# Agenda Item 1

Dear colleagues

Wiltshire and Swindon's Police and Crime Commissioner has sounded a positive note in his overview of the year about the way the Force keeps the public safe and deals with new demands and threats.

But Angus Macpherson warns in his annual report that sustaining this performance will become increasingly difficult because of continued financial pressures.

Mr Macpherson writes: "Wiltshire still receives unfair funding from central government. This means we have less money to spend protecting the public than almost all other areas in England and Wales."

For more of this release: <https://www.wiltshire-pcc.gov.uk/article/3473/We-need-fairer-funding-to-protect-the-public-says-PCC>

To read the annual report in full: [https://www.wiltshire-pcc.gov.uk/media/2953/Annual-Report-2017-18/pdf/PCC\\_AnnualReport\\_1718\\_low.pdf](https://www.wiltshire-pcc.gov.uk/media/2953/Annual-Report-2017-18/pdf/PCC_AnnualReport_1718_low.pdf)

Mr Macpherson would be most grateful if you could forward this email to members of your area board.

Best wishes

## ***Chairman's Announcements***

**Subject: Banning of Sky Lanterns and Balloon Releases on Wiltshire Council Land.**

Large scale balloon and sky lantern releases are familiar sights and are often carried out at events to remember lost loved ones or mark other special events. Wiltshire Council is the latest to pass the ban on the release of balloons and sky lanterns on its land, following a report on the environmental and wildlife impact. The ban includes biodegradable balloons, as balloons cannot degrade quickly enough to not prove a hazard for wildlife.

The council understands that there are different reasons that people may wish to take part in organised balloon / sky lantern release events, however there are other activities that can be undertaken. We hope this move by Wiltshire Council will help to raise awareness of the issue and will encourage other Town and Parish Councils to take a similar approach.

It was run by Wiltshire Ambulance Service and later by Great Western Ambulance Service (GWAS). GWAS was the sole trustee of the Wiltshire Air Ambulance Appeal.</li> <li>• In October 2011 the Wiltshire Air Ambulance Charitable Trust (WAACT) was formed to run Wiltshire Air Ambulance. The new charity was independent of the ambulance service. The charity paid about a third of the cost of the joint helicopter, with Wiltshire Police paying the remaining two thirds. For the charity, this amounted to about £700,000 a year.</li> <li>• The collaboration with Wiltshire Police ended on 31 December 2014 due to Wiltshire Police joining the National Police Air Service.</li> <li>• On 9 January 2015, Wiltshire Air Ambulance began operations as a stand-alone air ambulance. Operating a dedicated air ambulance means the costs are higher and the charity needs to raise £3.25 million a year. The charity leased the Devizes airbase while a new airbase and administrative headquarters were built at Outmarsh, between Melksham and Semington the new site became fully operational in June 2018.</li> </ul> <p>The Chairman thanked David Philpott for his presentation.</p> |

## SOUTH WILTSHIRE COMMUNITY POLICING TEAM – NOVEMBER 2018

**Sector Head:** Insp Pete Sparrow  
**Sector Deputy:** Sgt John Hutchings

Welcome to the third edition of the new South Wiltshire Community Policing Team Area Board report.

As previously stated, you will notice that it is a little more comprehensive than you are used to, as henceforth my intention is to include the entire South Wiltshire CPT within the body of a single report. The idea is that it will give a much greater understanding of the issues facing South Wiltshire as a whole community, rather than in isolation by single area.

My policing team operate on the basis of 'One Team' and as such, resources are moved around on a daily basis according to demand. Whilst each Police Officer and our PCSO's will still retain ownership of a given area in terms of longer term problem solving approaches, the very nature of policing and answering calls for service often dictate that officers are brought together from the wider area to respond to given circumstances. This has always been and will continue to be the case.

You will note that I have this month, added a 6<sup>th</sup> item to the list below, which I will continue to report on henceforth.

We are so incredibly proud of our Special Constabulary Officers: The time they give, the effort they make, the results they produce, the confidence and support they provide to both colleagues and our communities is nothing short of incredible. There is no doubt that we would be lost without them and for that reason they deserve their own spotlight in this report.

The document is broken down in to 6 parts:

1. Introduction
2. Staffing – listed are the Community Coordinators and PCSO's for your given area.
3. Community Engagement – How to contact us and where we are due to be.
4. Particular Issues and Crime Series
5. Specials Update
6. Items of Note

Since the last report there has been some good news in relation to the location of the policing teams in Salisbury, as we have successfully co-located back in to Bournehill with our Council colleagues. This is a great feeling, as the refreshed premises are brighter and airier than we previously had and it has been significantly de-cluttered which is always a good thing!

All being well the policing activity as a result of Operation Fairline and Fortis are drawing to a close and some normality will return to operations accordingly. Throughout the incidents, I am very proud of the fact that despite being only a small force, we managed to maintain business as usual with our

**Wiltshire Police - 178 years of public service – *Primus et Optimus***

policing teams, despite the significant demands placed upon them and this was helped greatly by the support shown by the South Wiltshire communities whom we serve and we would like to thank everyone for that support.

### **Staffing**

With the recent changes in CPT boundaries I am proud to say that I now have available some 147 officers and staff under my command. This does not include over 40 members of our Special Constabulary. Whilst I would love to list them all, I have limited the information to the officers that make up the immediate community team whom have the closest relationships and links with our communities, those being our Community Policing Coordinators and PCSO's. These officers are pivotal in maintaining strong working relationships with the whole community, be it business or public and they all work exceptionally hard at doing just that. I would like to welcome those latest officers joining us and have highlighted a few below. I am sure that you will quickly get to know them and together we can continue to help keep Wiltshire as being one of the safest counties in the country.

## Community Engagement

I am pleased to report that since my last attendance at all Area Boards where I promised that if you asked, we would endeavour to deliver, this has been achieved. I would encourage your members to continue to engage with our CPT staff either individually or via the e-mail inbox with requests for attendance to specific events.

This is a key area of our work and comes in many forms, from our physical presence on the traditional beat or through PULSE patrols, to our mobile and cycle patrols as well of course as our social media footprint.

Wherever possible our teams are engaging with the community at every level and one of these ways is through community consultations, where a member of staff will be made available to speak to our community on any given day and time. These consultations are a great way to meet and greet my staff that are local to you and are a great way for you to raise any issues that you may have directly with an officer or PCSO at that time.

**Wiltshire Police - 178 years of public service – *Primus et Optimus***

Community Consultations will take place on the following dates:

Waitrose, Churchill Way – Friday 23<sup>rd</sup> November 1400 x 1600hrs

Salisbury Charter Market – Tuesday 27<sup>th</sup> November 1000 x 1200hrs

Salisbury Library – Multi Agency drop in session Saturday 10<sup>th</sup> November 2018

Salisbury - Thurs 15<sup>th</sup> Nov –Christmas Lights Switch On – with Police Cadets

Salisbury - Christmas Market consultations – likely to be twice weekly from 1<sup>st</sup> Dec

Downton - Friday 9<sup>th</sup> Nov –Memorial Hall grand opening – Matt Holland/ Matt smith

Wilton – Monday 3<sup>rd</sup> Dec – Wilton Christmas Lights – Pc Holland and PCSOs will be in attendance.

Dates and times will be advertised through social media and community messaging so please make sure that you follow us to receive them. Further venues across the area are being sought at the moment and if you have any event or venue suggestions please let us know via the CPT e-mail listed above and we will endeavor to be there!

### **Neighbourhood Tasking Meetings**

The next Tidworth/Ludgershall NTG is planned for 6<sup>th</sup> November at 14.30 hours in Ludgershall at the Town Council Office, with the next planned for February 5<sup>th</sup> 2019 at 1430hrs.

The next Amesbury/Durrington/Bulford/Larkhill/ Figheledean NTG is planned for 10<sup>th</sup> January 2019 at 1900hrs at Amesbury Police Station.

Amesbury Rural's next meeting is planned for 20<sup>th</sup> March 2019.

### **Independent Advisory Group (IAG)**

This year has seen the development and setting up of the first IAG for the South of the County which sits 4 times a year. This group is made up of members of the public from a diverse background to assist us as an organisation with advice from the ground on certain aspects of our work. This has included consultation on the use of Spit Hoods for example to see how such items of equipment might be viewed by our communities and this source of feedback has proved very useful.

### **Particular Issues and Crime Series**

**Salisbury City.**

**Wiltshire Police - 178 years of public service – *Primus et Optimus***

Dangerous Drug Networks (DDN's) - Despite significant disruptions through proactive policing, gangs are continuing to infiltrate the south of the county peddling drugs and preying on our most vulnerable within the community. The war against drugs is a long fought one and we will continue in our efforts to disrupt activity, arrest offenders and bring them to justice whilst protecting the vulnerable in the process.

We cannot be complacent in our effort and attention to this area of our business, as the tendrils of drug addiction and the destructive behaviour that it breeds are prevalent in every town on our area.

Closure orders continue to be an effective tool to assist in the prevention of crime and safeguarding of the vulnerable within the City Centre. The most recent has been achieved only this week commencing 5<sup>th</sup> November.

Any intelligence in this regard is always welcome and can be fed in to the system via speaking to an officer or member of staff, e-mail or through **Crimestoppers on 0800 555 111**.

### **Purple Flag**

The Chief Constable accompanied officers on patrol over the weekend of 27<sup>th</sup> October in support of Salisbury Purple Flag. He visited several licenced premises and areas of the city where the vulnerable can be found. He also assisted in the arrest of a male found committing criminal damage in the City.

### **Harnham**

Ongoing multi-agency work continues - in Essex Square to support 'sensitive let' scheme which has been successful in tackling issues of ASB and misuse of drugs. PCSO WARD will continue to work closely with Wiltshire Council colleagues and our Teams will support with targeted patrols and enforcement action where appropriate.

Catapult related damage and ASB - We have continued with targeted patrols in response to recent reports of young people behaving in an antisocial way, using catapults to injure birds and cause damage. Hotspots include Harnham recreation ground, Town path, Middle and Lower Street. Regular 'PULSE' patrols have been undertaken by my teams and the reports have subsequently decreased. The hot weather and summer holidays has no doubt contributed to this developing situation, but I am pleased to report that a swift and robust patrol strategy does seem to be working and these will continue throughout the holidays at least.

### **South Rural**

- **Vehicle crime**  
Targeted patrols of hotspots. Vehicles targeted at 'beauty spot' locations and works vans targeted for power tools
- **Patrols to target Rural crime and Poaching**  
Patrols by Police officers and PCSOs to target both daytime and night poaching at identified hotspots. Ongoing liaison and intelligence sharing with Hampshire Police to target cross border

**Wiltshire Police - 178 years of public service – *Primus et Optimus***

offending. Local PCSOs will continue to run targeted rural operations with support from our Rural Crime Team, Rural Special Constables and local farmers and landowners (latest Operations were conducted on the nights of Thurs 11<sup>th</sup> and 26<sup>th</sup> Oct).

- **ASB/ Catapult related Criminal Damage - Downton**  
Additional foot patrols (focused on Moot Lane/ High Street) following reports of damage and ASB linked to use of catapults. Stop/ search powers to be used where grounds exist – catapults and ammunition will be seized.
- **Fly Tipping**  
Following a successful operation targeting Fly Tippers in partnership with Environmental Health Officers, I am pleased to report that so far 10 persons have since been interviewed under caution and the investigations continues.

## **Amesbury and Tidworth**

### Target Patrols Tidworth/Ludgershall and surrounding areas

These continue to tackle reported ASB and drug taking.

Following complaints from the Community targeted patrol commenced to offer reassurance and gather intelligence. The concerns were around possible drug use at the location along with anti-social behaviour. To date some 112 patrols have taken place resulting in the policing team continuing to gather intelligence and refer the people causing issues to the relevant agencies for actions to be taken.

### Target Patrols Amesbury and surrounding areas

#### Large disorder

Due to a large disorder which occurred in daylight hours in the car park at the Pavilion on Archers Gate, a target patrol commenced on 3<sup>rd</sup> November.

#### Tool Thefts

These continue across the area and activity to catch and disrupt offenders is ongoing. We have managed to re-unite recovered tools with their owners in recent weeks.

### Shrewton

Due to complaints from the Community a new target patrol commenced on 31<sup>st</sup> August. The purpose of this patrol is to target lorries/heavy vehicles who contravene the 3.5 tonne weight limit on B3086 London Road Shrewton. The restriction is in place, and sign posted, from the Rollestone cross roads B3086 (heading into Shrewton) continues through the Village High Street and finishes at the mini

roundabout by the co-op (where it joins the A360). To date some 17 patrols were commenced and this action has now been closed for passing attention..

### **Community Speedwatch**

Amesbury and Salisbury have now combined this priority and actively engage both in company with and independently of CSW teams. Communities have reported back positively with regard to the visible police presence this affords them and this activity will continue across the South.

### **Special Constabulary Update**

Our SPC's continue to provide fantastic support to the local policing teams across the county and in particular the South. So far this year this equates to over 63,000 hours of service to the community and 51% of those have been spent across County Division of which South CPT forms part. Since June our SPC's have provided some 5,500 hours to supporting policing operations in the South and they will be very active again this weekend with Remembrance Parades across the area.

### **Items of Note**

#### **Wiltshire Police needs your views on diversity and inclusion in local policing**

Wiltshire Police is holding a public consultation meeting in Salisbury this month to seek views of local communities in the south of the county to help develop a new **Equality, Diversity and Inclusion Strategy** for Wiltshire. Deputy Chief Constable Paul Mills will host the meeting on **Wednesday 21 November** from 6.30pm to 9pm at Fisherton Hall, St Paul's Church Centre, Fisherton Street, Salisbury SP2 7QW. Follow this link to register your free place: <https://www.wiltshire.police.uk/article/3376/We-need-your-views> Refreshments are available and all are welcome.

### **Remembrance Day Parades**

Planning is ongoing for the policing of all Remembrance Parades across the south of the county which is a significant but important part of the policing calendar. My officers will both be respectfully commemorating the event and providing security for all attendees, due to continued concerns of public safety at such events from persons who would wish to cause us harm.

### **Winter Solstice**

With the Autumn Equinox now behind us, we look forward to the Winter Solstice celebrations at Stonehenge and planning is ongoing to manage this event with a sympathetic view for all concerned.

Concerns are continuing to be managed with our partners around the highways issues raised since the closure of the byways following Summer Solstice and this work is ongoing.

## Operation Sceptre - Update

Operation Sceptre is a national Police initiative run approximately 4 times a year. It targets knife crime and possession in the UK. It is a Home Office led initiative. The operation will start on 17<sup>th</sup> September 2018 for 2 weeks. We will look to tackle prevention and awareness amongst children and young people, whilst also dealing with criminals who carry weapons to facilitate other types of activity such as County Lines.

Events held in the Market Place Salisbury and the College were all well received and a haul of some 100 bladed weapons was handed in during the amnesty in Salisbury alone.

## Salisbury City Centre

Visible patrols and public engagement in Salisbury City Centre. This priority focus is on anti-social behaviour, street drinkers and disorder. CPT are working in partnership with Venture Security, BID and pub watch. It also aims to speak with rough sleepers, some of which are vulnerable in order to check on their welfare and signpost them to other agencies via [www.streetlink.org.uk](http://www.streetlink.org.uk) which triggers intervention from the local authority/outreach service that can provide help and assistance.

Officers are also making regular welfare visits to various addresses within the City Centre and the immediate surrounding area of vulnerable residents who are drug and alcohol dependent. Some of these addresses have been targeted by drug gangs from out of the area. Officers take positive action by way of arrest.

We will continue to publicise these checks via social media.

## TIDWORTH AREA BOARD REPORT FOR SEPTEMBER TO NOVEMBER 2018

### Community Engagement

The Fire Service continue to offer Safe & Well visits to residents and if you or someone you know is in need of a working smoke alarm to be fitted or needs some fire safety advice in the home or are just worried about what to do in an emergency then you can contact us at; <http://www.dwfire.org.uk/safety/safe-and-well-visits/>

We will arrange for one of our trained advisors or fire crews to pop round and discuss your requirements and needs, give you some top tips for fire safety within the home and if you meet our criteria for free smoke alarm installation we will also do that during the visit.

***Ludgershall Fire Station has a proactive Facebook account and I would encourage everyone to follow the station. The page is updated to show incidents the station have attended, training sessions and community events where crews will be attending.***

At the start of November, Ludgershall Fire Station held an open day. With displays including road traffic collisions and meeting the crew a fantastic day was had by all who attended.

### Reducing your risk of fire

At this time of year we see an increase in fires involving chimneys. Chimney fires can develop into roof fires in the right conditions with devastating effects. This is especially true with thatched roof properties.

To reduce your risk of a chimney fire we recommend:

- Ensuring any works carried out are by a registered professional
- Sweep your chimney at least twice a year – in autumn and early spring
- Keep your chimney in good working order, for example by fitting a bird guard to prevent birds nesting in the flue.

Chimneys should be swept :

- At least once a year when using smokeless fuels or bituminous coal
- Every three months when burning wood
- Once a year when using oil or gas.

When your fire is alight, check the loft space occasionally to make sure no smoke is leaking into the roof space from cracked joints or defective brickwork.

For more chimney fire safety visit:

<http://www.dwfire.org.uk/safety/safety-at-home/chimney-safety>

For more information on Thatch fire safety visit:

<http://www.dwfire.org.uk/wp-content/uploads/2018/05/DWFire-Thatched-Living.pdf>

***Test your smoke alarm – we are running a #Testit Tuesday campaign to remind people to check their smoke alarms every Tuesday. It takes seconds to push the button and make sure this vital piece of kit is working.***

With the cold nights drawing in, if you are using portable or electric heaters, never place them close to any combustible materials including paper, clothing or bedding.

Carbon monoxide can build up if your fuel burning apparatus isn't working correctly. Always have your fuel burning apparatus regularly serviced by a registered professional and install carbon monoxide alarms near the equipment.

### Response

#### **Total Emergency Calls for Ludgershall Fire station; 18/9/2018 – 16/11/2018**

| Category        | Callsign | Total Incidents |
|-----------------|----------|-----------------|
| False Alarm     | 36P1     | 8               |

**Other** – This can be a movement to another fire station to provide fire cover during an ongoing incident.

**Availability of On-Call appliance 36P1:**

| Appliance | Day (06:00 - 18:00) | Night (18:00 - 06:00) | Total  |
|-----------|---------------------|-----------------------|--------|
| 36P1      | 55.06%              | 90.81%                | 72.94% |

The reduced figures during the day are attributed to possible course attendance as part of a Firefighters requirement to maintain competence, personnel taking annual leave or due to fulltime work commitments where individuals work outside of the town and cannot supply us cover.

**On-Call Recruitment**

As the Availability table shows, crewing of your appliances falls below our ideal expectations of 100%. We continue to strive and improve on the number of personnel at each station through our recruitment process so we can increase the amount of hours our appliances are available for call outs.

The local appliances are only available to attend calls due to the commitment given by those who live and work within your community.

If you are able to give some of your time or know someone who may be interested in joining our 'On-call' teams then why not pop into the station on a Wednesday evening between 7pm and 9pm. Crews are not volunteers but are paid a salary to train and respond to emergency calls. Cars and vans race along at forty to fifty miles per hour. Many cats have been killed there are no pavements and children walk the road to and from school. Horses are also regularly walked along. Extra speed bumps or cameras need to put in place or somebody will get hurt. Sitting for an hour especially at rush hour will highlight this problem but I am happy to obtain evidence if you can provide me with a speed gun camera. Speed testing equipment would best placed outside our house as we are half way down where their speed has picked up. They really do speed along and its dangerous.</i></p> <p>GR / AC &amp; IBP met with representatives of PC to discuss all issues in C Ducis. This included Cadley Road. A number of options and suggestions were discussed. The PC are to consider further options, and if necessary submit a new Issue specific to the request.</p> <p>Recommend this is issue is closed.</p> | <p>Due to the prohibitive cost of providing a footway and the fact WC does not own the verge, this scheme is to be closed.</p> <p>However, CDPC has submitted another issue for village gates (see 6696) and are to submit another issue relating to repeater signs.</p> |  |

The traffic is not anticipating cars leaving the estate or entering the estate from the Tedworth house entrance. This is partly due to the length of the weeds that have been left from the development of the estate both side of the new Roundabout. Many people including myself cross the road daily. The traffic flow is high in the area and not all vehicles take into consideration the speed limit. By putting a crossing in this area not only would it reduce the speeding in the area it would also be a lot safer to cross for pedestrians as it is on an angle where its hard to get a full view of the road on one side and I have seen one to many close calls involving motor vehicles and pedestrians. I have heard that this issue has been raised in the past but did not go ahead as not enough people would benefit from it. ### The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

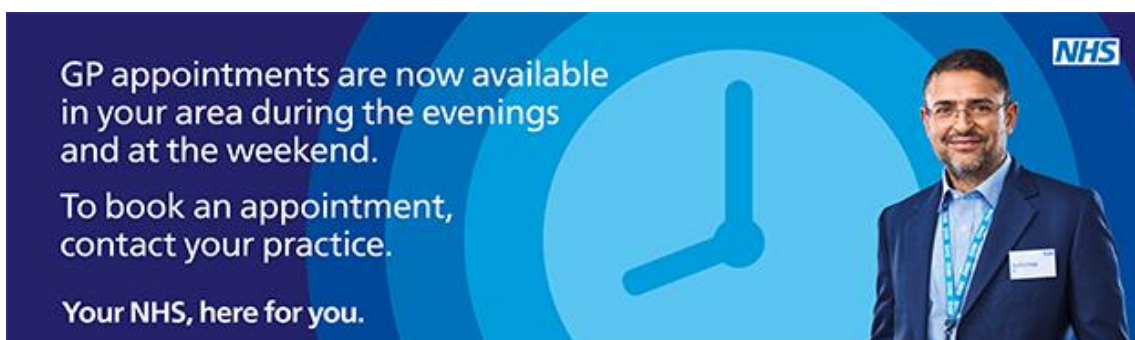

## News

### Improved access to GPs

From 1 October 2018 people registered with a Wiltshire practice are able to book routine appointments to see a GP, practice nurse or other health professional in the evenings from 6.30pm to 8pm, and at weekends and Bank Holidays.

Across the population of Wiltshire there is an additional 235 hours per week of clinical time in this move to improve access to health services.

You won't always be able to see your registered GP and may need to go to a different practice in your area to take up the after-hours and weekend appointments.

GP appointments are now available in your area during the evenings and at the weekend.

To book an appointment, contact your practice.

Your NHS, here for you.

## GP Alliance

The Wiltshire GP Alliance (WGPA) is a not-for-profit group made up of almost all the GPs across Wiltshire. It aims to help practices work better together to improve GP resilience, and stimulate and share improvements – for instance with availability of GP appointments – across the county.

WGPA are managing the improved access provision in Wiltshire which means surgeries are now working together to provide extra appointments in the evening and at weekends.

The alliance is still in its early days but they aim to provide more services ‘at scale’ by supporting genuine cooperation between practices, and help stabilise the workforce, and facilitate transformation to solve problems in health and care.

## Campaigns

### Help Us Help You

This winter, NHS England and Public Health England are introducing a new overarching brand that brings together all the winter pressures campaign activity - Help Us, Help You. In recent years there has been an increasing emphasis on people taking responsibility for staying healthy and managing their own health and Help Us, Help You is a powerful new way to build on this.

**HELP US  
HELP YOU**

**STAY WELL THIS WINTER**

The first phase of national advertising and promotion is focusing on increasing the number of people who call 111 when they have an urgent but not life-threatening medical need. The aim is reduce the number of people going to A&E departments or calling 999. The NHS 111 campaign runs from 1 October to 25 November 2018.

The next phase is Stay Well This Winter which in October is encouraging people to get a flu vaccination, and then in November includes messaging around early and effective treatment for respiratory ailments. The November campaign will focus on older people and people with long-term health conditions.

Other campaign elements in coming months will focus on extended GP access, NHS 111 online and pharmacy.

### Keep Antibiotics Working

Public Health England's 'Keep Antibiotics Working' campaign returned on Tuesday 23rd October to alert the public to the risks of antibiotic resistance with the aim of reducing patient's expectation for antibiotics.

Whilst antibiotics are vital for treating many infections, there is evidence that antibiotics are often used when they are not needed, for example, for viral infections such as colds or flu where they are not effective or for illnesses that can get better by themselves. Research has shown that this is, at least in part, due to patients expecting antibiotics, without understanding that they may not be effective for their illness.

**Taking ANTIBIOTICS when  
you don't need them puts  
you and your family at risk**

# Area Board Update November 2018

## Key findings from Campervan and Comments Tour 2017

Last summer's Campervan and Comments Tour saw Healthwatch Wiltshire staff and volunteers travel 400 miles around Wiltshire to gather the views and experiences of people of all ages on health and care services.

Taking to the roads in a classic 1969 VW campervan, we parked up at a variety of locations around the county, collecting 2,077 comments during the two-week tour.

Overall, we received more positive comments than negative ones.

A full report with recommendations will be available soon.

This project was conducted under Healthwatch Wiltshire's previous provider, Evolving Communities.

## What people told us...

Most people were happy with the treatment they received from their GP but were unhappy about long waiting times to get appointments.

Hospital maternity, children's and cancer services were highlighted as good, but long waits to see consultants drew negative comments.

Communication between hospitals and other services came in for criticism, and experiences of using social care services appeared to be inconsistent.

Delays in accessing mental health services were the main concern for most people, but many also said staff were helpful and treated them well.

Most people told us they were happy with their dentist and the quality of treatment they received, whether NHS or private.

## **Update for Tidworth Area Board**

### **Headlines/Key successes**

- **Harvest Festival Saturday 13th October:** A Harvest Festival Service took place at St Peter's Church on Saturday 13<sup>th</sup> October. The Church was prepared by the Ladies of Everleigh, who arranged stunning flowers. Our vicar, Jo Reid, conducted an excellent service. The children gave a great rendition of the Harvest Thanksgiving and hymns were heartily sung. Harvest gifts were gratefully received and donated to the West House Farm Residential Care Home in Collingbourne Ducis.
- **Bonfire Night Saturday 3<sup>rd</sup> November:** The Everleigh Bonfire + Fireworks night took place on Saturday 3<sup>rd</sup> November at the playground and Jubilee Field. The event had all the ingredients for a great evening: spectacular fireworks; delicious BBQ; lovely mulled wine; and a roaring bonfire, with a good turnout of well over 150 including some friends from neighbouring villages. Many villagers pulled together to produce an excellent community event.
- **Remembrance Sunday 11<sup>th</sup> November:** On Sunday 11<sup>th</sup> November we linked up with our neighbours from Collingbourne Ducis and Kingston to commemorate the 100<sup>th</sup> anniversary of the end of the First World War. A traditional Remembrance Service was held in the morning at St Mary's Church, Collingbourne Kingston. Then, in the afternoon that day there was planting of a memorial walnut tree at the Ducis Memorial Orchard on the Recreation Ground, followed by an entertaining punch and judy show, delicious tea party, singing 1918 style and the reading of the Roll of Honour in the Ducis Village Hall. Turnout was high, to give thanks and to remember those who served their country during the Great War.

### **Forthcoming events/Diary dates**

- **Carol Service Saturday 8<sup>th</sup> December.** Our final event of the year, a Christmas Carol Service, will take place at St Peter's Church on Saturday 8<sup>th</sup> December at 5pm. This is a good opportunity for the village to get together at this festive time of the year, to hear the Christmas story and to sing traditional carols. We will also be laying on mulled wine and mince pies after the Service.

Signed: **Denis Bottomley, Chairman Everleigh Parish Council**

**1. Background**

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

**2. Main Considerations**

2.1. Councillors will need to be satisfied that funding awarded in the 2015/2016 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

**3. Environmental & Community Implications**

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

**4. Financial Implications**

Financial provision had been made to cover this expenditure.

**5. Legal Implications**

There are no specific legal implications related to this report.

## 6. Human Resources Implications

There are no specific human resources implications related to this report.

## 7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

## 8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

## 9. Applications for consideration
