled over was yet to be determined and confirmed.</p> <p>Ms. Bowra reported that a further funding of £5,000 had been requested from the Area Board for the Music Festival being organised by the Wider Local Youth Network. She informed the meeting that a letter of request including a breakdown of costs had been submitted to Members.</p> <p>Councillor Milton noted that most of the breakdown of costs submitted to Members was denoted as yet to be determined and it was prudent that these figures were actually confirmed for Members to have a better understanding of the overall expenditure that the Area Board was committing to.</p> <p>Ms. Bowra explained that the LYN Management Group had a meeting scheduled for 24th May 2016 at which all costs would be confirmed. The LYN were therefore seeking that the additional sum of £5,000 being requested was ring fenced pending when all costs were confirmed and resubmitted for consideration.</p> <p>Resolved: That the Area Board would arrange an extra ordinary meeting to consider the additional funding application of £5,000 being requested by the Wider Local Youth Network.</p>

43

Chairman's Announcements

Subject:	Carers in Wiltshire: Joint Strategy 2016 - 2020
Officer Contact Details:	Karen Walters, Community Commissioner (Carers)
Weblink:	http://consult.wiltshire.gov.uk/portal

Wiltshire Council and NHS Wiltshire Clinical Commissioning Group, in consultation with their other strategic partners (especially Carer Support Wiltshire, Wiltshire Parent Carer Council and Spurgeons) and over 50 carers have developed a new strategy for carers. The draft document is now available for the public to view and comment on before being finalised. It can be viewed in full on the council's consultations webpage:

<http://consult.wiltshire.gov.uk/portal>

Information postcards and leaflets are also available at this meeting.

Publicity materials can be provided from Karen Walters, Wiltshire Council, for any partners who would be willing to support spreading the message or if you would like to invite her to attend any local carer groups or meetings during the consultation period.

Who do we mean when we talk about carers?

Anyone can become a carer. A carer is someone of any age, including a child (young carer), who provides unpaid support to a family member or friend who could not always manage without this help. This could be caring for a relative (a parent, grandparent, sibling, child, spouse, partner) or friend who is ill, frail, disabled or who has mental health or substance misuse problems. They should not be confused with paid or volunteer support workers.

Most people are likely to be undertaking a caring role at some point in their lives, with many of us needing to access some form of information, advice and support during this difficult time.

Have we got things right in the new strategy?

We believe we have a strategy that is truly representative of the needs of Wiltshire carers. However, now is the time for you to have your say and influence the way services are commissioned over the next 4 years.

We invite members of the public, especially carers, to comment on this document to influence the future commissioning of support for carers in Wiltshire. We need you to tell us if we have got things right. We also want to

Chairman's Announcements

know if you, as a carer, feel represented within this strategy and if not, what is it you would like to see added or changed. What services do you currently access (if any) that you value and why they are important to you?

We invite organisations and business in Wiltshire to comment on the document and to inform us of any contributions they are already making or could make, in order to support the delivery of this strategy.

A detailed action plan will be developed once the strategy is finalised to support its delivery.

Why is this strategy needed?

A Carers UK press release on 12 November 2015 stated “Unpaid carers save the UK **£132 billion a year** – the cost of a second NHS.”¹

70% of the 47,608² carers living in Wiltshire continue to remain hidden and it is believed that many of these people will not be aware of their carer status. Accessible information and advice is therefore vital to ensure that these people know where to get help and support when they need it.

The Care Act places additional duties on social care services in assessing and addressing the needs of carers. Carers now have parity of esteem with those people they care for. We need to ensure that carers' of people with mental health issues are able to access appropriate services to meet their needs. There is a requirement for all health, social care and educational professionals to identify young carers and ensure their needs are being met and that they are not carrying out inappropriate caring roles.

The 2015 Healthwatch report “Unpaid Carers in Wiltshire: help in a crisis” highlights the need to review how we support carers in a crisis. Whilst early intervention and prevention measures is expected to reduce the likelihood of this point being reached, there will be unavoidable circumstances when a carer reaches crisis point and it is vital targeted support is available to help them when they reach this point.

Our shared vision for carers in Wiltshire:

Wiltshire cares for carers by ensuring that carers living in Wiltshire are identified and accepted as expert partners in care; are well informed; and maintain a good quality of life and healthy lifestyle outside of their caring responsibility.

To find out more please read the full strategy and / or contact Karen Walters direct.

53	<p><u>Local Youth Network Update and Applications for Youth Funding</u></p> <p>Sasha Thorbek-Hooper, Chair - Wider Local Youth Network, gave a detailed account on how the initial £5,000 awarded for the music event by the Area Board had been allocated and what outstanding items the extra £5000 being requested would be allocated to.</p>

She emphasised that the actual expenditure made to date were deposit payments made to secure the site and portable toilets (£500).

Andrew Jack, Community Engagement Manager emphasised that any money that was not spent would be returned to the Area Board's Positive Activities for Young People fund as agreed.

The Chairman queried the need for the £1,000 allocated for additional entertainment. Mrs. Thorbek-Hooper explained that this was to provide some variety in the range of entertainment being provided in order to sustain the interest of the young people attending the event and not to compel them to attending just one entertainment activity at any point in time. She noted that the other main large items of expense were on securing and confirming performers as well as the related promotion. Ticket sales would commence in the summer and a 'Save the Date' promotion would be launched as suggested by Cllr Nick Fogg.

The Chairman noted that the sums allocation for some of the items of expenditure were very discounted and congratulated the team for being able to negotiate with vendors and for using all their networking resources to good advantage.

Cllr Nick Fogg advised that the Planning Group looked into having a backup generator and questioned the Chair about the target area for the event. Mrs. Thorbek-Hooper responded that Marlborough Town was the main area within which the event was being promoted and any young people attending from the surrounding towns would be welcomed.

Members were unable to formally vote on the request for the additional £5,000 as they did not form a quorate.

It was noted that it would be too late to wait until the next Area Board meeting scheduled for 19 July 2016 to vote on this request as some of the elements and activities of the event needed to be booked and secured before this date. The Chairman suggested that another meeting be scheduled on Thursday 16 June 2016 at 9.30 a.m. just before the CATG meeting in the Marlborough Town Hall.

The Democratic Services Officer was also asked to look into delegated authority and to confirm the total amount that could be awarded by the Community Engagement Officer under a delegated authority from the Area Board.

Marlborough Area Board

BY EMAIL VIA Bowra, Janette janette.Bowra@wiltshire.gov.uk :

Wednesday, 13 April 2016

To The Members of the Marlborough Area Board,

On behalf of the Wider Local Youth Network Planning Group, I am writing to request an additional grant of £5,000 being ring fenced towards MY Music Event; a sum of money to be used in implementing a positive activity that the young people of Marlborough have identified as being a priority and is recorded in the JSA.

As you are aware a venue (a green site on the Marlborough College campus) for MY Music Event has been identified and booked for Saturday 24th September 2016 and now a number of local acts have confirmed their attendance; the event will run from 2pm to 10pm and 1,000 tickets will be available for sale, booked in advance. The committee has decided that to ensure that the event is inclusive the cost of the tickets will be £5 but this will include a £5 food voucher, therefore in effect making the event free for YP aged 13-19 in the community.

The budget has been attached and you will see how almost all of the initial grant of £5,000 from the Area Board has now been allocated / spent however we do require an additional grant to be used towards the finishing elements of the event, such as marketing, promotion, merchandise production and ticketing. We do hope that the Area Board feels that what will equate to a maximum of £10 per person, this event is a cost efficient way of benefitting 1,000 YP from the local area.

If our application is successful we agree that any money that is not spent will be returned to the Area Board's Positive Activities for Young People fund.

If required, we are happy to submit copies of minutes and/or our action plan on request, if you require evidence on how planning is taking shape.

Please do not hesitate to contact me if you require any additional information. In the meantime I very much hope that you will be able to support this grant request, which will benefit a huge proportion of the young people in the Marlborough area.

Kind regards

Mrs Sasha Thorbek-Hooper

Chair, Wider Local Youth Network
