6	<p><u>Minutes</u></p> <p>Decision</p> <ul style="list-style-type: none"> • That the minutes of the meeting held on Tuesday 18 May 2021 were confirmed as the correct record
7	<p><u>Declarations of Interest</u></p> <p>There were no declarations of interest.</p>
8	<p><u>Proposed A350 Melksham Bypass: launch of public consultation into shortlisted route options</u></p> <p>Steve Wilson - Major Projects Highways Engineer, Wiltshire Council outlined the second public consultation of the A350 Melksham Bypass.</p> <p>That the consultation provided the opportunity to gather additional information on the scheme and its potential effects and help identify mitigation measures where required.</p>

The views of organisations with specialist knowledge of the area would be particularly important in helping to refine the proposals.

It should be noted that the consultation was not a public 'vote' for or against the scheme. A wide range of factors had to be taken into account in determining the emerging bypass option.

There would be other formal consultation stages in the future, including at the planning application and in connection with the statutory orders, but it was considered that ongoing consultation was a vital aspect in developing major projects of this type.

Your views would help Wiltshire Council develop the scheme, and would be taken into account.

Note: A comprehensive power point presentation was attached to these minutes.

Points made included:

Primary transport objectives

- Reduced journey times and improved reliability north - south along A350
- Reduced journey times and improved reliability east – west through Melksham
- Provide enhanced opportunities for walking & cycling
- Safety – reduce personal injury rates and severity
- Reduce the severance effect of the existing A350 route

About the second consultation

The scheme is now progressing towards the submission of the Outline Business Case (OBC).

The aims of this non-statutory consultation were to:

- Engage with stakeholders affected by or interested in the scheme
- Engage with potentially affected landowners
- Encourage involvement from stakeholders and build strong open

relationships

- Raise awareness of the scheme and understanding for the need to improve the A350
- Inform about the single emerging option identified
- Understand stakeholder concerns, issues and suggestions
- Receive feedback on the single emerging option to allow us to develop the scheme further
- Prepare for the statutory consultation phases

Emerging Bypass option

- Approximately 9km long
- Single carriageway (9.3m) with scope to widen
- Generally designed for national speed limit
- Roundabout at A350 tie in north of Halfway Farm and south of Lacock village
- Long, low level viaduct needed across River Avon and flood zone
- Bridge at Wilts & Berks canal route
- Woodrow Road – no junction. Woodrow Road diverted at Hack Farm
- Bridges at Forest Brook
- Roundabout with A3102 Sandridge Common east of Manor Farm
- Alignment developed to avoid suspected buried historical settlement with archaeological interest
- Bridges for Clackers Brook
- Roundabout with A365 west of Vernon Farm
- Route passes approximately mid way between Bowerhill and Kennet & Avon canal

- Roundabout at A350 between Littleton & Hampton Park roundabouts, to the north of the Kennet & Avon aqueduct

Environmental matters

- Initial environmental and ecological surveys done – more investigations needed
- Some impacts unavoidable – always looking to mitigate and enhance
- Screening vegetation and hedgerows
- Attenuation ponds – opportunity for habitat creation
- Flood zone impacts
- Low-carbon alternative materials & construction
- Local sourcing of materials
- Minimise excavation and maximise re-use of material
- Noise and air quality considerations
- Access to countryside

Views were requested by 8 August 2021

Information on the emerging option will be available from 24th June 2021 at:

<https://www.wiltshire.gov.uk/highways-a350-melksham-bypass>

Website will include:

Information pack covering areas such as:

- A350 route & need for the scheme
- Transport objectives and other local outcomes
- The scheme preparation process
- Outcomes from previous consultation

	<ul style="list-style-type: none"> • Assessment work and option sifting process • Reasons as to why options have not progressed • The emerging route with notional cross section information • Traffic flow and journey time information • Provision for pedestrians, cyclists and horse-riders • Environmental considerations <p>Questions raised included:</p> <ul style="list-style-type: none"> • How can Highways justify going for the longest route? – <i>the scheme has to go through both planning and public enquiry.</i> • Many concerns re environmental issues, with many species of bat having habitats on the preferred route – <i>full environmental investigations would be carried out</i> • Would the agreed route be safeguarded even if fund becomes unavailable for it in the future? – <i>this would come under planning matters, but certainly a question that would be good to feed into the local plan review</i> • Did the sifting process start 9 months ago? - <i>yes, approximately 9 months ago for the current work</i> • The Strategic outline business case doesn't define the solution – <i>Wiltshire Council has had to have followed the relevant guidance</i> <p>It was agreed that Steve Wilson would follow up questions that were raised.</p> <p>The Chairman thanked Steve Wilson for his presentation.</p>
9	<p><u>Melksham Community Campus</u></p> <p>Cllr Ian Blair-Pilling - Cabinet Member for Leisure, Libraries, Governance, Facilities Management and Operational Assets introduced the latest Melksham Campus update.</p> <p>Louise Cary - Head of Community Development, Rory Bowen - Head of Service, Economic Regeneration updated on the campus construction & Natasha Gumbrell - Business Manager, Community Campus & Hubs Build.</p> <p>Points made included:</p>

- The Lift shafts were now installed
- That works to refurbish the Northern Boundary had concluded
- That construction was due to conclude in the Summer of 2022

Melksham House

Points made included:

- That a design team had now been appointed
- Designs were currently being finalised for the refurbishment of the house
- A planning application was due to be made in early July 2021
- Multiple surveys were being undertaken to support this application
- The application would seek permission to convert the house into flexible work space
- The rear hall would be retained to provide multi-purpose activity/community space
- All newer extensions to the house would be removed

Melksham House Planning

Points made included:

- There would be a public open day on the 6 July 2021 in the Melksham Library.
- Designs would be on display, with the project team on-hand to answer any questions.
- There would be an opportunity for the community to leave feedback, and for those that could not attend in person, the plans would be added to the Melksham Campus webpage and social media accounts

	<p>Levelling up fund</p> <p>Points made included:</p> <ul style="list-style-type: none"> • Funds had been earmarked for the Melksham House project • An application had been submitted to the Government’s Levelling Up Fund towards the re-purposing of the building • If the bid was successful, this would also release funds for exploration of future regeneration opportunities in Melksham town centre, including at the current Blue Pool and Library sites • The Levelling Up bid would also seek funding for an active travel initiative, provision of a range of sustainable transport measures which would deliver a range of enhancements, improve accessibility, connectivity and legibility to Melksham House and the town centre and an indicative proposal had been presented with the bid and this would be refined through the Town Council-led Priority for People Programme <p>It was agreed that the Melksham Area Board members should be involved in discussions around the Levelling Up bud and that a briefing with Area Board members and Town Council members would be arranged.</p> <p>The Chairman thanked everybody for their updates.</p>

Age Friendly
Melksham

An update from Age Friendly Melksham and the Melksham Community Support Project

Melksham Community Support

- Meeting the continuing needs of those unable to get out
- Worked with 203 people within the last 3 months
- Review of the service – evaluation of users and volunteers
- Additional offer at times of crisis
- Volunteer update and recruitment to establish a more connected team

Friendly Phone Calls

- In the last 12 months we have supported 41 people with regular welfare "Friendly Phone Calls"
- To date, we have records of over 1500 calls having been made – worth noting that some volunteers have stopped reporting as they now just feel they are phoning a friend, not volunteering

Face2Face

- Helping people have video calls with family where they don't have the equipment/knowledge to do so
- Currently paused as we can't ask volunteers to enter people's homes to set up calls
- Plan to get fully up and running as soon as users and volunteers feel safe to do so

Age Friendly Action Plan

- Creating the action plan that is the core requirement for Melksham to be able to progress towards WHO Age Friendly Status
- Baseline Survey launched – 30th September
- Age Friendly Event – 22 October
 - Older Peoples' Forum
 - Stakeholders Forum
 - Area Board, Town and Parish Councils Forum
