

AGENDA

Meeting: Tidworth Area Board
Place: [Join the on-line meeting here](#)
Date: Monday 25 January 2021
Time: 7.00 pm

Including the Parishes of Chute, Chute Forest, Collingbourne Ducis, Collingbourne, Kingston, Enford, Everleigh, Fittleton, Ludgershall, Netheravon, Tidcombe and Fosbury, and Tidworth

The Area Board welcomes and invites contributions from members of the public in this online meeting.

[To join the meeting and be able to enter in the discussion, please use this link.](#)

[Guidance on how to access this meeting online is available here](#)

All the papers connected with this meeting are available on the Council's website at www.wiltshire.gov.uk

Press enquiries to Communications on direct lines (01225) 713114 / 713115

[Anyone who wishes to watch the meeting only can do so via this link – recording available for 6 months.](#)

Wiltshire Councillors

Cllr Mark Connolly - Tidworth
Cllr Ian Blair-Pilling - The Collingbournes and Netheravon
Cllr Chris Williams - Ludgershall and Perham Down (Chairman)

Recording and Broadcasting Information

Wiltshire Council may record this meeting for live and/or subsequent broadcast on the Council's website at <http://www.wiltshire.public-i.tv>. At the start of the meeting, the Chairman will confirm if all or part of the meeting is being recorded. The images and sound recordings may also be used for training purposes within the Council.

By entering the meeting you are consenting to being recorded and to the use of those images and recordings for broadcasting and/or training purposes.

The meeting may also be recorded by the press or members of the public.

Any person or organisation choosing to film, record or broadcast any meeting of the Council, its Cabinet or committees is responsible for any claims or other liability resulting from them so doing and by choosing to film, record or broadcast proceedings they accept that they are required to indemnify the Council, its members and officers in relation to any such claims or liabilities.

Details of the Council's Guidance on the Recording and Webcasting of Meetings is available on request. Our privacy policy can be found [here](#).

9:00pm

Agenda Item 1

Chairman's Announcements

Subject:	Healthy Us Weight Management Programme Launch
Web contact:	https://www.wiltshire.gov.uk/public-health-weight-adults .

Following a successful pilot, Wiltshire Council has launched Healthy Us, a group weight management programme on 9 November.

Healthy Us is a free 12 week course open to anyone living in Wiltshire, aged 18 or over, with a BMI of 28 or above. Courses will be held throughout the year and will be delivered virtually over Microsoft Teams. We plan to run face to face group courses across the county when circumstances allow and it is safe to do so. We are now accepting referrals for the virtual courses starting in January 2021.

Cllr Simon Jacobs, Cabinet Member for Public Health said; "The programme is designed to give participants the tools they need to make small but sustainable changes that can be maintained long term, so that participants lose weight and maintain their weight loss.

We are excited to be working with Wiltshire IAPT service who are delivering two sessions during each course looking at emotional eating and wellbeing."

Each interactive session is one hour and covers topics such as balanced nutrition, portion sizes, eating out, physical activity and healthy habits for life. Participants will be supported to eat well, move more and feel better.

Healthy Us is one of three services that form the recently launched Wiltshire Health Improvement Hub, a single point of access for referrals to the Health Improvement coaches (adult health and mental wellbeing service), Healthy Me (child and family weight management service), and Healthy Us.

More information about the Healthy Us and how to calculate your BMI can be found on our website at <https://www.wiltshire.gov.uk/public-health-weight-adults>.

Alternatively, to join a course people can email the Health Improvement Hub health.coaches@wiltshire.gov.uk or call 0300 003 4566 – select option 1.

Chairman's Announcements

Subject: COVID-19 update

The infection rate in Wiltshire is continuing to rise, in line with the national trend, which is of concern. It is so very important that everyone across our population, no matter what age, is sticking to the regulations, staying at home wherever possible and protecting their families, friends and communities.

The new variant is much more transmissible and that is demonstrated by the large increase of cases. It is crucial that everyone adheres to the latest rules and advice, which means:

- socially distancing if you have to leave your house,
- not meeting up with anyone that's not in your household or in a childcare or support bubble unless it is one other person for your daily exercise,
- keep washing hands regularly,
- wearing a face covering when required,
- booking a test as soon as you develop any COVID-19 symptoms,
- and self-isolating where required

A big part of helping to contain the spread of the virus is an effective test and trace system. If the NHS are unable to contact a positive case as part of the test and trace service, they will pass the details onto the local public health team. If you receive a call from 0300 456 0100 then please pick up, as that will likely be the team looking to reach you. Please save that number in your phone under 'test and trace' as it's vital you don't miss any calls.

The Wiltshire Wellbeing Hub remains in place for those people who may need additional support, particularly people identified as clinically extremely vulnerable. You can contact the Wellbeing Hub by telephone or email:

- Tel number: 0300 0034576
- Email: wellbeinghub@wiltshire.gov.uk

The hub is open Monday to Friday from 9am to 5pm and on Saturday between 10am-4pm.

Wiltshire Council has a series of schemes to support businesses during the Coronavirus restrictions. For further information and advice please visit : www.wiltshire.gov.uk/business-advice-support-covid19-grants or email: covid-19businesssupport@wiltshire.gov.uk

For all the latest updates on Wiltshire Council services and support please visit: <https://www.wiltshire.gov.uk/public-health-coronavirus>

Vaccinations programmes are underway and the request from the NHS is to not contact the NHS to ask for the vaccine as they will contact you . If you are offered a vaccine appointment, please do attend.

For the latest GOV.UK updates and advice on the new national lockdown please visit: www.gov.uk/guidance/national-lockdown-stay-at-home#high-alert

Chairman's Announcements

Subject:	Wiltshire Local Plan review consultation
Web contact:	https://www.wiltshire.gov.uk/news/sign-up-to-online-events-and-have-your-say-about-where-future-developments-should-take-place-in-wiltshire

Consultations on both the Wiltshire Local Plan review and the scope and content of the proposed Gypsies and Travellers Development Plan Document will begin on Wednesday 13 January and run until Tuesday 9 March 2021.

Information on both consultations, including how to comment will be available for the start of the consultation period via the links on the council's planning policy webpages:

<http://www.wiltshire.gov.uk/planning-policy-local-plan-review-consultation> and <http://wiltshire.gov.uk/planning-gypsy-travellers>.

Comments can be submitted in the following ways:

- Online via the above links;
- By email to: spatialplanningpolicy@wiltshire.gov.uk; and
- Post to: Spatial Planning, Economic Development and Planning, Wiltshire Council, County Hall, Trowbridge, BA14 8JQ.

Should people wish to speak to a planning policy officer about the consultations they can call the council on 0300 456 0100.

Consultation to inform the Wiltshire Local Plan review

Wiltshire Council has to allocate sufficient land to satisfy housing and employment needs up to 2036 in its Local Plan. As such it is seeking the views of local communities and stakeholders to see if the suggested distribution of numbers across the county is correct, as well as which of the proposed sites are most suitable at the county's principal settlements and market towns.

The consultation also invites comments on a planning framework for rural areas to support neighbourhood planning and to address local housing needs, and provides the opportunity to comment on how the council's planning policies can be shaped to address climate change.

Feedback during this review consultation will help to shape the draft Local Plan, which will then be produced, and people will be given another opportunity to take part in a further consultation in late 2021.

As COVID restrictions mean that face-to-face events will not be possible during this consultation, the council is holding a series of online events for people to find out more about what the Local Plan consultation involves and how to comment.

Chairman's Announcements

Each event relates to a particular settlement, and there are also two events for rural areas, which include all other Wiltshire villages and settlements that are not covered in the other 15 events.

Gypsies and Travellers Plan

Comments are sought on the proposed scope and content of the Gypsies and Travellers plan. In line with Government planning policy and legislation, the plan will look to allocate land for travellers in sustainable locations to meet their permanent and temporary accommodation needs up until 2036.

This consultation will help to shape a draft plan, which the council will then prepare and consult on autumn 2021.

Online Events

The online events, which will be held from 7pm-8pm on the dates shown are as follows:

- Planning for Calne, Monday 18 January
- Planning for Corsham, Tuesday 19 January
- Planning for Royal Wootton Bassett, Tuesday 19 January
- Planning for Chippenham, Wednesday 20 January
- Planning for Tidworth and Ludgershall, Wednesday 20 January
- Planning for Malmesbury, Thursday 21 January
- Planning for Amesbury, Thursday 21 January
- Planning for Marlborough, Monday 25 January
- Planning for Bradford on Avon, Monday 25 January
- Planning for Westbury, Tuesday 26 January
- Planning for Salisbury, Tuesday 26 January
- Planning for Devizes, Wednesday 27 January
- Planning for Trowbridge, Wednesday 27 January
- Planning for Melksham, Thursday 28 January
- Planning for Warminster, Thursday 28 January
- Planning for rural areas, Monday 1 February and Tuesday 2 February

People can sign up for the events in advance via [this link](#), or by contacting the council via email (spatailplanningpolicy@wiltshire.gov.uk), or phone (0300 456 0100).

MINUTES

Meeting: Tidworth Area Board
Place: On-Line Meeting
Date: 23 November 2020
Start Time: 7.00 pm
Finish Time: 8.05 pm

Please direct any enquiries on these minutes to:

Kevin Fielding (Democratic Services Officer), Tel: 01249 706612 or (e-mail)
kevin.fielding@wiltshire.gov.uk

Papers available on the Council's website at www.wiltshire.gov.uk

In Attendance:

Wiltshire Councillors

Cllr Mark Connolly, Cllr Ian Blair-Pilling and Cllr Christopher Williams (Chairman)

Wiltshire Council Officers

Richard Rogers – Community Engagement Manager
Kevin Fielding – Democratic Services Officer

Total in attendance: 15

<u>Agenda Item No.</u>	<u>Summary of Issues Discussed and Decision</u>
20	<p><u>Chairman's Announcements, Welcome and Introductions</u></p> <p>The Chairman welcomed everyone to the meeting of the Tidworth Area Board.</p> <p>It was noted that local people had become frustrated with vehicles using local byways on the Army ranges. Concerns were raised re issues when trying to telephone Landmark to highlight the byways issue. It was agreed that MOD Police were aware of the situation, but that a better hotline to Landmark would be useful</p>
21	<p><u>Apologies for Absence</u></p> <p>Apologies for absence were received from Lt Col Nick Turner – Tidworth Garrison and Station Manager Dave Adamson – Dorset & Wiltshire Fire and Rescue Service</p>
22	<p><u>Declarations of Interest</u></p> <p>There were no declarations of disclosable interests</p>
23	<p><u>Minutes</u></p> <p>Decision</p> <ul style="list-style-type: none"> • The minutes of the meeting held on Wednesday 23 September 2020 were agreed as a correct record and signed by the Chairman
24	<p><u>Police Update</u></p> <p>Inspector Dean Knight gave the Police update</p> <p>Points made included:</p> <ul style="list-style-type: none"> • That statistics for crime, domestic violence and burglaries were all down • That a dedicated car patrol had been assigned for army covid breaches • MOD and Wiltshire police were working well, with the intention to work more closely when current lockdown ends • Drugs and youth engagement – work ongoing on this important issue.

	<ul style="list-style-type: none"> • Rural crime team carrying out joint ops with MOD police. • That the local Community Policing Team had recently caught four people hare coursing. • It was noted that the Area Board members would like a neighbourhood tasking meeting to be arranged <p>The Chairman thanked Inspector Knight</p>
25	<p><u>Fire & Rescue Update</u></p> <p>The written update contained in the agenda pack was noted</p>
26	<p><u>Future Direction of Area Board meetings</u></p> <p>A discussion ensued as to when the Area Board should meet in future, with the potential of dovetailing recovery meetings.</p> <p>It was agreed that the Chairman, Community Engagement Manager and the Democratic Services Officer would look at dates, with a view to dovetailing Area Board meetings with the Recovery meetings sometime in the new year</p>
27	<p><u>Community Engagement Manager Update</u></p> <p>Richard Rogers – Community Engagement Manager gave a brief update</p> <p>Points made included:</p> <ul style="list-style-type: none"> • That the next Census would be taking place during March 2021. War veterans would be included on the form under the armed forces covenant. Richard Rogers was keen to speak to community groups & minority groups etc to encourage these group to fill out their census forms and get involved so that their voices could be heard. • That the Leisure centre would re-open on the 3 December after lockdown ended with lots of activities already planned. <p>The Chairman thanked Richard Rogers</p>
28	<p><u>Thematic Group Updates</u></p> <ul style="list-style-type: none"> • Health & Wellbeing Group – Reia Jones – The written update was noted

	<ul style="list-style-type: none"> • Multi Agency Forum – Richard Rogers – That good work had been carried out by local groups looking after vulnerable people etc <p>It was hoped that the Acting Garrison Commander would be able to attend future Area Boards.</p> <p>The Chairman thanked everybody for their updates</p>
29	<p><u>Community Area Transport Group Update</u></p> <p>Cllr Mark Connolly presented the CATG report attached to the agenda, and asked the Area Board members to consider any recommendation arising from the last meeting Monday 12 October 2020</p> <p>Decision</p> <ul style="list-style-type: none"> • That the Area board notes the report of the meeting dated Monday 12 October 2020 and agrees the recommendations <p>The Chairman thanked Cllr Connolly for his report</p>
30	<p><u>Updates from Town and Parish Councils, the Army, NHS and other Partners</u></p> <p>Everleigh PC – the written update was noted</p> <p>Chute PC</p> <ul style="list-style-type: none"> • That the remembrance service was held in a scaled down format • That three Christmas trees were to be planted in the village <p>Tidworth TC</p> <ul style="list-style-type: none"> • That the remembrance service was held in a scaled down format • That some repairs were being carried out to play parks • That Christmas lights were being put up where appropriate due to the pandemic <p>Ludgershall TC</p>

	<ul style="list-style-type: none"> • That Christmas lights were being put up where appropriate due to the pandemic • That the remembrance service was held in a scaled down format <p>The Chairman thanked everybody for their updates</p>
31	<p><u>Community Area Grants</u></p> <p>Decision Chute Village Hall awarded £332 for Chute village hall WI-FI installation and security camera</p>
32	<p><u>Date of Next Meeting</u></p> <p>The next meeting of the Tidworth Area Board will be held on Monday 25 January 2021</p>
33	<p><u>Close</u></p>

Agenda Item 5

Update for Tidworth Area Board

Name of Parish/Town Council	Wiltshire Police
Date of Area Board Meeting	25 January 2021

Update for Tidworth Area Board

Headlines/Key successes

- Successful warrant executed resulting in seizure of controlled drugs and locating a vulnerable missing person from the London area

- Successful application for a premises closure order therefore protecting a vulnerable person and preventing further offences relating to the drug supply

- Assisting the food Standards Agency with the execution of a warrant relating to food hygiene and meat preparation
- Overall crime down 9% (Dec 2019 compared Dec 2020)

Projects

- Covid patrols continue across the area with an emphasis on enforcement

- Working with MDP in relation to 'off roaders'

- On-going operations with the Rural Crime Unit in relation to hare coursing.

Forthcoming events/Diary dates

- Various dates relating to the Covid vaccination

-

-

Signed: Dean Knight

Date: 140121

DORSET & WILTSHIRE FIRE & RESCUE SERVICE

WILTSHIRE AREA BOARD REPORT

Community Safety Plan

DWFRS Community Safety Plan can be found on the DWFRS website;

<http://www.dwfire.org.uk/community-safety-plan/>

Prevention

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know: -

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

DORSET & WILTSHIRE
FIRE AND RESCUE

Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

General Enquiries

If you have a general fire safety enquiry regarding commercial property, please email fire.safety@dwfire.org.uk and the Fire Safety Team will respond in office hours.

Fire Safety Complaint

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at enforcement@dwfire.org.uk
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

On Call Recruitment

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 40 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e., you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at www.dwfire.org.uk/working-for-us/on-call-firefighters/ or should you have any questions, you can call **01722 691444**.

Recent News & Events

DWISE: Dorset and Wiltshire Inspirational Safety Education.

The Dorset and Wiltshire Inspirational Safety Education (DWISE) programmes and resources are produced and delivered by the Education Team of Dorset and Wiltshire Fire and Rescue Service. During this period, we are providing resources for parents, carers and educators to use which will help children understand how they can help keep themselves safe and well. The resources are designed to support English, maths and art as well as providing safety information and using firefighters to inspire children to be fit and healthy.

For more information please visit: <https://www.dwfire.org.uk/education/parents-and-carers/>

Advice for people living with dementia

Dementia is a National Health priority in the UK, as the number of people living with the condition continues to increase. Dementia is also a substantial factor in increasing the risk of injury or death from fire in the home.

Fire and Rescue Services across the UK are aware of the link between serious home fires and the elderly, especially those with mobility and memory loss health needs.

For further information please visit: <https://www.dwfire.org.uk/safety/advice-for-carers/advice-for-dementia-sufferers/>

Boat safety

Boat safety is a priority in Dorset and Wiltshire, as hundreds of people live and work on our waterways, in addition to the thousands of visitors who come each year to enjoy a peaceful holiday in our seaside towns or aboard a narrowboat.

Our Safe and Well visits include people who live on boats – [click here](#) to request a visit.

See also:

- The Fire Kills campaign has produced a handy leaflet on [Boat Safety](#)
- For further information about general boat fire and CO safety, visit www.boatsafetyscheme.org/stay-safe
- For broader safety advice, visit the Maritime & Coastguard Agency website www.gov.uk/government/organisations/maritime-and-coastguard-agency and the Royal National Lifeboat Institution www.rnli.org

Winter safety

Keeping warm in the winter means using portable heaters, electric blankets or wheat bags – but all of these carry a fire risk.

Please visit our website for more information: <https://www.dwfire.org.uk/safety/safety-at-home/seasonal-advice/winter-safety/>

The Fire Kills campaign has produced a leaflet on [Fire Safety in the Winter](#). There is a wealth of good advice at www.metoffice.gov.uk/barometer/advice

Tidworth Area Board

25 January 2021

Community Area Status Report for Tidworth Community Area

1. Purpose of the Report

- I. To present to members a status report that summarises what key issues are emerging for the community area as a result of analysing local data and discussions with local stakeholders.
- II. To recommend that the Area Board endorses the report and commits itself to considering what part it can play in addressing the issues

2. Background

Every 3 to 4 years, Wiltshire Council's public health department working with key partners and organisations, undertakes a thorough analysis of the data available in order to provide a summary of the current and future needs of people in Wiltshire. This information which is called the "Community Area Joint Strategic Assessment" (JSNA) is broken down to and presented around Wiltshire's 20 community areas.

Previously, the information has been used to help local communities in their prioritisation and decision making. A key feature of this has been a series of events to bring representatives of the local communities together so that they can be presented with a summary of the information and through discussion agree upon what should be the top local priorities to address.

In late 2019 and early 2020, the latest JSNA process was undertaken and a series of events were organised to take place from March 2020 onwards. Unfortunately, due to the COVID-19 pandemic, these had to be cancelled.

Although, the JSNA data was released in early summer 2020 and can be viewed on the <https://www.wiltshireintelligence.org.uk/> two questions remained. Firstly, how can the impact of COVID-19 upon our communities be captured and reflected in the key issues and priorities within our local area. Issues such as mental health, debt, employment, young people and many others have been adversely affected by the pandemic. Secondly, how can we enable the community to engage with this process and to feed in their own data, knowledge and experiences.

At the same time, the Wiltshire Community Resilience Group had been set up to oversee one of the 4 recovery strands. They were seeking to establish a better understanding of the impact of COVID-19 and looked to the Area Boards to help gather local information and concerns.

As a result, it was agreed that each community area board would lead on the creation of a short "Community Area Status report" to capture and reflect what the

main messages are from the local data and the community discussions. A template was produced by the Community Engagement Team and agreed by both the resilience group and the Area Board Chairs.

3. **Process**

Whilst each community area is different, and each status report will reflect this, there are elements that all have in common. These are:

- I. A record of local data – This information has been mainly obtained from the JSNA data but also includes other sources to reflect changes since the pandemic began. These include new data from the Office of National Statistics and local partners
- II. A record of those meetings with organisations and stakeholders where consultation has taken place. These include discussions with partner organisations and meetings with parish councils
- III. A record of the key issues that have emerged

The community engagement manager has led on this process and tried to be as inclusive and as comprehensive as possible including trying to capture specific concerns affecting BAME or other minority groups. Despite this, it is recognised that this report is not an exhaustive summary of all the issues and everything that is happening. It is a work in progress and as new information is obtained and changes occur, the report can be updated in response. Individual or very local issues such as road junctions or a play area are not included in this report. There are alternative procedures in place to address these.

The overarching aim of this document is for Tidworth Area Board and its partners to add to our understanding of where improvement is required and see how with our communities, businesses and organisations we can start to address them. The report will also be link this to the work of Wiltshire Council, it's partners and agencies, so that collaboratively we can tackle issues including those arising from Covid-19

4. **Next steps**

The status report has been produced by the area board but is intended as a resource for all those within the community area. No single organisation can or should be expected to do everything and sustained improvement will only be through all of us working together with the community taking the lead.

If the status report is adopted, the proposed next steps are:

- I. The area board to consider the report and produce for itself a work plan outlining which of the priorities it will focus upon and what it is able to do to help address them. Each action will have assigned to it clear outcomes and outputs. This decision will be influenced by factors including urgency, opportunity and resources.

This work plan to be brought back to a future Area Board meeting for agreement. It will subsequently be a standing item at subsequent area board meetings utilising a traffic light system to offer a simple visual indicator to monitor progress. A maximum of 5 issues to be focussed upon at any one time with a rolling plan similar to the CATG

- II. As many other groups and organisations as possible are to be encouraged to also consider the report and ask themselves where they can make a difference and what they can do to support local action.
- III. Where issues are common across multiple community areas, the area board team will collate these and look to see if it is better to address these together. Where there seems to be a Wiltshire wide concern, a more strategic approach will be considered.

It is proposed that the Area Board will use its strategic influence and delegated powers to shape the delivery of local services and actions. It will also direct its delegated resources to facilitate and support community-led projects and local initiatives that specifically address the identified priority issues.

It is recognised that some issues will be easier to tackle than others and it is important to target areas where tangible outcomes and progress can be delivered. Successes should be celebrated and the contribution from volunteers recognised and valued

5. **Recommendations**

- (1) That the Area Board approves and adopts the Community Status report recognising that it is an organic document
- (2) That the Area Board produces a rolling action plan including up to 5 priority actions at any one time to demonstrate where it will contribute to addressing the identified issues.
- (3) That the Area Board will prioritise its resources including funding upon those issues identified in the status report.
- (4) That the Area Board requests the Community Engagement Manager to work with key partners, agencies and community groups to encourage them to consider where they are best placed to take actions around the priorities identified.
- (5) That regular updates are submitted to the Area Board on progress made in relation to its own action plan.
- (6) That the Area Board expresses its thanks to those who gave their time to help bring this report together

Tidworth Community Area Status Report

Background and context

The overarching aim of this document is for Tidworth Area Board and its partners to understand how to support local responses from communities, businesses and organisations and link this to the work of Wiltshire Council, it's partners and agencies, so that collaboratively we can tackle issues including those arising from Covid-19.

The Tidworth community area has seen an incredible response to the COVID19 pandemic with volunteers leading the response and strategic partners working collaboratively to support our communities. Every person within the area has access to support from one of the many community groups that were set up, some of which are continuing to offer additional support.

As we now look ahead, this document provides a summary of information that can be utilised to help inform the local community response. It brings together the differing data and information sources from across the community area that will help us to understand the state of our community and the impact of COVID-19. It also highlights communities that may have been disproportionately affected by the pandemic and it considers how the actions, projects and plans that are emerging will be collated and supported.

Over time this document will be regularly updated in response to changes, new information and actions undertaken. Whilst the impact of COVID-19 is considerable, it is recognised that many of the issues identified in this report were existing ones.

The Tidworth area consists of the Towns of Tidworth and Ludgershall as well as the parishes of Chute, Chute Forest, Collingbourne Ducis, Collingbourne Kingston, Enford, Everleigh, Fittleton, Netheravon, Tidcombe & Fosbury. A key requirement is to ensure that all within the community area have the same opportunity to engage with this work and the consultation has been as wide as possible within the resource and time restraints that exist.

When the boundary review changes are implemented at the May 2021 elections, the Community Area will consist of the divisions of Tidworth North and West, Tidworth East and Ludgershall South, as well as Ludgershall North and Rural. The parishes within the Avon Valley will join the Amesbury Community Area. Concerns raised within these Avon Valley area will be taken forward by the Amesbury area. As this is an organic report, any issues that they subsequently raise can be added

Whilst it is natural to focus on the issues where improvement is required, it is important to recognise and build on the positives that have arisen during the pandemic. These include the closer working between organisations, increased community cohesion, new volunteers and the wider use of the internet / social media.

Community data and information

Local data is being collected from a range of sources to provide an overview of the current situation within our community. This is being combined with the outcomes of discussions on the impact of COVID-19 to inform the key issues emerging and where resources should be focussed.

- [JSNA local data sets](#) – (collected in winter 2019)

- JSNA 2020 – Demography and overarching indicators
- [Children and young people mental health needs Assessment](#)
- [Gypsy, traveller and boater populations health needs assessment Wiltshire](#)
- [Office for National Statistics](#)
- COVID19 support group survey – (June 2020)
- Wiltshire CAJSNA 2020 Community Survey Results (Tidworth)
- Tidworth Area Board Councillors discussion
- [Survey of Tidworth Area Businesses](#)
- Local survey to be undertaken with MOD on lived experience
- Consultation with Town and Parish Council meeting - (Nov 30th 2020)
- Meetings notes from the Tidworth Area Support and Recovery Group on
 - I. 1st July 2020
 - II. 4th Aug 2020
 - III. 25th Sep 2020
 - IV. 19th Nov 2020
- Discussions with other key groups including:
 - I. Schools (MAF & Healthy Schools)
 - II. Chamber of Commerce
 - III. Spurgeons
 - IV. BAME groups
 - V. MOD

Additional conversations will need to be undertaken with partner groups and organisations especially when further investigation into issues is required. Any subsequent new information or alterations can be made.

Context for this report

It is important to read this report with the following in mind:

- The process of identifying and agreeing the key concerns is not an exact science and both statistical and anecdotal evidence can be misleading. No two people will completely agree on what should be included so trends, commonality and correlation have been looked at when deciding what to include. This report should therefore be viewed as an informed indicator to the state of the Tidworth Community Area.
- The Tidworth Community area is an excellent place to live and work. It is recognised that a tremendous amount of good work and substantial improvement has taken place over the past few years due to the dedication and hard work of so many within our community. The JSNA data indicates that for many issues the area is

consistently performing very well. However, the remit of this report does not include capturing these examples and the focus is upon those issues identified by the community as being the most important to focus on.

- Some of the areas highlighted from the JSNA data where the Pewsey Community areas seems to not be doing so well will need looking at in the context of when and how it was collected.
- The variance between JSNA data in all community areas may not always be of any great significance. Wiltshire is also a great county to live in and sometimes we are comparing good with excellent
- Further investigation will be required with some of the data as it may not tell the whole story. E.g. who particularly is being affected? Are there differences between local communities and minority groups? Is the issue located in a specific geographical area? Equally in some cases the most recent data available is a few years old and the situation may have altered.

Additional local information and the impact of COVID-19

Economy

- The MOD are the largest employer within the community area, but this is not reflected in the JSNA report as data was not always available. This will need to be looked at further during the local conversations with the MOD that are ongoing
- The impact of COVID-19 to remote businesses is often underestimated as it is assumed that they are already set up from home working. However, issues around clients including uncertainty, orders being cancelled and an inability to pay for services have all had a substantial impact.
- Businesses have and continue to require support to 'COVID proof' themselves and adapt to new ways of working. In some cases that means transformation to home working whilst for others altering their offer or business environment
- Some businesses, particularly smaller ones, are looking for support in areas such as business transition and marketing. Advertising is also expensive and small businesses may not be able to afford it.
- There are also some positives that have resulted from the pandemic. Many businesses have helped others by sharing their knowledge and expertise. Not all support is financial and is required to come from central or local government. In addition, the pandemic has resulted in a level playing field with meetings taking place on Zoom rather than the boardroom. Consequently, businesses have grown in confidence to approach one another and work together. Some businesses have transitioned well adapting their offers to suit the new markets and their business needs
- Businesses see the benefit of a Lifestyle Card and encouraging local shopping including on-line
- National businesses are also affected by the COVID restrictions in other areas and not all businesses can operate remotely
- Spouses of serving personnel who are looking for employment have additional pressures around childcare and transport which can act as barriers to obtaining a job
- Castledown Business Park have reported that occupancy of the offices is still strong although this may be partly due to the lack of local stock. Phase 3 of the business park will see the remaining land marketed for employment. If there is no take-up it, alternative use such as soft play or restaurants can be looked at.
- Tidworth Garrison are also interested in supporting the families of serving personnel families to find employment

Community Resilience

- Tidworth community area has the highest BAME population in Wiltshire which is currently recorded at 7.47% and with the very recent army rebasing programme has almost certainly increased. The largest group are the Nepalese who number @1,500. They are well organised and had their own COVID support group during the pandemic. Other BAME groups include Fijian, Ghanaian, Indian, African, and Rastafarian.
- There are some health issues that affect BAME groups disproportionately. It is recognised that it is important for appropriate information and education that acknowledges cultural differences and overcomes language barriers especially amongst the more elderly residents
- Hate crime which may be due to race, ethnicity, sexual orientation, disability, religion or beliefs is the third highest in Wiltshire (10 incidents per 1,000 people). However this rate is still relatively low and just above the Wiltshire average.
- Before the current pandemic, anti-social behaviour was reported as slightly higher than average for Wiltshire (16 incidents per 1,000 people as opposed to 14 on average in Wiltshire). Generally, crime and anti-social behaviour has reduced in the Tidworth community area over the pandemic, but this may need to be watched once all restrictions are lifted.
- Tidworth Town Council have plans to build a new Civic centre in 2021/22 which will also house the local police. The Community Youth Centre in Ludgershall has been improved and made fit for purpose but with the youth clubs stopping permanently in 2019, there is a need to offer new opportunities to young people and utilise this facility.
- The MOD are refurbishing the community centre in Bulford to be open for all and have plans for an ICT suite in in Tidworth. They also wish to see their other facilities including sports pitches used by both military and civilian. The cost, accessibility and other constraints should be considered to ensure that all have the opportunity to use them
- A key concern for the Nepalese is to find a permanent place where they can meet and worship along with Sikhs and Hindus.
- Most village halls are not operating due to COVID restrictions and some have received financial assistance such as grants. None have reported that they will need to close permanently due to the financial situation and it is expected that they will continue once restrictions are lifted.
- Bus services within the community are generally considered good but there is no nearby rail station and the link scheme may need support including recruiting volunteers. The community area is the only one to have no public electric charging points
- The Pandemic has acted as a catalyst to remote working and meetings. Whilst there are many advantages of this, certain sectors of our community are being excluded. The lack of a suitable laptop or tablet, access to affordable broadband, a fear or lack of understanding of how to use this technology all contribute to this. Those excluded are often the people who need support the most. Work is taking place to improve access to Broadband such as in the village of Everleigh that is part of the Wiltsonline programme. It is unclear how much of the community area will remain below the threshold of 20mb/sec broadband once the project is finished
- The villages have all responded well to the pandemic and put support in place for residents. Some of the responses like the pop-up shop in the Chutes is not feasible to continue long term but other initiatives such as quick communication via WhatsApp groups and more strategic working with neighbouring parishes could be developed. An example of where this joined up thinking may be used is the work of the Parish Stewards.

- A strong theme that emerged from local conversations is that a fresh approach to volunteering may be required. Volunteers are vital for a resilient community, but they need to be valued, achievements celebrated, and opportunities offered that are appropriate to modern life. The MOD have also raised concerns that those serving who wish to volunteer are finding it difficult to do so.
- It is also recognised that many acts of volunteering are carried out without the desire to be part of a larger project or organisation. Many people wish to be free of these constraints and would not even consider themselves as volunteers.

Children, education and young people

- The loss of teaching time, limitations on how they may operate, and lockdown of year groups has put added strain upon our local schools. The feedback received before Christmas 2020 was that despite this they were managing well, attendance was good, and the measures put in place were working. Since the lockdown measures were introduced in January 2021 including the closing of schools for most children and young people, the situation has changed. There are some concerns for the mental health of the students and what the affect will be due to the cancellation of exams. Despite tremendous work to deliver remote learning, the anecdotal evidence suggests that some schools have reported a lack of laptops or tablets as well as not all students attending all of their classes. The situation is changing constantly and support for young people will need to be looked at closely as we move forward.
- The JSNA data suggests that educational attainment is poor in the Tidworth community area schools both at primary and secondary level. Average attainment 8 and the percentage of those at KS2 reaching their expected level is the lowest in Wiltshire. However, the community area primary schools have generally had a high level of good or outstanding Ofsted reports and Wellington Academy has put in several measures to improve the school over the past 18 months. The data may be out of date and some further research is required to understand what is happening. The current pandemic has added to the difficulties and work will be required to support young people achieve their potential. Some schools have also reported a lack of ICT equipment to enable remote teaching.
- Some children and young people have been affected by the additional pressures that parents have been under during the pandemic such as financial challenges and strained parental relationships.
- Activities for young people including clubs and organisations have largely been unable to operate for most of this year. It is hoped that most will be able to start up again, but it is acknowledged that this may not be possible where there are financial obstacles or where there is a shortage of volunteers.
- Many young people in the area have and are likely to continue to face challenges such as finding employment, poor mental health and access to positive activities .
- Before the pandemic approximately 1 in 70 young people under 18 were referred into children and adolescent mental health services which is slightly higher than the Wiltshire average. Domestic violence is also slightly higher in the Tidworth area than on average in Wiltshire especially where children were present. Although these numbers are not exceptionally high, they may be areas to see if further improvement can take place.
- Ludgershall Youth group ended before the lockdown and the youth café in Tidworth was struggling. Discussions had started on how support for young people could be improved, including setting up new youth activities in Ludgershall. Whilst there are examples of good projects that offer positive activities, some fresh thinking on supporting young people may be required.

Some clubs and organisations are considering how they could extend their offer to include sessions for young people at risk, carers or those with special needs.

- There is no detached youth work nor professional youth organisation operating in the area. The Army Welfare Service normally offer some activities for young people including those from BAME groups. During the pandemic, their work has mostly been virtual. They are keen to see if they can extend their youth provision
- Many local charities are reporting that they are facing financial pressures alongside increased demand for their services. For example, the Portage service for vulnerable families with young children now has a long waiting list.
- Partnership working and communication is generally good including civilian / military working. The reintroduction of the “Drumbeat”, a new magazine for Ludgershall and the newly formed Tidworth community area support group are good examples of the improvements being made.]

Health & well-being of older and vulnerable people

- Due to the dominance of the army garrison, the community area has the population with the youngest average age. Only 9% are over 65 compared to 21% Wiltshire wide.
- There were memory cafes operating in both Ludgershall and Tidworth, but the continuation of the latter is uncertain. There are several clubs for friendship or for older people within the area and some like the “Cheerful Cuppa” in Netheravon are also dementia friendly.
- The Castle Practice has an excellent reputation and works closely at the local level with other partners. They have invested in a social prescribing model that treats people holistically and have managed to provide excellent service whilst also addressing current issues such as a drive through flu clinic and preparations for the COVID-19 vaccination. Some regular events including the older persons health and wellbeing day have needed to be cancelled this year.
- Working with the Amesbury Practices a team of specialists is being put together to address both health and wellbeing. These include social prescribers, pharmacy technicians and first contact physiotherapists who are beginning to work with other partners and the community to provide holistic care
- The community area has by far the highest percentage of people under 75 dying from cardiovascular disease. It is more than 15% more than the second highest area. There is also a high mortality rate from causes deemed preventable
- A high level of community support has been offered to those who have had to self-isolate, but isolation and loneliness reportedly has increased. For example, “Help Your Neighbour Wiltshire” who were set up to support local and vulnerable people have reported increase in demand for befriending services.
- Data taken before the pandemic shows that the Tidworth community area had the second highest rate of adults diagnosed with depression (18%).
- There is no dedicated foodbank for the community area although it is served by both Andover and Salisbury foodbanks. Several institutions such as the Church and school hold vouchers and food parcels are distributed via the surgery. Spurgeons based at Windmill Hill, Tidworth also provide food parcels and have reported an increase in demand.
- The JSNA highlighted that personal debt was higher than the Wiltshire average in the community area and the current pandemic situation has made that worse. The number of people claiming universal credit has almost doubled from March 2020 to Sep 2020 and the benefit cap has affected people living in the Tidworth community area more than anywhere else in Wiltshire. Gambling is also a known issue amongst some in the armed forces where those serving in the army nationally are 8 times more likely to have a problem than civilians. For those struggling financially, there is a knock-on affect for their families including housing, mental health, employment and other issues.

- During the Pandemic, those adults suffering from some form of depression or mental health issue has doubled nationally so it is likely to have increased within the community area. Younger people, women, poorer families and those already living with a disability are proportionately more at risk.. In January 2020 Wiltshire Mind set up a new mental health group in Tidworth but further research is required to see if additional support is needed.
- The Coronavirus crisis has put many carers under even greater pressure than before both mentally and physically. Many people do not even consider themselves as carers and are not receiving the support they need and are entitled to. Carers Support operate a project called “Courage to Care” within the Tidworth Garrison area aimed at identifying and supporting those carers in the services including their families.

Analysis so far of the feedback received and the supporting data has highlighted many of the more important issues that collectively the community should consider as possibly needing to be addressed. These can be viewed at the end of this report.

It is important that this is an inclusive process as possible with special attention to ensure that the villages and minority groups have equal opportunity to feed into this report and the subsequent addressing of community priorities. However, it is recognised that not all issues have been captured and there will be a lot of work undertaken independently. This report is a snapshot within that process

How local actions will be supported

The local response within the Tidworth Community Area is one of co-production recognising that to rebuild our communities, it is important that we work together, sharing information and resources where appropriate.

Tidworth Area Board covers the whole community area and is responsible for the production and management of this document. It links local delivery to Wiltshire Council, police, health and other partners. It is an accountable body with influence and powers. It has its own funding to help support local initiatives. The Area Board will produce its own work plan to show how what actions will be taken to help address the issues raised by the community and captured in this report

Tidworth Area Support and Recovery Group is community formed and led and currently incorporates the health and wellbeing group. It is free from any statutory or legal responsibilities. It consists of a range of local organisations, councils and community activists who have chosen to come together to collectively help deliver and support local action. It is acting as a steering and advisory group bringing together the local work and intelligence and discussing how to move forward. When we move out of the pandemic the role of this group will need to be reviewed

Themes: The recovery work within Wiltshire is organised around 4 key themes and these are also reflected within this report and the discussions taking place locally. They are:

- I. Economy and employment
- II. Health, well-being and adult care
- III. Community Resilience
- IV. Young people, education and children

Tidworth Area Board will receive regular updates around its own work plan of actions that will support and contribute to the local priorities. This report will be presented to the Tidworth Area Board for acceptance at its January 2021 meeting and subsequently to agree its action plan at the May 2021 meeting following the local elections.

What are the Next Steps?

- This report will be considered for acceptance by Tidworth Area Board at its meeting on the 25th January 2021
- Those who have not yet had an opportunity to contribute significantly will be invited to do so.
- An Area Board work plan will be presented to the Area Board at the first opportunity following local elections in May 2021. This will highlight a maximum of 5 issues where the Area Board would like to focus its efforts and resources and where it feels it can make the greatest difference.
- The CEM will engage with partners and stakeholders so that they understand the report and can consider how they will play their part in responding to the issues raised
- Updates will be a standard item at future area board meetings

List of emerging issues as identified by the community and supporting data

Issue	Supporting evidence
Higher than average incidences of anti-social behaviour	CAJSNA 2020 Community survey results JSNA 2020 data
Hate crime is the third highest rate in Wiltshire	JSNA

Too much waste produced and not enough recycling	CAJSNA 2020 Community survey results
Insufficient positive activities for young people especially those who are vulnerable, isolated or at risk.	CAJSNA 2020 Community survey results Discussions with partners and recovery group Discussions with Town and Parish Councils
Insufficient environmentally friendly travel including electric vehicles	Discussions with partner organisations
The garrison's feedback has been that the 9 to 5 experience of those serving in the army could be improved to include awareness and access to available activities and volunteering opportunities	Discussions with MOD
A new civic centre in Tidworth required	Tidworth Town Council
Lack of youth activities in Ludgershall and under-utilisation of the Youth community building,	Ludgershall Town Council
Community assets in the area could be used more	Discussions with partner organisations
Low income families are struggling to cope	Latest data from CAB, ONSA
The community area has the second highest percentage in Wiltshire of adults diagnosed with depression	JSNA data
Child obesity is currently higher than the Wiltshire average	JSNA 2020 data
There is a very high mortality rate for people under 75 from cardiovascular disease and from causes deemed preventable	JSNA 2020 data
Accidental injury including falls amongst older people and those who are under 15, that result in hospital admission is much higher than Wiltshire average.	JSNA 2020 data
Small businesses are looking for support to respond to the COVID-19 pandemic	Tidworth Chamber of Commerce
Educational achievement seems poor compares with the rest of Wiltshire. The additional challenges from the pandemic has made the situation worse.	JSNA 2020 data
High personal debt and financial Debt that has significantly increased since COVID	JSNA 2020 data Wiltshire Money data Discussions with recovery group members CAB reports
Lack of employment opportunities and apprenticeships.	JSNA 2020 data Discussions with Tidworth Recovery Group
Membership and use of library is low	JSNA 2020 data Discussions with library staff

Not everyone has access to broadband and support in being able to use it. COVID has placed greater emphasis upon on-line usage and support but this excludes a proportion of our society	Discussions by Tidworth Recovery Group Information from schools
Poor mental health for all ages compared with the average in Wiltshire – COVID has exasperated the situation due to an increase in isolation and loneliness as well as other pressures such as financial and relational.	Data from local agencies Discussions with recovery group members JSNA local data
Slightly higher than Wiltshire average number of victims of domestic abuse and children who witness it.	JSNA data
Some people are not keeping active and fit	Discussions with recovery group members
Need to encourage volunteering opportunities and support that reflects 2021 behaviour and thinking.	Feedback from MOD discussions Discussions with recovery group Discussions with partner organisation
Need to understand people's health and wellbeing holistically	Discussion with Health and wellbeing group Discussion with surgery
No access to public electric charging points – Tidworth area is the only one to not have any	Data from Wiltshire Council Discussions with partner organisations
Phase 3 of Castledown Business Park needs to be developed	Castledown Business park meeting notes
Local businesses need to be promoted and marketed more.	Chamber of Commerce
BAME groups have barriers to accessing services and facilities	Discussions with BAME groups

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

	Item	Update	Actions and recommendations	Who
1.	Attendees and apologies			
	Present:	<p>Chair: Cllr Mark Connolly (MC) Wiltshire Councillor, Chris Williams (CW) Wiltshire Councillor, Cllr Ian Blair-Pilling (I B-P) Wiltshire Councillor, Gareth Rogers (GR) Wiltshire Council, Andy Cole (AC) Wiltshire Council, Lt Col Nick Turner (NT) TNB Garrison, Humph Jones (HJ) Tidworth Town Council, Nick Allingham (NA), Ludgershall resident, Rob Coultard (RC) Enford PC, Dennis Bottomley (DB) Everleigh PC and Richard Semple (RS) Collingbourne Kingston PC.</p> <p>Apologies Richard Rogers (RR) Community Engagement Manager, Nigel Lukowski (NL) Stagecoach & PC Sharron Duggan (SD)</p>		
2.	Notes of last meeting			
		Minutes of the meeting held on 12 Oct 20 were approved.		
3.	Financial Position			

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

		The Group noted the financial position with current commitments as being £9068.93		
4.	Top 5 Priority Schemes			
a)	<p><u>Priority No.01</u></p> <p><u>Issue 6070</u></p> <p>Everleigh, Marlborough Road</p> <p>Speeding Concerns</p>	<p>MC confirmed that Everleigh PC will contribute up to £1250 for the cost of implementing the 40-mph speed limit in Marlborough Road. The Group agreed to fund the remaining cost of up to £3750.</p> <p>CATG to fund 75% of the £5000 implementation costs and Everleigh £1250.</p> <p>No Objection to the proposal received.</p> <p>Works order to implement the proposal issued w\c 04/01/21. Anticipated implementation March '21</p>		
b)	<p><u>Priority No.02</u></p> <p><u>Ref 15-19-5</u></p> <p>Collingbourne Kingston</p>	<p><i>Recent work on the roundabout has failed. The bollards installed on the west side of the roundabout have all been destroyed. The roundabout is failing to slow traffic that is moving north. There is also a chronic problem with traffic moving north failing to acknowledge the right of way of vehicles that are approaching the roundabout from the direction of Brunton and wanting to turn to the north.</i></p> <p><i>The west side of the roundabout needs a raised platform to define the desired roadway. The raised area should have bollards erected so that the extent of the roundabout is clear to traffic. The plastic bollards that were installed earlier this year have not worked at all. Of the four that were installed, all of them have been destroyed. By building a platform that is similar to those that support the larger signs at the north and</i></p>		

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

		<p><i>south entries to the roundabout, traffic going north will have to take more care going through the roundabout.</i></p> <p><i>The centre of the roundabout should be raised. As it stands, traffic drives over the roundabout centre as if it was not there.</i></p> <p>GR confirmed that alternative flexible barriers have been ordered for the interim. Following a discussion about raised kerbs being a possible solution, the Group confirmed that it would fund the design of such a scheme if Collingbourne Kingston Parish Council made a 25% contribution of £500.</p> <p>It is likely the cost of implementing this scheme may require a bid to the central pot. However, there is not likely to be substantive bids for 2020/2021 due to delays in the 2019/2020 schemes as a result of COVID-19.</p> <p>Initial designs and cost estimate in development. Expected completion End Feb.</p>		
c)	<p><u>Priority No 03</u></p> <p><u>Ref 15-20-1</u></p> <p>Enford</p> <p>Request for 20mph Limit Assessment</p>	<p>Enford parish Council would like to bid for funding support to conduct traffic calming measures within the village. The Parish committee in January 2020 passed that it would fund 25% of costs towards the study up to a contribution of £650.00.</p> <p>Current Speeds are 30mph and we would like this reduced to 20mph throughout the village boundary excluding the A345. There are parts of the village roads that are particular issues of mainly speeding commuter cars. The risk is compounded with no pavements, regular deep surface water and a school bus stop.</p>	GR to confirm if assessment has been undertaken.	GR

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

		<p>It is acknowledged that part of the village (Long St and west of the Swan pub) has generally slower speeds of traffic due to the closeness of houses and a narrow road. However, a blanket speed restriction is requested by the parish in order to protect and keep safe pedestrians.</p> <p>Assessment cost is £2500. Parish Council has confirmed contribution of 25% (£625).</p> <p>Data collection requests have been submitted to contractor. Awaiting return of information.</p>		
d)	<p><u>Priority No 04</u></p> <p><u>Ref TBC</u></p> <p>Collingbourne Ducis</p> <p>A338 Marlborough Road</p> <p>Additional Village Gates.</p>	<p>Parish Council have requested additional Gates on the A338.</p> <p>Two Options had been produced. Parish Council have confirmed that Option 2 and have confirmed 25% contribution (£1025). MC stated that this is the final gates into the village, all the others had been implemented via the Group. All approved.</p> <p>All work has been completed. A minor adjustment to the sign heights will take place. Invoice to PC has been raised. Remove and close issue</p>	Work complete – Remove and Issue Close.	
6.	Other Priority schemes			

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

a)				
7.	Open / Other Issues			
a)	<p>Ref 15-19-2</p> <p>Fosbury</p> <p>Request for Speed Limit</p>	<p>Speed of traffic through village (Fosbury) and road to Oxonwood. Would like to speed restrictions in the village and up to Oxenwood. Suggest a 30mph through the village & 40mph to Oxenwood.</p> <p>Pewsey CATG consulting with Oxonwood PC to see if it wishes to contribute to assessing the speed. Due to be discussed by the Pewsey CATG meeting 10/02/21.</p>		
b)	<u>Ref TBC</u>	<p><i>Tidworth Town Council (TTC) has requested lighting be provided on the stretch of path the Group had widened into a joint foot and cycle path in 2017/2018. There had been a nasty accident involving a cyclist and pedestrian where serious injuries were incurred.</i></p> <p>MC advised that the reason lighting was not put in was because the area was the site of a bat flightpath. GR stated that the infrastructure was put in place but advised that low lighting would require many lights and would be susceptible to vandalism.</p> <p>WC Ecologist has provided guidance on the requirements, and indicated a full assessment / survey will be required. Potential</p>	Remove and close issue.	

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

		<p>costs are between £5k to £10k due to the need for manual surveys across an extended period.</p> <p>The group decided the cost of the survey was prohibitive, the likelihood of the implementation and ongoing maintenance costs would also be prohibitive. Remove and close issue.</p>		
c)	<p>Ref 15-20-2</p> <p>Collingbourne Kinston</p> <p>Request for Speed Limit</p>	<p>The speed of traffic through our village along the A338 is excessive. Based on the work of our CSW, the percentage of vehicles that are caught speeding during the course of their sessions is 8% against a county average that is less than 3%.</p> <p>We would like to employ 2 Speed Indicator Devices at points along the A338 in our village. We wish to apply to the CATG for funding of the brackets and poles we need to install at various locations on which we can place the SIDs. We need between 4-6 locations so that we can move the SID's around so that we can make the best use of them.</p> <p>GR advised that it would cost up to £4K to implement the scheme but a site meeting between CKPC and AC would be required to assess where installations can be provided. The Group agreed that MC should approach CKPC to confirm it would contribute 25% of the costs and to advise of locations to AC. The Group agreed to implement the scheme if CKPC agreed to contribute 25% of the cost.</p> <p>Awaiting list of sites / locations for assessment. RS to provide AC with potential sites.</p>	RS to provide AC with potential sites.	RS/AC
d)	Ref 15-20-3	<p>The current 30mph zone and signage is failing to slow traffic down as it passes Aughton Junction. It is located so close to</p>	MC to seek approval of TAB	MC

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

	Collingbourne Kingston Request for Speed Limit Assessment	<p>the Junction that traffic is only starting to slow down as it passes the Junction. This is creating a very dangerous situation for vehicles that are exiting the Junction on to the A338</p> <p>We would like the 30mph zone and signing to be moved 2-300 yards north of its current positioning. This would allow traffic to slow down in consideration of the 30mph speed limit by the time they get to Aughton Junction. This would dramatically improve the position for vehicles exiting Aughton Junction. We would like to have a speed review conducted to verify our concerns and then move on to having the zone and signage moved north as indicated above.</p> <p>RS confirmed that CKPC would fund 25% of the assessment costs. After a discussion the group agreed to recommend to Tidworth Area Board for a speed limit assessment to be undertaken on the A338 in CK to assess if the existing 30 mph limit can be extended to the end of the present 40 mph limit.</p>		
8.	New Issues			
a)	<p>Ref 15-20-04</p> <p>Tidworth, Pennings Road</p> <p>Request for Pedestrian Crossing Assessment</p>	<p>Following on from requests and concerns raised by residents our Services Committee discussed the above location and agreed that for safety reasons a crossing needed at this location.</p> <p>Now that the development is pretty much complete there is an increase in use by pedestrians.</p>	MC to seek approval of TAB	MC

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

		<p>Tidworth Town Council fully supports the request for a pedestrian crossing and will fund 25% of the assessment.</p> <p>After a discussion the group agreed to recommend to TAB an assessment for a pedestrian crossing on the A338, Pennings Road (near its junction with Connolly Way), Tidworth to be undertaken.</p>		
9.	Other items			
a)				
10.	AOB			
a)	Tidworth Area Cycle Network	 <p>Tidworth and Ludgershall Cycle Net</p> <p>MA to update the map to take into account improvements since 2013. Group to consider future improvements required.</p> <p>GR advised that Government is likely to provide additional funding for cycling and walking schemes in future. I B-P suggested that the Group should have schemes agreed and supported in preparation for this.</p>	<p>CW/NA request LTC review its network and suggest any improvements to its network.</p> <p>MC/HJ request TTC review its network and suggest any improvements to its network.</p>	<p>CW/NA</p> <p>MC/HJ</p>

COMMUNITY AREA TRANSPORT GROUP ACTION / NOTES LOG

		MC suggested that TTC and LTC should review their networks and make recommendations to CATG of possible improvements to the foot and cycle networks. CW suggested TAB also discuss the issue.		
b)	Army Basing Road Infrastructure Update	HJ stated that the roadworks were now complete in Tidwroth and the new layouts are working very well.		
c)	Toucan Crossing, Tidworth Post Office	HJ raised the flooding and mud issue at this crossing. He said there was a lip that prevented the water escaping and if the lip was removed, it would help with the situation. AC Continues to chase		AC
d)	Warning signs	RS asked for dip warning signs following a recent accident which unfortunately resulted in a fatality. GR explained the Coronor process and that WC would action any recommendations made if any highway faults contributed to the incident. WC also have some 120 site around the County that have at least three Personal Injury accidents in the last three years that would receive priority. CATG could also be requested to provide signs if the PC requested it.		
e)	Weight Limit Signes	NA asked if two signs in Ludgershall could be illuminated. GR stated that the signs in question were advisory only and that only regulatory signs require lighting. The unlit signs are, however, reflective. CW stated he had volunteers to undertake Lorry Watch duties in Ludgershall. Members of the public can also take photos of lorries breaking the weight limit restrictions at the link below

Update for Wiltshire Area Boards

January 2021

Coronavirus vaccination

December saw the start of the roll out of the coronavirus vaccination in Wiltshire by our Primary Care Networks. Initially, local vaccination centres were set up in Devizes and Chippenham, with sites in Westbury, Ramsbury, and Melksham vaccinating in the following weeks.

Following government guidance on priorities our first focus is on vaccinations for older residents in care homes, all those over 80 years of age and health and social care workers.

Approval to become an Integrated Care System – BSW Partnership

In December health and care organisations in Bath and North East Somerset, Swindon and Wiltshire (BSW) were confirmed by NHS England and Improvement as meeting the criteria to become an Integrated Care System.

An Integrated Care System (ICS) is a way of working across health and care organisations that allows them to work closer together to take collective responsibility for managing resources, delivering care and improving the health and wellbeing of the population they serve.

The ICSs will integrate:

- primary and specialist care
- physical and mental health services
- health and social care.

Across BSW, hospitals, GP surgeries, community care providers, local authorities, a mental health trust, an ambulance trust and voluntary sector organisations have been working together since 2016 as part of the BSW Sustainability and Transformation Partnership (STP).

Working together as the new BSW Partnership, health and care partners will prioritise issues that matter to local communities as well as managing health and care provision during the ongoing Covid-19 pandemic.

The BSW Partnership is also responsible for setting the strategy and goals for improving health and care in the area and overseeing the quality and safety, decision making, governance and financial management of health and care services. It will also provide clinical and professional leadership for the whole area.

For more information, visit www.bswstp.nhs.uk.

Devizes Integrated Care Centre -update

The Full Business Case for the Devizes Integrated Care Centre will be discussed at the BSW CCG Governing Body meeting on 21 January 2021.

Construction is scheduled to begin in 2021 with the new building opening in 2022.

Trowbridge Integrated Care Centre - update

The Full Business Case for the Trowbridge Integrated Care Centre will be discussed at the BSW CCG Governing Body meeting on 21 January 2021.

Construction is expected to start towards the end of 2021 with the new building opening in 2023.

Medequip retained as provider of community equipment and continence services in Wiltshire

Following a tender process, Medequip has been awarded a new five year contract with Wiltshire Council and the CCG to manage Community Equipment and Continence Services for Wiltshire, continuing a 15 year working relationship in the region.

Medequip is planning significant innovations and service enhancements to further improve community equipment services provision for the people of Wiltshire. The operational site will remain at Calne and will be totally redesigned and extended, implementing a new layout to facilitate increased capacity, throughput and efficiency.

Care in the community - Home First and a new rapid response service

We have seen a significant increase in referrals to the Home First programme over 2020. Home First is an established joint health and social care pathway delivered by Wiltshire Health and Care and the Local Authority. The service aims to speed up the discharge process from hospital, increasing the number of people who need no additional ongoing care and supporting them to regain their independence.

We have agreed to fund an expansion in the Wiltshire Home First capacity to support the increase in referrals and to increase the community capacity for winter. Recruitment is now underway to employ more support workers and therapists.

In addition to the Home First expansion, we are also going to fund a rapid response service across Wiltshire. The service will provide short-term, responsive and reactive interventions for people whose health suddenly deteriorates at home, making sure

they are safe and getting the support they need at home or in community settings to prevent further escalation or hospital admission.

In addition it can respond to a patient who has attended A&E or been seen by an ambulance crew to prevent emergency admission to hospital by providing care in the community setting. Patients should receive services within two hours in a crisis and a two-day referral for reablement care.

The service will be implemented in a phased approach initially boosting response capability within existing community services. The impact of Phase 1 will be reviewed by June 2020 in order to inform future phases of development.

New model for mental health services being developed

We are finalising a new model for mental health services to deliver at pace revolutionary change to the community provision of support for people over 18 years of age across emotional wellbeing and mental illness.

The proposed new model has been co-created across the system, involving people with lived experience, third sector providers and the local authority, and will be based on a Primary Care Network geographical footprint. A total of £10.3million is available for BSW across three years to support delivery which will include investment in the third sector, primary care, community and secondary mental health provision.

We are currently awaiting approval of our plans and will update you further in coming months.

Covid-19 vaccination programme: Stakeholder briefing

Friday 22 January 2021

Gill May,
Director of Nursing and
Quality

“Last weekend was a milestone moment in our vaccination programme, as the final community-based sites at Salisbury Cathedral and Salisbury Plain Health Centre opened their doors to patients.

“This positive news means that every primary care network (a group of GP practices working together) in our region is now paired with a vaccine site, which also means that all people who are first in line to be vaccinated will soon be contacted, if they have not already.

“We have always said that the vaccine rollout is a marathon – not a sprint – but we’re making real progress, and the [latest data from NHS England](#) shows that we’ve helped to protect more than 63,000 people.

At a glance: the latest coronavirus vaccine developments in BSW

- The last of our community-based vaccination sites at Salisbury Cathedral, Larkhill Health Centre and West View Surgery in Keynsham opened at the end of last week
- From Monday, two large vaccination centres, based at Salisbury City Hall and Bath Racecourse, will open to patients. More information about these new sites is available on our website
- Letters inviting people to these venues, along with Ashton Gate Stadium in Bristol and the Bath and West Showground in Shepton Mallet, are being sent to those currently eligible for the vaccine
- Patients who receive a letter can choose to visit one of these large-scale vaccination centres or wait to be offered the vaccine through their GP practice
- Information on all of the vaccination sites currently operating across Bath and North East Somerset, Swindon and Wiltshire is available on the CCG website
- We continue to respond to questions and queries regarding the vaccine rollout through our dedicated mailbox, which can be reached by sending an email to bswccg.vaccinequery@nhs.net

- Many of the answer to queries to this mailbox are already covered in the detailed FAQ section that is now up and running on our website (www.bswccg.nhs.uk/latest-covid-19-updates)
- The list of FAQs is being updated on a weekly basis to include any new emerging themes, such as questions relating to the ingredients of the vaccine and what to do when receiving an invite letter to a Large Vaccination Centre
- We are asking our partners to reference this list of FAQs when responding to their own public questions and queries
- Wherever possible, our primary care networks are supporting one another to provide the vaccine to people at the venue closest to their home
- Plans to offer the vaccine to those who are unable to leave their home are now under way, and these people will be contacted directly in the coming weeks

Photos from the first day of vaccinations at Salisbury Cathedral

Healthwatch Wiltshire welcomes four new Board members

Healthwatch Wiltshire has appointed four new Board members to help prioritise the health and social care issues that are most important to the people of Wiltshire.

The Local Leadership Board is the driving force behind our commitment to ensure the voices of children, young people and adults are heard by those who run, plan and regulate health and social care services in the county.

The new Board members join existing members Hazel Dunnett, Andy Mintram, Irene Kohler, Joanna Wittels and Emma Leatherbarrow.

Gillian Leake joins us as the new Chair of our Local Leadership Board. She has worked in and around health and social care for 40 years, and will be bringing her knowledge and experience from roles in social work and senior management to Healthwatch.

Alan Mitchell is our new Vice Chair. Formerly a civil servant, Alan is now a coach and change management consultant and volunteers for a

number of local and national charities.

Margaret Winskill taught food and nutrition and health and social care before becoming a Public Health specialist, leading the Young People Friendly programme and the Health Trainer service in Wiltshire. She is now a diabetes prevention coach and an active member of a refugee community sponsorship group.

Vijay Manro has held long careers both as a civil engineer and a local magistrate and now, as a Healthwatch Wiltshire Board member, is looking forward to interacting with local people on health and care issues.

Acting Healthwatch Wiltshire Manager **Julie Brown** said: "We're thrilled to welcome our new Board members. They bring with them an amazing wealth of knowledge, experience and expertise and we're looking forward to developing a new work plan that focuses on what matters most to the people of Wiltshire."

Share your experiences of services during Covid-19

Healthwatch Wiltshire is looking for feedback from people who have used health, care and community services during the Covid-19 pandemic.

Since March, NHS and social care services have had to change the way they work to meet coronavirus safety guidelines, while voluntary and community groups have stepped up their support to help local people through the pandemic.

We want to understand how these changes

have been working for you, what's been good and what could be better.

Gillian Leake said: "As the new Chair of Healthwatch Wiltshire, I'm looking forward to hearing people's stories and helping to ensure their voices are heard by those who plan and run services. Please take five minutes to have your say about how these services are working for you during the pandemic."

Update for Tidworth Area Board

Name of Parish/Town Council	Everleigh Parish Council
Date of Area Board Meeting	25 th January 2021

Update for Tidworth Area Board

Headlines/Key Successes

- **Covid 19.** Covid-19 continues to dominate the headlines, with the situation constantly evolving. Village Area Co-ordinators remain in place and alert to the needs of parishioners as required in the face of an uncertain future.
- Wilts Council have agreed speed limit changes on Marlborough Road (MR) in Everleigh as follows: MR South: From the A342 up to and including Coombe Cottages – Reduce to 40 mph; MR North: From Coombe Cottages northwards – remains 50mph, and extend this zone to the KK tank crossing.

Wilts Council have approved Traffic Regulation Orders and have issued a works order to implement change in early January. We are hopeful that implementation may be completed in the Spring.

Projects

- The enhancement of Everleigh Centre, opposite The Crown bus shelter, is currently our main focus. Roses have been planted and a bench is planned.
- The village playground has been closed since last March due to the Covid-19 situation. We intend to reopen it this Spring and are currently looking at the control measures necessary to achieve this.
- Right of Way (RoW) 6 is a route running south west from the village playground on to the Plain. It is a restricted byeway and as such it may be used as a footpath and a bridleway. At this time of year the track becomes very muddy and consequently we are examining options to improve the situation.

Forthcoming events/Diary dates

- A village litter pick will take place on Saturday 6th March, meeting up at The Crown bus shelter at 11am and finishing by 1230pm. After issue of equipment, we will split into several groups to clean up the verges of all arterial roads approaching and running through the village.

Signed: **DENIS BOTTOMLEY, Chairman Everleigh Parish Council**

Date: 13th January 2021

Report to	Tidworth
Date of Meeting	25/01/2021
Title of Report	Community Youth Grants

1. Purpose of the report:

To ask Councillors to consider the following applications seeking funding from the Tidworth Area Board.

Application	Grant Amount	
Applicant: T2a Project Title: Young Person and Volunteer Craft Book	£384.03	
Total grant amount requested at this meeting	£384.03	
Total amount allocated so far	£53924.14	

2. Main Considerations

Councillors will need to be satisfied that grants awarded in the 2020/21 year are made to projects that can realistically proceed within a year of the award being made.

Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet member for Communities, Campuses, Area Boards, Leisure, Libraries and Flooding. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2020/2021.

Community Youth Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

Community Youth Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community based projects and schemes.

3. The applications

Applicant: T2a Project Title: Young Person and Volunteer Craft Book	Amount Requested from Area Board	£384.03
This application meets grant criteria 2020/21 Project Summary: During the Covid 19 young people were supported with achievable 7 day challenge craft and cooking activities from items that could be found in their houses . This was simple fun and achievable for all to do the focus being on helping young people cope mentally during these unprecedented times. The activities were hugely successful. Moving forward there is a real need to re-connect with young people working with volunteers to help with reconnection of groups. We would like have the activities made into spiral bind books to be used as a tool to help volunteers to use the books to easily deliver quality activities.
