Chairman's Announcements

Subject:

COVID-19

The infection rate in Wiltshire remains low, but we cannot be complacent and it's important that everyone continues with their great efforts so far to follow social distancing measures and maintain good hand hygiene.

The advice for everyone remains the same:

- Keep washing hands regularly
- Wear a face covering over the nose and mouth in enclosed spaces
- Stay at least a metre away from people not in their household

If anyone is experiencing COVID-19 symptoms, no matter how slight they may be – a high temperature, a new, continuous cough or a loss or change to your sense of smell or taste – isolating and getting tested should be done immediately.

As a reminder, the isolation period is now 10 days. Those living in the same households should self-isolate for 14 days if they, or any members of the household, receive a positive test. Staying at home means not going out for any reason, including to work, or to the shops.

We thank everyone for their continued support and for playing their part.

As the local authority, we are required to carry out our own consultation process to canvas the views of the local community. Therefore, we are seeking the views of parish councils, Wiltshire councillors and other groups and organisations representing the community on the removal of these payphones.

Please provide reasons for any objections to the removal of specific phones, as a blanket objection is unlikely to carry much weight.

BT has provided some examples of factors that may be relevant (refer to their guidance at bottom of page):

- If there is predominantly privately rented or council housing in the area. This suggests people on a lower income without access to mobile and fixed telephones and supports the view that a public call box should be retained.
- There may be concerns about access to telephone services in areas with low population densities.
- The payphone may be sited in an area of poor mobile phone coverage.
- There may be a higher than average need to access emergency services, including breakdown services due to specific local factors for example, the call box is near a known accident black-spot.

BT offers the opportunity for parish councils and registered charities to adopt a kiosk for just £1, thereby protecting the heritage of the community.

Details about this can be found at <http://business.bt.com/phone-services/payphone-services/adopt-a-kiosk/>

The consultation period will close on **28 October 2020**, so please return your comments by **14 October 2020**. All responses will be collated and directed to a single point of contact.

Your response should be returned to Mary Moore at Wiltshire Council who will co-ordinate the response on behalf of the council:

Mary Moore
Development Officer, Regeneration
Economic Development and Planning
Wiltshire Council
Bythesea Road, Trowbridge, BA14 8JN
Mary.Moore@wiltshire.gov.uk

BT will remove payphones as soon as possible after the consultation period has ended.

Full guidance on the removal process can be viewed at:
<http://stakeholders.ofcom.org.uk/binaries/consultations/uso/statement/removals.pdf>

The guidance also details the appeals process BT is required to follow, in cases of unreasonable objections.

Wiltshire Council will submit a response to BT on each proposed payphone removal.

All correspondence to BT should be addressed to:
BT Payphones, 4TH FLOOR, Monument TE, 11-13 Great Tower Street, London, EC3R 5AQ
or via email to btp.authorisation.team@bt.com

Area Board Boundary Review Briefing Note No. 20-30

Service: Democratic Services
Further Enquiries to: CGR@wiltshire.gov.uk
Date Prepared: 10 September 2020

Background

Following the Electoral Review of Wiltshire Council, Electoral Divisions for the May 2021 elections no longer align to the boundaries for the Council's 18 Area Boards, which are based on Electoral Divisions.

It is therefore necessary for Full Council to agree new Area Board boundaries for implementation in May 2021.

Electoral Review Committee

At its meeting on 21 July 2020 Full Council delegated authority to the Electoral Review Committee to conduct a review of Area Board boundaries and prepare recommendations for its consideration.

The Committee met with the Members of each Area Board in July to discuss the incoming Electoral Divisions and their impact, including on potential Area Board boundaries.

At its meeting on 13 August 2020 the Committee agreed a set of proposals for Area Board boundaries to be consulted upon.

Consultation

A consultation will run from **10 September 2020 – 31 October 2020** on the [Draft Recommendations](#) of the Electoral Review Committee for Area Board boundaries to take effect for May 2021.

This briefing note will be circulated to all parishes and Members, and where an Area Board meets it will have the opportunity to be briefed on the proposals.

Online surveys have been prepared for people to respond to the proposals, as follows:

Amesbury	Bradford on Avon
Calne	Chippenham
Corsham	Devizes
Malmesbury	Marlborough
Melksham	Pewsey
Royal Wootton Bassett and Cricklade	
Salisbury	South East Wiltshire
South West Wiltshire	Tidworth
Trowbridge	Warminster
Westbury	

Decision

The Committee will review all responses to the consultation and prepare Final Recommendations for consideration by Full Council on 24 November 2020.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

We are in the process of establishing a walking rugby for over 50s to play although it can also provide for youth and adults recovering from injury. We are also expanding on our youth rugby and further developing our ladies rugby too. In each case we would like to provide suitable playing and training strips and training equipment to help them get up and running.</p> <p>Input from Community Engagement Manager: This project has been assessed and meets our grants criteria. The funding is for capital expenditure. Match funding is available. The project will improve the wellbeing of vulnerable groups and allow people to access Rugby who are not usually engaged.</p>

3762	Farley's Malone Community	Virtual community lunches	£450.00
<p>Project Description: As a direct result of the Corona Virus the weekly community lunches for the elderly and vulnerable cannot now take place. These were a vital part of combatting social isolation within the Amesbury Community Area and were very successful in achieving their aim. We are setting up a virtual lunches across the Amesbury Community Area for those who would like to attend however although some of the population have internet access they do not have a tablet with a camera on it to enable them to take part fully in the lunchtime event. We are hoping that this will expand over time but currently need four basic tablets to enable those who would like to join in but cannot take part which will engage them in socialisation and chat over lunch time. This will also enable us to ensure the well being of those that join and advise or flag up where someone is failing either through ill health physically or mentally or neglect.</p> <p>Input from Community Engagement Manager: This funding was awarded in May 2020 through delegated authority. This is innovative project which reduces isolation and loneliness, helping older people to digitally engage. To be minuted.</p>

<p>Project Description: In these unprecedented times Buzz Action Foundation have been keeping in touch with the changing needs of the young people as the crisis has been developing and looking at how we can keep supporting their needs under very challenging circumstances. All families across the country will be facing trying times trying to provide an education entertainment food and adapt to a new way of life with an uncertain future. Many of the families we engage with lack the advantages that will help other families through this difficult time e.g. outdoor space exercise equipment organisational skills knowledge of where and how to access support. Loss of school routine income and childcare arrangements are adding to the stress. Young people will take part in managing their own bespoke activity programmes. They will also be working on these within the confines of their own homes or in schools. We shall be mentoring them by a variety of communications and multi media links. We shall only be working with them directly under strict conditions at schools or children's homes. Our project supports local needs by ensuring that there is a positive social network for local vulnerable young people to engage in for local families to feel supported for local community ties to be maintained despite the restrictions on movement and socialising.</p> <p>Input from Community Engagement Manager: This innovative project targets vulnerable young people and engages with them through positive activities.
