# Agenda Item 1

## Chairman's Announcements

<b>Subject:</b>	<b>Recycling Week 2019</b>
<b>Web contact:</b>	<a href="https://www.recyclenow.com/recycling-knowledge/recycle-week-campaign">https://www.recyclenow.com/recycling-knowledge/recycle-week-campaign</a>

Now in its 17th year, Recycle Now's Recycle Week campaign is a celebration of recycling.

The aim of the week is to encourage everyone to recycle more, by helping to understand the benefits of recycling items from all around the home and by offering tips and suggestions to make it easier to recycle!

Recycle Week 2019 will be full of action asking people to rinse, crush, squash, sort and separate. In the bathroom, the kitchen, the office and the great outdoors. Getting them to do something powerful and radical that will really make a difference.

### **This year's theme: Recycling. It's in our own hands**

In 2018 Britain woke up to recycling.

2019 is the year we're taking action.

The theme will be 'Recycling. It's in our own hands' and the campaign will run from 23rd to 29th September.

Wiltshire Council will be issuing a series of social media posts via its Facebook and Twitter accounts, aimed at reminding residents of the wide range of materials that they can recycle through the council's kerbside collection schemes, household recycling centres, as well as making better use of charity re-use shops, and methods to help reducing our reliance on single-use plastics and other packaging.

### **For residents:**

Wiltshire Council's website contains lots of useful information to support its residents in recycling as much of the waste they generate as possible:

<http://www.wiltshire.gov.uk/recycling>

<http://www.wiltshire.gov.uk/what-happens-to-recycling>

<http://www.wiltshire.gov.uk/household-recycling-centres>

## ***Chairman's Announcements***

Recycle Now's website also has a range of valuable resources and some can be accessed via the following links:

**For businesses:**

## **Chairman's Announcements**

<b>Subject:</b>	<b>How Dementia Friendly is Wiltshire?</b>
<b>Web contact:</b>	<a href="https://www.healthwatchwiltshire.co.uk/report/2019-07-24/how-dementia-friendly-wiltshire">https://www.healthwatchwiltshire.co.uk/report/2019-07-24/how-dementia-friendly-wiltshire</a>

Healthwatch Wiltshire's latest report is now available online. It gathered the views and experiences of more than 100 people in the county who are affected by dementia.

“How Dementia Friendly is Wiltshire?” focuses on two elements - how local dementia friendly initiatives are working to make their area more dementia friendly, and how much those living with dementia feel they benefit from them.

Healthwatch Wiltshire visited 15 community groups across Wiltshire and invited people to take part in a survey or a 1:1 interview to gather their feedback.

The report details what people living with dementia and their carers value most about dementia friendly initiatives and can be accessed via the link above.

## HIGH LEVEL CPT UPDATES:

### UPDATES FROM INSPECTOR COLES

- Myself and my deputy have now been in post for almost 8 weeks and wanted to update with some of the work we have been doing.
- I have recently met with a representative of the Amesbury Residents Committee (ARC); to discuss any concerns they may have. The meeting was very productive and I was able to advise that over the last 6 months, here have been 35 offences recorded for the Amesbury area, this was looking at Thursdays, Fridays and Saturdays between the hours of 2000 – 0500 hours.

WILTSHIRE POLICE

# CPT Area Briefing

Wiltshire South East Community Policing

August 2019

- I am pleased to report that all of these offences were low level ASB and none of them were serious incidents. I fully appreciate that some offences may have gone unreported and that ASB can be extremely distressing and frustrating for those people living locally.
- During the meeting we discussed ways of reporting and specifically the new option of online reporting, which is available at [https://www.wiltshire.police.uk/Report\\_a\\_crime](https://www.wiltshire.police.uk/Report_a_crime) This is a new facility so we would be keen to receive any feedback from those of you who use it in the future.
- Myself and my deputy have visited most of the licensed premises in Amesbury and we received a very positive welcome from all of them, they are keen to work with the Community to help work through any issues or concerns.
- We have also been in consultation with licensees in Salisbury and are looking at bringing the Best Bar None (<http://bbnuk.com/>) to Salisbury and Amesbury, this is a national scheme that looks to provide some consistency across an area and professionalise license premises where required. Many of our premises in Amesbury may already be doing many of the elements required, however this accreditation tests this and provides advice and support where required, a very positive initiative that everyone I spoke to seemed keen to be involved with.
- We have also started to build strong relationships with our military colleagues, including the MOD and military police; Lucy Thorne has taken responsibility for this and is working hard to identify ways we can work more efficiently. Our military colleagues have been extremely welcoming and are also keen for us to work together.
- I am looking to try and re-launch the Community Messaging platform, this is a great tool that can keep people updated with local news and also assist with the detection of crime. For example, we are encouraging people, both businesses and private to sign up and register their CCTV, this then allows us to do a search of a specific area and identify where footage may be located to assist us in our investigations.

- The link to sign up is below, however our PCSOs will always be available to assist people in signing up.  
<https://www.wiltsmessaging.co.uk/pages/2786/1/About.html>.
- I am also in discussions regarding a possible street pastor scheme in Amesbury; this is something that works well in other areas, so is definitely worth exploring.
- Over the last few weeks, we have executed two warrants in the Amesbury area following intelligence gathered by our teams, and have recently successfully captured two burglaries following creeper burglaries in Durrington.
- I have also visited The Ram in Tidworth, where I received a warm welcome and we had some good conversations about how we can work together in the future.
- I attended Amesbury Town Council meeting and Lucy Thorne attended Tidworth Town council meeting, (this was mainly due to them being on the same day). We both received a friendly welcome and it was clear how importance our presence was. I intend to have a representative at each of these meetings and look forward to attending Ludgershall Town's Council meeting on 10<sup>th</sup> September 2019.

## Community Updates

- PCSO Pippa Brewer carried out a bike security marking event in Amesbury, 18 bikes were marked this time and we hope to have more of these events in the coming months. So look out for details.

Day in the life of PCSO Daniel Catterick

PCSO Catterick and PC Scott from Team 1 Amesbury began their day on 3<sup>rd</sup> August with a briefing at 7am! The briefing is where we discuss our plans and roles for the shift.

This was followed by a foot patrol around Ludgershall and Ludgershall castle. (Picture below) We then patrolled the scenic route along Salisbury plain.

Next we were dispatched to a Burglary in progress and followed this up with a trip to Ludgershall fete to show off the police car to the local children.

Our next tasking was to a disorder in Ludgershall then followed by a call to assist Nicholas and his fantastic Vintage car which PC Scott had the pleasure of driving. (Picture below) Nicholas was more than happy for us to share this moment with you all.

Finally our shift concluded with a foot patrol around Tidworth.

As we write this post, we are busy finishing our paperwork and handing over to Team 2 who will see you all safely through the evening.

## LOCAL PRIORITIES

PRIORITIES FOR WILTSHIRE SOUTH EAST CPT	UPDATE
<b>Priority 1:</b>	
<p><b>Date set</b> – August 2019</p> <p><b>Location</b> – South-East CPT Hub</p> <p><b>Summary</b> – The South-East Hub understands the importance of speeding in our area and the benefit of our Community Speed watch Team... We are currently reviewing how we can assist our CSW volunteers and together, work to make our roads safer.</p>	<p>14<sup>th</sup> August 2019</p> <p>I have met with CSW volunteers from Collingbourne Kingston where we discussed some of their concerns. I have also met with residents in Shrewton, again to discuss their concerns.</p> <p>My message is that we need to manage enforcement by ensuring we have a joint intel led approach to allow me to focus on an area at the right time.</p>

## Priority 2:

**Date set** - August 2019

**Location** – Tidworth and Ludgershall

**Summary** – There are currently concerns with some youths who are believed to be involved in County Lines in this area. This issue is being managed by a multi-agency approach with us all working together to protect the vulnerable people involved, whilst ensuring that people committing criminal offences are dealt with appropriately through the Judicial process. I would encourage members of the public in this area to report any concerning behaviour they may witness through their local PCSO or by dialling 101.

14<sup>th</sup> August 2019

Following some proactive work, I am pleased to report that we do not have a County Line running in Tidworth and Ludgershall. However this does not mean we stop our activity and are continuing to carry out patrols and proactive policing to manage the ASB in the area.

## Priority 3:

**Date set** - August 2019

**Location** – Amesbury & Tidworth

**Summary**- Strengthen relationships between local police and Military colleagues.

As all local residents will be aware, the 2020 Military rebasing is underway. This will bring an increase of personnel into the local community. Historically we have a good relationship with military however over the coming months we hope to build on this and work even closer with the Royal Military Police, Ministry of Defence police and the Garrison commander.

We aim to increase joint patrols with the RMP focusing on Amesbury Town centre and the Garrison commander has increased his community mornings from one morning a month in Tidworth to also include one morning a month in Amesbury, this is an opportunity for the local communities including local licenced premises to attend and discuss and concerns or queries they may have about the rebasing.

## HIGH LEVEL PCC UPDATES

- Pay increase** - Police Officers are to receive a 2.5% pay increase as agreed by the Government. This is welcome news and well deserved, I only hope that the same increase is also afforded to police staff as well. However, it is expected that we will have to meet this increase from existing Wiltshire Police budgets and that no further funding will come from the Government to fund this rise, which is disappointing and I continue to lobby the Government for fairer funding in Wiltshire.
- PCSOs** - Last month Wiltshire Police Federation, which represents police officers within the Force, wrote an open letter suggesting that the Force should 'axe PCSOs' and recruit police constables instead. Both the Chief and I strongly refuted this suggestion. We both recognise the key role that PCSOs play in community engagement, intelligence gathering and supporting the most vulnerable. The role of a PCSO is a completely different one to that of a police constable and they play a key role in our community policing teams.
- Additional police officers** - I was pleased to hear the new Prime Minister's commitment to policing and his promise of 20,000 additional police officers in the next three years. We don't know what this will look like in terms of how many more we will get in Wiltshire but I trust that more detail will soon be forthcoming. I do have some concerns around the practicalities of recruiting so many officers in such a short period of time and it certainly won't happen overnight, with it taking around a year to recruit and train an officer before they're able to go on the beat, but his commitment to strengthening our police forces is welcome nonetheless.

## HIGH LEVEL FORCE UPDATES

- Youth crime** – A Government report into the increase in youth violence has been welcomed by the Force. Chief Constable Kier Pritchard has said that although there hasn't been a significant increase in Wiltshire, it is still a concerning issue for local people. He is calling for a multi-agency approach and focused on the need to engage with young people to help prevent them from falling into a life of crime.
- Rural crime** – Wiltshire has bucked the national trend when it comes to rural crime, recording a 36% year-on-year drop when it comes to the amount of money this type of crime is costing

people in the county. This is believed to be due to the focus our Rural Crime Team has placed on crime prevention advice, including the encouragement of CCTV, anti-poaching ditches and the installation of GPS trackers on equipment.

- **Domestic abuse** – As part of our Summer Demand campaign, we have been focusing on highlighting the important topic of domestic abuse and making sure victims know how to access the support available. There is also a focus on encouraging friends and neighbours to report concerns to the police. ## **DORSET & WILTSHIRE FIRE & RESCUE SERVICE**

### **TIDWORTH AREA BOARD REPORT 23/09/19**

#### **Community Safety Plan**

DWFRS Community Safety Plan can be found on the DWFRS website;  
<http://www.dwfire.org.uk/community-safety-plan/>

#### **Prevention**

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know: -

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

## **Protection**

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

### **General Enquiries**

If you have a general fire safety enquiry regarding commercial property, please email [fire.safety@dwfire.org.uk](mailto:fire.safety@dwfire.org.uk) and the Fire Safety Team will respond in office hours.

### **Fire Safety Complaint**

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at [enforcement@dwfire.org.uk](mailto:enforcement@dwfire.org.uk)
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

## **On Call Recruitment**

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 40 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e. you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at [www.dwfire.org.uk/working-for-us/on-call-firefighters/](http://www.dwfire.org.uk/working-for-us/on-call-firefighters/) or should you have any questions, you can call **01722 691444**.

## Recent News & Events

# Barbecues

Barbecues are great when the sun is shining and you have friends and family to visit, but they do carry a fire risk.

- Always position the barbecue on a level site, away from wooden fencing, sheds and hedges.
- Don't place the barbecue on dry grass or vegetation.
- Use firelighters or barbecue fuel to light the coals – NEVER use petrol or paraffin.
- Keep children and pets well away from the cooking area and never leave the barbecue unattended.
- Be careful when grilling fatty foods, as the fat can cause the coals to flare up.
- Don't move the barbecue until it is completely cool, and make sure any remaining charcoal is cold before disposing of it carefully. Ideally use water to damp down the ashes.
- If using a disposable barbecue, make sure it is completely cold before disposal.
- NEVER dispose of hot barbecue ashes in plastic rubbish bins as this can easily start a fire.
- Always have a bucket of water or garden hose to hand in case a barbecue gets out of hand.
- Make sure the controls and cylinder valves of a gas barbecue are turned off before you change the cylinder, which should be done in a well-ventilated area. Always check the connections for leaks.
- Store gas cylinders outside and protect them from direct sunlight and frost.
- Make sure your gas barbecue is correctly serviced and that all joints are tightened, safe and secure.
- Never use a barbecue indoors or inside a tent, as they produce potentially lethal carbon monoxide.

## Heath fires and countryside safety

When you are out and about enjoying the countryside, there are some things you can do in order to protect our beautiful surroundings and keep you safe.

Large wildfires are thankfully rare but, when they do occur, they can be very serious and affect large areas of the countryside. They also take a great deal of resources to bring under control, which impacts the availability of appliances for property fires and other emergencies.

The Upton Heath fire in Dorset in 2011, for example, damaged approximately 250 acres of the heath and required the mobilisation of 30 fire engines and 11 Land Rovers.

Wildfires can ravish the local wildlife, destroying ecosystems in a matter of hours that have taken years to build up. If a wildfire encroaches upon farmland, then crops and farm buildings can be consumed, and homes that border heathland can also be at risk.

At their worst, wildfires can cause death or injury to people. A developed wildfire creates its own wind, which drives it at speeds faster than people can get out of its way.

Steps you can take to avoid starting a wildfire:

- Avoid open fires in the countryside. If you must have a fire, make sure that you're in a designated safe area.
- Put out cigarettes and other smoking materials properly before you leave your vehicle.
- Do not throw cigarette ends out of your vehicle. They could start a fire and destroy surrounding countryside.
- Don't leave bottles or glass in woodlands, as sunlight shining through the glass can cause a fire to start. Take the items home or put them in a waste or recycling bin.
- If you see a fire in the countryside, report it immediately. Do not try to tackle a fire yourself; usually they can't be put out with a bucket of water. Please call the fire service and leave the area as soon as possible.

- Ensure that you know your location or a landmark so you can direct the fire service.

Costs to implement are circa £4,000 to £5,000.</p> <p>DB believed that the criteria for both roads were met for a 40-mph limit, though accepted the A342 was more subjective. GR stated that the A342 did not meet the criteria and should not be reduced to 40-mph. He said that the Southern half of Marlborough road did meet the 40-mph criteria, but the Northern half did not. He did state that the 50-mph limit could be extended to the tank track.</p> <p>After much discussion it was agreed that MC would write a letter explaining the position to Everleigh PC. On contribution to the scheme DB stated Everleigh had already contributed £625. MC stated that that was for the surveys, the main cost is for the implementation phase and that the CATG would require a 25% contribution. DB was unhappy with this and said the PC could not afford £1250. I B-P suggested that the Area Board consider the level of contribution from Everleigh at its meeting in September.</p>	<p>MC to write a letter on why the A342 will not get a reduced speed limit and Marlborough Road will only get a 40-mph limit for the Southern section of the road and an extended 50-mph limit on the Northern end should funding be allocated.</p> <p>Area Board to discuss the level of contribution required from Everleigh PC at its September meeting.</p>	<p>MC/Area Board</p>

### The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

### GPs to vote on proposal to merge three CCGs

The Governing Bodies of Bath and North East Somerset, Swindon and Wiltshire CCGs have approved the decision to pursue the creation of a single CCG with one Governing Body and one set of statutory duties by 1 April 2020.

Throughout July and August, we have been meeting and discussing the proposal to merge with our stakeholders and gathering their views on our plans. You can add your comments by emailing [bsw.mergerfeedback@nhs.net](mailto:bsw.mergerfeedback@nhs.net) before 3 September 2019.

All feedback will be considered by the three Governing Bodies and our collective GP membership will be invited to vote on a final decision to apply for merger. The Local Medical Committee (LMC) will conduct the voting process which will run from 4 - 17 September 2019.

If we receive membership support, we will then formally apply to NHS England to make a final decision regarding the future of BaNES, Swindon and Wiltshire CCGs. A detailed application to merge needs to be submitted to NHS England by 30 September 2019 to have the full merger in place by April 2020.

We will continue to provide you with updates on the process in the coming months.

## Our Health Our Future – engagement to support BSW five year plan

We wrapped up the survey and engagement for Our Health Our Future at the end of July - thanks to everyone who took the time to share their views.

Over six weeks we received more than 1,450 survey response from across Bath and North East Somerset, Swindon and Wiltshire (BSW) and talked with hundreds more at markets, on the streets and in groups at meetings.

Our Health Our Future aimed to find out what was important to people for the future of local health and care services. The feedback we received will help us build our five year plan for services in the BSW region.

Responses are currently being analysed and we will share the key themes and ideas in due course.

## Wish lists for health and care services in BaNES, Swindon and Wiltshire revealed

Hundreds of people in Bath & North East Somerset, Swindon and Wiltshire have shared their views on how to improve NHS health services where they live.

Increasing the use of technology for booking appointments and data sharing between health services; helping people lead a healthier lifestyle to prevent illness; shortening waiting times for access to GP appointments; and for health professionals to have a better understanding of long-term health conditions, such as autism, were some of the themes that emerged from people in the region.

Their views were shared as part of the Healthwatch #WhatWouldYouDo? campaign and the findings are revealed in a new report.

Nearly 700 residents, patients and their families took part in 'What Would You do?' activities, which launched in March to encourage people in the region to share their views about how extra money from the Government should be spent on local NHS services.

The public were asked to give their views about how local services could improve, and to share ideas about how the NHS can help people live healthier lives and take more control of their care.

**Stacey Plumb**, Manager at Healthwatch Wiltshire, said: "The Government is investing an additional £20 billion a year until 2023 in the NHS as part of the NHS Long Term Plan. We were asked to help find out what local people thought was the best way for the NHS in Bath & North East Somerset, Swindon and Wiltshire to invest in the right services as part of this plan.

"It was wonderful to listen to so many people keen to make a difference in our local NHS. These views are all in the report and we will now monitor how the local NHS responds."

**Dr Ian Orpen**, Chair of the BaNES, Swindon and Wiltshire Clinical Board, said: "It's clear that local people have strong views about how health and care services should be organised in the future. We will listen to them and make sure we address their concerns as we draw up plans for how we organise services over the coming years."

The report is being shared with the local NHS and can be viewed on our website.

## ***Update for Tidworth Area Board***

<b>Name of Parish/Town Council</b>	<b>Everleigh Parish Council</b>
<b>Date of Area Board Meeting</b>	23 <sup>rd</sup> September 2019

### **Headlines/Key successes**

- **Summer Party Saturday 13<sup>th</sup> July.** Our annual village Summer Party took place at the playground on Saturday 13th July. Activities included egg and spoon races, relay races, golf pitch and putt and coconut shy. Attendance was disappointing, but nevertheless this was an enjoyable community event.

### **Forthcoming events/Diary dates**

There are two village events planned for the remainder of this year, both at St Peter's Church:

- A Harvest Festival service will take place on Saturday 5th October at 3pm.
- Christmas Carol Service will take place on Saturday 7th December at 5pm, followed by mulled wine and mince pies.

Signed: **Denis Bottomley, Chairman Everleigh Parish Council**

Date: **3<sup>rd</sup> September 2019**

## 1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

## 2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2018/2019 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

## 3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

## 4. Financial Implications

Financial provision had been made to cover this expenditure.

## 5. Legal Implications

There are no specific legal implications related to this report.

## 6. Human Resources Implications

There are no specific human resources implications related to this report.

## 7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

## 8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

## 9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
<a href="#">3346</a>	The Wellington Academy	Upgrade of Community Football Pitches and Goals	£3431.00

**Project Description:**

The Wellington Academy currently has a large grass playing field which it uses on a regular basis for sports lessons. Sections of the field which are good are used for rounders athletics etc. The grass pitch that is unusable for football rugby or athletics because of the sheer size of rabbit holes dotted around the pitch. We would like to install rabbit fencing around the perimeter of the playing field to enable local teams to come back and be able to use our facilities.

**Input from Community Engagement Manager:**

(CEM put your input here)

- This is the community side of the school and they piggy back on the resources used by the school to offer a service to the public that is not available locally unless you are part of a structured club such as Tidworth Town or Ludgershall sports.
- They rent the sport facilities because there is a need and it allows them to pay for the upkeep of the facilities.
- The application meets the criteria and can be considered for approval

**Proposal**

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
<a href="#">3425</a>	The History Group	Printing At Home and Abroad	£1000.00

**Project Description:**

Over the past 2 years the History Group has held a series of talks by local people about their lives and experiences. These talks were recorded and we would like to publish them in a book entitled At Home and Abroad

**Input from Community Engagement Manager:**

The application meets the criteria and can be considered for approval

**Proposal**

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
<a href="#">3416</a>	Fittleton Parish Council	Promotion of healthy lifestyle for all age groups in Netheravon	£500.00

**Project Description:**

Part of our project is to encourage all age groups to use our Millennium Park for outdoor activities. We have put in new play equipment for the very young and we have made part of the Park into a wildflower/wildlife meadow. We have come to realise that we need seating and tables so that families of all ages can relax in the Park and have a picnic while watching their children play. The extra seating will also be an asset for our older generation who are not able to walk in the countryside anymore so go to the Millennium Park to sit and enjoy the rural setting.

**Input from Community Engagement Manager:**

- The project is for the Parish of Netheravon not Fittleton
- As it is a Parish Council applying, a significant percentage of the funding should be expected to be provided by them. 70% will be provided by precept and fundraising
- The grant meets the criteria and can be considered for approval

**Proposal**

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
<a href="#">3367</a>	Wiltshire Creative	Wiltshire Creative - Tidworth Cultural Holiday Activity 2019-20	£5000.00

**Project Description:**

Wiltshire Creatives current engagement in Tidworth is through our Community Hub work with Army Welfare Services. We are applying to the Area Board to fund one year of free activity in Tidworth outside of school term-time. This will enable our Community Hub programme to provide more residents with high quality family-friendly arts provision including a Family Fiesta linked to the Salisbury Arts Festival. We will extend our offer with diverse art forms including music theatre graffiti and animation. We will also bring up to 3 professional performances to Tidworth hosted at the Youth Development Centre space given in kind by AWS.

**Input from Community Engagement Manager:**

- £7,585 of the £12,585 project is being provided by third parties
- This initiative provides a large diverse provision of arts facilities for families and young people
- The funding can be taken from the youth funding pot if preferred

**Proposal**

That the Area Board determines the application.
