LOCAL NEWS

We're appealing for information following an attempted robbery in Devizes.

At approximately 8pm on August 31, a man in his 20s was walking in the alleyway between Nursted Road and DS Smith packaging factory when a man jumped out on him from a hedgerow.

The man demanded he hand over cash – but the victim refused.

At this point, a second man jumped out from the hedgerow and made threats to assault the victim.

LOCAL NEWS

Officers investigating the theft of a vehicle in Trowbridge would urgently like to speak to a number of witnesses who assisted them during the incident.

At approximately 10.20pm yesterday evening (August 30), we received a report that a Vauxhall Vectra had been stolen from an address in Trowbridge.

A short time later, officers became aware of the vehicle on the A350 Westbury road. An officer attempted to stop the vehicle but continued and a pursuit took place.

Chairman's Announcements

Subject:	Motiv8 Children's and Young People's Service
Web contact:	https://www.dhi-online.org.uk/get-help/young-peoples-drug-alcohol-services/motiv8

Our objectives are to engage with young people's groups and in turn promote the availability of the service for young people.

About the service:

Motiv8 provide support services in Wiltshire for children and young people, up to their 18th birthday, with problematic substance use, and for children, young people and families affected by parental substance use. Its primary objective is to improve the health, welfare and life chances of those vulnerable to, or experiencing, substance misuse.

Motiv8 provide advice, guidance and one-to-one sessions for young people who are having problems with drugs and/or alcohol. The service is free and confidential, and aim to provide a flexible and non-judgemental space for young people to be open about the problems they are facing.

How we help:

Motiv8 sees young people in and around Wiltshire, in their communities; at schools, colleges and home visits.

Our services include:

- Brief interventions
- Crime Prevention - community resolutions
- Individual sessions
- Outreach
- Groupwork
- Harm reduction information and advice
- Signposting to other services
- Workshops and training for professionals
- Workshops and training for young people

Chairman's Announcements

Subject:	Community Area Joint Strategic Needs Assessment (JSNA)
Web contact:	https://www.wiltshireintelligence.org.uk/community-area/

Background

The Community Area Joint Strategic Needs Assessment (JSNA) works to collaboratively set local area priorities, by combining service led data with local insight and opinion. This acts as a catalyst for community led action that helps meet local need and supports the delivery of the Wiltshire Council Business Plan. Through working with the area boards, Wiltshire Council is able to encourage and support communities to take action to sustainably meet their needs.

Aims of the JSNA

- To collaboratively set our local priorities for each community area by combining our service led data with local insight and opinion
- To facilitate community led action that addresses local priorities and supports the Wiltshire Council Business Plan.

2020 Delivery plan

The JSNA is refreshed every three years, with the next cycle due to be updated in 2020. There will be three key engagement stages to support the area board in hearing from their communities and identifying their active local priorities:

- Public JSNA survey (completed in Autumn 2019)
- A JSNA event (scheduled for Spring 2020)
- A resident and partner engagement exercise (scheduled for early summer 2020)

The flowchart shows the key milestones of the JSNA process with a more detailed description of the process below.

Chairman's Announcements

Public survey – Autumn 2019

A public survey was delivered across the communities and 6,300 responses were received. Excel spreadsheets with the survey data are now available and full results from this survey will be published in due course at <https://www.wiltshireintelligence.org.uk/community-area/>

Data published online – early Spring 2020

Public Health analysts will work collaboratively across Wiltshire Council departments, partners and local services to collect and analyse data.

JSNA 'Our Community Matters' events – Spring 2020

The purpose of each event will be to bring together local people to share the results of the public survey, highlight the findings from the service data and discuss and set the local priorities. Each event will be used to identify the area's top 12 priorities across the nine thematic areas:

- Arts, culture and leisure
- Children and young people
- Community safety
- Economy and employment
- Environment
- Health and wellbeing
- Highways and transport
- Housing
- Older people

Partner and resident engagement – early Summer 2020

Following this meeting, further local conversations will take place with residents and partners. The engagement aims to establish partner and community capacity, resource and preference for the priorities that have been identified.

Report to	Chippenham Area Board
Date of Meeting	03/02/2020
Title of Report	Community Area Grant funding

Purpose of the report:

To consider the applications for funding listed below

Applicant	Amount requested
Applicant: St John Ambulance Project Title: First aid supporting the Chippenham community.	£1000.00
Applicant: Carer Support Wiltshire Project Title: Carer Outreach Campaign at Chippenham Community Hospital	£2084.00
Applicant: Chippenham Rifle and Pistol Club Project Title: Chippenham Rifle Club Clubhouse improvements	£5000.00
Applicant: Chippenham Police Cadets Project Title: Equipment for Police Cadets	£94.01
Applicant: Chippenham Rugby Football Club Under 11 Minis Project Title: Chippenham Rugby Football Club Under 11 Mini Squad	£3800.00

1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2019/2020 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3615	St John Ambulance	First aid supporting the Chippenham community.	£1000.00
<p>Project Description: To purchase upgraded training equipment CPR manikins training defibrillator casualty simulation kit training first aid kit.</p> <p>Input from Community Engagement Manager: St John volunteers give their time to support their community including the recent night time economy where they worked alongside the Street Pastors overnight. We must constantly maintain our training and the new manikins and training defibrillator to match new defibrillators will ensure we are able to do that.</p>			
<p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
3570	Carer Support Wiltshire	Carer Outreach Campaign at Chippenham Community Hospital	£2084.00
<p>Project Description: Carer Support Wiltshire CSW seeks support from Chippenham Area Board to launch a carer-outreach campaign at Chippenham Community Hospital. Carers often have an increased presence in hospitals because of their caring role which in turn can lead to heightened feelings of stress and anxiety and can be made worse by a lack of relevant accessible and practical information and advice within the hospital environment. We seek funding for resources - including posters leaflets cards volunteer uniforms and carer friendly badges for hospital staff - to better identify engage and support unpaid carers in Chippenham Community Hospital.</p> <p>Input from Community Engagement Manager: Carer Support Wiltshire seeks support to launch a carer-outreach campaign at Chippenham Community Hospital in which a range of resources including posters leaflets cards volunteer uniforms and carer friendly badges for hospital staff to better identify engage and support unpaid carers at Chippenham Community Hospital. Hospitals therefore provide a unique setting in which a high proportion of visitors and patients are likely to be carers and who may be at various stages in their caring role. Total funding required is £4489.00</p> <p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
3600	Chippenham Rifle and Pistol Club	Chippenham Rifle Club Clubhouse improvements	£5000.00
<p>Project Description: This project forms part of a programme to make major improvements to the facilities of the Chippenham Rifle and Pistol Clubs facilities aimed at expanding our offering to disabled shooters and to young shooters. The project involves the refurbishment of the toilet facilities to create separate disabled ladies and gents toilets and the installation of a hot water system.</p> <p>Input from Community Engagement Manager: This is the beginning of major renovation works to the Rifle club. Overhauling the entire facility, making it more accessible and fit for the future. Total funding required is £365,368.80</p> <p>Proposal That the Area Board determines the application.</p>			

Application ID	Applicant	Project Proposal	Requested
3596	Chippenham Police Cadets	Equipment for Police Cadets	£94.01
<p>Project Description:</p>			

The cadets unit is based at Frogwell School in the dinner hall. We have very limited equipment and would like to purchase laptop whiteboards to assist with the training of basic law. 25 cadets attend our unit and we meet every Tuesday during term time.

Input from Community Engagement Manager:

This modest application will fund equipment the will aid the delivery of sessions and workshops for the Police Cadets of Chippenham.

Proposal

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
3600	Chippenham Rugby Football Club Under 11 Minis	Chippenham Rugby Football Club Under 11 Mini Squad	£3800.00

Project Description:

To part-fund the Under 11 Rugby Tour to Exeter 1-3 May 2020 and also assist with much-needed rugby shirts for the kids. The Under 11s comprise 45 kids and we are immensely proud that almost a third of them are female. We deliver rugby training and competitive games with U11 teams in the local area in an Active Purposeful and Enjoyable way and above all do so in a Safe and Supportive environment with trained coaches who give their time voluntarily.

Input from Community Engagement Manager:

Chippenham Rugby Football Club founded in 1898 is a not-for-profit organisation with one of the largest Mini Rugby sections in the South West of England with over 200 players ranging from 5 to 11 years of age. This application is to help fund the end of minis tour planned for 1-3 May 2020 in Exeter and some much needed rugby shirts for the kids to play in. Total funding required £9900.00

Proposal

That the Area Board determines the application.

HIGH LEVEL PCC UPDATES

Community Policing:

Ensuring that we have a policing model which meets the needs of the community it serves as well as ensuring it is fit for future challenges and demands, is crucial.

This is why, with my full support, Wiltshire Police has conducted a review of how community policing is delivered in our county to make sure it evolves to meet the changing demands on policing in the 21st Century.

It is important that we continually reflect on how effective the model is, particularly given we have an additional wave of new officers coming into the Force.

Currently, we have 41 officers going through training as a direct result of residents supporting me in raising the precept. This means we will have the ability to bolster our community policing offering.

I will continue to ensure the Chief Constable prioritises and strengthens the community policing element of the Force.

HIGH LEVEL FORCE UPDATES

Community Policing:

We remain totally committed to putting our communities at the heart of our policing structure.

When we introduced the Community Policing model in 2016, we were clear that it would undergo continuous evaluation to ensure we were constantly improving it by remaining responsive to the changing nature of demand. We also made a commitment that we would always listen and adapt to concerns from the officers and staff who work within these teams.

We want to do all that we can to improve the model – not only for those working within it, but also to ensure we are providing the public with the very best service we can – an aim shared by everyone at Wiltshire Police.

We need to ensure that we are allocating our resources to provide the most efficient and effective service for the public. It was also prudent to review our model in light of any future increase in officers.

North West Wiltshire Station Managers Area Board Report – January 2020

Are you Safe & Well?

**IT ONLY TAKES
ONE ACCIDENT
TO START A FIRE.**

ARE YOU SURE YOUR
SMOKE ALARMS ARE
WORKING?

TEST YOURS NOW.

The key messages for a safer home

- **Ensure you have working smoke alarms installed on all levels of your home.** Working alarms can give you the vital time needed to escape in a fire. Test your smoke alarms regularly and never remove batteries!
- **Never leave cooking unattended.** The majority of fires start in the kitchen so this is a high-risk area. Many of us enjoy a merry tippie over the festive season but be sure to avoid cooking whilst under the influence of alcohol. Always turn off kitchen appliances when you have finished cooking.
- **Never leave burning candles unattended.** Keep candles out of the reach of children, and away from decorations, cards and wrapping paper, fires, lights and heaters.
- **Put your cigarette out, right out.** Make sure your cigarette is fully extinguished and take care when under the influence of alcohol or tired. It's very easy to fall asleep while your cigarette is still burning and set furniture alight.
- **Never use heaters to dry clothes.** Heaters can start fires when things are placed too close to them. Keep them well away from curtains, clothing and furniture.

- **Don't overload sockets.** Ensure only one plug per socket. Always turn off plugs when they are not in use, except those that are designed to be left on, like freezers.
- **Ensure you switch off fairy lights** and unplug them before you go to bed or leave the house. Check your Christmas tree lights conform to the British Standard (BS EN 60598) and are in good working order before use.
- **Always use an RCD (residual current device)** on outdoor electrical equipment. This safety device can save lives by instantly switching off the power if there is a fault and can be found in any DIY store.
- Make sure that everyone in your home knows what to do in a fire – **in the event of fire you should get out, stay out and call 999**

Our dedicated team of Safe & Well advisors can (at request) come to your home and discuss with you and your family how to maintain and regularly test you smoke alarms. They will also assist you in establishing a fire plan which will enable you to make a safe exit or go to a place of safety in the event of a fire in the home.

But this is not all the advisors do, they are also able provide you with information on how to make simple changes to enable us all to live a healthier life style. They can assist in organising support from organisations such as Age UK to assist our older relatives, arranging mental health support for those who maybe finding things just a little bit harder to deal with and, can also signpost with Safeguarding issues. All of which can bring together our partner agencies within the NHS, Council, Police and volunteer services who's aim is to enable those most vulnerable in our communities to be able to live in their own homes with the correct support.

DO YOU KNOW A CHARLIE

More than 6.5 million people in the UK are currently caring, unpaid, for a family member or friend who is older, disabled or seriously ill. Yet many people don't identify themselves as carers, they simply see themselves as spouses, partners, parents, children or friends.

A CHARLIE is a person whom meets at least one of the following criteria:

- **Care and support needs**
- **Hoarding and/or mental health issues**
- **Alcohol and medication use**
- **Reduced mobility**
- **Lives alone**
- **Inappropriate smoking**
- **Elderly and would benefit from support**

It only takes a few minutes to email or call us but can save a lifetime of heart ache for those who may suffer in silence, especially when they are cold in winter months or do not have the correct means to alert them to a fire in their home or to the dangers of carbon monoxide poisoning.

Hoarding

We all keep things we don't really need. Some of us have more possessions than we have storage for. But hoarding is a complex issue that goes far beyond untidiness or indecisiveness.

Hoarders can fill entire rooms from floor to ceiling, leaving themselves the minimum space in which to live. This retention of property presents a real fire risk and makes it far harder for firefighters to be able to tackle any blaze.

The Fire and Rescue Service can't solve the problem of hoarding; however, where we know there is an issue, we can work with other agencies to try and reduce the risk of fire.

Evidence from across the country shows that:

- In 90% of all residential fires, the fire itself is contained to the room where it started. However, that figure drops to 40% where there is hoarding – as this additional material fuels the fire and makes it spread more quickly.
- When there is a fire in a hoarder's home, there is a far greater risk that the individual and/or family members will find it difficult or impossible to escape.
- Common materials kept by hoarders include newspapers, magazines, books and soft furnishings – all of which are highly combustible.
- The presence of vast amounts of hoarded material creates a risk to firefighters, both in getting to the fire and through increased heat and smoke.

By offering Safe and Well visits, and installing smoke alarms, we can work with hoarders to try and make their homes more fire safe. If they want help in dealing with their hoarding compulsion, then we can refer them to other agencies for that support. However, we know that not every hoarder is ready to take that step and we want to ensure that they are as fire safe as possible, whatever the circumstances of their home.

**DORSET & WILTSHIRE
FIRE AND RESCUE**

Recruitment

As a predominately rural service, we are hugely reliant on those who live and work in the local community to support us by becoming an 'On Call Firefighter'. Some of our local stations often struggle to provide a fire appliance during the day and this is due to a lack of available crew members at the station who are able to provide us with cover during working daytime hours.

Are you or do you know someone who lives or works within 5 minutes of your local fire station and would like to become an On-Call firefighter? Are you an employer that is willing to release a member of your staff to join us? Without the willingness of those in the community to join us then we will continue to struggle to turn fire appliances out for emergencies.

We will provide full training which includes firefighting skills, first aid, driving skills for Cat C vehicles (if required) and fire prevention and protection skills. All these skills that we provide can assist in an individual's normal workplace making that a safer environment within which to work. We provide all the uniform and fire kit and can help with travelling so there should be no expense to an individual once they manage to get in.

Payment / salary is based on the number of hours an individual can provide us and we provide holiday leave entitlement and a pension.

Our appliances and stations are based in the community and we need you as the community to help staff them.

Contact us on our recruitment hotline on 01722 691444 or email recruitment@dwfire.org.uk or pop into any one of our stations to find out more.

Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

General Enquiries

If you have a general fire safety enquiry regarding commercial property, please email fire.safety@dwfire.org.uk and the Fire Safety Team will respond in office hours.

Fire Safety Complaint

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at enforcement@dwfire.org.uk
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

Community Safety Plan

DWFRS Community Safety Plan 2018-2022 outlines our plans for the future. It explains the diverse services we provide and how we plan to improve and deliver them over the four-year period. The plan can be found on the DWFRS website <http://www.dwfire.org.uk/community-safety-plan/>

Applications open for new Board Co-ordinator role

Board members
Andy Mintram,
Irene Kohler,
Rob Jefferson
(Chair), Hazel
Dunnett
and Emma
Leatherbarrow

We are looking for a Board Co-ordinator who can liaise with and co-ordinate our Local Leadership Board, including working with the chair and manager to prepare the agenda and papers for meetings, take notes and share these with all members of the Board.

Our Local Leadership Board is the driving force behind our commitment to ensure the voices of children, young people and adults are heard by those who run, plan and regulate health and social care services in the county.

Its members are from a variety of backgrounds, including the NHS and education, and their role is to help us prioritise the health and social care issues that are most important to the people of Wiltshire.

The Board Co-ordinator role is for 10 hours a month and applicants will need to have experience in minute taking. The closing date is 26 January 2020. Find out more at: www.helpandcare.org.uk/work-with-us/vacancies

The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

News

New Independent Chair appointed to lead Bath and North East Somerset, Swindon and Wiltshire health and care system

Health and care leaders from Bath and North East Somerset, Swindon and Wiltshire (BSW) have appointed a new Independent Chair.

Stephanie Elsy, a Non-Executive Director at Solent Community and Mental Health Trust and former Leader of Southwark Council in London, joins the BaNES, Swindon and Wiltshire Sustainability and Transformation Partnership (STP) from 9 December 2019.

She will provide independent leadership and work to oversee the ongoing improvement and integration of health and care services across the region.

She will also help to deliver the ambitions set out in BaNES, Swindon and Wiltshire's Five Year Plan – which will be published early next year – and provide support to the partnership as it develops into an Integrated Care System (ICS) by April 2021.

New Director of Community and Joint Commissioning

We are pleased to welcome Clare O'Farrell who has joined us as Interim Director of Community and Joint Commissioning. Clare has taken up this role to replace Ted Wilson who is currently acting Chief Operating Officer for Wiltshire.

Clare has had a 29 year career in variety of senior leadership roles in the NHS including senior operational management roles in acute hospital services in Wales and in the South West. She was the management lead for the establishment of the original Avon and Somerset Cancer Services Network and has previously worked in a commissioning role locally.

Since 2007 she has worked in senior roles at the Royal United Hospital where she has delivered strategic projects in partnership with NHS and with local people; this included a year supporting the successful bid for Wiltshire Community Services tender and most recently the acquisition of the RNHRD services which encompassed large scale public consultation and the successful transfer of patient services to new accommodation on the RUH site.

Reminder - Transforming Maternity Services Together decision on proposal this month

Follow extensive consultation, a final set of recommendations to change the way maternity services are delivered in B&NES, Swindon and Wiltshire will be submitted to a joint meeting of the BaNES, Swindon and Wiltshire Clinical Commissioning Groups Governing Body on Thursday 16 January 2020.

This meeting will be in public and will take place at the Lackham Campus, Wiltshire College from 10am – 12 noon. If you have any queries, please email us at maternity.transformationBSW@nhs.net

You can still find information on the proposals on the [Transforming Maternity Services Together website](#).

BSW CCG online

As we head towards the merger with Bath and North East Somerset CCG and Swindon CCG in April 2020, we are consolidating our online presence.

Our Twitter accounts have already merged – you can follow us @NHSBSWCCG

We are working on our Facebook accounts – the new address will be @NHSBSWCCG

And by 1 April 2020 we will have a new website in place – more information to follow.

Governing Body meeting

Our next Wiltshire CCG Governing Body meeting will be Thursday 23 January 2020 at 2pm at Southgate House, Pans Lane, Devizes.

The next BaNES, Swindon and Wiltshire (BSW) Governing Bodies in common meeting is on Thursday 16 January 2020 at Lackham Campus, Wiltshire College from 10am – 12 noon.
