

AGENDA

Meeting: Amesbury Area Board
Place: Antrobus House, 39 Salisbury Road, Amesbury, SP4 7HH
Date: Thursday 30 November 2017
Time: 7.00 pm

Including the Parishes of Allington, Amesbury, Berwick St James, Bulford, Cholderton, Durnford, Durrington, Figheldean, Great Wishford, Idmiston, Milston, Newton Toney, Orcheston, Shrewton, Stapleford, Steeple Langford, Tilshead, Wilsford Cum Lake, Winterbourne, Winterbourne Stoke, Woodford and Wylde.

The Area Board welcomes and invites contributions from members of the public. The chairman will try to ensure that everyone who wishes to speak will have the opportunity to do so.

If you have any requirements that would make your attendance at the meeting easier, please contact your Democratic Services Officer.

Refreshments and networking opportunity from 6:30pm .

Please direct any enquiries on this Agenda to Jess Croman Democratic Services Officer, direct line 01225 718262 or email jessica.croman@wiltshire.gov.uk

All the papers connected with this meeting are available on the Council's website at www.wiltshire.gov.uk

Press enquiries to Communications on direct lines (01225) 713114 / 713115.

Wiltshire Councillors

Cllr Graham Wright, Durrington and Larkhill
Cllr Mike Hewitt, Bourne and Woodford Walley
Cllr Fred Westmoreland, Amesbury West
Cllr Robert Yuill, Amesbury East
Cllr John Smale, Bulford, Allington and Figheldean
Cllr Darren Henry, Till and Wylde Valley

RECORDING AND BROADCASTING NOTIFICATION

Wiltshire Council may record this meeting for live and/or subsequent broadcast on the Council's website at <http://www.wiltshire.public-i.tv>. At the start of the meeting, the Chairman will confirm if all or part of the meeting is being recorded. The images and sound recordings may also be used for training purposes within the Council.

By entering the meeting room you are consenting to being recorded and to the use of those images and recordings for broadcasting and/or training purposes.

The meeting may also be recorded by the press or members of the public.

Any person or organisation choosing to film, record or broadcast any meeting of the Council, its Cabinet or committees is responsible for any claims or other liability resulting from them so doing and by choosing to film, record or broadcast proceedings they accept that they are required to indemnify the Council, its members and officers in relation to any such claims or liabilities.

Details of the Council's Guidance on the Recording and Webcasting of Meetings is available on request.

Parking

To find car parks by area follow [this link](#). The three Wiltshire Council Hubs where most meetings will be held are as follows:

County Hall, Trowbridge
Bourne Hill, Salisbury
Monkton Park, Chippenham

County Hall and Monkton Park have some limited visitor parking. Please note for meetings at County Hall you will need to log your car's registration details upon your arrival in reception using the tablet provided. If you may be attending a meeting for more than 2 hours, please provide your registration details to the Democratic Services Officer, who will arrange for your stay to be extended.

Public Participation

Please see the agenda list on following pages for details of deadlines for submission of questions and statements for this meeting.

For extended details on meeting procedure, submission and scope of questions and other matters, please consult [Part 4 of the council's constitution](#).

The full constitution can be found at [this link](#).

For assistance on these and other matters please contact the officer named above for details

	Time
1 Welcome and Introductions	7.00pm
2 Apologies for Absence	
3 Minutes (<i>Pages 1 - 8</i>) To confirm the minutes of the meeting held on 9 September 2017.

Jessica Croman (Democratic Services Officer)
Dave Roberts (Community Engagement Officer)

Town and Parish Councils

Durrington Town Council – (M Wardell, D Healing)
Figcheldean Parish Council – (John Menzies)

Partners

Police
Dorset and Wiltshire Fire and Rescue Service

Total in attendance: 25

<u>Agenda Item No.</u>	<u>Summary of Issues Discussed and Decision</u>
33	<p><u>Welcome and Introductions</u></p> <p>The Chairman welcomed everyone to the meeting of the Amesbury Area Board and thanked Fighldean Village Hall for hosting the meeting.</p> <p>At the Chairman's invitation, the Councillors introduced themselves.</p>
34	<p><u>Apologies for Absence</u></p> <p>Apologies for absence had been received from:</p> <ul style="list-style-type: none"> • Amesbury Town Council
35	<p><u>Minutes</u></p> <p><u>Decision</u></p> <p>The minutes of the meeting held on 27 July 217 were agreed as a correct record and signed by the Chairman.</p>
36	<p><u>Declarations of Interest</u></p> <p>Councillor Mike Hewitt declared an interest in item 15, as his wife was a volunteer with the Farley's Malone (applicants for funding).</p>
37	<p><u>Chairman's Announcements</u></p> <p>The Chairman referred to announcements in pack.</p> <p>An additional announcement about the A303 was handed out which gave an update on the decision for the new road plans at Stonehenge. The Chairman noted that the smaller roads entering the A303 would be reviewed in the next phase and that Parish and Town Councils need to ensure they get involved detailing any issues they have. More information could be found at: www.highways.gov.uk/a303stonehenge</p>
38	<p><u>Updates from Partners and Town/Parish Councils</u></p> <p>The Chairman referred to the updates set out in the agenda and invited further updates from Town/Parish Councils and other Partners, including outside bodies. It was noted that the preferred option was for written updates, to minimise time spent during the meeting.</p> <p>Lovells</p> <p>It was noted that there was an 11 day delay on the road works at the Packway.</p>

	<p>Police</p> <p>It was noted that issues with call waiting times with the 101 service were being addressed.</p> <p>The recent neighbourhood task group meeting only had two attendees. It was requested that every Town/ Parish Council send at least one rep to those meetings.</p> <p>Dorset and Wiltshire Fire Service</p> <p>It was noted that a restructure was taking place to ensure that the service was fit for purpose and effectively delivering the agreed priorities. Seven new District Support Officer roles are being trialled and will support on-call station management teams.</p> <p>Many community engagement events had taken and will take place including safe and well visits, educational events at local schools, attending flu clinics, Safe Drive Stay Alive and UK Business Safety Week 2017.</p> <p>The recent recruitment campaign had been successful although the fire service still needed more on call fire fighters.</p> <p>Archaeological Digs</p> <p>It was noted that in October for two weeks, archaeological digs will take place with lectures taking place at the Amesbury History Centre.</p>
39	<p><u>Police Estates Update</u></p> <p>Inspector Nick Mawson informed the Area Board that due to efficiencies a number of buildings that were not used or staffed well would be closing. This included either Amesbury or Tidworth police stations. Due to the army rebasing it has been recommended that the Amesbury station is closed. The timeline for the closure would be approximately 2-3 years.</p>
40	<p><u>Amesbury Youth Cafe</u></p> <p>A presentation was given providing an update on the Amesbury Youth Café. It was noted that the Youth café had been very successful and now hosted at three venues. Members of the Youth café had been involved with a number of events doing promotion and encouraging more youths to get involved. Some of the youths who attend the café recently visited Africa where they shared the skills they learnt at the Café with members of a local village. Other events have involved youths being able to attend residential events and getting involved with local democracy.</p> <p>A thanks was given to all of the volunteers involved with the Amesbury Youth</p>

	Café.
41	<p><u>Local Youth Network Update and Youth Activities Grant Applications</u></p> <p>Cllr Darren Henry informed the meeting that they were looking at having a joint Chairman which would include a youth person who could be mentored.</p> <p>Membership had been increasing although more rural reps were needed and a separate group would be formed to look at fundraising.</p> <p>The potential to hold a young person conference was discussed and it was agreed that it was a good idea, although more details were required.</p> <p>Durrington youth provision</p> <p>It was noted that their current lease of The Ham Centre would end on the 31 September and in the future would operate from Bulford and Durrington.</p> <p>It was requested that the current funds remaining could be transferred to the new premises.</p> <p>Resolved</p> <p>It was agreed that the remaining funds could be transferred.</p> <p>Grants</p> <p>Cllr Fred Westmoreland introduced the grant.</p> <p>Resolved</p> <p>To award Wessex Community Action £4126 (half of the requested funds), for the Amesbury Youth Café.</p>
42	<p><u>Amesbury extra care centre</u></p> <p>Cllr Robert Yuill gave an update on the Amesbury Extra Care scheme. Plans were shown of how the facility would look and what provisions would be available. A vote on the name of the provision took place with Evergreen Court coming out on top.</p> <p>Questions asked included; How the provision would be funded, how placements would be managed and funded and if carer facilities would be provided.</p> <p>In response it was noted that the provision had received grants from the government but was still short £13m. The placements would be managed by selling and renting the rooms and if the rooms were sold then Wiltshire Council</p>

	<p>would keep a percentage of the price. Carers including doctors, physio etc would be able to attend the facility and an area provided for them. More information would be provided if full time caring personnel would be on site 24 hours.</p>
43	<p><u>Waste Management Strategy</u></p> <p>Martin Litherland (Head of Waste Management) and Amy Williams (Lead Waste Technical Officer) gave a presentation on the waste management strategy for the next 10 years.</p> <p>An update was given on the refurbishment of the recycling centres in Amesbury. It was noted that a new contractor would be taking over the management of the centre on the 2 October 2017, which provided an opportunity to look at the layout and how the centre is used.</p> <p>The Amesbury centre and a number around the county would be refurbished with a change of layout and for that to take place the site would need to close for two weeks beginning the 21 November and reopen on the 1 December. During that period of closure alternative sites would be available and more information could be found on the councils website.</p> <p>The key points of the presentation were:</p> <ul style="list-style-type: none"> - The need to develop a new strategy on how waste and recycling is collected and managed taking into consideration current challenges and major developments. - Performance in figures - 700,00 bins from 215,000 houses were collected fortnightly; in 2016 243,000 tonnes of waste and recycling was managed by the council, a significant decrease since 2014/2015; residents produce 566kg of non recycled waste which most of that could be recycled; 44% of waste is recycled a reduction from 46.5% in 2014/2015 and the amount of waste sent to landfill has decreased from 78% in 2003 to 21% in 2016/17. - The budget for waste and recycling in 2017/18 has been reduced to £31.88m, to cover meet this budget charges for non-household waste would be introduced at recycling centres and charges for collection services would include reasonable costs of collection. - A public consultation was taking place to ascertain the views of residents which will help develop the new strategy. The consultation deadline was the 14 November 2017 <p>A number of questions were asked which focused on: fly tipping, blue bins, selling goods, recycling food trays and the compaction system.</p>

	<p>In response it was noted that; fly tipping was being monitored to identify patterns – there had been an increase which was mostly commercial waste; the south had smaller blue bins provided so WC would look to provide bigger blue bins; food trays could not be collected due to microwave contamination and that multiple bins for each waste category would be provided to elevate the time delays due to compaction.</p> <p>It was noted that all of the mentioned points were included within the full consultation online and accessed here: http://www.wiltshire.gov.uk/rubbish-andrecycling</p> <p>The Chairman thanked Martin and Amy for their presentation.</p>
44	<p><u>Side by Side Project</u></p> <p>Diane Jenkins gave a presentation on the Side by Side project which aimed to reach more people with dementia.</p> <p>The presentation focused on:</p> <ul style="list-style-type: none"> - The aims of the project – to help those with dementia live well, remain active, keep their hobbies, be a part of their communities and get out and about - How people can get involved with the community service – helping with referrals, being dementia friendly, volunteering and forming local dementia action alliances. - 40% of people with dementia felt lonely and a third lost friends following diagnosis, many felt trapped in their own homes only interacting with family or carers and 34% did not feel part of their community. <p>The Chairman thank Diane for the presentation.</p>
45	<p><u>Update from the Community Area Transport Group (CATG)</u></p> <p>It was noted that the next meeting of the CATG would be on the 30 October 2017.</p>
46	<p><u>Community Area Grants & Members Initiative</u></p> <p>At the Chairman’s invitation, Councillor Fred Westmoreland introduced the item.</p> <p>Dave Roberts updated the area board on some funding where the criteria has been changed.</p> <p><u>Decision</u></p> <p>To confirm support to allocate the £2,750 of revenue funding from litter picking and MIDAS training to projects that fit with the JSA priorities under</p>

	<p>a community events heading.</p> <p><u>Decision</u></p> <p>Funding for both Durrington Football Club and Bulford PC Play Area was deferred until the next meeting as no applicant was present.</p> <p><u>Decision</u></p> <p>To approve the member initiative of £1000 for the Boscombe Down Social Club.</p>
47	<p><u>Heath and Wellbeing Group</u></p> <p>Cllr Robert Yuill presided as Chairman for this item.</p> <p><u>Decision</u></p> <p>To award Farleys Malone £2500 for their on-going projects.</p>
48	<p><u>Urgent items</u></p> <p>Cllr Darren Henry proposed a community awards ceremony which would recognise the work of local volunteers. There would be three categories: Individuals, youth/ junior and team or groups. Nominations would need to be received by 1 December 2017, judging would take place week beginning 4 December 2017 and the ceremony on the 18 January 2018.</p> <p><u>Decision</u></p> <p>The Area Board approved the Amesbury Area Board Community Awards ceremony.</p>
49	<p><u>Future Meeting Dates, Evaluation and Close</u></p> <p>It was noted that the next meeting of the Amesbury Area Board would be held on 30 November at South Newton & Great Wishford Village Hall, Warminster Road, Stoford, Salisbury SP2 0QW.</p> <p>The Chairman thanked everyone for attending.</p>

2017-2020

#TellAnguspcc

Have your say on policing in Wiltshire and Swindon

A new Police and Crime Plan, charting the course for Wiltshire Police over the next four years, is proposed by Police and Crime Commissioner Angus Macpherson.

The focus is on protecting vulnerable people, working closer with partners to improve services and harnessing the power of communities against crime.

In order to achieve these goals and protect community policing, Mr Macpherson is proposing a rise in the police part of the council tax in April 2017.

This amounts to an increase of £3.17 per year or 6p per week for the average home (Band D property).

Army Basing Update for Tidworth and Amesbury Area Boards - November 2017

Background

The government's Army Basing announcement in March 2013 advised of around 4,300 extra Service personnel moving to Wiltshire by the end of the decade. They will be accompanied by their families, bringing the total number of additional people estimated to be moving to the area to 7,600. These plans will require additional levels of infrastructure and services to be provided by Wiltshire Council. The MOD has since reviewed the figures as the relocations draw nearer and now expect the net addition of Service personnel to total 4,000. Accordingly the expected net increase in population will be a little over 7,000.

St Michael's school build at Larkhill : Good progress continues for the new school which will cater for 420 pupils plus 60 nursery places. The superstructure is virtually complete, so the shape of the building is now evident. The new road to the school is under construction by the Defence Infrastructure Organisation and should be complete by late December 2017. The school build being managed by Wiltshire Council will complete in the summer of 2018, allowing the transfer from Figheldean.

Other schools: Planning permission to extend the Avon Valley College, Durrington, was granted subject to conditions at the Strategic Planning Committee on 11 October 2017 ([17/05062/DP3](#)). The additional places required as a result of the ABP will be available in December 2018. Design of Wellington Academy, Tidworth, extension and the new primary in Ludgershall are progressing well with the MOD gifting land for these projects under the s106 for the Service Family Accommodation (SFA) planning applications. They are due to complete in July 2019 and planning permission is due to be submitted in December 2017.

SFA: The SFA preliminary works are progressing at all three sites (Larkhill, Bulford and Ludgershall) by Lovell, the MOD's preferred bidder. Full contract award by the MOD is due shortly.

Community facilities: The Sports & Community Access Scheme, which was an innovative arrangement agreed during the s106 negotiations is now live and facilities can be booked by community groups through Aspire's new website pages at: <https://aspiredefence.co.uk/adsl/sports-and-community-access-scheme/>. This scheme aims to provide additional community facility capacity in preparation for the growth in military population resulting from the ABP. For security reasons community groups need to register with Aspire to take advantage of the scheme. Facilities available include sports pitches, the Bulford swimming pool and community halls, full details of which are on the Aspire Defence Ltd.'s website.

Larkhill Roadworks: Following completion of the new roundabout to the Larkhill SFA and new school, The Packway reopened a few days earlier than the scheduled date. There will still be two-way controlled access while the new level is tied into the existing road network and to enable the cycle path from the Service Family Accommodation (SFA) to the Larkhill, Ross Road entrances to be constructed. Fargo Road is now fully accessible, but it should be noted this is a private road for MOD personnel or those with a genuine need to access the residences there. Progress on the following works is as follows:

- Ratfyn sewer - this major project is proceeding to plan with the only remaining works to affect public roads being at Larkhill Road (between the A344 roundabout and Bulford Hill). This will continue until early 2018. There will also be some traffic controls on Fargo Road and Tombs Road to link the new system.
- Other utility installations to the SFA site have been completed and will be connected when the SFA and school have been constructed.

Further information will be published via MOD Travel Notices (the latest being edition 9 published on 13 October). Details are available from: DIO-ABPSPTARoadworks@mod.uk.

Cycle Path Perham Down to Tidworth: Although not part of the ABP, work commenced on the 25th September 2017 to create a new cycle / footpath linking Perham Down to Tidworth. Widening takes place from Lambdown Terrace following the existing path as far as the wooded area, at which point it diverts towards Kennet Road before joining into Richmond Crescent. It is due to be completed by Christmas and through the efforts of the Tidworth CATG has drawn upon a Community Area Grant and s106 funds.

5 RIFLES Learning from Experience: Wiltshire Council has consulted its partners on the way it managed its responsibilities on the 5 RIFLES move from Germany to Bulford last year. The valued feedback will help us plan for future moves.

Wiltshire Council receives golden recognition for support of Armed Forces: Wiltshire Council's work to support the Armed Forces was officially recognised by the Ministry of Defence at a special awards ceremony in October.

Baroness Scott of Bybrook, OBE, Leader of Wiltshire Council, met Prince Harry and (former) Defence Secretary Sir Michael Fallon and was presented with the MOD's Employer Recognition Scheme Gold Award together with Alistair Cunningham (Corporate Director for Growth, Investment and Place) and Kevin Ladner (MCI Programme Manager). The accolade is the highest badge of honour for organisations that have signed the Armed Forces Covenant and demonstrated outstanding support for those who serve and have served.

HRH Prince Harry thanked all this year's winners and heard about successful initiatives providing veterans with a fair chance of starting a second career in diverse industries following military service and other support measures in the workplace including flexibility for Reservists and mentoring and job opportunities for military spouses.

The ERS Gold Awards recognises employers who actively support the Armed Forces community in their workplace and also encourage others to follow their lead. The award scheme, which attracts entries from companies in every part of the country and in the private and public sectors, has seen a rapid increase in participation since it launched in 2014.

To achieve the gold award, Wiltshire Council highlighted how staff who are reservists and cadet forces volunteers are provided with two weeks' additional leave to balance their work with military commitments. The council also promotes flexible, family-friendly work patterns, which benefits partners of service personnel. Also included in the bid was detail on the council's wider work with the military communities and public services through the Military Civilian Integration Partnership (MCIP), and the recent reaffirmation of the Armed Forces Covenant, which encourages businesses and public services to support the military community.

Future Activity

- Summer 2018: St Michael's Primary school build is due to complete enabling transfer from Figheldean
- By August 2019: Additional school capacity required by the Army Basing Programme will be completed
- Summer 2019: Majority of Service personnel are due to move to Salisbury Plain.

Chairs Announcement at Area Board

Help shape Wiltshire's plans to 2036 : Wiltshire Local Plan Review

Wiltshire Council has a statutory duty to plan for the new homes, jobs and infrastructure needed to support Wiltshire's communities while protecting the local environment and quality of life and to keep its plans up to date.

The Council is reviewing the Wiltshire Core Strategy adopted in January 2015 which sets out policies for the future development of the county over the period to 2026 and is used in the determination of planning applications. The review of the Wiltshire Core Strategy (renamed the Wiltshire Local Plan) will extend the period to which the plan relates to 2036.

This is your opportunity to inform the review of the local plan. The consultation starts on Tuesday 7 November 2017. All comments should be submitted by 5pm Tuesday 19 December 2017

The Council is seeking the views of the Wiltshire community on the scope of the review, including the preparation of a Joint Spatial Framework to consider how development across the Borough of Swindon and the Wiltshire Council area should take place. Consultation documents have been prepared to stimulate discussion and ask questions about the strategic issues to be considered in the review in relation to Chippenham, Salisbury and Trowbridge (as Wiltshire's principal settlements) and the market towns named in the core strategy.

For example, in relation to Amesbury, the consultation documents include information about the recent rate of house building (including affordable housing), employment change and environmental constraints. The Amesbury, Bulford and Durrington profile acknowledges that:

- The area is a focus for investment containing two recognised business clusters with significant potential for job growth.
- Amesbury is the dominant focus for housing development.
- The trading position of the town centre needs consolidation.
- Environmental designations may be a constraint on development.

And asks the questions:

- What more can be done to improve the range of services to improve the attractiveness of the area?
- Should planning for Amesbury be distinct to planning for Bulford and Durrington?
- How should the area capitalise on business investment? What amount of further housing is appropriate?

All the consultation documents and supporting evidence will be available on the Council's web site from the 7th (<http://www.wiltshire.gov.uk/planning-policy-local-plan-review>) and are available to view during normal opening hours at the Council's main offices at Monkton Park (Chippenham), Bourne Hill (Salisbury), County Hall (Trowbridge) and at all Wiltshire Council libraries.

There is also leaflet available on the information table (**please say where**) if you would like to know more about the content of the consultation

<p style="text-align: center;">Amesbury Area Board Police Report November 2017</p>

1. East Community Policing Team

Sector Head: A/Insp James Williams

Sector Deputy: Sergeant James Williams

Community Coordinator: Pc Lucy Wileman

Amesbury PCSO: PCSO Levi Moprhy & PCSO Will Todd

Hare coursing and Poaching, All areas of East Wiltshire.

Increasing activity and reports to Police regarding hare coursing within East Wiltshire has occurred since 1st September 2017. A total of forty four storm logs refer. Many of these have occurred in the Upavon area, but also include damage to farmland at Wilton, incidents at Stanton St Bernard, Manningford Bohune and All Cannings. Vehicles of interest in relation to these offences include a green Landrover Defender, a green Honda CRV, a blue Subaru and red Landrover.

A policing operation was conducted daytime on Wednesday 27th September by members of the East Community Policing and the Rural Crime Team, in partnership with a number of farmers and gamekeepers who assisted as spotters for the area.

The event resulted in a number of vehicles and occupants being subject to stop searches. No incidents of coursing occurred during this time but intelligence was gathered in relation to other incidents involving a van seen at Roundway, an area where we experience theft from vehicles. This vehicle and its occupant were located at Broad Hinton during our area search.

Improved partnership working has resulted via the use of two Whatsapp groups established with the farming community for these areas. This has enabled immediate responses by officers on the team to alerts of suspicious and coursing activity. We have requested permissions for Whatsapp downloads to our works mobile phones for all officer access.

Two males from Somerset were arrested and subsequently charged with offences concerning The Prevention of Poaching Act 1862, following an incident on 7th October 2017. Officers from the East Community Policing Team were alerted by members of the public reporting suspicious activity by the occupants to a vehicle, located during an area search.

Two suspects to daytime trespass in pursuit of game are under investigation regarding offences identified in the Pewsey Vale area.

Pc Marc JACKSON of the Rural Crime Team has recently launched Operation Artemis in a bid to tackle all aspects of poaching across the county.

The public are encouraged to report all incidents of poaching to help build a better intelligence picture and enable our officers to target offenders through rural operations.

The operation will also aim to advise our rural communities how they can best prevent and disrupt poaching activity on their land.

The operation sits under the nationally recognised poaching operation Project Trespass which aims to coordinate action across England and Wales through prevention, intelligence, enforcement and reassurance.

Rural Crime Officer PC Marc Jackson said: “As part of the rural crime partnership we have listened to the concerns of landowners, farmers, game keepers and agricultural workers within Wiltshire.

“We understand the impact poaching has on their livelihoods and the resulting fear of crime that comes from this.

“We want Operation Artemis to reassure our rural communities that we do take poaching seriously, and anybody found to be committing such offences here will be dealt with robustly. Wiltshire is not a soft touch and we will use the full legislation powers that have been given to us as the police.

“The image of poaching has drastically changed over the years. The idea of poachers just taking one for the pot is no longer the case.

“Many of the groups involved are very organised and travel vast distances, across numerous counties to participate in poaching.

“Often poaching involves vast amounts of money through illegal betting and can be connected to other crimes like burglaries, thefts and can involve intimidation and violence towards landowners and gamekeepers.”

Poaching becomes more frequent when the harvests come down at the end of the summer, peaking in October and December. This year harvests have been early so potential poachers can access the fields earlier than usual meaning we are already seeing an increase in poaching in September.

Poaching can take many forms, from hare coursing, shooting deer at night to using catapults to take pheasants.

Police and Crime Commissioner Angus Macpherson said: “Wiltshire is a rural county and those living in isolated locations can be vulnerable to crime types that do not affect urban areas.

“It is important that the Force police rural crime as part of its overall policing.

“Rural crime can have a huge impact on local people and businesses. I welcome this new operation and applaud the ongoing work being done by the Rural Crime Team and the Wiltshire Rural Crime Partnership to help keep Wiltshire safe.”

When reporting incidents, call 101 and quote ‘Operation Artemis’. If a crime is in progress call 999.

2. CPT - Current Priorities & Consultation Opportunities:

Current Priorities Amesbury and surrounding areas.

Inconsiderate Parking Amesbury & Durrington

Due to ongoing complaints in particular around Archers Gate, Amesbury a local priority commenced on 08/09/2017 to try and address this, the priority is still open and **44** actions have taken place.

Target Patrols Amesbury and surrounding areas

ASB – Kebab House, Durrington

Complaints were raised about the congregation of youths at this location, we commenced work on this problem on 08/09/2017, the priority remains open and a multi-agency/public meeting took place on 23/10/2017. To date 93 actions have taken place.

Hare Coursing & Damage – Ratfyn Farm, Amesbury

On 22/08/2017 incidents were occurring at this location, to offer reassurance we commenced patrols. **24** patrols were actioned until the patrol closed on 04/10/2017.

Reassurance Patrols – Heale House

Suspicious incidents were taking place at the location so additional patrols commenced on 19/09/2017, the patrol closed down on 13/10/2017. **31** patrols actioned.

Burglaries – Barleycroft Farm, Shrewton

Reassurance patrols commenced on 15/09/2017, patrols continued till 04/10/2017. **22** patrols actioned. No further crimes reported.

Neighbourhood Tasking Meeting

The next meeting is due to take place on 7th December at 19.00 hours at the The Bowman Centre, Amesbury.

Consultations

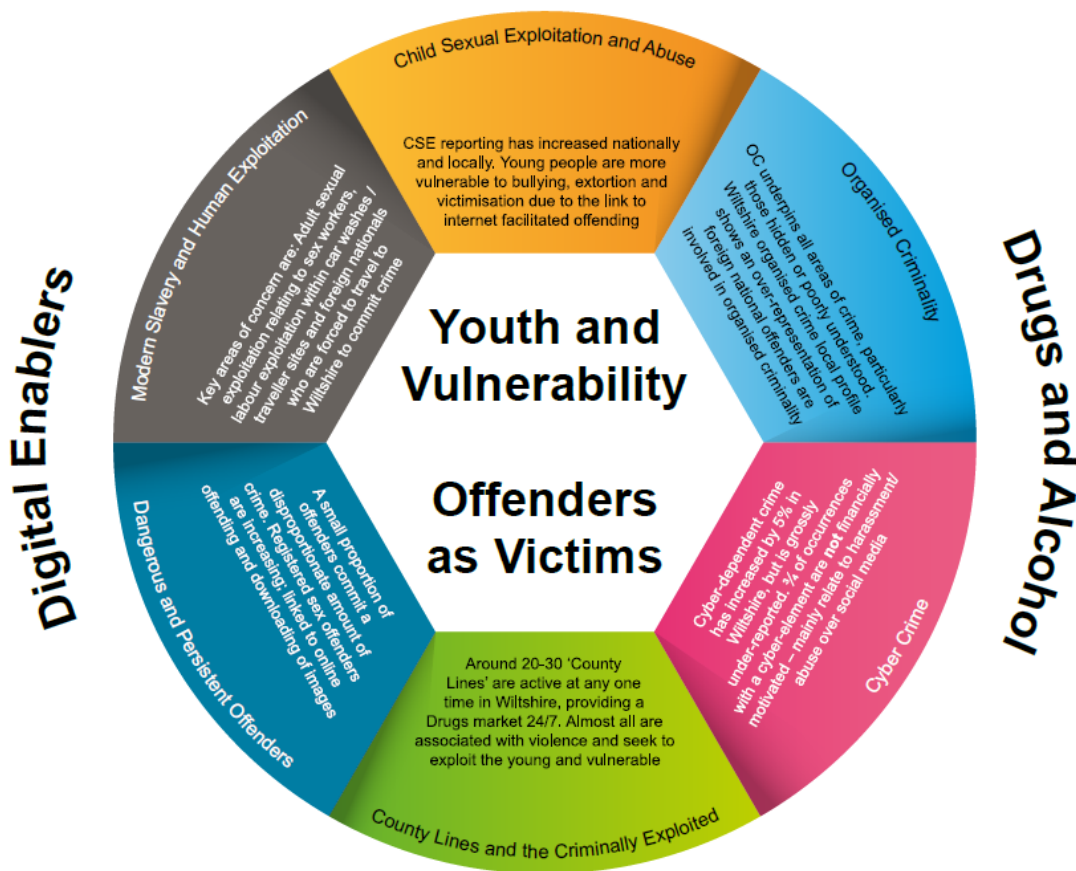

You PCSO's are carrying out consultations on their areas.

Update re Rural Crime Partnership

Rural crime operations continue, in our efforts to target what is often cross border organised criminal activity. Of one particular individual who has been actively involved in hare coursing and trespass on farmland a Community Protection Warning notice has been issued, in addition to seeking out prosecution for the offence itself. We are eager to utilise this legislation for persistent and impactful rural crime incidents.

3. Wiltshire Police Control strategy

Below is our Control Strategy for your reference. This focuses on how we conduct our operational policing based on the Police and Crime Plan. We will continue to align our resources with the threat/harm/risks presented in line with the control strategy.

Child sexual exploitation and abuse

Young people often enter the criminal justice system as a direct result of being exploited by others for financial or sexual gain. This has been recognised recently with a shift in focus to these young people being dealt with as Criminally Exploited and Vulnerable (CEV) individuals. Where circumstances dictate, this will mean that the safeguarding of these young people will take precedence over any criminal offences they may have committed. Those doing the exploiting are the individuals that should be targeted.

Please be vigilant for young people who may be being exploited in this way and report to Police through the normal channels.

Organised criminality

Operation Sirius is a dedicated response team investigating Asian Gold burglaries, one of which recently occurred within this area. Our local officers have also been engaging with businesses in the town requesting they report anything or anyone acting suspiciously in their neighbourhood, unknown or unexpected doorstep traders, unusual vehicles, many offenders use high performance vehicles. Please be mindful if you see such a vehicle driving around your area. We work closely with forces nationally, sharing information, helping to tackle this criminality which occurs throughout the country.

Cybercrime

Our Cyber Crime Prevention Officer is working closely with our partners within the region including attending Area Boards.

Many of the cyber scams which succeed occur following an individuals response to act quickly to an instruction or use distraction techniques so that less concentration occurs on the task in hand.

County Lines and the Criminality Exploited

Four people have been sentenced for their roles in a crack cocaine and heroin supply conspiracy which saw drugs trafficked from Bristol into Wiltshire towns.

Tumaini Matsimela, age 34, of Wilson Street, Bristol was sentenced to 7-and-a-half years imprisonment.

Melody Collins, aged 28, of High Street, Pewsey was sentenced to 3-and-a-half years imprisonment.

Franco Cosentino, 37, of Cranesbill Road, Melksham, was sentenced to 20 months imprisonment suspended for two years, 20 days rehabilitation, 200 hours unpaid work and six month drug dependency rehabilitation.

Jack Hedges, age 23, of Pockeridge Road, Corsham, was sentenced to 2 years imprisonment, suspended for 2 years, 30 days rehabilitation and forfeiture of £420.

The investigation by the Dedicated Crime Team began in November 2014 when officers stop checked Matsimela at Chippenham train station. He fought with officers and threw a quantity of Class A drugs into a bush, with a further quantity being found inside his pockets. He was arrested and bailed whilst the investigation continued.

He was again stopped in Chippenham in May 2015 when he was suspected to have been selling drugs. No drugs were found on this occasion, however, a large quantity of cash was located along with a mobile

phone which officers suspected contained evidence of his drug dealing.

The investigation continued and led to officers visiting the St Paul's area of Bristol on 2 February 2016. A short time later they located Cosentino and Hedges sat waiting in Cosentino's car. Matsimela was sighted

walking towards the vehicle and was detained a short distance away. He fought violently and threw a mobile phone and a quantity of Class A drugs. Mobile phone evidence showed that these drugs were intended to be supplied to Cosentino and Hedges and also implicated Collins in controlling the enterprise for the purposes of supplying crack and heroin onto the streets of Wiltshire.

When officers searched Matsimela's home address they located his brother Abiola inside with over £2,000 worth of cannabis and £1,100 in cash. He was sentenced at an earlier hearing for possession with intent to supply class B drugs.

Matsimela, Collins, Hedges and Cosentino were all charged with conspiracy to supply crack cocaine and heroin between 26 December 2015 and 3 February 2016. They all pleaded guilty.

PC Luke Barnett, of the Dedicated Crime Team at Melksham, said "I am very happy with the sentences passed in this case.

"Matsimela had been active in Wiltshire for some time, supplying hard drugs onto the streets of our towns and was well versed in police tactics. It required a lengthy investigation to successfully convict him of these offences and I am pleased that we were able to also successfully convict other significant members of his supply network.

"County Lines drug networks, who supply drugs from large cities such as Bristol into Wiltshire, pose a significant risk to our communities and we are determined to bring the offenders to justice."

If you suspect county lines drug activity in your community, please report it on 101, all information is treated with the utmost discretion.

Dangerous and Persistent offenders

Work is continuing with our SWITCH nominals, (those who are identified as persistent and prolific offenders), including intelligence gathering and relevant actions following dissemination. We currently have three nominals within the East Policing Area classified as such and we work closely with our SWITCH team members and partner agencies to manage these offenders.

Modern Slavery and Human Exploitation

Wiltshire Police and PCC response to HMICFRS Modern Slavery report 24 October

Detective Superintendent Craig Holden said: "Today's report serves as an important reminder that police forces must take a robust approach to modern slavery and human trafficking - this is a complex area of modern day policing and it can be demanding on resources, but that should never deter us from ensuring we are doing everything we can to protect victims.

"Tackling modern slavery in our communities is something that we place a lot of emphasis on.

Fundamentally, it is about protecting the most vulnerable in society and we've made it one of our top priorities where we will be focusing our resources.

"A steady flow of information from the public is vital in the fight against Modern Slavery and we are making positive strides in this area too. We are raising awareness of this issue both internally with officers and staff and externally, within our communities. They are the eyes and ears that provide the local intelligence needed to help us continue to target businesses and individuals that traffic and exploit vulnerable people.

"Combining our day-to-day frontline resources with specialists is also a critical component of our approach. Our dedicated Human Exploitation and Emerging Threats (HEET) team is central to us tackling this type of crime. They gather and analyse information to help us better understand where the specific threats exist in our communities. They then use that to set in motion operations (both locally and with our partners in the Regional Organised Crime Unit) that disrupt and dismantle criminal exploitation of vulnerable people.

"Over the course of the last year, we have carried out operations in a number of areas all related to modern slavery and human trafficking. These have included tackling and closing down 'pop up' brothels in Swindon and identifying labour exploitation in nail bars and car washes across the county. Modern slavery is complex and manifests itself in a number of ways. We will continue to focus our activity on the issues that have the greatest impact on our communities.

"Let me be clear, we will not tolerate any form of exploitation and we want victims to feel confident in reporting to us, safe in the knowledge that we will support them alongside our partners.

"Of course, modern slavery is not just an issue for the police. There are so many other areas that it impacts, from public health to housing to child protection. We work closely with our partners as part of the Swindon and Wiltshire Anti-Slavery Partnership (which is chaired by Wiltshire Police) to ensure that collectively we are working together to tackle these issues and put plans in place to provide support to victims.

"The welfare of victims is paramount and should always remain our priority. Modern slavery and human trafficking are abhorrent crimes and community based intelligence is crucial in investigations of this nature. Working together we can put a stop to the exploitation of the vulnerable. Call 101, or Crimestoppers on 0800 555 111 where information can be left anonymously. You can also contact the Modern Slavery helpline confidentially at any time, day or night on 08000 121 700".

Police and Crime Commissioner for Wiltshire and Swindon Angus Macpherson said: "Protecting the most vulnerable in society is one of the four priorities of my Police and Crime Plan and I welcome this report from HMICFRS into what is a serious, complex and challenging issue for police forces and partners across the country.

"Modern Slavery is not just a 'big city issue'. Wiltshire is a safe place to live but that doesn't mean it is immune to issues like modern slavery.

"The Chief Constable and his team must continue to 'lift the stone' on this toxic crime in our communities. I want to see offenders brought to justice wherever possible though close cooperation with our partners."

Domestic Abuse

A third of DA perpetrators are repeat offenders. A quarter of offenders have also been the victim of DA.

James Williams
A/Insp,
Wiltshire East CPT

Amesbury Area Board Report

Antrobus House, Amesbury

30th November 2017

Be one of us campaign

Last month the Service launched its 'Be one of us' campaign, in which we are encouraging women and underrepresented parts of the community to 'have a go' at becoming a firefighter, ahead of the wholetime recruitment campaign in November. Six events were organised at fire stations across the Service area during October, to give hands on experience to those who might otherwise think that being a firefighter is not for them.

Nationally, the fire and rescue service is 95% male and 96% white and we are trying to remove any barriers that might deter women and ethnic minorities from applying to become a firefighter.

To ease the worries of those who believe that becoming a firefighter is a physical role, the Service have introduced 'Have a go' days to show exactly what we do and what is needed to pursue this profession as a career.

We have also designed a 12-week fitness programme to help people achieve the required level whilst they are going through the application process.

More information on the 12-week fitness programme and details of the application process, can be found at www.dwfire.org.uk/be-one-of-us

Chimney Fires

As Winter approaches our focus moves to Chimney Fires.

A clean chimney can help prevent fires and structural damage to your property. Regular cleaning of your chimney or flue will eliminate the build-up of soot and clear obstructions such as bird or animal nests, leaves and debris.

It is not enough to use a vacuum cleaner and you should make sure that your chimney or flue is inspected regularly.

PROTECT

Chimneys should be swept:

- At least once a year when using smokeless fuels
- At least once a year when using bituminous coal
- Every three months when burning wood
- Once a year when using oil
- Once a year when using gas

The following safety advice should always be followed when lighting an open fire or wood burning stove:

- Don't use flammable liquids such as petrol or paraffin to light your fire.
- Don't burn excessive amounts of paper or rubbish.
- Don't overload the fire with fuel.

When the fire is alight, check the loft space occasionally to make sure there is no smoke leaking from cracks, defective brickwork or mortar joints.

Fireworks

Moving into November/December we turn our attention to the safe use of Fireworks. If you are putting on a home display you should follow some simple steps to make sure that everyone has a good time without getting hurt:

- Plan your firework display to make it safe and enjoyable.
- Keep fireworks in a closed box and use them one at a time.
- Read and follow the instructions on each firework, using a torch if necessary
- Light the firework at arm's length with a taper and stand well back.
- Keep naked flames, including cigarettes, away from fireworks.
- Never return to a firework once it has been lit.
- Don't put fireworks in pockets and never throw them.
- Direct any rocket fireworks well away from spectators.
- Never use paraffin or petrol on a bonfire.
- Make sure that the fire is out and surroundings are made safe before leaving.

UK law says you must not set off or throw fireworks (including sparklers) in the street or other public places. You must not set off fireworks between 11pm and 7am, except for: Bonfire Night, when the cut off is midnight. New Year's Eve, Diwali and Chinese New Year, when the cut off is 1am.

PROTECT

PROTECT

Community Engagement

Staff at Amesbury are collecting and carrying out Safe & Well visits in Amesbury and the surrounding areas, along with our safe & well advisors and the new District Support Officers.

The station and its' staff are supporting several educational events at local primary schools, run by DWFRS Education Advisors.

The importance of fire safety is a message that can't be delivered too soon, which is why we have a team of education advisors who work with young people across Wiltshire, Bournemouth, Dorset, Poole, Swindon.

At primary school level, education advisors visit classes with structured lesson plans that focus on issues such as the work of the Fire & Rescue Service, the dangers of playing with matches, the importance of smoke alarms, having a fire plan, and dialling 999 in an emergency. Older children are also taught why you should never make hoax calls.

We can also arrange visits to our fire stations or one of our safety centres. For more information or to make a booking for your school or pre-school, please visit our webpage; <https://www.dwfire.org.uk/school-visits/> or email enquiries@dwfire.org.uk

We are also available to attend flu clinics at local Practices to give out home safety advice and collect referrals for Safe & Well visits.

If you need a smoke alarm, some advice or are worried about what you would do in an emergency, contact us for a free Safe and Well visit; <http://www.dwfire.org.uk/safety/safe-and-well-visits/>

Smoke alarm saves family

A Swindon family were saved by working smoke alarms on 24 September after fire broke out in their house. The Service was called to the property on Crombey Street at 1.54am, with two crews from Swindon fire station being mobilised. The fire was located in the ground floor kitchen, having started when cooking was left unattended. The smoke triggered the property's smoke alarm, allowing the five occupants to escape without injury – four children were led to safety by firefighters. Seth Why, Head of Fire Safety, said: "The attending crews reported that the house had working battery operated smoke detectors, which activated and raised the alarm. There was already a lot of smoke from the fire and that could have been a serious risk to life had the family not been woken up." To keep your smoke alarms in good working order, you should:

- Test them once a week, by pressing the test button until the alarm sounds.
- Change the batteries once a year (unless mains powered or fitted with a ten-year battery).
- Replace the whole unit every ten years.
- Clean your smoke alarms every three months by using the soft brush of your vacuum cleaner to remove any excess dust.

PROTECT

Response

Total number of calls for Amesbury Fire Station: 01st September – 15th November 17

Category	Callsign	Total Incidents
False Alarm	35P1	4
Fire	35P1	10
Other	35P1	2
Special Service	35P1	7
Total	35P1	23

On-Call Recruitment

Following successful recruitment evenings that was held at various stations around the County last year, Amesbury Fire Station have hosted their own recruitment evening and now have two recruits in development. A further two potential recruits are also in the process and maybe available to start their training early next year.

If you know of anyone who would be interested in becoming an on call Firefighter, please ask them to come along on a Wednesday evening and speak to the crew.

Alternatively, if you know of anyone who is interested in becoming an On Call Firefighter, visit the webpage; <https://www.dwfire.org.uk/working-for-us/> or pop in the station for a chat on any Mon evening between 7pm and 9pm.

Recent Notable Incidents

- Numerous fires – Aliwal Barracks, Tidworth
- Domestic garage fire – Bulford
- Domestic garage fire – Amesbury
- Armoured Mastiff fire – Salisbury Plain
- Fatal road traffic accident (RTC) - Tilshead

Partner Update

Update from	Durrington Town Council
Date of Area Board Meeting	30 November 2017

Headlines/Key Issues

- Bonfire Night – The event, organised by All Saints Parish Church, Durrington Town Council and Larkhill Garrison and held on Millennium Park, Durrington on the 5th of November was the most successful to date and attracted in excess of 2000 people. The Town Council has written to Salisbury Journal following an article that it published based on two negative comments received about the traffic/parking ‘mayhem’. The letter outlined the amazing work of volunteers, particularly with regards to health and safety inside the event itself and explained that it was for a relatively short period of time (2 hours) and that there were more positive comments than negative that it failed to pick up on – lazy journalism in our opinion.
-
- The Town Council took part in 3 events to commemorate Remembrance Day, firstly on Friday the 10th councillors along with pupils and teachers from Durrington Junior School laid over 250 crosses on the Commonwealth War Graves of fallen soldiers. Chairman John Todd laid a wreath at the village War Memorial and did a reading at All Saints Church on Sunday the 12th. Finally, a short act of remembrance was then conducted at Durrington Cemetery where wreaths were laid at the WW2 Commonwealth Memorial.
-
- A Public Meeting was held on October the 24th to discuss anti-social behaviour in key areas of the village. Attendance comprised; residents, shop/land owners/managers, Wiltshire Police and Councillors who came up with ways to tackle some of the issues relating to ASB in the village. The key take away was to report ASB matters to the Police through the 101 or via the website.
 - Wiltshire Councillor Graham Wright along with Town Council Chairman John Todd have set up a working group with residents to discuss the impact of Phase 1 of the rebuild of Avon Valley College. This phase of the project will last 42 weeks and is due to start early 2018. Residents have concerns about the amount and size of construction and associated traffic that will use some of the village’s tight streets. The working group will look to outline the concerns and work with the developer and applicant to address/allay them.

November 2017

Overview

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

The right healthcare, for you, with you, near you

News from the CCG!

New provider announced for Integrated Urgent Care Services

Medvivo has been awarded a five year contract to provide integrated urgent care services across Wiltshire, Bath and North East Somerset (BaNES) and Swindon, from 1 May 2018.

Medvivo will be responsible for running the new NHS111 service across Wiltshire, BaNES and Swindon and will develop the service model to include a new locally managed 'clinical hub'.

The new clinical hub means that callers to the 111 service will be listened to and advised about what action they should take next. If they require further medical advice they will be able to talk to the clinical hub – a team of experienced health professionals who can collectively make clinical assessments, give advice and arrange urgent care if required. It means no decision is made in isolation.

Local patients and residents will receive information about the new integrated urgent care service and how to access it ahead of the launch on 1 May 2018.

Army Basing programme

NHS Wiltshire Clinical Commissioning Group is working with the Local Authority, Military Health and a range of stakeholders to assess and minimise the impact of any changes to the military population and their families. As part of this we are engaging with local health services to ensure they plan for any subsequent changes and that the right resources are available at the right time.

There is a dedicated page on Wiltshire Council's [website](#) to keep you updated with the latest news and events on the Basing Programme to support around 4,000 additional service personnel and their families relocating to Wiltshire by 2020.

HANDi app launched

A free mobile app is now available which provides expert advice to parents, carers and health care professionals on common childhood illnesses.

The HANDi app provides expert advice on how best to manage the six most common childhood illnesses; diarrhoea and vomiting, high temperature, chestiness, newborn problems and stomach pain.

The HANDi app is available to download free from iTunes App Store and Google Play Store and will work on any Apple or Android device.

Read [more](#) about this app and how to download it to your mobile device.

Have your say!

What's your view on NHS funded patient transport?

Wiltshire CCG, with other CCGs across the South West, are working together to develop a consistent approach to assessing whether patients are eligible for NHS funded patient transport.

Patient transport is a non-emergency service offered to people who cannot get to their hospital appointment because their health condition impacts on their ability to use routine transport (cars/trains/buses/taxis/wheelchair taxis).

National eligibility criteria for using patient transport was set in 2007, however the way these are interpreted locally can vary, including agreed exclusions and how to apply the criteria.

The aim is now to ensure that NHS funded non-emergency patient transport is provided in a fair way for all those who need help getting to hospital appointments.

Patient Transport

We have put together a short [online patient/public questionnaire](#) which is open until 10 November.

If you would prefer a hard copy of the questionnaire, please email the [communications team](#) and we will send you one.

Diabetes survey – have your say!

Wiltshire CCG wants to improve the care of all diabetics in Wiltshire; so we need to understand what matters to you.

Next spring we are launching a wellbeing toolkit for all diabetes and those who support them.

Please complete this [short survey](#) and tell us where the gaps are in the information you need to help support the management of diabetes. Your comments will help to shape the new wellbeing toolkit.

Urgent GP appointments – where would you go?

If you need a same day urgent GP appointment – this could mean that you might not be able to see your usual GP and you may have to travel to a different practice.

Urgent GP appointments are booked on the day and are for patients who have health problems which cannot wait for a routine appointment.

We want to hear your views on accessing urgent GP appointments.

Tell us what you think by completing this [short survey](#).

Campaigns

Every year we support a number of national health campaigns and run some local ones too.

Click on the images below to find out more about our current campaigns.

Do you have a learning disability?

Don't miss out: get better healthcare now.

We want to hear from Wiltshire residents living with long-term conditions

We are looking at the information available for people living with the five most common long-term conditions in Wiltshire. We also want to find out more about the information needs of those living with one of these key conditions, including:

- Heart disease
- Diabetes
- Arthritis
- Chronic obstructive pulmonary disorder
- Mental health issues

The information gathered during the evaluation will help to influence new sets of information on Wiltshire's health and care information website, ***Your Care Your Support Wiltshire*** and ultimately, to improve the quality and accessibility of information available to those with long term conditions in Wiltshire.

We also want to hear from Wiltshire people who care for someone with a long-term condition.

Get involved by completing an online survey at <https://wh.snapsurveys.com/s.asp?k=150160216377>

Hard copies can be made available on request. The survey closes on **30 November 2017**.

Healthwatch Wiltshire will also be visiting local support groups to talk directly to people living with long term conditions as well as their carers and professionals.

Help us evaluate short information films about long-term conditions

Wiltshire Council and NHS Wiltshire Clinical Commissioning Group have subscribed to a library of films produced by a company called The Sound Doctor. The films are made by medical staff, and include information about common long-term conditions. They aim to help people learn more about the causes and impacts of these conditions, and advise on ways for people to live with and manage their condition.

These films are available online for Wiltshire people, and include the key long-term conditions listed above. You can access the films at thesounddoctor.org by simply confirming your GP practice.

We want to hear your opinions about the films and whether they are helpful. So after you have watched the films which are of interest to you, please take a few minutes to complete our online survey at <https://wh.snapsurveys.com/s.asp?k=150349235839>.

Again, hard copies can be made available on request. The survey closes on **27 January 2018**.

Contact us:

Tel 01225 434218

info@healthwatchwiltshire.co.uk
healthwatchwiltshire.co.uk

Healthwatch Wiltshire is a local independent organisation which exists to speak up for people on health and care. If you have used a service recently then we would like to hear from you. We use what people tell us when we meet with the commissioners and providers of services to make sure that they take account of your views and experiences.

Report to	Amesbury
Date of Meeting	30/11/2017
Title of Report	Community Youth Grants

1. Purpose of the report:

To ask Councillors to consider the following applications seeking funding from the Amesbury Area Board.

Application	Grant Amount	Total Cost of project
Applicant: BRIDGING PROJECT Project Title: Street Based Youth Work Project - Durrington	£4,634.00	£4,634.00
Applicant: Shrewton Youth Club Project Title: Shrewton Youth Club Extra	£470.00	£570.00

2. Main Considerations

Councillors will need to be satisfied that grants awarded in the 2017/ 2018 year are made to projects that can realistically proceed within a year of the award being made.

Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet member for Communities, Campuses, Area Boards, Leisure, Libraries and Flooding. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance.

Community Youth Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

Community Youth Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community based projects and schemes.

3. The applications

<p>Applicant: BRIDGING PROJECT Project Title: Street Based Youth Work Project - Durrington</p>	<p>Amount Requested from Area Board: £4,634.00</p>	
<p>This application meets grant criteria 2014/15.</p> <p>Project Summary: Street Based Youth Work SBYW is a new project being introduced in Durrington to tackle anti-social behaviour and to continue engagement with new and old members of Durrington Youth Services which is no longer available in Durrington. The aim is to engage with at risk young people providing them with positive activities promoting local services available to young people Community engagement and partnership and to offer information advice and guidance on issues relevant to young people through informal education and discussions.</p> <p>Please tell us WHO will benefit and HOW they will benefit from your project and benefit your local community:</p> <p>On September 30th 2017 young people yet again lost their youth centre due to the local school requiring the land for the re-development of the school AVC. Myself staff our community and Durrington Town Council worked together to source an alternative venue but none were available in Durrington. I managed to hire a hall in a neighbouring village Bulford but this meant nothing was now being provided in Durrington which is a large and expanding village. We have helped and supported many young people through grief mental health issues drug and alcohol abuse and much more so it was extremely important to still be available for those young people that need us through continuing engagement. Although we have been overjoyed by the support young people have given us through attending our Bulford youth sessions we have lost a lot of our members. We had also been informed by the local police members of the public and Durrington Town Council of reports of anti-social behaviour in 3 main areas in Durrington. As I live in Durrington I too had witnessed groups of young people hanging around in the reported areas. I had also attended a neighbourhood tasking group meeting which discussed anti-social behaviour in the reported areas. This clearly evidenced a need to explore the option of implementing Street Based Youth Work. To evidence a need in more depth for this project we have used profits raised from entrance fees and tuck shop raised over 2 years to provide the SBYW project for 3 months up to end of December after which we are unable to self-fund as all profits have been used to evidence its success before applying to Amesbury Area Board to fund us for 2018. During the sessions, so far young people have been happy to engage with us providing suggestion of what could be delivered during the sessions MUGA. They are interested in working with us and The Town Council to create a space or obtain a</p>		

building where they can go a youth centre in Durrington. We have been promoting other youth sessions available in the area that they could attend Although transport is a barrier for some. Last week we had the local police come out with us to report back to young people of the outcomes of a local community anti-social behaviour meeting where local residences shop owners police and councillors attended to discuss the issues being presented in Durrington. Young people were informed by us about the meeting and were encouraged to attend as this can be difficult for some young people we gathered their views and attached it with a report of our sessions so far to be presented at the meeting. There are many barriers in our community and we are keen to be advocates for our young people with the aim to break down some of those barriers. So far over 30 young people have been involved and benefited from our sessions but we expect more over the coming months as each week our contact numbers have increased. Our project is free so its accessible and affordable to all that wish to engage. We ensure that set times are provided each week where we meet young people to ensure continuity and accessibility. We are keen for young people to participate in the Multi Use Games Area MUGA for football sessions etc. as these are free to young people. Young People have expressed an interest for this so by including it within this application will mean ALL young people will be able to participate. We really hope you can enable us to continue this much-needed project. This project will be monitored sessionally via an evaluation form which outlines what was delivered what has happened during the session any outcomes future actions or planning the aims and objectives of the session and how we met the every child matters outcomes. Staff discuss each session and self-evaluate to make improvements where necessary. I have a runaclub account which assists me with the needs and requirements of the project. Overall our project will be judged by the young people taking part who are welcome to contribute on the evaluation sheet this is always reflected in participation on our contacts record done sessionally.

Recommendations from LYN:

The LYN met on 17.11.2017. After careful consideration, they recommend that the full amount of £4,634.00 is awarded.

<p>Applicant: Shrewton Youth Club Project Title: Shrewton Youth Club Extra</p>	<p>Amount Requested from Area Board: £470.00</p>	
---	---	--

This application meets grant criteria 2014/15.

Project Summary: The youth club will add an extra monthly session for the 14-17-year olds. This will provide a variation to the normal youth club night. Rather than it being activity led it will be led by the young people’s needs and requirements with the hope that they will plan and organise anything they want to do with adults support if needed.

Please tell us WHO will benefit and HOW they will benefit from your project and benefit your local community:

Objective-To provide the older young people with a continued space to access. To provide the opportunity to offer more advice and education on risky behaviours and age appropriate topics as required for young people to take the lead providing opportunity for leadership peer mentoring and challenge Method-The session will be able to access the same equipment and venue as the standard Shrewton youth club the same policies insurance and staff volunteers will help. This could be run on either a Tuesday or Friday these seem to be clear at the Rec on a set first last of the month basis. Implementation-Once funding has been obtained the club would be advertised via the existing club Facebook page website and word of mouth.

The project is a pilot to test the need and full involvement by young people. After six months, a full evaluation will be undertaken led by the young people.

Recommendation from LYN

The LYN met on 17.11.2017. After careful consideration, they recommend that the full amount of £470.00 is awarded.

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

03	Item	Update	Actions and recommendations	Who
1.	Attendees and apologies			
	Present:	Roger Fisher (Amesbury TC), John Ellis (Durrington TC), Richard Deakin (Durrington TC), Charles Penn (Winterbourne), Richard Harris (Shrewton PC), Jackie Clark (Bulford PC), David Hassett (Shrewton PC) Wiltshire Councillors – Mike Hewitt (Chair), Robert Yuill, Graham Wright Andy Cole (Local Highways Engineer (Amesbury and Tidworth), Julie Wharton (Principal Engineer)		
	Apologies:	Wiltshire Councillors Darren Henry, John Smale. Spencer Drinkwater (Transport and Development Manager (North and East)		
2.	Notes of last meeting			
		The notes of the previous meeting were ratified at the Amesbury Area Board, 27 July 2017 . (click on link for webpage)		All
3.	Financial Position			
		The final finance sheet is appended, the current financial position – £23,007.	The Area Board notes the update.	All

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

4.	Top 5 Priority Schemes			
a)	Issue 4636 Old Road - SP4 0EQ Request for street light or illuminated bollard.	Estimated cost is £2000. The work has been ordered, awaiting programming by the contractors.	The Area Board notes the update.	JW
b)	Winterbourne Earls – Closure of the Fords	The work has been ordered, awaiting programming by the contractors.	The Area Board notes the update.	JW
c)	4774 High Post Road, Netton. Measures to improve give way signing at the junction.	The group agreed to fund the £1200 for the bollards and PC agreed contribution of £100. The work has been ordered, awaiting programming by the contractors.	The Area Board notes the update.	JW
e)	London Rd, Shrewton - Request for buildouts.	The group set aside £12,500 towards any proposed scheme. Topo survey is complete and cost £3300. Preliminary design work has been completed and the estimated cost of the scheme is £96,200. A bid has been made to the substantive scheme fund. Outcome of the substantive bids will be known by Christmas.	The Area Board notes the update.	SD
	Issue 4545 Church Street, Winterbourne Stoke – request for waiting restrictions. Issue 4742 High Street/Salisbury Street. Amesbury.	Various waiting restrictions combined into one order. All 3 sites have been advertised. Objections were received for the schemes at Durrington and Amesbury. A cabinet member report has been prepared for each and both have now been signed off by the cabinet member. The decisions can be found on the Council's website; the report for the restrictions in Amesbury can be found here and the report for the Durrington restrictions here .	The Area Board notes the update.	JW

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

	<p>Reduce on street parking in town centre from one hour to 30 minutes.</p> <p>5064 Various locations, Durrington. Request for waiting restrictions</p>	<p>The work has been ordered, awaiting programming by the contractors. It is anticipated that the work will take place around mid to late November.</p>		
5.	Other Priority schemes			
a)	<p>Issue 4053 High Street/A360 Shrewton – Lining works</p>	<p>Some amendments to the scheme have been made since Shrewton PC consulted with residents and the scheme will now cost £2500.</p> <p>The group agreed to proceed and make this a top 5.</p>	<p>The Area Board approves the funding of £2500 and notes that the group agreed to make this a top 5 priority.</p>	JW
b)	<p>Issue 4426 Tanners Lane, Shrewton – measures to prevent no 1. being struck by vehicles</p>	<p>At the previous meeting the PC reported that no further damage had occurred but the group agreed to leave open until the next CATG meeting therefore if no further damage has occurred this issue can now be closed.</p> <p>Shrewton PC reported that no further damage had occurred and therefore this issue could be closed.</p>	<p>The Area Board confirms that the issue can be closed.</p>	JW
c)	<p>4968 Junction of The Portway & the A338 (SP4 6JL) Road structure signage change at the site in order to slow vehicles at the on approaches to the roundabout.</p>	<p>The junction has been considered again as part of this year's LSS prioritisation. The collisions have been re-reviewed and it was found that there were few common factors or locations; no collisions in 2015, in 2016 there were two additional collisions, both local drivers that failed to give way however the visibility is unobstructed. Therefore the decision has been taken to monitor for another year.</p> <p>All of the give way markings need refreshing and the approach signage is completely obscured by vegetation which needs clearing</p>	<p>The Area Board approves the funding of £1400 for the topographical survey.</p>	JW

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

		<p>back. Splitter islands could be introduced at each entrance to the roundabout which would allow a bollard to be installed highlighting the roundabout, this work would be cost approximately £20,000. This would need a topographical survey to facilitate the design which would cost approximately £1400.</p> <p>The group agreed that it was appropriate to spend the money to determine whether or not a scheme was feasible/and or affordable.</p>		
6.	New Requests / Issues			
a)	<p>5451</p> <p>Salisbury Road 3.5t weight limit except for loading</p>	<p>Large heavy vehicles use the narrow roads through village causing damage to the roads therefore Shrewton Parish Council would like the imposition of a 3.5t HGV weight restriction except for loading on the B3083 Salisbury Road from its junction with the A303 to its junction with the A360 to include the unclassified road The Common from its junction with the B3083 to its junction with the A360.</p> <p>The group agreed to allocate £3000 towards a 3.5t HGV ban.</p> <p><i>Post meeting note: This cannot be progressed as an individual request, it will need to go through the Freight Assessment & Priority Mechanism led by the Transport Planning team on an annual basis. The group will need to nominate Salisbury Road as one of its roads for 2018/19. In the meantime the PC may wish to collect evidence of goods vehicles that are using the road, particularly those between 3.5t and 7.5t.</i></p> <p><i>The High Street, Shrewton was considered an exception as this was an unenforceable weight limit.</i></p>		CATG/ PC

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

b)	<p>5739</p> <p>Boscombe Road, Amesbury. Request for Bus Clearway marking.</p>	<p>Vehicles are parking in front of the bus stop. Bus has to stop in middle of road causing hold-ups for both east and west bound vehicles. Pedestrians have to alight the bus in the middle of the road then make their way around stationary and moving vehicles to the pavement. Request for bus stop clearway marking either side of road and redundant bus stop outside Christ the King School to be removed.</p> <p>Bus Clearway markings are approximately £150 each + a share of the establishment fee. The group agreed to allocate £1000 to install two bus clearway markings and remove the redundant Bus Stops outside Christ the King School.</p>	<p>The Area Board approves the funding of £1000 for the clearways.</p>	<p>JW</p>
c)	<p>5738</p> <p>Stockport Road, Amesbury Request for no waiting at any time restriction.</p>	<p>The Town Council has received several reports about car parking at the roundabout on Stockport Road. On further investigation cars are often seen parking on the road which they are legally allowed to do, but it does make the road more dangerous. It has also been observed that when vehicles turn left out of the gate on site they have to make a quick decision when they are faced with cars overtaking parked cars.</p> <p>Request for double yellow lines to be marked from the roundabout to the layby. £1000 for order/£250 (+share of establishment fee) for works. The group requested more information and discussed progressing one set of traffic orders for waiting restrictions a year.</p> <p>All PC's to send in their requests by Christmas and then the final list would be determined at the March CATG. JW advised that they should still submit any requests to the Network Management team.</p>	<p>The Area Board notes the update.</p>	<p>TC</p>
d)	<p>5740</p> <p>Fairfax Close, Amesbury.</p>	<p>Parking in the town centre has increased - residents shoppers and workers are parking on a dangerous bend on the Fairfax Close which they are legally allowed to do but it does make the road more dangerous. It has also been observed that when vehicles try to enter</p>	<p>The Area Board notes the update.</p>	<p>TC</p>

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

	Request for no waiting at any time.	<p>to exit Fairfax Close they have to make a quick decision when they are faced with cars having to overtake parked cars on a dangerous bend. Pedestrians crossing the road are often unsure of what vehicles intentions are due to having to make a quick decision regarding other vehicles.</p> <p>Double yellow lines to be painted from the entrance to Fairfax Close to start of right hand bend and repaint the white junction markings at the end of Fairfax Close on to High Street. £1000 for order/£250 (+share of establishment fee) for works - see item d.</p>		
e)	<p>5743</p> <p>Bulford Road, Durrington Request for bollards.</p>	<p>Durrington Town Council at its last meeting on the 26th of September discussed the issue of public safety along a specific part of Bulford Road Durrington SP4 8HA. The area of particular concern is the stretch of Bulford Road between Coronation Road and Poores Road. Due to parked cars on one side of the road impatient drivers are mounting the pavement alongside the shops - Kebab Shop & Palmers Papers so that two way traffic can be maintained. This is particularly prevalent early mornings and late afternoons. Bulford Road is in the heart of the village and is used to access all of the schools in the village those who walk along this part of Bulford Road are at risk of injury from the drivers who are mounting the pavement. The Town Council would therefore like to consider bollards being installed along this entire stretch of road as is in place outside of the chemist and library between Coronation Road and New Road.</p> <p>To install 15 bollards would cost approximately £3000. Durrington TC asked for them to be highlighted – possible reflector band/white top. The group agreed to allocate £3000 for 15 bollards to be erected.</p>	The Area Board approves the funding of £3000 for 15 bollards to be erected.	JW

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

f)	5759 Amesbury Road jcn A338. Visibility improvements	Newton Tony Parish Council are concerned about visibility at the junction near the Dogs Trust A338. This concerns both visibility of vehicles on the A338 and Amesbury Road. Request for improved signage at the site, possible road markings, vegetation clearance either side of the junction. The group agreed that this should be made a top 5 so that a scheme could be investigated.	The Area Board notes that the group agreed to make this a top 5 priority.	JW
7.	Any other items			
a)	Location of CATG	The group discussed the venue and felt that it was appropriate to continue the meetings at its current location.	The Area Board notes the update.	CATG
b)	Street Nameplates	CATG funds may be used to fund the replacement of street nameplates therefore it is proposed that £5000 is set aside. A street nameplate costs approximately £250, so the funding won't go far. Parish/Town Councils can always offer additional funding. Only street nameplates on the adopted highway will be considered for this funding; priority will be given to those missing. PC/TC to send details and a photo to andy.cole@wiltshire.gov.uk by 22/12/2017.	The group agreed to set aside £5000 for Street Name plates.	AC
c)	Footway maintenance	The CATG has been allocated £10638 to spend on footway maintenance. CATG to determine how to select the footways the money is allocated to. Possible way forward that has been adopted by the Tidworth CATG is that Parish Councils have a month to submit one footway that they would like repaired and then AC selects the one that is in worst repair.	The Area Board notes the update.	AC

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

		<p>The group agreed that the Tidworth model was the most practical way forward and that AC was the best person to determine the footways in most need. An email will be sent out to all Town and Parishes providing details.</p> <p>The group agreed that as a significant amount of footway work has been undertaken in Bulford and Amesbury this year they would not be considered a priority for this additional work.</p>		
d)	Flower Lane, Amesbury	<p>The Traffic & Engineering Manager asked for this item to be included on the agenda. A property known as Fern Cottage is being damaged by large vehicles. This is in part because parked vehicles make it difficult for large vehicles to manoeuvre. The group discussed the difficulty of providing anything that could offer protection for the property but would not pose a danger to the highway user.</p> <p>The group agreed that this should be made a top 5 priority for investigation so that any possible improvements could be discussed and bought back to the next meeting</p>	The Area Board notes that the group agreed to make this a top 5 priority.	JW
e)	Schemes for 2018/19	<p>JW informed the group that ideally they should be allocating their money early in the financial year so that it can be spent in that current year. Therefore a request was made for schemes to come forward now. The funding can be spent on rights of way where appropriate but priority should be given to those affecting the adopted highway. JW suggested that schemes were raised and then they could be considered and advice given as to whether or not they were appropriate.</p> <p>Dropped kerbs for wheelchair/pram access have been popular in other CATG areas.</p>		PC/TC

AMESBURY COMMUNITY AREA TRANSPORT GROUP 30 OCTOBER 2017 ACTION NOTES

		<p>The terms of reference for the CATG can be found here http://www.wiltshire.gov.uk/highways-community-transport-group.</p> <p>The link to raise an issue can be found here https://services.wiltshire.gov.uk/Forms/area_board/areaboards.php?fir_stpass_done=1</p> <p>JW happy to provide advice – julie.wharton@wiltshire.gov.uk.</p>		
f)	SID's	<p>At the meeting a question was raised as to whether or not SID's can be purchased using CATG funding.</p> <p><i>Post meeting note:</i> it is confirmed that SID's can be purchased using CATG funds subject to the discretion of each individual group. The CATG cannot fund the maintenance or operation of any scheme.</p>		CATG
g)	Waiting Restrictions	<p>As discussed above in item 6c, requests for waiting restrictions should also be logged as an Area Board issue before Christmas and the group will consider putting together an order at its next meeting in March. Any requests should also still be sent to the Network Management Team at County Hall.</p>	The Area Board notes the update.	TC/PC
8.	Date of Next Meeting:	05 March 2018, 10am, Redworth Centre, Amesbury Leisure Centre, Amesbury		

Amesbury Community Area Transport Group

Principal Engineer – Julie Wharton

1. Environmental & Community Implications

1.1. Environmental and community implications were considered by the CATG during their deliberations. The funding of projects will contribute to the continuance and/or improvement of environmental, social and community wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

2. Financial Implications

2.1. All decisions must fall within the Highways funding allocated to Amesbury Area Board.

2.2. If funding is allocated in line with CATG recommendations outlined in this report, and all relevant 3rd party contributions are confirmed, Amesbury Area Board will have a remaining Highways funding balance of **£10,107**.

3. Legal Implications

3.1. There are no specific legal implications related to this report.

4. HR Implications

4.1. There are no specific HR implications related to this report.

5. Equality and Inclusion Implications

5.1 The schemes recommended to the Area Board will improve road safety for all users of the highway.

6. Safeguarding implications

6.1 There are no specific safeguarding implications related to this report.

Amesbury H&WBG

Notes and actions from the meeting 13th November 2017

Attendance

Cllr Graham Wright (chairman) Cllr John Smale, Cllr Mike Hewitt, Dave Roberts, Carolyn Taylor, Kirstie John, Eamon McClelland, Jan Tidd, Maureen Atkinson, Andrew Day, Tim Mason, Penny Read, Graham Audin, Jo Ball, Laura Young,

Apologies

Cllr Rob Yuill

Welcome

GW welcomed everyone and made an observation that the group appears to have shrunk in recent times and suggested that all present try to encourage at least one other person to attend particularly from the voluntary sector.

Funding Applications

Discussion took place about the recent award to FMC. DR explained the process of awards and although the H&WB group made a recommendation to the area board to defer funding. FMC attended the area board which was a public meeting and provided additional information. They also explained that if funding was deferred the community lunches would have to be suspended.

After careful consideration, the area board decided to award funding specifically to provide 4 community lunches per month until the end of March 2018 when the area board would ask for a complete breakdown of the funding before considering further funding.

Amesbury Extra Care Unit

LY outlined the provision of the extra care unit due to open in June 2018.

This will be a 20x 1 bed and 40 x 2 bed unit. There will be a scheme manager on site during normal office hours and a care provider on site.

Looking for a local connection to run a fully equipped kitchen.

There will be an open event at Amesbury Library on 30th November 2017 4pm and a show flat should be ready early 2018.

Several suggestions were made during the following discussion including a visit by the H&WB group to the show flat.

All comments and any further question to laura.young@wiltshiregov.uk

Dementia Action Alliance

TM explained the role of the DAA and asked that a DAA meeting to take place soon.

Action DR and TM to organise DAA event

Future agenda items

Digitisation

Hearing

Post meeting note

Please note also that a very successful Dementia Friendly Community Session took place on Tuesday 14th November, to which we had over 30 participants and most said that it has inspired them to go back to their local community and try to get some action towards becoming a DFC.

Date of next meeting

Monday January 15th 2018 12.00 The Redworth Centre, Amesbury

Report to	Amesbury Area Board
Date of Meeting	30/11/2017
Title of Report	Community Area Grant funding

Purpose of the report:

To consider the applications for funding listed below

Applicant	Amount requested
<p>Applicant: The Newton Tony Memorial Hall and Recreation Ground Project Title: Newton Tony Village Hall Refurbishment Project 2</p> <p>View full application</p>	<p>£850.00 Total cost of project £1,700</p>
<p>Applicant: Bulford St Leonards Scout Troup Project Title: Scout Hut install heating unit</p> <p>View full application</p>	<p>£750.00 Total cost of project £1,500</p>
<p>Applicant: Durrington Day Centre Project Title: Durrington Day Centre chairs</p> <p>View full application</p>	<p>£968.76 Total cost of project £968.76</p>
<p>Applicant: Durrington Football Club Project Title: Floodlight expansion</p> <p>View full application</p>	<p>£967.90 Total cost of project £1,967.90</p>
<p>Applicant: Bulford Parish Council Project Title: Update of playground</p> <p>View full application</p>	<p>£5000.00 Total cost of project £30,000.00</p>

1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2017/2018 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
1979	The Newton Tony Memorial Hall and Recreation Ground	Newton Tony Village Hall Refurbishment Project 2	£850.00
<p>Project Description: Stage 2 Refurbishment includes main hall installation of additional sockets and energy efficient internal wall lights and exterior safety lighting. Replacement of old heavy tables and new blinds for Windows replacing old curtains.</p> <p>Input from Community Engagement Manager: Newton Tony is a small closely knit community with both council and private dwellings with all ages making use of our hall and recreational ground. It is a hall that is frequently used for regular repeat activities such as cafe club, preschool, horticultural society, and exercise classes. These different events cover a cross ranges of ages and interests. In addition, they have cultural events such as Rural Arts and winter lectures and summer fete. Last year they introduced two annual free village events fun cricket in the summer and carols around the Christmas tree in December for all villagers. The facility provides a safe pleasant environment having a positive impact on village community. The proposed improvements provide a safer and more energy efficient facility. The new internal lighting will be more conducive to relaxed social events than the current fluorescent lighting. The external lighting will greater increase level of illumination around entrance and car park area which has uneven surface and steps. This also fits area board priorities. Reducing social isolation by offering a local meeting place.</p>			
<p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
2574	Bulford St Leonards Scout Troup	Scout Hut install heating unit	£750.00
<p>Project Description: Our new recently completed has no fitted heating and we would like to install a fitted propane gas heater.</p> <p>Input from Community Engagement Manager: If this is awarded the scout hut will have permanent heating and will reduce our cost from portable electric heaters. This will also make the premises more sustainable into the future. This also fits area board priorities of positive activities for young people.</p>			
<p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
2572	Durrington Day Centre	DURRINGTON DAY CENTRE CHAIRS	£968.76
<p>Project Description: Durrington Day Centre has approximately 32 elderly members who meet on a weekly basis for coffee lunch and entertainment. The chairs in use are over 30 years old and are desperately in need of replacement cushion padding has worn and frames are becoming unstable. This project will fund the first 18 chairs to be purchased in 2017. The new chairs will be suitable for elderly persons provide support and will be wipeable.</p> <p>Input from Community Engagement Manager: Members of the Day Centre will be able to sit on comfortable chairs with good support that are also wipeable. This is particularly important given the age and disabilities of some members of the centre. The old chairs have lost their comfort and members sometimes are sat on them for around 5 hours at any one time. Durrington day Centre is a much needed and valued facility in the community. This also fits area board priorities of reducing rural isolation.</p>			
<p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
2512	Durrington Football Club	Floodlight expansion	£967.90
<p>Project Description: We are looking to increase our investment in portable floodlights for the Durrington fc club. We now have 14 teams we need to expand the winter training area to allow teams to train in parallel</p> <p>Input from Community Engagement Manager: Durrington FC has expanded in recent years and attracts people from a wide range of ages. The lights will allow 75 of the club's teams to train outside and on grass throughout the winter and as they can train on a full pitch they can train 2 teams in parallel and therefore have all players start at same time each night. This fits with area board priorities for providing positive and healthy lifestyles.</p>			
<p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
2517	Bulford Parish Council	Update of playground	£5,000.00
<p>Project Description: Our playground is over 20 years old and requires an awful lot of work to update it. There are no facilities for disabled children which we will action with your help. I.e. Inclusive swings and a solid footpath for access. We also would like a trim trail for over 14s which will help with fitness levels.</p> <p>Input from Community Engagement Manager: All local children and youths will benefit from the new facilities. Young children will be able to enjoy the swings and climbing frames and older children the trim trail. Disabled children will be able to use the new swing and more importantly access the play are by using the new path which will be constructed to enable wheelchair users and pushchairs to more easily cross the all grassed area. This also fits area board priority of positive activities for young people.</p>			
<p>Proposal That the Area Board determines the application.</p>
