24 Community Governance Review

Public Participation

A statement from Francis Morland was received.
Clive Blackman made a statement regarding Recommendation 3.
Annie Spilsbury made a statement regarding Recommendation 3.
Nick Westbrook made a statement regarding Recommendation 12.

At its meeting on 24 March 2020 the Committee agreed proposals to be included in Draft Recommendations for the Community Governance Review 2019/20 to be consulted upon. The consultation, which was extended as a result of Covid-19, took place from 15 May 2020 to 10 July 2020. Details of all responses received were included with the report.

The Committee received the responses and determined which Recommendations it considered should be put before Full Council as a Final Recommendation.

Prior to debate on the Recommendations, a statement was read out from Mr Francis Morland regarding use of electorate projections and interpretation of statutory guidance. In response it was stated that reading the whole guidance in context supported the position taken by the council and set out in the report.

The Committee debated each Recommendation, discussing the responses which had been received and arguments which had been made in support and objection. Full reasoning for any recommendation would be included in the Final Recommendations.

In relation to Recommendation 1 to transfer the Netherhampton East ward to Salisbury Harnham West, the Committee upheld its Draft Recommendation. The proposal was supported by both parish councils, and the area's character and interests would appropriately fit with the city more than the parish. The Committee did not consider there was grounds to seek to amend the area to be transferred as suggested in one response.

In relation to Recommendation 2 to merge two Salisbury City Council wards into a single ward coterminous with the Electoral Division of Salisbury Milford, the Committee upheld its Draft Recommendation. The situation was clearly

anomalous compared to every other city ward. The Committee did not consider there were grounds to change the name of the City parish as suggested in one response.

In relation to Recommendation 3 to transfer the Rawlings Farm and Barrow Farm wards of Langley Burrell Without to Chippenham Monkton and Chippenham Hardenhuish, and the Showell ward of Lacock to Chippenham Lowden and Rowden, statements in opposition to the Lacock proposals were received from Clive Blackman and Annie Spilsbury, highlighting opposition by local residents in Rowden Lane and historic connections with Lacock.

The Committee considered all responses and relevant information, noting that all the parish councils involved supported the proposals. The objections to the Lacock proposals was noted, however during debate it was considered that the changing character of the Showell ward as a whole, the isolation from any remaining part of Lacock, and reasons of effective and convenient governance in respect of parish and Division boundaries, meant that the proposals should continue to be recommended to Full Council. However, the Committee did consider that the precise line between the two parishes, and Divisions, could possibly be reviewed again in the future as the situation development further.

In relation to Recommendation 4 to transfer Cedar Lodge, Allington, from Kington St Michael to Chippenham Without, the Committee confirmed its Draft Recommendation. The proposal was supported by both parish councils and the resident affected and better reflected the communities below.

In relation to Recommendation 5 to transfer an area of Manningford to Woodborough, the support of both parish councils was noted, subject to clarification of the exact line along the roads detailed, along with the support of respondents who agreed the area was more appropriate in community terms with Woodborough. It was therefore confirmed.

In relation to Recommendation 6 to remove the wards of Pewsey Parish Council, the lack of objection was noted and it was therefore confirmed.

In relation to Recommendation 7 to transfer a small area of Pewsey to Wilcot it was agreed the current situation was anomalous and it remained appropriate to support the transfer as proposed by the parish councils.

In relation to Recommendation 8 although a few responses had objected to the merger of Wilcot and Huish, most respondents had supported the proposal, and it was noted that in effect the very small parish had been in joint arrangements with Wilcot for some time, and it was an anomaly that this had not been officially approved. The Committee therefore upheld the recommendation as a whole.

In relation to Recommendation 9 to not create a new parish at Derry Hill and Studley at this time, but to undertake a further, wider community governance review, it was noted there remained significant support for a new parish, with some feeling there was no need for a delay. However, the Committee continued to consider that it was necessary to take account of impacts on surrounding

parishes in the event a new parish was created, and upheld its recommendation.

In relation to Recommendation 10 to amend the ward boundaries of two Calne Without wards, it was agreed that the proposals corrected a clear anomaly and should be supported.

In relation to Recommendation 11 to transfer the White Horse and Park wards of North Bradley to Trowbridge Drynham, and Trowbridge Park respectively, it was noted that over 60 objections and only one supporting representation had been received to the online survey, with many more emailed and physical objections received.

The Committee debated the objections, including but not limited to suggestions the proposals were premature, impact on the emerging Neighbourhood Development Plan, scale of the proposals, the inclusion of several properties accessed off Woodmarsh whose neighbours would remain in North Bradley parish and other issues as detailed in the responses.

The Committee discussed advice it had received in relation to Neighbourhood Development Plans that these were a distinct process and did not prevent the transfer of land if considered appropriate under the criteria for community governance reviews. The designated plan area would remain unaffected.

A proposed amendment to Recommendation 11 was suggested by Councillor Andrew Bryant, Trowbridge Drynham Division, to exclude a number of existing properties accessed off Woodmarsh from the transfer between parishes. This would also require amendment to the Electoral Division by the Local Government Boundary Commission for England.

The Committee noted the boundaries of the incoming wards and Divisions, and that to consult upon further proposals at this stage would in effect mean those wards would come into being in May 2021. It considered that although the boundary line including a few of the existing properties within the Trowbridge Drynham Division was not ideal, there would be a detriment to effective and convenient governance for the ward as a whole if there was not a transfer ahead of the May 2021 elections, and it also considered for the whole of the White Horse and Park wards the proposals were appropriate in community terms. However, the Committee did consider that the precise line between the two parishes, and Divisions, could possibly be reviewed again in the future as the situation development further.

On balance, and after discussion, it was therefore agreed to continue to recommend the transfer of the areas.

In relation to Recommendation 12 regarding rejecting a proposed merger between Melksham and Melksham Without, a statement was received from Mr Nick Westbrook seeking a deferral of a decision by the council. The Committee did not feel there was justification to delay a decision, and considered that its reasoning for rejecting a proposed merger continued to apply and should be proposed to Full Council. Furthermore, that a proposed merger had been reviewed twice in five years, and that while it would be for a future Council and Committee to consider any future action, the present Committee considered it unlikely the issue would need reviewing further for a considerable time.

In relation to Recommendation 13 to transfer the Hunters Wood ward of Melksham Without to Melksham East, and the 'Land north of Sandridge Common' to Melksham East, it was agreed to uphold the recommendation. The proposals were supported by most respondents and the council involved, and reflected the communities appropriately.

At the conclusion of debate,

Resolved:

To delegate to the Director of Legal and Governance in consultation with the Chairman, the preparation of a detailed Final Recommendations document for consideration by Full Council, in accordance with the discussions above.

25 Parish Name Change Review

In July 2019 three parishes or parish councils requested that their name or name of their parish council be amended by Wiltshire Council. At its meeting on 31 October 2019 the Committee agreed to progress the requests under S.75 of the Local Government Act 1972.

The proposals from the three parishes or parish councils were advertised in briefing notes and online surveys, as detailed in the report.

The Committee discussed the report and the responses which had been received, as well as the reasoning provided for each request. They agreed with the reasoning provided for each change, and agreed to recommend Council amend the parish names accordingly.

Resolved:

To recommend Council approve the following parish name changes:

- Fittleton to Fittleton cum Haxton
- Fyfield and West Overton to Kennet Vallet Parish Council
- Cheverell Parva to Little Cheverell.

26 Area Board Boundary Review

Following the Electoral Review of Wiltshire Council the Area Boards as presently constituted would no longer align to the Electoral Divisions that would come into effect for the May 2021 local elections. Accordingly, it would be necessary for the Council to adopt alternative arrangements.

At its meeting on 21 July 2020 Full Council amended the terms of reference of the Committee to enable it to make recommendations in respect of the boundaries of Area Boards throughs uch processes as it considered appropriate.

In July 2020 representatives of the Committee arranged sessions for each Area Board to discuss the changes to Electoral Divisions and potential options and implications for any future Area Board arrangement.

The Committee reviewed each existing Area Board and the impact of the incoming Divisions, as well as considering if any historical arrangements were no longer the most suitable. Some of the points raised in debate included but were not limited to:

- Agreeing that wherever possible parishes should not be split between Area Boards as this led to inefficient and sometimes contentious arrangements;
- Considering whether the Division of By Brook might be suited to an Area Board other than Chippenham, but concluding it remained the most appropriate place for the Division.
- It was noted that the Local Government Boundary Commission had split two parishes between Divisions in the South East of the council area and in order to avoid splitting any parishes between Area Boards there were Three Divisions which therefore would need to be included together. On balance, it was agreed that those Divisions should be included with the current Southern Area Board.
- It was accepted that the Devizes Rural West Division, which included significant areas previously within the Melksham Area Board, should be included with the Devizes Area Board.
- It was noted that three community areas in the East of the council area now had only Three Divisions. The Committee did not feel it was appropriate that those areas be merged in a single area board, so agreed that all would be included in a single Area Committee, which would appoint the Area Boards. This would enable them to have their own Chairs and make their own decisions, whilst allowing substitution arrangements to deal with any issues of quorum. The Committee did feel the area committee should itself still meet from time to time to ensure the benefits of community cooperation.
- It was agreed the expanded Lyneham Division should remain in the Royal Wootton Bassett Area Board, and the expanded Holt Division in the Bradford on Avon Area Board.
- For Amesbury Area Board it was agreed the parishes of the Avon Valley looked to the town and should be included within it, with the Bourne Valley area included in the Southern Area Board.
- It was agreed the Salisbury Area Board should comprise only Salisbury City Divisions.
- Other than to align to the new Divisions, there were no other proposed changes for the Corsham, Trowbridge, Westbury, Warminster, South West Wiltshire, or Tidworth Area Boards.

The Committee agreed that although it was not a requirement, there should be a consultation with the public, parishes and interested parties on its proposal, ahead of a meeting of Full Council of 24 November 2020.

At the conclusion of debate, it was,

Resolved:

To consult upon proposed new Area Board Boundaries from 10 September 2020 – 31 October 2020.

Note: Consultation document at this link.

27 **Polling District and Polling Place Review**

At its meeting on 26 November 2019 Full Council had undertaking a review of polling districts and polling places. This had been required to be completed under the Electoral Registration and Administration Act 2013 as it had been five years since the previous review.

As the review had taken place prior to implementation of the new unitary electoral divisions that would come into effect on May 2021, it had been noted that a further review would need to be taken to reflect those new boundaries, although there was no legal requirement to conduct a further review.

A report from the Head of Elections advised that as the boundaries would not be in force until May 2021, and as a result of impacts arising from the COvid-19 situation, it was proposed to conduct the further review to reflect the new boundaries after the May 2021 elections. This would also enable the Council to reflect any changes from the ongoing Community Governance Review.

It was also noted that as a result of constitutional changes, a future Polling District and Polling Place Review could be approved by the Committee without reference to Full Council.

The Committee discussed the report, seeking details of the process and timescales for updating polling districts and polling places, and noting that a further report would follow the 2019-20 Community Governance Review with a schedule of necessary changes in advance of May 2021 as required.

Resolved:

It was.

- 1) Agreed to postpone the Polling District and Polling Place review until after the May 2021 elections;
- to consider the need for a Polling District and Polling Place review if there is lack of feedback from the May 2021 elections that changes are required;

3) To note that a revised schedule of necessary changes to polling districts will be submitted for approval in Autumn 2020.

28 Forward Work Plan

The Committee received a report on outstanding Community Governance Review requests, which due to their number were not able to be included in the 2019/20 review.

It was agreed that the next review would take place after the May 2021 elections, and that the remaining requests would be grouped in order of priority to enable two or three reviews to allow implementation ahead of the May 2025 elections.

Resolved:

That the next Community Governance Review would commence post May 2021, and for officers to prioritise the list of forthcoming reviews for consideration by the Committee at that time.

29 Date of the Next Meeting

The date of the next meeting was scheduled for 27 October 2020. This would be rescheduled around the consultation on the Area Board Boundary Review, ahead of consideration by Full Council on 24 November 2020.

30 **Urgent Items**

Wiltshire Council

Electoral Review Committee

12 November 2020

Polling District and Polling Place Review

Purpose

1. To note the schedule of necessary polling district changes for Committee approval due to the new unitary boundaries that take effect from May 2021 and any approved Community Governance Reviews completed and approved in 2020.

Background

- 2. Following the Wiltshire Council electoral boundary review an Order was made in March 2020 scheduling the new unitary divisions and parish/parish wards affected by the new boundaries. In addition to this, several Community Governance Reviews (CGRs) took place with final recommendations approved in September 2020. Both reviews require necessary changes to existing polling districts so that the polling districts are coterminous with the new parish/parish ward and unitary division boundaries. This is required to facilitate the organisation and running of the May 2021 unitary and parish elections on the new boundaries.
- 3. The publication of the revised register on 1 December will be based on the new electoral divisions.
- 4. Where existing unitary councilors request a copy of the register from 1 December for the area they currently represent, it is possible they will receive a register containing electors for another unitary division due to the structure of the new polling districts straddling across the existing unitary divisions.

Main Considerations

- 5. To remove the smaller polling districts created by the 2016 CGRs now that the parish and unitary boundaries will be aligned by merging them with neighbouring polling districts.
- 6. To amend existing polling districts so they are coterminous with the parish/parish ward and unitary boundaries whilst also having regard for parliamentary boundaries.
- 7. To maintain the existing polling district structure as far as possible.
- 8. Where polling districts straddle the new divisions, the part that overlaps into the new division is merged with the adjacent polling district for the new division unless this part is sizeable enough to require its own polling district. The electors that are merged with the adjacent polling district will vote at the polling station for that polling district and this may be different to where they previously voted.
- 9. To recode and rename the amended polling districts so they describe the new electoral area.
- 10. To ensure there are as limited changes to polling stations for electors as possible. **Appendix C** illustrates that only 16 out of 477 polling districts have been relocated to a

different polling station.

11. The polling districts have been created on the assumption that the LGBCE agrees to the unitary boundary division amendments as per the approved CGR Recommendations report August 2020. If they do not agree to alter the unitary boundaries, or the decision is not made before 1 December 2020, then there will need to be additional polling districts created to reflect this for those areas affected, as per **Appendix D**.

Safeguarding Implications

12. There are no safeguarding implications.

Public Health Implications

13. There are no public health implications.

Procurement Implications

14. There are no procurement implications.

Equalities Implications

15. There are no equalities implications.

Environmental Implications

16. There are no environmental implications.

Financial Implications

17. There are no financial implications.

Legal Implications

18. The Council will publish the electoral register on the 1 December 2020 using the Wiltshire (Electoral Changes) Order 2020 as amended by The Wiltshire Council (Reorganisation of Community Governance) Order 2020. If LGBCE approval for the amendment to the electoral division boundaries is not received by 1 February 2021 then the May 2021 Wiltshire Council unitary elections will be run on the boundaries as per the Wiltshire (Electoral Changes) Order 2020.

Proposal

- 19. The Committee is asked to:
 - 1) note Appendix A detailing the revised polling districts to each of the new unitary divisions in unitary division order.
 - 2) note Appendix B detailing the revised polling districts to each of the parishes in parish/parish ward order.
 - 3) note Appendix C detailing all the revised polling districts and the allocated polling station and any relevant comments.
 - 4) Note Appendix D detailing the additional polling districts required in the event the LGBCE do not amend the Electoral Divisions before 1 December 2020

Wiltshire Council

Electoral Review Committee

12 November 2020

Area Board Boundary Review 2020 Consultation on the Draft Recommendations of the Electoral Review Committee

Purpose

- 1. To consider responses to the consultation on the Draft Recommendations of the Electoral Review Committee for the Area Board Boundary Review.
- 2. To prepare Final Recommendations for consideration by Full Council.

Background

- Following an Electoral Review of Wiltshire Council, the Local Government Boundary Commission for England (LGBCE) proposed revised Electoral Divisions for the Council on 1 October 2019. On 17 March 2020 Parliament approved the revisions in *The Wiltshire* (Electoral Changes) Order 2020, to take effect at the local elections scheduled for May 2021.
- 4. Area Boards are appointed by the Council under S.102 of the Local Government Act 1972 and are constituted as area committees with the meaning of s.9E of Part 1A of the Local Government Act 2000 as amended by the Localism Act 2011.
- 5. Schedule 1 of Part 3B of the Constitution sets out the Electoral Divisions, and therefore any parishes, which comprise each of the 18 existing Area Boards. Pewsey and Tidworth comprise a single area committee, which appoints the individual Area Boards. South West Wiltshire Area Board comprises three community areas.
- 6. In accordance with the Constitution Area Boards consist of entire Electoral Divisions and each Division may only be in one Area Board.
- 7. Under Paragraph 2.10.10 of Part 3B of the Constitution the Electoral Review Committee has responsibility to make recommendations to Full Council on the composition of Area Boards.
- 8. Sessions were arranged between members of the Electoral Review Committee and each existing Area Board to discuss the changes in Electoral Divisions and potential options and implications for any future Area Board arrangement. Notes from those sessions were provided to all members of each Area Board.
- 9. The Electoral Review Committee at its meeting on 13 August 2020 then agreed proposals for revised Area Board Boundaries. Although not a legal requirement, a consultation on those proposals was also agreed.
- 10. A briefing note was circulated for Members, and for discussion at Area Board meetings.

Main Considerations

- 11. The Draft Recommendations of the Electoral Review Committee are included at **Appendix A**.
- 12. The Draft Recommendations were published for a consultation which ran from 10 September 2020 31 October 2020. All parishes were contacted by email with details of the consultation including a briefing note and online surveys for each area, on 9 September, 23 September and 13 October 2020. All Unitary Members received emails on 9 September and 14 October 2020. A further email was sent to the parishes of the current Amesbury and Southern Area Boards, as well as the Unitary Members for those Boards, on 21 October 2020. Press releases were also published.
- 13. The responses to the online surveys are included at **Appendix B**. There were 95 responses.
- 14. Additional responses received by email are included at **Appendix C.** There were 13 additional responses.
- 15. A summary of the responses is included for each area as below.

<u>Amesbury</u>

- 16.6 responses were received to the online survey, with 5 in agreement and 1 in disagreement. Comments in agreement included that Till Valley had a natural link with Amesbury, that it was a cohesively linked area, and was more representative for the area.
- 17. The comment in disagreement was in fact in relation to the boundaries of the Electoral Divisions, which have already been determined by the LGBCE, rather than the composition of Electoral Divisions within the proposed Area Board.
- 18. Comments were also received from Amesbury Town Council and Tilshead Parish Council raising no objections to the proposal.

Bradford-on-Avon

19.1 comment was received to the online survey. This was marked as an amendment, stating that Area Boards should be reformed 'to become democratic assemblies of all elect representatives in the area – unitary, town and parish'. The Committee only has responsibility for recommending boundaries for the Area Boards to Full Council.

Calne

- 20.2 comments were received to the online survey, with 1 in agreement and 1 which was stated to be in disagreement. This comment raised issues regarding the Sutton Benger Surgery, a branch of Patford House Partnership, which is based in Calne.
- 21. It is noted that the parish of Sutton Benger is within the Kington Division, which is currently proposed to remain within the Chippenham Area Board and includes the parishes of Chippenham Without, Kington St Michel, Kington Langley, Langley Burrell Without, Christian Malford, Seagry and Stanton St Quintin.

Chippenham

- 22.1 comment was received to the online survey, which was in agreement on behalf of Chippenham Town Council.
- 23. Additionally, at its meeting on 7 October 2020 the Unitary Members of the Area Board supported recommending that it be renamed as the 'Chippenham and Villages Area Board' in order to reflect the large rural parts of the community area.

Corsham

- 24.3 comments were received to the online survey, with all being in agreement. Comments included that the proposals incorporated all parishes in the Corsham Area.
- 25. A comment was also received from Box Parish Council raising no objections to the proposal.

<u>Devizes</u>

- 26.12 comments were received to the online survey, 10 in agreement, 1 in disagreement and 1 suggesting an amendment. Comments in agreement included that the proposals fairly represented the communities which look to Devizes as their market or principal town, that it was geographically sensible, and it recognised local sentiments. One specifically agreed that the parish of Seend was appropriately grouped with Devizes.
- 27.1 of those survey comments confirmed that Devizes Town Council supported the proposals, and another from Worton Parish Council stated they had no comment. An additional comment was also received from Easterton Parish Council raising no objections to the proposal, and from Poulshot Parish Council supporting the proposal.
- 28. The comment in disagreement enquired why the parish of All Cannings was being moved to Pewsey when it has many links with Etchilhampton.
- 29. The parish of All Cannings is presently in the Electoral Division of Urchfont and the Cannings, which is within Devizes Area Board. The parish of Etchilhampton is also within that Electoral Division. However, from May 2021 All Cannings will be within the Electoral Division of Pewsey Vale West, whilst Etchilhampton will be within the Electoral Division of Urchfont and Bishops Cannings. The Pewsey Vale West Electoral Division also includes the parishes of Stanton St Bernard, Alton, Wilcot, Huish and Oare, Woodborough, Manningford, Patney, Beechingstoke, North Newnton, Upavon, Rushall, Charlton, Wilsford, Marden, and Chirton.
- 30. A submission was also received from Seend Parish Council, noting its links with Melksham which would be ongoing with many local issues, and their distance from Devizes, and their wish to remain with Melksham Area Board. This was also requested in the survey comment seeking amendment to the proposal.
- 31. The parish of Seend is presently within the Summerham and Seend Electoral Division, which is included as part of Melksham Area Board. From May 2021 it will be part of the Devizes Rural West Electoral Division.

32. The Devizes Rural West Electoral Division also includes the parishes of Poulshot, Potterne, Bulkington, Worton, Erlestoke and Coulston. Approximately 57% of the projected electorate of the Electoral Division is presently within the Devizes Area Board, 39% presently within the Melksham Area Board, and 4% presently within the Westbury Area Board.

Malmesbury

33. 1 comment was received to the online survey, which was in agreement with the proposal. Malmesbury Town Council also confirmed they were in support of the proposal.

<u>Marlborough</u>

- 34.9 comments were received to the online survey, with 3 in agreement and 6 in disagreement with the proposal. Comments in agreement included it being simpler.
- 35.5 of the comments in disagreement referenced objections to being included within the Pewsey Vale East Division or Pewsey generally, referencing matters including local surgeries being in Ramsbury and connections of the parish of Froxfield with Aldbourne and Ramsbury and lack of connections with Pewsey.
- 36. The parish of Froxfield was previously within the Aldbourne and Ramsbury Electoral Division, which is within Marlborough Area Board, but from May 2021 will be part of the Pewsey Vale East Electoral Division, which is proposed to be within Pewsey Area Board.
- 37. Many of the objections are a continuation of objections raised during the Electoral Review of Wiltshire Council to the inclusion of Froxfield within the Pewsey Vale East Division, the composition of which has been confirmed by Parliament.
- 38. Under the constitution with an Electoral Division only able to be in one Area Board and were Froxfield to be included in the Marlborough Area Board this would mean the entire Division would need to be included. Other parishes in Pewsey Vale East include Little Bedwyn, Great Bedwyn, Burbage, Grafton, Shalbourne, Ham, Buttermere and Tidcombe & Fosbury.
- 39. This would also result in Pewsey Area Board containing only 2 Electoral Divisions under present proposals.
- 40. A further comment in objection was from Marlborough Town Council in disagreement with the proposals. The comments objected to the use of a substitute arrangement to avoid the risk of becoming inquorate for decision making and raised concerns of political balance.
- 41. As an Area Committee, rules on political proportionality do not apply to Area Boards. The council's two current Area Boards with only 3 Electoral Divisions, Pewsey and Tidworth, have operated as independent boards with a substitute arrangement since 2009, which the proposals recommend be extended to include the new 3 member Marlborough Area Board, for rare occasions when it might be needed. Any member who was to be absent would be able to choose which member they wished to substitute in their place.

Melksham

42.6 comments were received to the online survey. 2 comments were in agreement, stating that there are historic links with villages to the south of the town, Semington in particular.

- 43.4 comments suggested an amendment. 1 stated that the Area Board should still include the parish of Atworth but not Steeple Ashton. 3 stated that the parish of Seend should be included within Melksham Area Board, rather than Devizes Area Board, given the connections with Melksham more than Devizes.
- 44. From May 2021 the parish of Atworth will be part of the Holt Electoral Division, which is presently proposed to be part of the Bradford-on-Avon Area Board, and also includes the parishes of Holt and Staverton. The parish of Steeple Ashton will be part of the Melksham Without West and Rural Electoral Division, including the parishes of Semington, Great Hinton, Keevil and part of the parish of Melksham Without.
- 45. A submission was also received from Seend Parish Council, noting its links with Melksham which would be ongoing with many local issues, and their distance from Devizes, and their wish to remain with Melksham Area Board.
- 46. As noted under the Devizes summary, the parish of Seend is presently within the Summerham and Seend Electoral Division, which is within Melksham Area Board. From May 2021 it will be part of the Devizes Rural West Electoral Division. Under the constitution each Division may only be in one Area Board. The Devizes Rural West Electoral Division also includes the parishes of Poulshot, Potterne, Bulkington, Worton, Erlestoke and Coulston. Approximately 57% of the projected electorate of the Electoral Division is presently within the Devizes Area Board, 39% presently within the Melksham Area Board, and 4% presently within the Westbury Area Board.

Pewsey

- 47.17 comments were received to the online survey, with 3 in agreement and 13 in disagreement. Comments in agreement included that it was an efficient way to meet the needs of parishes and would not affect the efficiency of the current Area Board.
- 48.1 Comment was listed as an amendment, stating that a reference to the parish of Chirton should be corrected to Chirton and Conock Parish Council. Council information is that the legal name of the parish is Chirton, however a request could be made to amend this at a future date if the parish wished.
- 49. Many of the comments in disagreement directly referenced the parish of Froxfield and its connections with Marlborough and the current Marlborough Area Board, stating it has limited community or geographic links with Pewsey Area Board. Other comments referred to a parish or parish council they state has relationships and connections with Marlborough and were from postcodes in the Froxfield area.
- 50. As noted under the Marlborough summary, above, the Parish of Froxfield will be within the Pewsey Vale East Electoral Division from May 2021. Including Pewsey Vale East within the Marlborough Area Board would leave only two Electoral Divisions within Pewsey Area Board under the current proposals, which would have governance implications as it could not be quorate for decision making.
- 51. A comment was also received from Wilcot, Huish and Oare Parish Council, stating continued opposition to any amalgamation of the Pewsey Area Board with Marlborough or Tidworth.

52. It is noted that the Pewsey Area Board is administratively at present a Sub-Committee of the Pewsey and Tidworth Area Committee, to enable substitution arrangements as each Board has only three Electoral Divisions. The Draft Recommendations proposal extends the arrangement to include Marlborough as it would also now have only three Electoral Divisions, but each area would retain its own Area Board as is the case at present.

Royal Wootton Bassett and Cricklade

- 53.5 comments were received to the online survey, with 4 being in agreement and 1 in disagreement.
- 54. Comments in agreement included that it was logical and the only change of two additional parishes was realistic as a result of the Electoral Division changes.
- 55. The comment in disagreement was on behalf of the joint Parish Council of Broad Hinton and Winterbourne Bassett, however the objection was focused upon the composition of the Lyneham Electoral Division and the inclusion of those two parishes within that Division, not the composition of the Area Board. The inclusion of the parishes within the Lyneham Electoral Division has already been determined by the LGBCE and approved by Parliament and cannot be revisited and changed as the parish council requests.

Salisbury

56. No comments were received on the proposal.

Southern (South East) Wiltshire

- 57.13 comments were received to the online survey, with 12 in agreement and 1 in disagreement.
- 58. Comments in agreement included that the proposals retained Laverstock & Ford in one Area Board, that it was a sensible area, but also noting that some areas may feel a bit isolated. 1 comment stated that renaming the area to South East [Wiltshire] Area Board might address concerns of areas around Porton and Idmiston, previously within the Amesbury Area Board, about the expanded area. Others confirmed that Pitton and Farley Parish Council and Britford Parish Council were in agreement with the proposal.
- 59. The comment in disagreement stated it would prefer to retain the title of Southern Area Board as more reflective of the Geography of the area.
- 60. At its meeting on 1 October 2020, a majority of the Unitary Members of the Southern Area Board supported retaining the name of Southern Area Board for the proposed area. An additional comment was also received from the Chairman of the Area Board confirming that position.
- 61. A comment from Winterslow Parish Council supported the makeup of South East Wiltshire Area Board, as did Winterbourne Parish Council, so that the Bourne Valley parishes were all in the same Board.

South West Wiltshire

62.5 comments were received to the online survey, with 3 in agreement, 1 in disagreement and 1 suggesting an amendment. A comment in agreement stated it was in line with what had been asked for by the parish council and was listed as being from Swallowcliffe parish.

Page 50

- Another from Steeple Langford Parish Council did not object, but made various comments on consultation, integration within the Area Board, grant funding and other matters.
- 63. The suggested amendment stated that the Wilton area had a far more urban characteristic than the very rural south west.
- 64. The comment in disagreement stated that South Newton has much stronger links and affiliation with Wilton than Amesbury.
- 65. The parish of South Newton is presently in the Wilton and Lower Wylye Valley Electoral Division, part of South West Wiltshire Area Board. From May 2021 it will be within the Till Valley Electoral Division, proposed to be within the Amesbury Area Board. The incoming Electoral Division also includes the parishes of Tilshead, Orcheston, Shrewton, Winterbourne Stoke, Berwick St James, Wilsford cum Lake, Woodford, Durnford, Stapleford and Great Wishford.
- 66. It is also confirmed that the final page of the Draft Recommendations contains an error in stating South Newton was proposed to be within South West Wiltshire Area Board, instead of Amesbury Area Board.

Tidworth

- 67.9 comments were received to the online survey, with 8 being in agreement and 1 being in disagreement.
- 68. Comments in agreement included that the proposal evened out the population in each area and represented the natural community area. A comment confirmed Tidworth Town Council supported the proposals, including the use of a substitute arrangement with Pewsey and Marlborough.
- 69. The comment in disagreement was in fact disagreeing with the extent of one of the Electoral Divisions, which have already been confirmed by the LGBCE.

Trowbridge

70. No comments were received on the proposal on the online survey. An additional comment was received from North Bradley Parish Council accepting the proposal.

Warminster

- 71.3 comments were received to the online survey, all in agreement with the proposal. It was stated that the proposal included all villages with good links to Warminster and use its facilities. 1 comment was from Upper Deverills Parish Council noting no impact on its parishes.
- 72. A comment was also received from Chapmanslade Parish Council, who raised no concerns with the proposal.

Westbury

73.2 comments were received to the online survey, both in agreement with the proposal with 1 noting there was no change in the Electoral Divisions included.

Purpose

1. This document sets out the details of the Draft Recommendations of the Electoral Review Committee for the Area Board Boundary Review, along with reasoning and descriptions of the process followed.

What is an Area Board?

- 2. An Area Board is a committee of Wiltshire Council ("The Council") which covers a defined geographical area.
- 3. Its purpose is to promote the development of stronger and more resilient communities through:
 - Efficient, transparent and accountable decision making;
 - Effective collaboration with public, voluntary and private sector partners locally to meet the aspirations of local people;
 - Shaping the delivery of local services;
 - Addressing local issues;
 - Building community leadership and local engagement.
- 4. To enable this, each Area Board has authority delegated from the Leader of the Council, including authority to determine community grant funding, local highways funding and more.
- 5. In accordance with the Constitution of the Council, each Member of the Council is assigned to a single Area Board.
- 6. The geographical area covered by each Area Board is defined by which Electoral Divisions, and therefore which parishes, are included within it.
- 7. In all but one case, the area covered by the Area Board is referred to as the Community Area. The existing South West Wiltshire Area Board comprises three community areas.

Background to the Review

- 8. Between 2017-2019 the Local Government Boundary Commission for England carried out an Electoral Review of Wiltshire Council.
- 9. This process reviewed the council's governance arrangements and ultimately concluded to retain the number of unitary Elected Members at 98.
- 10. However, although the number of Divisions remained the same, the areas covered by those Divisions has in some cases significantly altered.
- 11. As a result, the existing Area Board boundaries would no longer align to the Electoral Divisions as required, when they come into effect in May 2021.

The Electoral Review Committee

12. The Council has given responsibility to the Electoral Review Committee ("The

Committee") to oversee the Area Board Boundary Review.

- 13. This is a politically proportionate committee of ten elected Wiltshire Councillors to oversee the process and prepare recommendations relating to any review to a meeting of Full Council, who will make the decision.
- 14. The members of the Committee are as follows:

Cllr Richard Clewer (Chairman) Cllr Gavin Grant (Vice-Chairman)

Cllr Ian Blair-Pilling Cllr Clare Cape

Cllr Ian McLennan Cllr Christopher Newbury

Cllr Ashley O'Neill Cllr Jonathon Seed Cllr Stuart Wheeler Cllr Graham Wright

Preparation of Draft Recommendations

- 15. In July 2020 the Committee arranged sessions with the members of each existing Area Board to discuss the changes to Electoral Divisions as a result of the Electoral Review, and potential implications for any future Area Board Boundaries.
- 16. Following those sessions, the Committee at its meeting on 13 August 2020 agreed a draft Area Board boundary proposal.
- 17. As an administrative arrangement of the Council, the Committee was not required to undertake additional information gathering or consultation before submitting a recommendation to Full Council.
- 18. However, it was agreed that the Draft Recommendations of the Committee would be circulated at Area Board meetings and made publicly available, in order to seek the views of parish councils, the public and other interested parties.
- 19. The Committee welcomes any views on the Draft Recommendations, including alternative submissions on how the Area Boards should be organised.
- 20. The consultation will run from 10 September 2020 31 October 2020.

Next steps

- 21. The Committee will review all information received during the consultation period and then prepare Final Recommendations to be considered at a meeting of Full Council on 24 November 2020.
- 22. The revised boundaries would therefore come into effect at the next elections in May 2021.

Draft Recommendations

Amesbury

1. The existing Area Board comprises the Divisions of Amesbury East, Amesbury West, Bourne and Woodford Valley, Bulford, Allington and Figheldean, Durrington and Larkhill, and Till and Wylye Valley.

- 2. As a result of the Electoral Review of Wiltshire Council, the parish of Durrington was divided between the Unitary Divisions of Durrington, and Avon Valley. The latter Division include several parishes previously within the Tidworth Area Board.
- 3. The Committee did not believe splitting parishes between Area Boards was sensible or desirable, and considered that the parishes of the Avon Valley running south from Enford along the A345 naturally looked more to Amesbury than Tidworth, whereas Durrington had no appreciable connection with Tidworth. Therefore, it considered those Divisions should be within the Amesbury Area Board.
- 4. Despite a few changes in the parishes included within it, the Till Valley Division remained an appropriate inclusion given its connections with Amesbury. It was not considered that the Nadder Valley or Wylye Valley Divisions had sufficient connections with the area to be included.
- 5. The former Bourne and Woodford Valley Division was now divided between the Winterslow and Upper Bourne Valley Division and the Old Sarum and Lower Bourne Valley Division. Both of those Divisions included areas previously within the Southern Area Board.
- 6. Additionally, the parish of Idmiston had been split between those two divisions by the LGBCE. The Committee therefore considered both should be in the same Area Board. The Parish of Laverstock and Ford, moreover, was split between the Old Sarum and Lower Bourne Valley Division and the Laverstock Division. To avoid splitting a parish between Area Boards, all three would need to be included in the same area.
- 7. The Committee did not consider creating a three-member Area Board of just those

10

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee Divisions was justified or appropriate, given they would be dominated by Laverstock and Ford, and it would mean a further three Member Board to the south, with associated problems for a quorum for decision making.

- 8. Therefore, the Committee had to decide if the three Divisions should be within the Amesbury Area Board or a South East Wiltshire Area Board.
- 9. In terms of projected electorate, the majority had previously been within the Southern Area Board, though significant numbers had not. Connections between the Upper Bourne Valley and the southern area were not great, however the nature of the Division, which the Council had objected to, could not be altered. Winterslow was the most significant settlement of that Division, and including all three Divisions with Amesbury would create an extremely large community area stretching from Enford to the borders of Salisbury. Therefore, on balance, it was considered that the three divisions most appropriately fitted with the South East area.
- 10. The Committee did not consider a merger with the Tidworth area Divisions would be appropriate.
- 11. Accordingly, it was proposed that the Area Board comprise the Divisions of Amesbury East and Bulford, Amesbury South, Amesbury West, Avon Valley, Durrington and Till Valley.

Bradford on Avon

12. The existing Area Board comprises the Divisions of Bradford on Avon North, Bradford on Avon South, Holt and Staverton and Winsley and Westwood.

- 13. The only change for the incoming Divisions was the inclusion of the parish of Atworth in the Holt Division. Atworth had previously been within the Melksham Area Board. However, given the larger part of the Division was within Bradford on Avon and Atworth's location between the two main towns, it was agreed Holt should be within the Bradford on Avon Area Board. This would also ensure the area had four members.
- 14. It was not considered there was any reason to expand the area to include Divisions to the north and south, and that Hiperton Division was closely aligned to Trowbridge.
- 15. Accordingly, it was proposed that the Area Board comprise the Divisions of Bradford on Avon North, Bradford on Avon South, Holt and Winsley and Westwood.

Calne

16. The existing Area Board comprises the Divisions of Calne Rural, Calne North, Calne Central, Calne Chilvester and Abberd, and Calne South and Cherhill.

- 17. The Committee did not consider there were any reasons of geography or community, or changes arising from the incoming divisions, to amend the existing boundaries of the Area Board.
- 18. Accordingly, it was proposed that the Area Board comprise the Divisions of Calne Rural, Calne South, Calne North, Calne Central and Calne Chilvester and Abberd.

Chippenham

19. The existing Area Board comprises the Divisions of By Brook, Kington, Chippenham Cepen Park and Redlands, Chippenham Cepen Park and Derriads, Chippenham Hardens and England, Chippenham Hardenhuish, Chippenham Lowden and Rowden, Chippenham Monkton, Chippenham Pewsham, and Chippenham Queens and Sheldon.

- 20. The Committee noted that the incoming Divisions had not amended the external boundaries of the current Area Board. It noted that Kington, while being rurally focused, included communities closely linked by proximity to the town of Chippenham.
- 21. The Committee did consider whether By Brook Division should remain in the Area Board, given it had no boundary to any Chippenham Town Division and was of rural character, noting the implementation of a rural village forum for the current Area Board to give greater representation to the non-urban parishes.
- 22. However, the Committee felt there was no superior arrangement than the present situation, and that on balance By Brook looked to Chippenham more than it would to other places such as Malmesbury or Corsham.
- 23. Following the Community Governance Review decision by Full Council on 9
 September, if confirmed, Lacock Parish would not be split between Area Boards by the proposal.
- 24. Accordingly, it was proposed that the Area Board comprise the Divisions of Bybrook, Kington, Chippenham Cepen Park and Derriads, Chippenham Cepen Park and Hunters Moon. Chippenham Hardens and Central, Chippenham Hardenhuish,

Corsham

25. The existing Area Board comprises the Divisions of Box and Colerne, Corsham Pickwick, Corsham Town, and Corsham Without and Box Hill.

- 26.It was not considered there were any community connections sufficient to include further Divisions from the north and south, and the current inclusion of four Divisions together including four parishes, was appropriate.
- 27. Following the Community Governance Review decision by Full Council on 9 September, if confirmed, Lacock Parish would not be split between Area Boards by the proposal.
- 28. Accordingly, it was proposed that the Area Board comprise the Divisions of Box and Colerne, Corsham Ladbrook, Corsham Pickwick, and Corsham Without

Devizes

29. The existing Area Board comprises the Divisions of Bromham, Rowde and Potterne, Devizes East, Devizes North, Devizes and Roundway South, Roundway, The Lavingtons and Erlestoke, and Urchfont and the Cannings.

- 30. As a result of the Electoral Review of Wiltshire Council the parishes of Seend, Bulkington and Poulshot, currently part of Melksham Area Board, had been included within the Devizes Rural West Division, along with the parish of Coulston, currently a part of Westbury Area Board. The parish of All Cannings had been included with the Pewsey Vale West Division.
- 31. The Committee noted that a significant part of the Devizes Rural West Division was presently associated with the Melksham area, although the majority of the electorate

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee of the area was associated with Devizes. Communities such as Potterne were closely linked with the town, whilst the parish of Seend lay between Melksham and Devizes, with other parishes relatively isolated but sharing character as smaller, rural communities.

- 32. On balance, the Committee considered that the overall Division was most closely aligned with Devizes and noted that given its name inclusion in another area would be a confusing arrangement. It therefore resolved to recommend the inclusion of the Division within Devizes Area Board.
- 33. It was not considered there was any justification for inclusion of further divisions within the area, noting the cohesive arrangements around Calne, the strong community links of the Pewsey Vale, and the geographic separation from other communities within the Warminster and Amesbury areas. Urchfont and Bishops Cannings was closely linked with Devizes, and would not appropriately fit within another area.
- 34. Accordingly, it was proposed that the Area Board comprise the Divisions of Bromham, Rowde and Roundway, Devizes East, Devizes North, Devizes South, Devizes Rural West, The Lavingtons, and Urchfont and Bishops Cannings.

Malmesbury

35. The existing Area Board comprises the Divisions of Malmesbury, Minety, Brinkworth and Sherston.

- 36. No areas external to the current Area Board had been included within the incoming Divisions, with the only change being inclusion of part of Malmesbury in the Sherston Division.
- 37. The Committee did consider whether the Divisions of By Brook or Kington might be included as part of the Malmesbury area, but concluded that although By Brook in particular had some separation from Chippenham, neither Division had closer connections with Malmesbury than with Chippenham.
- 38. Additionally, it was not considered that any Divisions to the East such as Cricklade and Latton had any community connections sufficient to suggest inclusion within the area.
- 39. Accordingly, it was proposed that the Area Board continue to comprise the Divisions of Malmesbury, Sherston, Brinkworth and Minety.

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee

Marlborough

40. The existing Area Board comprises the Divisions of Aldbourne and Ramsbury, Marlborough East, Marlborough West, and West Selkley.

- 41. As a result of the Electoral Review of Wiltshire Council the parishes of Broad Hinton and Winterbourne Bassett had been include as part of the Lyneham Division, presently within the Royal Wootton Bassett and Cricklade Area Board.
- 42.it was noted that 86% of the projected electorate for the Division were presently contained within Royal Wootton Bassett and Cricklade Area Board. Given this, and the links between the new parishes and Broad Town, the Committee recommended that Lyneham remain within that community area.
- 43. Marlborough Town had been included in two Divisions, each with a number of rural parishes attached.
- 44. As a result, this would leave the Marlborough area with only three electoral divisions, meaning it would be vulnerable to becoming inquorate in the event of absence or conflict of a single Member.
- 45. The Committee considered whether the Marlborough area could be merged into a single area board with Pewsey, as the South West Wiltshire Area Board also contained more than a single community area. Both areas were large, rural areas with three Divisions. However, it was considered each had strong individual characters and that it would not be appropriate to merge the two together.
- 46. It was therefore considered whether to include the two areas in an area committee, which would enable Members from one to substitute for the other if necessary. Such an arrangement was presently in place for Pewsey and Tidworth.
- 47. The Committee felt that the present arrangements for Pewsey and Tidworth had ensured effective administration whilst retaining the community cohesiveness of both areas, and that the approach was suitable for Marlborough and Pewsey.

- 48. As Tidworth would also continue to only have three members, the Committee considered whether such an arrangement could be extended to cover all three areas in an Eastern Wiltshire Area Committee. Despite the distance between Tidworth and Marlborough, the Committee did not consider such cooperation would be inappropriate given other arrangements such as the Eastern Area Planning Committee and agreed all three community areas could appropriately substitute for one another.
- 49. Accordingly, it was proposed that the Area Board comprise the Divisions of Aldbourne and Ramsbury, Marlborough East and Marlborough West.

- 50. The Committee also agreed that there should be an Eastern Wiltshire Area Committee, shown overleaf, which would appoint members to Marlborough, Pewsey and Tidworth Area Boards to enable substitution between the Area Boards.
- 51. Whilst each Area Board would meet separately, appoint their own chairmen and decide on community grants, the Committee did recommend that the Eastern Wiltshire Area Committee should meet as a group several times a year in order to enable closer cooperation on wider community issues.

Melksham

52. The existing Area Board comprises the Divisions of Melksham Central, Melksham North, Melksham South, Melksham Without North, Melksham Without South, and Summerham and Seend.

- 53. As a result of the Electoral Review of Wiltshire Council the parishes of Seend, Bulkington and Poulshot, had been included within the Devizes Rural West Division. The parish of Atworth was included within the Holt Division
- 54. The Committee noted that a significant part of the Devizes Rural West Division was presently associated with the Melksham area, although the majority of the electorate of the area was associated with Devizes. Communities such as Potterne were closely linked with the town, whilst the parish of Seend lay between Melksham and Devizes, with other parishes relatively isolated but sharing character as smaller, rural communities.
- 55. On balance, the Committee considered that the overall Division was most closely aligned with Devizes and noted that given its name inclusion in another area would be a confusing arrangement. It therefore resolved to recommend the inclusion of the

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee Division within Devizes Area Board rather than Melksham Area Board.

- 56. Whilst Atworth lay between Bradford-on-Avon and Melksham and might have closer links with the latter, the large majority of the Holt Division was presently part of the Bradford-on-Avon Area Board. Furthermore, if the Division were included within Melksham, this would result in the Bradford-on-Avon Area Board being reduced to only three Divisions and requiring some form of substitution arrangement.
- 57. The Committee did not consider that would be appropriate, and therefore recommended that Holt Division remain within Bradford-on-Avon Area Board.
- 58. Accordingly, it was proposed that the Area Board comprise the Divisions of Bowerhill, Melksham Without North and Shurnhold, Melksham Without West and Rural, Melksham Forest, Melksham East, Melksham South.

Pewsey

- 59. The existing Area Board comprises the Divisions of Burbage and the Bedwyns, Pewsey, and Pewsey Vale.
- 60. The Area Board was currently appointed as part of the Pewsey and Tidworth Area Committee, including the Divisions of The Collingbournes and Netheravon, Tidworth, and Ludgershall and Perham Down, to enable substitution arrangements as a result of having only three Divisions.

- 61.A number of parishes including All Cannings, Tidcombe and Fosbury, and Froxfield had been moved into Pewsey area Divisions.
- 62. The Committee considered whether it was appropriate to merge the Area Board with Marlborough for a single six-Division area board, noting both areas were large and rural with a major town or large village as a focal point. However, the Committee felt that each area had a distinct character, noting the strong community connections of the Pewsey Vale, and so did not resolve to recommend such an option.
- 63. It was therefore considered whether to include the two areas in an area committee, which would enable Members from one to substitute for the other if necessary. Such an arrangement was presently in place for Pewsey and Tidworth.
- 64. The Committee felt that the present arrangements for Pewsey and Tidworth had ensured effective administration whilst retaining the community cohesiveness of both areas, and that the approach was suitable for Pewsey and Marlborough.
- 65. As Tidworth would also continue to only have three members, the Committee considered whether such an arrangement could be extended to cover all three areas in an Eastern Wiltshire Area Committee. Given the existing arrangement with Tidworth and Pewsey, the Committee did not consider such cooperation would be inappropriate given other arrangements such as the Eastern Area Planning Committee and agreed

66. Accordingly, it was proposed that the Area Board comprise the Divisions of Pewsey,

- 67. The Committee also agreed that there should be an Eastern Wiltshire Area Committee, shown overleaf, which would appoint members to Marlborough, Pewsey and Tidworth Area Boards to enable substitution between the Area Boards.
- 68. Whilst each Area Board would meet separately, appoint their own chairmen and decide on community grants, the Committee did recommend that the Eastern Wiltshire Area Committee should meet as a group several times a year in order to enable closer cooperation on wider community issues.

Royal Wootton Bassett and Cricklade

69. The existing Area Board comprises the Divisions of Cricklade and Latton, Purton, Royal Wootton Bassett East, Royal Wootton Bassett South, Royal Wootton Bassett North and Lyneham.

- 70. As a result of the Electoral Review of Wiltshire Council, the Division of Lyneham will now include the parishes of Broad Hinton and Winterbourne Bassett, currently within the West Selkley Division of Marlborough Area Board.
- 71. In reviewing the area, the Committee did not consider there was any justification in including the Divisions of Brinkworth or Minety in the community area. Geographically the two Divisions were separated from the communities focusing around Cricklade and Royal Wootton Bassett and along the border with Swindon. Equally, neither the Cricklade and Latton or Purton Divisions had closer connections to the Malmesbury

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee area than with Royal Wootton Bassett.

- 72. In respect of the Lyneham Division, it was noted that 86% of the projected electorate for the Division were presently contained within Royal Wootton Bassett Area Board. Given this, and the links between the new parishes and Broad Town, the Committee recommended that Lyneham remain within the community area.
- 73. Accordingly, it was proposed that the Area Board continue to comprise the following Divisions: Cricklade and Latton, Purton, Royal Wootton Bassett East, Royal Wootton Bassett South, Royal Wootton Bassett North and Lyneham.

Salisbury

74. The existing Area Board comprises the Divisions of Salisbury Bemerton, Salisbury Fisherton and Bemerton Village, Salisbury St Paul's, Salisbury St Francis and Stratford, Salisbury St Mark's and Bishopdown, Salisbury St Edmund and Milford, Salisbury St Martin's and Cathedral, and Salisbury Harnham.

75. The existing Salisbury Area Board was the only Area Board where a parish was split between different Area Boards, with part of the parish of Laverstock and Ford within the Salisbury St Mark's and Bishopdown Division. Since the establishment of the Area Board in 2009, more of the area had been transferred from the parish of Salisbury to Laverstock and Ford.

Page 85

- 76. The Committee did not believe splitting parishes between Area Boards was sensible or desirable given the potential administrative confusion and community difficulty this could, and had, created in the past. It therefore resolved not to split a parish between different Area Boards.
- 77. The Committee noted its own recommendation that part of the parish of Netherhampton, which was included in the Salisbury Harnham West Division, should be included within the parish of Salisbury. If confirmed, this would ensure the parish was not split between community areas.
- 78. There was some discussion of whether the smaller, more urban Division of Wilton would appropriately fit within the Salisbury Area Board. However, despite the proximity of the two areas, it was considered that Wilton's strong character apart from the city meant it should remain in its present Area Board.
- 79. It was also not considered appropriate that the Area Board expand to cover the rural parishes to the south and east of the city, given the strength of the communities as distinct from the city-based divisions.
- 80. In considering whether any other Divisions should be included within the Area Board the Committee noted its consideration that parishes not be split between Area Boards.
- 81. The former Bourne and Woodford Valley Division, currently within Amesbury Area Board, was now divided between the Winterslow and Upper Bourne Valley Division and the Old Sarum and Lower Bourne Valley Division. Both of those Divisions included areas previously within the Southern Area Board.
- 82. Additionally, the parish of Idmiston had been split between those two divisions by the LGBCE. The Committee therefore considered both should be in the same Area Board. The Parish of Laverstock and Ford, moreover, was split between the Old Sarum and Lower Bourne Valley Division and the Laverstock Division. To avoid splitting a parish between Area Boards, all three would need to be included in the same area.
- 83. The Committee did not consider creating a three-member Area Board of just those Divisions was justified or appropriate, given they would be dominated by Laverstock and Ford, and it would mean a further three Member Board to the south, with associated problems for a quorum for decision making.
- 84. As such, it was not considered that there was any justification whatsoever based on community or geography to extend the Salisbury Area Board to include an area covering through the Bourne Valley to Cholderton or to the border of Wiltshire at Winterslow. It was not appropriate to include only the Laverstock Division, separated from a significant portion of the rest of the Laverstock and Ford parish.
- 85. Accordingly, it was proposed that the Area Board comprise the Divisions of Salisbury Bemerton Heath, Salisbury Fisherton and Bemerton Village, Salisbury St Paul's, Salisbury St Francis and Stratford, Salisbury St Edmund's, Salisbury Milford, Salisbury Harnham East, Salisbury Harnham West.

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee

South East Wiltshire

86. The existing Southern Area Board comprises the Divisions of Laverstock, Ford and Old Sarum, Alderbury and Whiteparish, Redlynch and Landford, Downton and Ebble Valley, and Winterslow.

- 87. The Committee did not believe splitting parishes between Area Boards was sensible or desirable given the potential administrative confusion and community difficulty this could, and had, created in the past. It therefore resolved not to split a parish between different Area Boards.
- 88. The former Bourne and Woodford Valley Division presently within Amesbury Area Board was now divided between the Winterslow and Upper Bourne Valley Division and the Old Sarum and Lower Bourne Valley Division. Both of those Divisions included areas previously within the Southern Area Board.
- 89. Additionally, the parish of Idmiston had been split between those two divisions by the LGBCE. The Committee therefore considered both should be in the same Area Board.

Page 88 36

- Area Board Boundary Review Draft Recommendations of the Electoral Review Committee The Parish of Laverstock and Ford, moreover, was split between the Old Sarum and Lower Bourne Valley Division and the Laverstock Division. To avoid splitting a parish between Area Boards, all three would need to be included in the same area.
- 90. The Committee did not consider creating a three-member Area Board of just those Divisions was justified or appropriate, given they would be dominated by Laverstock and Ford, and it would mean a further three Member Board to the south, with associated problems for a quorum for decision making.
- 91. Therefore, the Committee had to decide if the three Divisions should be within the Amesbury Area Board or a South East Wiltshire Area Board.
- 92. In terms of projected electorate, the majority had previously been within the Southern Area Board, though significant numbers had not. Connections between the Upper Bourne Valley and the southern area were not great, however the nature of the Division, which the Council had objected to, could not be altered. Winterslow was the most significant settlement of that Division and including all three Divisions with Amesbury would create an extremely large community area stretching from Enford to the borders of Salisbury.
- 93. Therefore, on balance, it was considered that the three divisions most appropriately fitted with the South East area.
- 94. It was discussed whether other areas could be included within the Area Board, such as Wilton or Fovant and Chalke Valley, however it was not felt that there were sufficient connections to justify such an arrangement.
- 95. Accordingly, it was proposed that the Area Board comprise the Laverstock, Old Sarum and Lower Bourne Valley, Winterslow and Upper Bourne Valley, Alderbury and Whiteparish, Downton and Ebble Valley, and Redlynch and Landford.

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee

South West Wiltshire

- 96. The existing Area Board comprises the Divisions of Mere, Nadder and East Knoyle, Tisbury, Fovant and Chalke Valley, and Wilton and Lower Wylye Valley.
- 97. The Area Board includes the community areas of Mere, Tisbury and Wilton.

- 98. As a result of the Electoral Review of Wiltshire Council the parishes of Steeple Langford and Wylye had been included within the Nadder Valley Division, and the parish of South Newton within the Till Valley Division.
- 99. As the vast majority of the area and population of the Nadder Valley Division was comprised of areas within the current South West Wiltshire Area Board it was recommended to remain within that Board. As the vast majority of the area and population of the Till Valley Division comprised of areas within the current Amesbury Area Board, it was recommended the Division remain within that Board.
- 100. It was discussed whether the smaller scale and more urban focus of the Wilton Division meant it might be appropriately included within the Salisbury Area Board, but the distinct character of the area as separate to the city meant the Committee did not consider this appropriate.
- 101. It was not considered that any other divisions had stronger connections with other areas.
- 102. Accordingly, it was proposed that the Area Board comprise the Divisions of Mere, Nadder Valley, Tisbury, Fovant and Chalke Valley, and Wilton.

Area Board Boundary Review - Draft Recommendations of the Electoral Review Committee

Tidworth

- 103. The existing Area Board comprised the Divisions of Tidworth, Ludgershall and Perham Down, and The Collingbournes and Netheravon.
- 104. The Area Board was currently appointed as part of the Pewsey and Tidworth Area Committee, including the Divisions of Pewsey, Pewsey Vale, and Burbage and the Bedwyns, to enable substitution arrangements as a result of having only three Divisions.

- 105. A number of parishes including Enford and Netheravon were not included within the Avon Valley Division. This included part of the parish of Durrington, the remainder of which was included within the Durrington Division. Durrington was presently within the Amesbury Area Board, and very closely connected with the town of Amesbury.
- 106. The Committee did not believe splitting parishes between Area Boards was sensible or desirable given the potential administrative confusion and community difficulty this could, and had, created in the past. It therefore resolved not to split a parish between different Area Boards.
- 107. In addition to not wishing to split a parish by including the Avon Valley Division within Tidworth Area Board, the Committee considered that the parishes running south from Enford in any case had closer connections to the Amesbury notwithstanding their previous inclusion within the Tidworth community area.
- 108. As such, Tidworth area would continue to comprise only three divisions. As noted above at present there was an administrative arrangement with Pewsey. It was not considered appropriate to merge Tidworth with Amesbury given the disparity in size, character and focus.
- 109. It was therefore appropriate to continue to include the areas of Pewsey and Tidworth in an area committee, which would enable Members from one to substitute for the other if necessary.
- 110. The Committee felt this had ensured effective administration whilst retaining the community cohesiveness of both areas, and that the approach was suitable for Pewsey and Marlborough.

- 111. As the Marlborough area would now also only have three members, the Committee considered whether such an arrangement could be extended to cover all three areas in an Eastern Wiltshire Area Committee. Given the existing arrangement with Tidworth and Pewsey, the Committee did not consider such cooperation would be inappropriate given other arrangements such as the Eastern Area Planning Committee and agreed all three community areas could appropriately substitute for one another.
- 112. Accordingly, it was proposed that the Area Board comprise the Divisions of Tidworth North and West, Tidworth East and Ludgershall South, and Ludgershall North and Rural.

- 113. The Committee also agreed that there should be an Eastern Wiltshire Area Committee, shown overleaf, which would appoint members to Marlborough, Pewsey and Tidworth Area Boards to enable substitution between the Area Boards.
- 114. Whilst each Area Board would meet separately, appoint their own chairmen and decide on community grants, the Committee did recommend that the Eastern Wiltshire Area Committee should meet as a group several times a year in order to enable closer cooperation on wider community issues.

Trowbridge

115. The existing Area Board comprised the Divisions of Hilperton, Southwick, Trowbridge Adcroft, Trowbridge Paxcroft, Trowbridge Park, Trowbridge Drynham, Trowbridge Grove, Trowbridge Lambrok, Trowbridge Central.

- 116. No changes had been made to the external boundaries of the area as a result of the Electoral Review of Wiltshire Council. It was not considered there was any justification for the inclusion of additional Divisions.
- 117. The Committee agreed that it remained appropriate that the Divisions of Southwick and Hilperton remain within the Area Board, as given the close proximity of the town there were no other areas more appropriate to include them with.
- 118. Accordingly, it was proposed that the Area Board continue to comprise the Divisions of Hilperton, Southwick, Trowbridge Adcroft, Trowbridge Paxcroft, Trowbridge Park, Trowbridge Drynham, Trowbridge Grove, Trowbridge Lambrok, Trowbridge Central.

- 120. No areas external to the present Area Board were included in the incoming Divisions.
- 121. The Committee did not consider there were reasons of community or geography to include other Divisions such as Till Valley or Mere.
- 122. Accordingly, it was proposed that the Area Board comprise the Divisions of Warminster West, Warminster East, Warminster Broadway, Warminster North and Rural, and Wylye Valley.

Westbury

123. The existing Area Board comprised the Divisions of Westbury North, Westbury East, Westbury West, and Ethandune.

- 124. The parish of Coulston was no longer within the Ethandune Division, but no areas external to the current Area Board had been included with the incoming Divisions.
- 125. It was not considered appropriate to include any Divisions from within the Warminster area, the closest of which included part of Warminster Town, which would therefore split the parish if included with Westbury. The parishes to the north were all in close proximity to Trowbridge and appropriately included in that community area.
- 126. Accordingly, it was proposed that the Area Board continue to comprise the Divisions of Westbury West, Westbury East, Westbury North, and Ethandune.

H1	23/09/20	Resident	Disagree	Geographically it makes no sense as Pewsey is much further away and we have nothing connected to Pewsey. Our councillors will have to travel more than twice as far and all the work done to upgrade our road safety will have to be started again from scratch.
H2	24/09/20	Resident	Disagree	All of our links are with marlborough area and we have no association with pewsey vale east amenities. Our surgery is in ramsbury and we are very closely associated with ramsbury amenities and people This link has existed to my knowledge for many decades.
Page 115 ≌	24/09/20	Resident	Disagree	We are part of the Whitton group of churches which comprises Ramsbury Axford Chilton foliot Aldbourne Baydon and Froxfield. There are many longstanding cultural associations from this grouping. In addition we use the same doctors surgery and garage repair facilities. The close link with Ramsbury is particularly strong. The proposal is totally contrary to our long established links. We have no association at all with Pewsey, its people or its amenities.
H4	24/09/20	Resident	Disagree	Marlborough has served us well in the past and the new area is too big and too far for volunteers to travel
H5	30/09/20	Representative	Disagree	Froxfield has historical Parochial connections to Aldbourne and Ramsbury and not to villages south. We also share many concerns about traffic and road safety with Marlborough as the village straddles the A4. The A4 and issues around traffic in general are one of the main concerns of the Parish Council and we have been working with the Marlborough CATG to bring about traffic calming. We would lose this continuity of approach by being moved to the Pewsey Vale East district.

14	22/10/20	Resident	Amendment	I think that Seend should be included in MAB as the village uses Melksham as its nearest town much more than Devizes and maintains strong links to MAB formed over several years.
Page 117	26/10/20	Resident	Amendment	Seend and seend Cleeve should remain within the melksham Area board. The village has very little connection with Devizes as suggested by the review. We are 2 miles from Melksham and over 4 miles from Devizes. We can see Melksham from some parts of the village but Devizes is way out of view. I have no idea how the Area Boundary review Committee thinks we as a village are in any way connected mainly with Devizes.
16	31/10/20	Resident	Amendment	I believe that the Melksham Area Board should continue to include Seend, a parish which is nearer to Melksham than to Devizes. Much of this Area Board constitutes rural parishes, into which category Seend definitely falls. I do not understand why Seend should be included in an Area dominated by a town when in the past it has been well served by the Melksham Area Board.

Page 118 ട	23/09/20	Representative		Froxfield is one of the most Eastern villages on the Wiltshire County boundary, some 10 minutes drive from Marlborough but at least 25 minutes from Pewsey (having to drive through Marlborough to . We are only 380ish residents and have always enjoyed a close working relationship with Marlborough for CATG and MAB and our County Councillor James Shepperd who has personally been involved in projects in our village. To say we are angry and dismayed to be made to move to Pewsey is an understatement!!! It just doesn't make any sense at all for anyone here in the village although obviously makes sense for the bean counters at WCC who do not have to live with the impact this will have on us in the future. We would please IMPLORE you to reconsider this as a matter of urgency and explain what the rationale is for this ridiculous decision.
J3	23/09/20	Resident	Disagree	Froxfield has no shared interest with the other areas and is more closely aligned to Marlborough due to the A4.
J4		Resident	Ğ	It's too far for our volunteers to travel . Please allow us to stay with Marlborough
J5	23/09/20	Resident		Froxfield parish council has explained that: a) it has close ties with the current area board; b) it has ongoing business with Marlborough area board, in particular longstanding consultations about very important speed-limiting proposals; and c) Froxfield is closer to Marlborough for the many meetings councillors attend.

J6	23/09/20	Resident	Disagree	Froxfield does not come under Pewsey in a geographical sense and is naturally aligned to Marlborough. As we are so close to the Berkshire boarder we already experience disadvantages regarding roads and transport. Our bidding system would have to start over again.
J7 - 0	23/09/20	Resident	Disagree	Froxfield has no natural connections with Pewsey Vale. If this proposal goes ahead it will ruin our natural relationship with the Whitton Benefice in Ramsbury. It will also affect our close relationship with Ramsbury Surgery and the surrounding villages north of the A4. This appears to be a merely cosmetic exercise that will cause a great deal of resentment. We were forced to join a Unitary Authority that Wiltshire Council appears to be unable to cope with and is now in the process of rearranging. Therefore, previous experience suggests that if it ain't broke, don't fix it!
age 119 [∞]	23/09/20	Resident	Disagree	Projects in our village have taken a long time to get going - years. I am especially concerned about the speed of traffic through the village. We have started, through Marlborough council to get some calming measures in place. It is very important that these continue to progress. Alignment with a new council will mean starting all over again. We live close to Marlborough and as such, council meetings are doable for our councillors not to mention the relationship forged over many years. The whole village is very upset about these proposed changes. There is no gain to this move, losses only.
J9	24/09/20	Resident	Disagree	Our Parish Council has built up good relationships with the Marlborough Council, we are much nearer to Marlborough than to Pewsey and this looks like 'Fiddling while Rome burns' to me.
J10	24/09/20	Resident	Disagree	It would make far more sense for Froxfield to continue to be aligned with Marlborough
J11	29/09/20	Resident	Disagree	I see no reason to change what is already working well

We are disappointed that after the first review - wher we were to rebrigaded from Till and Wyle Valley to Warminster (which we did not object to), that a second change was not directly communicated to us by Wiltshire council in a timely fashion; rathe the round robin plan was dispatched. This is poor in term of Wiltshire Councils relationship and stakeholder engagement with Parish Councils. 2. Steeple Langford Parish is geographically in Wylye Valley and naturally faces either Wilton/Salisbury or Warminster; it is physically dislocated from the Nadder Valley grot separated by the Great Ridge/Groveley Wood feature. Not insurmounatble - but the Parish is unarguably 'the other side of the hill'. 3. We have gone to great lengths to foster close and effective working relationships with our current Parish Steward; we would we take take talignment. 4. We would seek reassurance that Area Board funding which we might bid upon remains proportionate and that we are not disadvantaged. 5. We would expect Nader Valley and South West Wiltshire Area Board to proactively integrate Steeple Langford PArish Council. 6. We recommend and expect that Wiltshire Council will correspond directly with Steeple Langfor Parish Council on any further proposed changes and as this revie progresses. As we appear to being used a regulator and regroup with little direct proactive and bilateral consultation we should be explicitly consulted in the future and not simply be on a list in Wiltshire wide note and expected to identify further changes by wading through detail.	ly er - its the up - eve wish d t ord ew

Area Board Boundary Review 2020

Seend Parish Council Comments

Seend Parish Council would like to make the following comments regarding the Area Board Boundary Review currently being undertaken.

We understand that Wiltshire Council will be recommending that Seend Parish is moved into the Devizes Area Board.

Seend Parish has been part of the Melksham Area Board for 12 years since Area Boards were created. We have very much enjoyed our links with Melksham and feel that we have been well represented on both the Area Board and the CATG. We have built up good relations with the unitary councillors who preside over these committees. Over the years, we have been awarded a number of grants for local projects and many highway improvements achieved.

When the Boundary Commission undertook its electoral boundary review in 2018/19, Seend Parish Council responded saying that it wished to retain its close links to Melksham. Our arguments centred on the following facts

:

- Geographically, Seend is closer to Melksham than Devizes. Our Civil Parish boundary is closer to Melksham and immediately abuts Bowerhill, Redstocks and Semington.
- Seend is within the catchment area of Melksham Oak School, and the majority of children from Seend go to this school after leaving primary school. Many children from Bowerhill attend Seend primary school.
- For Seend parishioners, Melksham is also the main destination for leisure/sports activities, doctors surgeries, dentists and grocery shopping. And, for many elderly residents, it is a more natural direction to take when deciding to move into retirement/sheltered housing in Melksham.
- With the potential new Melksham Campus offering new sports facilities and library, more Seend residents will be drawn towards Melksham to enjoy the new facilities.

Despite the Parish Council's viewpoint, it was the Boundary Commission's decision, based on recommendations by Wiltshire Council, to move Seend into the Devizes division and to be included in a new ward "Devizes Rural West".

The Parish Council would have some reservations about being moved into the larger Devizes Area Board with its much larger population and greater number of other parishes that we would have to work alongside.

There are ongoing issues affecting the Melksham area that do impact on Seend Parish, whether it be community policing, school and youth projects or support groups for the elderly.

The proposed Melksham bypass is another case in point. Whilst the route is not confirmed, this is very likely to have an impact on our parish in visual, noise and environmental terms. Discussions and consultations on this project will generally go before the Melksham Area Board. Seend Parish would not want to lose the right to have a say by virtue of being in a different Area Board or electoral division.

During the COVID19 lockdown and the creation of the Melksham Community support group, the Seend Clerk worked closely with the team to get prescription medicines to those self isolating in our Parish. By virtue of our distance from Devizes it was not possible to set up a similar arrangement.

Based on the arguments above, it would be Seend Parish Council's preference to stay in the Melksham Area Board.

Sue Bond, Clerk Submitted on behalf of Seend Parish Council

Dear Kieran,

Item 66 on the draft recommendations appears to be incomplete...!

Both Woodborough PC and Wilcot&Huish (with Oare) PC feel strongly that Pewsey should retain its own Area Board and that any moves to be amalgamated with either Marlborough or Tidworth (or Devizes) should be resisted at every step along the way.

Kind regards,

Ruth, Clerk to both the above

Ref S5

Dear Kieran.

Chapmanslade Parish Council discussed this item at their meeting on 8th October 2020.

As there were no changes to the Warminster Area Board no concerns were raised.

Kind regards Minnie House Clerk Chapmanslade Parish Council

Kieran, please accept this as the formal response of the Southern Area Board to the proposals for the Area Board arrangements to become effective in May 2010.

This response has been arrived at following consultation with Parish Councils.

We object to the proposed unilateral introduction of the name "South East Area Board". This change has not been consulted on and the parish councils involved have not had the opportunity of commenting on it.

The name "Southern Wiltshire Area Board" is well established and the proposed change will cause confusion and resentment.

Dear Sir/Madam - I am writing as the Parish Clerk to Winterbourne Parish Council on its behalf and request with the response for the Area Board Boundary Review Consultation - **please see below**. I would appreciate an email acknowledgement of receipt. With thanks. Kind regards Melanie Thomas, Parish Clerk

Winterbourne Parish Council supports the proposal by the Electoral Review Committee that the Parish of Winterbourne be moved from Amesbury Area Board to the South Eastern Area Board. This support is dependent upon the other Bourne Valley Parish Councils of Newton Toney, Boscombe with Allington and Idmiston plus the Cholderton Parish Meeting also moving to the South Eastern Area Board. Our main concern is the cohesion of the Bourne Valley parishes, who share a large number of interests and concerns.
