

AGENDA

Meeting: PEWSEY AREA BOARD
Place: Pewsey Vale School, Wilcot Road, Pewsey, SN9 5EW
Date: Monday 22 November 2010
Time: 7.00 pm

Including the Parishes of Alton, Beechingstoke, Burbage, Buttermere, Charlton and Wilsford, Chirton, Easton, Grafton, Great Bedwyn, Ham, Little Bedwyn, Manningford, Marden, Milton Lilbourne, North Newnton, Oare, Patney, Pewsey, Rushall, Shalbourne, Stanton St Bernard, Upavon, Wilcot and Huish, Woodborough, Wootton Rivers

The Area Board welcomes and invites contributions from members of the public. The chairman will try to ensure that everyone who wishes to speak will have the opportunity to do so.

If you have any requirements that would make your attendance at the meeting easier, please contact your Democratic Services Officer.

Refreshments and networking opportunities will be available from 6:30pm.

Please direct any enquiries on this Agenda to James Hazlewood (Senior Democratic Services Officer), on 01722 434250 or email james.hazlewood@wiltshire.gov.uk
Or Caroline Brailey (Pewsey Community Area Manager) 01225 718609 or email caroline.brailey@wiltshire.gov.uk

All the papers connected with this meeting are available on the Council's website at www.wiltshire.gov.uk

Press enquiries to Communications on direct lines (01225) 713114 / 713115.

Wiltshire Councillors

Robert Hall	Pewsey Vale
Jerry Kunkler (Chairman)	Pewsey
Stuart Wheeler (Vice Chairman)	Burbage + Bedwyns

Map enclosed at page 1

Prior to the meeting, at 6.45pm, a short DVD will be shown detailing Wiltshire Council's new approach to providing face-to-face customer access to council services

Items to be considered	Time
<p>1. Welcome and Introductions</p> <p>2. Apologies for Absence</p> <p>3. Minutes</p> <p>To confirm the minutes of the meeting held on 6 September 2010.</p> <p>4. Declarations of Interest</p> <p>Councillors are requested to declare any personal or prejudicial interests or dispensations granted by the Standards Committee.</p> <p>5. Chairman's Announcements (Pages 3 - 12)</p> <ul style="list-style-type: none"> a. Consultation on Wiltshire Local Transport Plan (LTP) 2011-2026 b. Intelligence Network c. Winter Weather – Call for Partnership Working d. Pewsey Children’s Centre e. Reopening of Pewsey Library - 17 December 2010 	<p>7.00pm</p>
<p>6. Community Area Grants (Pages 13 - 22)</p> <p>To determine any applications for Community Area Grants.</p>	<p>7.05pm</p>

13.	<p>Car Parking Strategy Consultation Feedback (<i>Pages 47 - 48</i>)</p> <p>To receive feedback on the results of the recent consultation on the Car Parking Strategy.</p>	8.30pm
14.	<p>Community Issues (<i>Pages 49 - 50</i>)</p> <p>Councillor Stuart Wheeler will give an update on the progress made regarding issues which have been raised with the Area Board.</p>	8.40pm
15.	<p>Highways Winter Maintenance - Provision of Grit Bins (<i>Pages 51 - 54</i>)</p> <p>To prioritise and determine the location of additional Grit Bins within the Community Area.</p>	8.45pm

16. **Update on Area Board Projects** (*Pages 55 - 62*)

8.50pm

To receive an update on the following two on-going projects being managed by the Area Board:

- a. Youth Funding – To consider any requests for funding from this budget which is ringfenced for projects benefitting young people.
- b. Reducing unnecessary Street Lighting – To consider recommendations in relation to the funding available to reduce street lighting and subsequent light pollution.

17. **Urgent Business**

9.00pm

Time permitting, the Chairman will invite questions and comments on issues not covered elsewhere in the agenda.

18. **Future Meeting Dates and Close** (*Pages 63 - 64*)

To note the Forward Plan attached.

The next meeting of the Pewsey Area Board is scheduled for Monday 10 January 2011, 7pm at Coronation Hall, Alton Barnes, Wiltshire SN8 4LB.

Future Meeting Dates

Monday, 10 January 2011

7.00 pm

Wiltshire Council
 Where everybody matters

Pewsey Area Board – 22 November 2010

Chairman's Announcements

Wiltshire Local Transport Plan 2011 - 2026

The Council has a statutory duty to review and publish a new Local Transport Plan (LTP) by the end of March 2011. In essence, Local Transport Plans steer the implementation of national transport policies at the local level.

The Wiltshire Local Transport Plan is made up of:

- A long-term transport strategy that seeks to:
 - support economic growth
 - reduce carbon emissions
 - contribute to better safety, security and health
 - promote equality of opportunity
 - improve quality of life and promote a healthy natural environment
- A shorter-term implementation plan based on a realistic assessment of available funding, and
- A number of supporting strategies and technical documents.

In addition, the Local Transport Plan provides the framework for all other organisations with a direct or indirect involvement in transport in Wiltshire.

Consultation on the draft Local Transport Plan will run from **4 October to 26 November 2010**.

The preferred method of communication is for comments to be submitted online at: <http://consult.wiltshire.gov.uk/portal>, where electronic copies of all the documents will be available. Paper copies of the summary document, questionnaire and a reference copy of the Local Transport Plan will also be available from all libraries and main Council offices.

The Council's Cabinet and full Council will consider the results of the consultation in February 2011 prior to the publication of the final Local Transport Plan in March 2011.

Consultation Portal Link: <http://consult.wiltshire.gov.uk/portal>

Pewsey Area Board – 22 November 2010

Item 5b

Chairman's Announcements

Wiltshire Intelligence Network

New Research Website Launched

A new website has been created to provide access to a wide variety of information and research for Wiltshire. The new site, www.intelligencenetwork.org.uk, is available to all and aims to support planners and policy makers, community leaders and politicians, voluntary groups and the general public in using accurate data to make informed decisions. A broad range of information is available, organised into the following topic themes:

- Consultation
- Local Area Profiles
- Population & Census
- Health & Wellbeing
- Education & Skills
- Economy
- Crime & Community Safety
- Community
- Planning & Housing
- Transport & Communications
- Environment, Climate Change, Waste & Recycling
- Culture, Leisure & Tourism

The content of the site will continue to grow over the coming months and the research team is keen to hear any suggestions for content that people would like to see on the site. The site was developed by Wiltshire Council's corporate research team in the Department of Public Health and Wellbeing, in conjunction with the South West Observatory and working in partnership with NHS Wiltshire and Wiltshire Police. For more information, or to give your views and feedback, please contact Sally Hunter on 01225 713289, or email sally.hunter@wiltshire.gov.uk.

Pewsey Area Board – 22 November 2010

Chairman's Announcements

Adverse Winter Weather – Call for Partnership Working

Wiltshire Council is looking to expand its partnership working with the city, town and parish councils should problems be caused by adverse winter conditions.

Wiltshire Council is encouraging local Councils to record their interest in working with us to help provide services during adverse weather conditions. This could involve being a local agent for storing salt, or refilling salt bins, or mechanical salting of footpaths and roads.

This partnership working will help us jointly to provide a better and more extensive coverage at a time when resources will be fully stretched.

The local councils are asked to register their interest via their Community Area Manager before 30 November 2010.

Pewsey Area Board – 22 November 2010

Chairman's Announcements

Pewsey Children's Centre

The first session in the newly built Children's Centre took place on Saturday 23 October, and this was in the form of a family learning event.

The Children's Centre is now open from Monday to Friday 8.30 am to 4.30 pm.

The official opening of the nursery took place on 1 November.

There will be an official opening ceremony in the near future, most likely in the New Year.

*from 22 November

Pewsey Area Board – 22 November 2010

Chairman's Announcements

Pewsey Library Opening

The official opening of the new Pewsey library will take place on Friday 17 December and the doors will open to the public for the first time at 2pm. The new library is larger and has more stock than the previous temporary building. Pewsey residents have had the opportunity to suggest new books they would like to see in the new library and there will be a wide range of titles to appeal to all age groups. It will be the first in Wiltshire to offer a personal care room, providing washing and changing facilities for adults and children with severe disabilities which will be available to everyone, not just those visiting the library.

There will also be a meeting room, called the Wootton Room, for council staff to meet with the public by appointment, and touch down facilities for council staff working locally in the community.

The new library will have longer opening hours and will be open on Saturday mornings. The last day of the temporary mobile library service will be Saturday 4 December

ITEM 6

Report to	Pewsey Area Board
Date of Meeting	22 November 2010
Title of Report	Community Area Grants

Purpose of Report

To ask Councillors to consider ten applications seeking 20010/11 Community Area Grant Funding.

1. Burbage & Easton Royal Cricket Club – To purchase a new storage shed. Seeking £3,934. Recommended for approval.
2. Burbage Village Hall – To replace the remaining single glazed village hall external windows. Seeking £1,300. Recommended for approval.
3. Burbage News – To reinvent the Burbage News this will unify all local newsletters. Seeking £1,000.
4. Burbage Parish Council – Construction of footpath from A338 Burbage roundabout, south, to Marr Green Farm Shop. Seeking £1,860. Recommended for approval.
5. Shalbourne Village Hall Committee – To repair and replace eroding stonework forming the entrance to the village hall. Seeking £1,382. Recommended for approval.
6. Shalbourne Recreation Ground – To refurbish and update kitchen at the Club Pavillion. Seeking £2,843. Recommended for approval.
7. Pewsey Vale Bowls Club – To purchase and install an automated watering system for the bowling green. Seeking £4,993. Recommended for approval.
8. Patney Parish Council – To purchase and install new hardwood notice board. Seeking £251. Recommended for approval.
9. Alton Barnes Parish Council – To purchase and install new notice board. Seeking £75. Recommended for approval.
10. Coronation Hall Committee, Alton Barnes – To refurbish the hall floor. Seeking £800. Recommended for approval.

1. Background

- 1.1. Area Boards have authority to approve Area Grants under powers delegated to them by the Deputy Leader and Cabinet member for Community Services (27 February 2010). Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance for funding.
- 1.2. In accordance with the Scheme of Delegation, any decision of an Area Board that is contrary to the funding criteria and/or the officer's recommendation would need to demonstrate that the application in question has a wider community benefit, and give specific reasons as to why this should justify an exception to the criteria.
- 1.3. In accordance with the Area Board Grants Guidance officers are required to provide recommendations in their report, however, the decision to support applications and to what level is made by Wiltshire Councillors on this Area Board.
- 1.4. Funding applications will be considered at every Area Board meeting (providing there is money available).
- 1.5. Pewsey Area Board has been allocated a 2010/2011 budget of £44,949 for community grants, community partnership core funding and councillor led initiatives. The carry forward from the 2009/2010 budget is £38. This gives a total budget of £44,987 for 2010/2011. At the last meeting the Area Board approved grants totalling £5,377 which leaves a total budget of £27,713.
- 1.6. A decision has been made in 2010/2011 that paper copies of funding applications will no longer appear as part of the agenda in an attempt to reduce volume of paper used. However, the application forms will be available on the Wiltshire Council web site and hard copies available upon request.
- 1.7. The 2010/2011 funding criteria and application forms are available on the council's website (www.wiltshire.gov.uk/areaboards) or paper versions are available from the Community Area Manager.

Background documents used in the preparation of this Report	<ul style="list-style-type: none">• Community Area Grant Application Pack 20010/11• Pewsey Community Area Plan
--	---

2. Main Considerations

- 2.1. Councillors will need to be satisfied that grants awarded in the 2010/11 year are made to projects that can realistically proceed within a year of the award being made.
- 2.2. There will be six rounds of funding during 20010/11. The fourth is contained in this report the remaining will take place on;

- 10 January 2011
- 7 March 2011 (subject to available funds)

3. Environmental & Community Implications

Community Area Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

4. Financial Implications

- 4.1. Awards must fall within the Area Boards budget allocated to the Pewsey Area Board.
- 4.2. If grants are awarded in line with officer recommendations, Pewsey Area Board will have a balance of £9,274.

5. Legal Implications

- 5.1. There are no specific Legal implications related to this report.

6. HR Implications

- 6.1. There are no specific HR implications related to this report.

7. Equality and Inclusion Implications

- 7.1. Community Area Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community based projects and schemes.
- 7.2. Implications relating to individual grant applications are outlined within section 8 where applicable – “Officer recommendations”.

8. Officer recommendations

Ref	Applicant	Project proposal	Funding requested
8.1 (85)	Burbage & Easton Royal Cricket Club	To purchase new storage shed	£3,934

- 8.1.1. Officer recommendation is that this application be approved
- 8.1.2. The application meets grant criteria 2010/11
- 8.1.3. The application demonstrates a link to the (20010/11) Community Plan on page 15

increasing levels of obesity; page 25 closure of leisure centre, p26 improving sports and leisure facilities.

8.1.4. The applicant is Burbage & Easton Royal Cricket Club, a Sports Club which is a not for profit organisation. There are 15 people involved in the management of the organisation. The Club is contributing £3934 in match funding.

8.1.5. The project is to replace a very old shed to keep new equipment safe and secure. The existing shed is not fit for purpose, it is falling down and too small for the amount of equipment. A tractor was damaged recently as there is no method of locking the existing shed.

8.1.6. If the Area Board made the decision not to fund the project, or give less than requested the group would have to look at other funding and make cutbacks on the planned expenditure (£4k of improvements and equipment upgrades for 2011).

Ref	Applicant	Project proposal	Funding requested
8.2. (80)	Burbage Village Hall	To replace the single glazed external windows	£1,300

8.2.1. Officer recommendation is that this application be approved

8.2.2. The application meets grant criteria 2010/11.

8.2.3. The application doesn't demonstrate a specific link to the Pewsey Community Area Plan but it is recognised that village halls are part of the fabric of local communities, and a vital resource for local people for recreation, social events, meetings etc, much of which is included in the Pewsey Community Area Plan. Village halls help to facilitate many of the objectives of the Plan.

8.2.4. The applicant is Burbage Village Hall which is a registered charity. The Hall Committee is contributing £1,300 in match funding.

8.2.5. The project is to replace the remaining single glazed village hall external windows. This will ensure that all external windows are double glazed and weatherproofed.

8.2.6. The project will ensure the continued availability of the hall as a village asset with all that it offers. Heating bills will be reduced, as will carbon emissions and it will provide an enhanced level of security.

8.2.7. If the Area Board decided not to approve this application the project could not proceed as it would deplete the reserves of the hall below the minimal level judged prudent by the Management Committee and Auditors.

Ref	Applicant	Project proposal	Funding requested
8.3 (88)	Burbage News	To produce a free monthly A5 edition of Burbage News	£1,000

- 8.3.1 Officer Recommendation is that this application be approved.
- 8.3.2 The application meets grant criteria 2010/11
- 8.3.3 The application doesn't demonstrate a specific link to the Community Plan, however the publication will provide better communications for the village, and an increased awareness of issues and events.
- 8.3.4 The applicant is Burbage News, a not for profit organisation which is run by two local volunteers, and which uses local volunteers to distribute the newspaper. The organisation has confirmed it is contributing £2,000 in match funding. £3,500 is still to be confirmed.
- 8.3.5 The project is to provide start up funding to support the production of the newspaper during the first year. The newspaper has been trialled since August to get a view as to whether parishioners would like to receive a monthly publication. The newspaper has received positive reviews. The new Burbage News aims to amalgamate existing publications such as the old bi-monthly Burbage News, and the monthly church magazine.
- 8.3.6 All the costs incurred so far in producing the trial versions of the magazine, except the printing costs, have been waived by volunteers giving their time for free. The in-kind contribution is approximately £400 per month. Advertising revenue will help towards funding the magazine but there is currently a shortfall in the amount needed for printing costs.
- 8.3.7 If the Area Board makes a decision not to fund the project the organisers will try and find funding from other source, although the likelihood of success is not known.

Ref	Applicant	Project proposal	Funding requested
8.4 (95)	Burbage Parish Council	Construction of footpath from A338 Burbage roundabout, south, to Marr Green Farm Shop.	£1,860

- 8.4.1 Officer Recommendation is that this application be approved.
- 8.4.2 The application meets grant criteria 2010/11

- 8.4.3 There is no specific link to the community plan but the provision of local services is important to rural communities, and access to them is important.
- 8.4.4 The applicant is the Burbage Parish Council. The Parish Council is contributing £2,000 towards the project, of which £1,000 is a donation to them from the Farm Shop.
- 8.4.5 The project is to construct a footpath which will be suitable for mothers and carers of small children and buggies to pass easily and safely.
- 8.4.6 Local people have expressed a need for this footpath, as at the moment people need to walk in the road which is not safe. The installation of the footpath will encourage more residents to use the farm shop. Increased trade would support rural businesses and regenerate the village.
- 8.4.7 If the Area Board makes a decision not to fund the project it will delay the project significantly. The Parish are able to contribute towards the project but could not afford to fund it in total without raising the precept.

Ref	Applicant	Project proposal	Funding requested
8.5 (43)	Shalbourne Village Hall Committee	To repair and replace eroding stonework forming the entrance to the village hall.	£1,382

- 8.5.1 Officer Recommendation is that this application be approved.
- 8.5.2 The application meets grant criteria 2010/11
- 8.5.3 The application doesn't demonstrate a specific link to the Pewsey Community Area Plan but it is recognised that village halls are part of the fabric of local communities, and a vital resource for local people for recreation, social events, meetings etc, much of which is included in the Pewsey Community Area Plan. Village halls help to facilitate many of the objectives of the Plan.
- 8.5.4 The applicant is the Shalbourne Village Hall Committee, a not for profit organisation. The Parish Council is contributing £1,500 towards the project.
- 8.5.5 The project is for the repair and or replacement of eroding stonework forming the entrance to the village hall.
- 8.5.6 The village hall facilities are for the benefit of all. The village hall provides the ideal community meeting place for many types of activity thereby assisting all good community activities and relations.
- 8.5.7 If the Area Board makes a decision not to fund the project the repairs will not be

able to go ahead and the stonework will further erode.

Ref	Applicant	Project proposal	Funding requested
8.6 (89)	Shalbourne Recreation Ground	To refurbish and update kitchen at the Club Pavilion	£2,843

8.6.1 Officer Recommendation is that this application be approved.

8.6.2 The application meets grant criteria 2010/11

8.6.3 There is no specific link to the community plan but the pavilion is an important part of the sports and social facilities provided at the ground. The proposals link well with community aspirations for self sufficient, self-reliant healthy socially inclusive communities envisaged for the future, and builds on progress made (playground refurbishment). Creation of enhanced facilities will lead to greater use of area.

8.6.4 The applicant is the Shalbourne Club, which is a registered charity and has a management group of 14 people. The Club is contributing £2844 towards the project with an additional £600 worth of in kind contribution.

8.6.5 The project is for the refurbishment and updating of the kitchen at the Club pavilion to include the purchase and installation of new cupboards, shelves, sink, table and white goods. There are concerns about safety and the ability to satisfy hygiene regulations. It is hoped that the pavilion will be rebuilt in the future, and the items purchased will be transferred. This may be some time off as funds need to be raised.

8.6.6 The recreation ground is open to everyone without charge and the club takes all such steps to encourage its use. The ground provides the only outdoor facility in the village which free and open access. Free events are held and those which are charged are as reasonable as possible in order to cover costs. The club will be rented out to users.

8.6.7 If the Area Board makes a decision not to fund the project it will divert funds put towards the rebuild project which the club needs to use to obtain advice and plans.

Ref	Applicant	Project proposal	Funding requested
8.70 (82)	Pewsey Vale Bowls Club	To purchase and install an automated watering system for the bowling green	£4,993

8.7.1 Officer Recommendation is that this application be approved.

- 8.7.2 The application meets grant criteria 2010/11
- 8.7.3 The application links with the community plan in that there is a need to improve sports facilities. Section 6.7 page 26
- 8.7.4 The applicant is Pewsey Vales Bowls Club which is a not for profit organisation. The Club is contributing £4,993 towards the project.
- 8.7.5 The project is to purchase and install an automated watering system for the bowling green. This will replace an existing manual system which was ineffective in the long dry spell this spring/summer and is labour intensive for the club's team of volunteer ground staff.
- 8.7.6 The club has 75 members and 300 visiting players. Members of the Club come mainly from Pewsey but there are some members living in surrounding villages including Burbage, Milton Lilbourne, Collingbourne Kingston, Ludgershall, Tidworth, Upavon, Devizes, Woodborough, All Cannings, Marlborough and Mildenhall.
- 8.7.7 The club currently have reserves but around £3000 of working capital is needed throughout the winter months to undertake normal green maintenance, maintain machinery, purchase environment friendly fertilisers and sprays, heat and power for the clubhouse.
- 8.7.8 If the Area Board makes a decision not to fund the project the club could purchase it from their reserves but the working capital would then fall to a level that would make it difficult to sustain outgoings over the winter months.

Ref	Applicant	Project proposal	Funding requested
8.8 (83)	Patney Parish Council	To purchase and install a new hardwood noticeboard	£251

- 8.8.1 Officer Recommendation is that this application be approved.
- 8.8.2 The application meets grant criteria 2010/11.
- 8.8.3 The application has no direct link with the Pewsey Community Area Plan, however it is recognised that communication in rural villages is vital, and notice boards provide a much needed resource for the community.
- 8.8.4 The applicant is Patney Parish Council who are match funding with £251.
- 8.8.5 The project is to purchase a new notice board to replace the existing one which is in poor condition.

8.8.6 The village has approximately 140 residents. The notice board is an important means for communicating as the village has no village hall, post office or shop.

8.8.7 If the Area Board makes a decision not to fund the project the project would be delayed. The precept is current very low, and if this needed to be added it would be a 50% increase. The Parish Council reserves are low.

Ref	Applicant	Project proposal	Funding requested
8.9 (70)	Alton Barnes Parish Council	To make a new Parish Council noticeboard	£75

8.9.1 Officer Recommendation is that this application be approved.

8.9.2 The application meets grant criteria 2010/11

8.9.3 The application has no direct link with the Pewsey Community Area Plan, however it is recognised that communication in rural villages is vital, and notice boards provide a much needed resource for the community.

8.9.4 The applicant is Alton Barnes Parish Council who are match funding with £75.

8.9.5 The project is to replace the current damaged notice board. Due to the age of the existing board and the amount of materials needed to refurbish it, the parish Council decided it would be cheaper to replace with a new notice board rather than attempt a repair.

8.9.6 If the Area Board makes a decision not to fund the project there will be a significant delay while other funding is sought.

Ref	Applicant	Project proposal	Funding requested
8.10 (79)	Coronation Hall Committee, Alton Barnes	Refurbishment of the hall floor	£800

8.10.1 Officer Recommendation is that this application be approved.

8.10.2 The application meets grant criteria 2010/11

8.10.3 The application doesn't demonstrate a specific link to the Pewsey Community Area Plan but it is recognised that village halls are part of the fabric of local communities, and a vital resource for local people for recreation, social events, meetings etc, much of which is included in the Pewsey Community Area Plan. Village halls help

to facilitate many of the objectives of the Plan.

8.10.4 The applicant is the Coronation Hall Committee, a not for profit organisation. The applicant is not providing any match funding towards the project.

8.10.5 The project is to refurbish the hall floor which will involve sanding down, cleaning, oiling and buffing processes.

8.10.6 If the Area Board makes a decision not to fund the project the Committee would have to delay the project until they have built up enough funds, which could take some time.

No unpublished documents have been relied upon in the preparation of this report.

4. Performance and Other Local Issues

Unfortunately our area has seen a marked increase in non-residential burglary in recent months. Typically we expect up to five monthly within our Community Area but we hit a peak of 15 during September. I am in the process of having some analytical work done and your Neighbourhood Team is in the process of reviewing the investigations to date. Whilst there appear to be no substantive leads on suspects at this stage, intelligence points toward two individuals known to us for rural crime.

I am preparing a bid for support from our wider Division which will include a variety of measures that will make life difficult for those concerned in rural crime. The County Rural Crime Team & local police are meeting with local landowners in this regard.

Initial analysis indicates that the offences occur from East to West right across our Community Area from Chirton to Ham. Increased vigilance in these areas is advisable.

CRIME & DETECTIONS (November compared to previous year)

PEWSEY	CRIME				DETECTIONS	
	NOV 2008 - OCT 2010				NOV 2008 - OCT 2010	
	2008/09	2009/10	+ / -	% Change	2008/09	2009/10
Violence Against the Person	52	70	18	34.6%	69.2%	42.9%
Dwelling Burglary	18	26	8	44.4%	11.1%	11.5%
Criminal Damage	80	68	-12	-15.0%	13.8%	7.4%
Non Dwelling Burglary	30	64	34	113.3%	3.3%	0.0%
Theft from Motor Vehicle	42	54	12	28.6%	0.0%	0.0%
Theft of Motor Vehicle	18	11	-7	-38.9%	16.7%	9.1%
Total Crime	358	416	58	16.2%	21.2%	16.1%

County Division is compared with 15 most similar divisions in other Forces. Currently we are performing well e.g. ranked 3rd (out of 15) for violent crime and 4th (out of 15) for violent crime detections.

NHS Update – November 2010

Re-appointment of NHS Wiltshire Chair

Tony Barron has been re-appointed to serve as Chair on the PCT board from 1 January 2011 until 31 December 2014. The appointment has been made in accordance with the OPCA Code of Practice.

Comprehensive Spending Review

Everyone working in the NHS is acutely aware of the need to make our budgets go further in the future. Nationally, the NHS is required to make £20bn savings per annum over the next three years, and the money will be reinvested back into patient care. We are working closely with our local partners to think carefully about how we can play our part in that process by delivering care differently in the years ahead so that we can reduce costs and improve quality.

Consultation Documents

The Secretary of State for Health, Andrew Lansley, has published two further consultation documents seeking views on proposals set out in the White Paper, *Equity and Excellence: Liberating the NHS*

“Liberating the NHS: Greater choice and control – A consultation on proposals” and “Liberating the NHS: An Information Revolution - A consultation on proposals”. The documents are available electronically at www.dh.gov.uk/liberatingtheNHS

“Liberating the NHS: Greater choice and control – A consultation on proposals” envisage choice of treatment and healthcare provider becoming the reality in the vast majority of NHS funded services by no later than 2013-14.

The second consultation “*Liberating the NHS: An Information Revolution - A consultation on proposals*” is about transforming the way information is, collected, analysed controlled and used in NHS and adult social care services.

These consultations are opportunities to seek the views of patients, the wider public and the NHS, about the challenges that lie ahead, how we can successfully address them, and how we best take forward the choice and information commitments.

The consultation period for both documents will close on 14 January 2011 and we encourage anyone interested to contribute.

Staying healthy this winter

The NHS is gearing up for its busiest season of the year. Common viruses such as flu and the ‘winter vomiting’ bug, norovirus, often take hold just as the cold weather starts to bite, causing extra challenges to our health services. One of the

biggest problems is keeping viruses from spreading, and NHS Wiltshire is asking people who may be infectious to **stay at home and use the phone**.

Flu vaccinations

GP practices around the county have started running flu vaccination clinics. This year the vaccine contains protection against H1N1 (no longer considered a pandemic, but one of this season's predominant strains of flu) as well as other strains of the virus. One simple injection should provide complete protection, and we're urging anyone who hasn't already been vaccinated to contact their GP.

Norovirus – stopping the spread

The 'winter vomiting bug' Norovirus caused serious disruption in hospitals across the southwest last winter, and NHS Wiltshire, together with our hospital colleagues, is urging everyone to play their part in preventing the spread of this distressing illness as this year's winter season looms.

We are all asking anyone who has had vomiting or diarrhoea in the last 48 hours not to visit friends or relatives in hospital or in a care home.

If you do have diarrhoea and/or vomiting, the advice is also to ring your GP's surgery if you have any concerns – and NOT to go to the surgery. The triage nurse or GP on call can tell you over the phone if you need to be seen – in cases where the patient is a child, for instance, or has another medical condition that could lead to vomiting – and this will avoid bugs spreading through busy waiting rooms.

Apart from hospitals, schools are one of the main breeding-grounds for vomiting and other bugs. If your child vomits or has diarrhoea, it is vital to keep them away from school for a full 24 hours from the last attack.

Finally, as norovirus is extremely infectious, keeping hard surfaces clean and washing hands thoroughly is very important. More detail on norovirus is available from the [Health Protection Agency](#).

NHS Stop Smoking Walk-in Clinic for Devizes

NHS Wiltshire have opened a new Stop Smoking Walk-in Clinic in Devizes in order to meet the increasing demand for people wanting to quit.

The Devizes Stop Smoking Clinic will run as a "walk-in" clinic every Tuesday between 1.30pm and 3pm in the Outpatients Clinic at Devizes Hospital.

There is no need for people to make an appointment, people can simply call in, and they will be seen by a Specialist NHS Advisor.

Win for Wiltshire in health awards

NHS Wiltshire's Head of Primary Care, Jo Cullen has won a regional award for leading the team which brought about a new, single out-of-hours GP service for the whole of Wiltshire.

Beds have reopened at Savernake Hospital

All 24 inpatient beds at Savernake Hospital have re-opened.

The Annual General Meeting and Board meeting of NHS Wiltshire will be held on Wednesday 17 November at 10am - **2010 at Southgate House**. Members of the public are welcome to attend.

Papers are published a week before the meeting on www.wiltshire.nhs.uk or on request from Stacey Saunders, NHS Wiltshire (tel: 01380 733839, email: stacey.saunders@wiltshire.nhs.uk). For further information or copies of documents referred to above, please contact Jo Howes, Community Engagement Manager, 01380 733929 or jo.howes@wiltshire.nhs

Update from	Grafton Parish Council
Date of Area Board Meeting	22 November 2010

Headlines/Key Issues

- On-going speeding issues in Wilton are being progressed with the Police

- The Mushroom Forage & Feast in October was very well supported, raising over £1700 for defibrillators and the Coronation Hall

-

Projects

- Access to Technology – sessions are now underway

- Friends of Grafton – fixtures now completed at the hall

- Public Access Defibrillators – first purchases are being put forward at November PC meeting for approval

Future Events/Dates for the diary

- 3rd December – Wilton Windmill Society AGM at the Coronation Hall

- 19th December – Father Christmas arrives in Grafton Parish!

Signed:

Date:

Update from	RUSHALL PARISH COUNCIL
Date of Area Board Meeting	22 November 2010

Headlines/Key Issues

- Safe pedestrian access due to limited pathways and the lack of emergency escape.

- Speed of traffic through the village.

- Volume and size of traffic using Pewsey Road through Rushall as a main route.

Projects

- Parish Council 'Study into Safe Pedestrian Access in Rushall' completed, passed to WC who have analysed the study and prioritised the schemes into the overall programme.

- Community Speed Watch in Rushall.

- Relocation of speed signs at the entry points to Rushall and removal of A345 route signs.

Future Events/Dates for the diary

- Wiltshire Council conducting assessment into feasibility and costs of Rushall 'Safe Pedestrian Access' schemes – complete by March 2010.

- C SW being monitored by Police due to the high volume and speed of offenders.

- 30 mph speed signs to be re-located in conjunction with change of 60mph signs.

Signed: C P Gale (Rushall Parish Councillor)

Date: 10 November 2010

Pewsey Area Board 22 November Month 2010

Item 10

Help tomorrow take shape – the 2011 Census

The 2011 Census is coming:

- The census has collected information about the population every ten years since 1801 (except in 1941). The next census in England and Wales is on 27th March 2011
- The 2011 Census will produce a high quality estimate of the population. It is a count of the people and households in England and Wales. The census is carried out by the Office for National Statistics (ONS) on behalf on Parliament
- Everyone is asked the same questions in order to take a snapshot of the population at one moment in time
- The census tells us how many people live where and the types of people they are, for example whether they are young, old, married, single, etc. This means decisions, like working out who needs facilities in the future, are focused on accurate, relevant details
- You can find out all general information about the census at www.census.gov.uk

The 2011 Census is vitally important for Wiltshire and its communities:

- Census data is used to ensure that all the required local facilities and services needed across Wiltshire can be accurately identified
- Central funding allocation for Wiltshire is heavily influenced by the census data – it is estimated that Wiltshire Council will potentially lose around £500 per person per year for 10 years for every person not counted

What Wiltshire Council and ONS would like local councils to do:

- Publicise and promote the 2011 Census in your community
- Use your expert local knowledge to let us know about potential areas that may be hard to count in your community such as travellers, communes, religious establishments, migrant workers for example
- Promote locally that there are around 250 Census jobs being created across Wiltshire in 2011 and, as well as getting paid, that this is a great opportunity for knowledgeable local people to be part of something that will benefit their community. You can find out more information and apply for all available jobs at www.censusjobs.co.uk.

Help tomorrow take shape

© Office for National Statistics

2011 CENSUS

What is the census used for?

The census is vitally important for communities, making sure that the facilities and services can be identified. All sorts of decisions are taken based on census statistics, from the number of car parking spaces needed at local supermarkets, to where to locate bank branches and even the allocation of fire engines. Numbers of school places, development of traffic systems and funding for local authorities are all heavily influenced by the census. It's all about planning ahead. The census, a rich source of statistics, affects all of us in one way or another, as decisions about the communities we live in take place all the time.

The 2011 Census is run by the Office for National Statistics (ONS).

Key messages:

The 2011 Census is coming

The census collects information about the population every ten years. The next census in England and Wales is in March 2011.

A census counts everybody and describes society

The population's characteristics are always changing. A census collects and shares facts about society's make-up.

Your community and family benefit

You need to take part so that the services and facilities your community / family need can be identified. These services include schools, hospitals and emergency services.

A census is a fantastic source of historical information

Everyone should be proud of playing their part in the census; the statistics are available for you. ONS's census is respected worldwide.

Define your identity in 2011

You will know that you have played your part in helping tomorrow take shape in your community

Your census answers are confidential

Personal census information is never shared with any other government department, nationally, regionally, or locally. The information collected is kept confidential by ONS and protected by law.

Complete the census online (www.census.gov.uk)

Completing the census online is straightforward, convenient and secure.

Returning your census questionnaire is required by law

Completing the census is a legal requirement: the few people who don't complete their census questionnaire may be prosecuted for breaking the law, could face a criminal record and may be fined up to £1,000.

The next census is on Sunday 27 March

The answers you give on your census questionnaire should be about Sunday 27 March, so that ONS can take an accurate picture of the population on the same day.

It's straightforward

Completing the census is straightforward. Most questions can be answered by simply clicking, or ticking, in a box.

Your census questionnaire is kept secure

Your personal information is protected by lots of layers of security.

Help and support is available

The census is straightforward. Help and support is available from online help at www.census.gov.uk.

THE GREAT STONES WAY

A HIGHLY ATTRACTIVE NEW WALKING ROUTE BETWEEN AVEBURY AND STONEHENGE

The ancient Ridgeway follows the sweep of the chalk escarpment across the country for some 360 miles, between Lyme Regis in Dorset on the south coast and Hunstanton on The Wash on the east coast. An 85-mile central section of the route, between Ivinghoe Beacon near Dunstable and Avebury in Wiltshire, was adopted as The Ridgeway National Trail in 1972. The Friends of The Ridgeway have long sought the up-grading of the rest of the Ridgeway to match National Trails standards. The Great Stones Way is a first, key initiative towards the achievement of this aim.

The Great Stones Way will

- Be a great 38-mile walk between the iconic stone circles of Avebury and Stonehenge, and historic Old Sarum;
- Take in the historic sites of Silbury Hill, The Sanctuary, Adam's Grave, Broadbury Banks, Durrington Walls and Woodhenge, as well as the Stone Age landscape of Stonehenge itself;
- Offer a mixture of high level walking on the Downs and Salisbury Plain, open countryside through the Vale of Pewsey and footpaths through the picturesque villages of the Avon Valley;
- Provide an attractive route for walkers linking Stonehenge and the railway at Salisbury, with good public transport connections along the route;
- Appeal to visitors from the UK and from overseas seeking to visit the best of the heritage attractions of Wessex and Wiltshire;
- Bring huge economic benefits to all the communities along the route.

The Friends of The Ridgeway is grateful for the help of Plain Action, North Wessex Downs AONB and Wiltshire Council in enabling us to commission a full feasibility study to quantify the likely usage and the economic benefits that will accrue to the route corridor, and to determine the costs of the works needed to bring the route up to standards similar to those of a National Trail.

Item 12

**PEWSEY AREA BOARD
22 November 2010**

COMMUNITY AREA TRANSPORT GROUP – LOCAL TRANSPORT PLAN WORKSHOP

1. Purpose of the Report

To provide recommendations from the meeting held on Wednesday 13 October 2010 which was to look at scheme requests in the Pewsey Community Area and to prioritise and select schemes to be taken forward.

The attendees were as follows:-

Jerry Kunkler – Pewsey Area Board – Pewsey Division (Chair)
Robert Hall – Pewsey Area Board – Pewsey Vale Division
Peter Deck – Pewsey Parish Council
Terry Eyles – Pewsey Parish Council
Stanley Bagwell – Pewsey Community Area Partnership
Colin Gale – Rushall Parish Council
Patrick Wilson – Pewsey Chamber of Commerce
Spencer Drinkwater – Wiltshire Council
Mark Stansby – Wiltshire Council
Bill Parks – Wiltshire Council
Caroline Brailey – Wiltshire Council

2. Background

The Wiltshire Local Transport Plan 2006/07 – 2010/11 sets out a scheme assessment framework to prioritise requests from the public for integrated transport schemes. In November 2009 a report was taken to the Pewsey Area Board giving details about the Plan and the Scheme Assessment Framework was explained. This framework is used to score schemes and depending on the results of that exercise, they are put forward for further investigation.

Since then, the cabinet member for Highways together with Officers have been working to develop a process in which Area Boards can be more involved in the prioritisation of the schemes that have been submitted to the Highways Department over the last five or so years.

The two schemes raised with the Area Board last year and agreed to be put forward at that time are now included on a list which also contains a number of other schemes that have been put forward over the last five years. These have all now

been scored by Highway Officers using the assessment framework mentioned above.

Pewsey Area Board now needs to agree which areas to take forward to the next stage, which will involve a Highways Officer visiting the site(s) which have been prioritised by the Area Board to provide an informal professional assessment to determine which ones are worthy of a feasibility study attracting professional fees.

3. Main Considerations

Highways Officers have assessed issues/transport scheme ideas which have been submitted to them using the framework contained with the Local Transport Plan. The results are attached. The Community Area Transport Group agreed that the top five highest scoring schemes should be taken further which will involve an informal professional assessment to be undertaken by a highways officer to determine which of the five schemes are worthy of a feasibility study attracting professional fees.

The five highest scoring schemes are:

- Pewsey Station (North Street) – provision of a footway/crossing to Station
- High Street, Great Bedwyn – Pedestrian/footway improvement at the junction of Church Street/High Street
- A342 Rushall – Provision of footways/traffic calming
- Upavon A342 – Pedestrian crossing linking Watson Close, Avon Square and the School with Downsview.
- Swan Road Pewsey – Pedestrian access to and from Manor Court to include safe access to garage and village centre

Whilst there was considerable debate and challenge by the members of the Community Area Transport Group on the Council's scoring matrix, eventually there was the general acceptance that there was nothing better and the group elected to be guided by it. However it is not bound to follow it explicitly; the ultimate decision on schemes progression is taken solely by the Members.

It is proposed that all of the highways issues which are on this list will be closed on the Area Board issues system. This list will then be owned by the Pewsey Area Board and published on the Pewsey Area Board web page. All schemes will stay on the list and be considered if funding is available in the future.

The list will be called the Pewsey Area Board LTP scheme prioritisation list.

4. Environmental Impact of the Proposals

There is no Environmental Impact at this time as there will only be initial assessments and feasibility studies.

5. Financial Implications

The Area Board has an allocation of £12,377. If the view of the assessment is that one or more schemes are progressed to a full feasibility study, the costs may well be large enough to absorb the total allocation. The consequence of this would be that costs for implementation would need to come from funds allocated to the Area Board in subsequent years (if any).

6. Legal Implications

There are no legal implications.

7. HR Implications

There are no HR implications.

8. Equality and Diversity Implications

Some of the schemes, if they get to implementation, will support people with mobility impairment.

9. Recommendation

It is recommended that::

Pewsey Area Board agree to an informal professional assessment to be undertaken by a highways officer to determine which of the five schemes are worthy of a feasibility study attracting professional fees, and that the funding allocation of £12,377 be used to carry out further feasibility studies. It should be noted that all five will have an initial highways officer assessment but not all will have feasibility work as there isn't enough funding available.

Pewsey Area Board agree to adopt the attached Pewsey Area Board LTP scheme prioritisation list and close those that are currently included on the Area Board Issues System.

The Manningfords	Manningford	Gateway Treatment	0	5	4	0	2	0	2	0	13
C8 Coate Road East	Alton Priors	Traffic Calming	0	5	2	0	0	0	2	0	9

Other Area Board issues which relate to road safety (not including speeding) that have not been scored

Marten	Marten	Traffic calming	This is currently an unclassified/C road - a review of these roads is due to take place and the parish council will be invited to submit their comments at this time. Warning signs have been repositioned to make them more effective.								
Chirton Village	Chirton	Traffic calming	A speed survey was carried out and the road did not meet the criteria for Community Speed Watch and cannot be considered for transport scheme funding. The review of unclassified/C class roads may be an opportunity to reduce the speed limit to 20 mph								
Wilcot Road	Pewsey	Pedestrian Crossing outside school	This is being submitted as a bid to the taking Action on School Journeys Funding scheme								

Note: The figures are scores not numbers (apart from Column H)

T&I means Threat and Intimidation (volume, speed, % of L&HGVs and % of through traffic)

School Travel Scores = 5 if school has a travel plan, 5 if access is to school

Economy - Town Centres

Linkages - cycle/pedestrian network/access to station

Enviro scores - encourage walking

* It is understood that the parish council are proceeding with this scheme and it can be removed from the list.

Car Parking Strategy

Consultation Feedback – Key Points

Why Review Car Parking?

- Move to Wiltshire Council – lack of consistency between former districts
- Parking is wider than just charging – important part of local transport policy
- Need to update existing strategy – price comparison with neighbouring areas

Consultation Process

- Informed people through:
 - Web portal and documents in libraries
 - Press release, Parish Newsletter and Area Boards
 - Emails and letters to some 8,000 contacts
- Overall, some 600 people responded making over 5,000 comments
- Reasonable response from Amesbury, Chippenham, Corsham, Devizes and Salisbury; more limited number of responses from most other areas
- Concerted campaign by councillors and parish councils in South West Wiltshire

Countywide Responses

- Overwhelming support for economy as most important objective
- Next highest support for meeting residents' need for parking
- Majority support for concept of banding towns and proposed land-use zones
- Small majority disagreed with proposed bands
- Large majority agree that town and parish councils should be offered 'buy back' and car park management opportunities
- Majority selected 'conventional' (lowest) parking charges option
- Little enthusiasm for proposed Sunday parking charges
- Significant support for more pragmatic approach to residential parking in new housing developments
- Overwhelming support for policy and process on residents' parking zones
- Majority support for council's approach to parking enforcement

Local Responses

- 8 Total respondents
- The co-ordination of the bus timetable with train times is non-existent. So you should not be surprised that anyone who has the choice uses a private car instead.
- Because of the high cost alternatives, local roadsides are sought to avoid the station park.
- There would be support for spaces for Carshare/Club and Community Transport Vehicles in Pewsey.

Next Steps

- Sept-Nov: Area Boards' feedback presentations
- Oct-Nov: consideration of consultation responses
- Dec: Cabinet decision meeting (14th Dec)
- Jan-Mar: statutory procedures
- Apr: implementation of changes

PEWSEY AREA BOARD CURRENT ISSUES – NOVEMBER 2010

Division	Summary of Issue	Status	Moved / Closed
Pewsey Vale	Speeding through Alton Barnes	Community Area Manager to identify appropriate sites for survey equipment	
Pewsey	Pedestrian access needed to Pewsey Station	This has now been prioritised and will be assessed further	To be moved to LTP scheme prioritisation list
Pewsey Vale	Speeding and pedestrian safety issues in Rushall	This has now been prioritised and will be assessed further	To be moved to LTP scheme prioritisation list
Pewsey	Swan Road lack of pavement/pedestrian safety	This has now been prioritised and will be assessed further	To be moved to LTP scheme prioritisation list
Pewsey Vale	Chirton A342 50 mph limit too high, dangerous junction	The Parish Council have forwarded further information as part of the speed limit review in the hope that this road can be reduced to 40mph. A Highways Officer has agreed to visit the site to assess the situation.	To remain on the issues list for the time being (awaiting final results of speed limit review)
Pewsey	Vehicles speeding past St Francis School	The Parish Council have submitted further comments to the speed limit review to strengthen the argument for a reduced limit along this road.	To remain on the issues list for the time being (awaiting final results of speed limit review)
B&B	Road flooding in Grafton	Passed to Divisional Highways Manager	
Pewsey Vale	Speeding and rat running through Sharcott	Speed Survey results have been received and the average speed was 33.6 mph – this is currently a 60mph limit. The Highways department has been asked to consider the use of Single Track Road signs. This request has been added to a long list of sites awaiting investigation.	
Pewsey Vale	Speeding through the village of Chirton	The speed survey concluded that the level of speeding is below the threshold for Community Speed Watch and transport scheme funding – review of C and unclassified roads to take place which may enable the speed limit to be reduced	
B&B	Speeding in Marten and pedestrian safety concerns	The Council has undertaken a review of warning signs within the village and as a result of this improvements have been made. A review of speed limits on C and unclassified roads is due to take place following the review of A and B roads.	
B&B	Need a footpath to Farm Shop Burbage	The Parish Council have submitted an application for Area Board funding to enable a new footpath to be installed.	To be closed
Pewsey Vale	Dangerous junction in Wilcot	This is on the LTP scheme prioritisation list	To be moved to the LTP scheme prioritisation list

Pewsey	Speeding in Wilcot	Speed survey indicates that this road meets the criteria for Community Speed Watch – Parish Council have been informed.	To be closed
Pewsey	Dangerous to cross Wilcot Road outside school	This is being submitted as a bid to the Taking Action on School Journeys funding scheme	Closed (can be reopened if bid is rejected)
Pewsey	Speeding in Great Bedwyn	The recent speed survey concluded that the level of speeding is below the threshold for Community Speed Watch (average speed 33.8mph (30mph speed limit). However it is eligible for temporary Community Speed Information Sign Boards. Community Area Manager to arrange.	
Pewsey	Speeding within 30mph area in Bottlesford	There are a few points of concern that need to be looked at in more detail. The Traffic Management team to look at this in more detail and provide further information in about a month's time. The speed survey concluded that the level of speeding is below the threshold for Community Speed Watch (average speed 33.8mph (30mph speed limit). However it is eligible for temporary Community Speed Information Sign Boards. Community Area Manager to arrange.	
Pewsey	Speeding in Woodborough	The speed survey concluded that the level of speeding is below the threshold for Community Speed Watch (average speed 43.8mph (40mph speed limit). However it is eligible for temporary Community Speed Information Sign Boards. Community Area Manager to arrange.	
Pewsey	Dog being exercised in a play area.	Dog Control Orders will go to Cabinet for approval but they are unlikely to be adopted until January 2011.	This will be closed as an Area Board issue – passed to officer for action following implementation of order.

Abbreviations B&B – Burbage & Bedwys

Provisional of additional Grit Bins

1. Purpose of the Report

To provide recommendations from a meeting held on Thursday 14 October which looked at grit bin requests from Parish Councils in the community area. The full list of requests is included at the end of this report.

The attendees were as follows:-

Jerry Kunkler – Pewsey Area Board – Pewsey Division (Chair)
Robert Hall – Pewsey Area Board – Pewsey Vale Division
Stuart Wheeler – Pewsey Area Board – Burbage & Bedwyns Division
Caroline Brailey – Wiltshire Council

2. Background

Wiltshire Council's highways service performed well during the extreme weather last winter according to the response to the recent Parish Newsletter consultation, with 65% considering the Council's response to be good or excellent, and only 5% thinking it was poor or very poor. One aspect that was of particular interest to the Parish Councils was the provision of grit bins.

3. Grit Bins

The Council provides grit bins at suitable locations on minor roads not routinely treated with salt. The bins are filled with salt at the beginning of the winter season, and refilled periodically as the salt is used.

Earlier this year the Council carried out a review of grit bins with the Parish and Town Councils to confirm the location and condition of the 983 existing bins. As a result 65 of the bins are now being repaired or replaced.

4. Proposal

Following the severe weather last winter a large number of requests for additional bins were received. It is not feasible to meet the cost of providing and filling the 422 additional bins requested, but it would be possible to provide about 100 new bins.

It is necessary to prioritise the provision of these bins which represent a 10% increase in bins across the county.

It is proposed that each Area Board should have a 10% increase in the number of bins in their area.

Pewsey Area Board had 56 bins, 28 new bins were requested. Only 6 new bins can be provided.

5. Allocation of New Bins

In all areas the requests exceeded the allocations. It is necessary for the Area Boards to decide the priorities for the allocation of the bins.

Pewsey Area Board members have met to look at the requests and put forward some recommendations for approval at this meeting.

6. Factors to consider

- Grit bins are not provided on roads routinely treated by the Council's gritters.
- Salt must only be used on the highway. It is not for use on private drives or other property.
- The bins must be located so they do not obstruct the carriageway, footways or visibility.
- They are usually placed on highway land, but may be placed on private land with the owner's agreement.
- The final locations will have to be agreed by the area highway staff to ensure road safety.

7. Installing and Filling Bins

The Council will arrange for the bins to be installed.

Arrangements will be made for them to be refilled, but in severe weather the gritting and clearing of snow from the main roads may have to take priority.

The Council can provide Parish Councils with 1 tonne bags of salt in order to speed up the refilling of grit bins provided they have suitable under cover storage and the capability to fill bins in their area.

8. Recommendations

It is recommended that the 6 new bins be allocated to the following Parish Councils:-

North Newnton	Wilcot	Wootton Rivers
Easton Royal.	Grafton	Great Bedwyn

The Chairman
Pewsey Area Board

**A Bid for pump-priming funding of £3262
to re-establish the Shak Breakfast Club:**

Background.

For many years the Local Authority Youth Services team ran a breakfast club and a lunch club at the Shak for the students of Pewsey Vale School. This was part of their youth services programme and was staffed by 2 or 3 adults. Access was free but students obviously had to pay for any food that they wished to consume.

This excellent arrangement, together with the Youth Club activities in the evening, enabled the school to meet the Full Core Offer requirement for wrap-around childcare by signposting our students to this facility. It is conveniently housed within the sports centre complex alongside the school.

On 1 September 2010, Youth Services unilaterally closed the Shak for its breakfast and lunchtime activities: this was despite the vociferous lobbying by our students.

The Requirement

The students of Pewsey Vale School need to have access to a Breakfast club in order to meet the Extended School full core offer requirement.

Historically some 30 – 50 students have used this breakfast club on a daily basis. This demands a staffing level of 2 – 3 adults.

The chairman of the Pewsey Area Board, Mr Jerry Kunkler, attended the meeting with Kevin Sweeney and Carol Grant on 24 August 2010 at which he recognised the need for the Shak and agreed to seek transitional financial support from the Pewsey Area Board.

The purpose of this bid is to seek Pewsey Area Board funding support to provide the Breakfast Club Leader for a 12-month start-up period.

The Breakfast Club Leader will be required for 1.5 hours per day (7.5hours/week), term time only. As Breakfast Club leader (SCH239) on Grade D, s/he would earn £8.15 an hour. The full on-costs of the daily session would be £14.65, with the full annual on-costs from 1 January to 31 December 2011 being £3262.

Long term sustainability

The attached spreadsheet shows the daily taking for the period January to July 2010. The average taken is £14.78 but this does not include the costs of the ingredients. This suggests net daily takings of, say, £12.

There also needs to be a Breakfast Club Supporter (SCH282) on Grade B. S/he would start on £6.63 per hour. At 1.5 hours per day, the full daily on costs will be £11.91. These costs can therefore be met from the daily takings.

The costs of the Breakfast Club leader cannot currently be paid from the daily takings. Therefore the business will have to grow over the period of the next year in order to become financially self sustaining.

With the daily costs of some £30 (Leader £14.65, Supporter £11.91 & ingredients £ 3.00), we need to more than double the daily takings. This is the challenge over the period of the next year: hence our request for financial support of £3262 for one year only, following the unilateral decision by Youth Services to close its breakfast clubs.

Application to Pewsey Area Board for Youth Transport Funding

Amount Requested: £508.32

To enable Wiltshire Youth Arts Partnership and P.O.P Youth Dance Project to transport Young People in the Pewsey Community Area to attend Arts and Dance events in Wiltshire for the next 12 months.

Wiltshire Youth Arts Partnership and P.O.P Youth Dance Project are working in partnership to enable more Young People in Wiltshire to attend Young Peoples Arts and Dance events.

Wiltshire has a thriving arts community and there are more opportunities for Young People to view and participate in arts activities.

The majority of events tend to happen in the Trowbridge, Salisbury and Marlborough areas where we have successful theatre access and partnership working.

Although we have support from Wiltshire Council Development Services for Young People, we still find that young people living in and around the Pewsey area find transport an issue to attend these events.

The funding would be used to transport young people to the following:-

DanceXpress Sunday 12th December 2010 & June 2011 at Theatre on the Hill, St Johns, Marlborough

DanceXpress is Wiltshire's Youth Dance Platform supported by P.O.P Youth Dance Project.

Over 100 young people from P.O.P Dance groups across Wiltshire come together to celebrate and share their dance skills at a county-wide dance day.

Throughout the day young people participate in dance workshops followed by a performance evening where they showcase their dance work which has been created with a professional dance artist.

The Shak has been involved in this project for a number of years but it is proving difficult to provide transport for the group to attend the performance platform.

Salisbury International Arts Festival

May-June 2011

P.O.P Youth Dance Project, Wiltshire Youth Arts Partnership, the Youth Service plus other partners are working closely with the Salisbury International Arts Festival team to provide workshops with Afro Reggae, a Brazilian Dance and Music group for Young People in Wiltshire. These intensive workshops and performances will take place in and around the Salisbury Community Area but will be open for any young people in the county to participate in.

These workshops will enable young people to work with a national touring company who deliver an inspiring programme of music and dance ranging through Samba, Reggae, Hip Hop and Funk.

YNM Creative Juice

The YNM Creative Juice event is organised by young people from the Salisbury creative panel. The panel is supported in kind by Salisbury Arts centre and Wiltshire youth arts partnership. The events take place in two venues and are hosted by young

people for young people. The panel select local and regional talent to showcase and inspire young people. The events focus on supporting young people in developing their learning, gaining valuable work experience with the chance to build links and confidence.

MusicMatters – celebration event 20th August 2011

MusicMatters is a project supported by Wiltshire youth arts partnership. The project support young people from 13-19 years to experience and take part in music workshops. MusicMatters strives to support rurally isolated young people access the arts. The final gig is the chance for all participants in youth settings or intensive workshops from across Wiltshire to showcase their work. This year the event was hosted by the MusicMatters creative panel, who scheduled the event, marketed the event and compared the night. It forms an integral part to the workshops, tasters and intensives that take place throughout the county.

MusicMatters – Summer Intensive

MusicMatters intensives support young people who have taken part in tasters to build on the work that they have initiated. Participants are given the chance to work with their peers to develop learning and growth of individual and group practice.

Budget:

Costs to provide a driver to transport Young People from the community area via Minibus/MPV to and from Arts events/projects listed below...

DanceXpress x2 events (December and June 12pm-9pm)

9 hours at £7.06 x 2 = £127.08

Salisbury International Arts Festival 1workshop & performance

6 hours at £7.06 = £42.36

YNM Creative juice x2 events (July and October, daytime and evening)

12 hours at £7.06 = £84.72

MusicMatters celebration event- August 20th- one evening event

6 hours at £7.06 = £42.36

MusicMatters Intensive summertime course, 5 days in Salisbury

6 hours at £7.06 = £42.36 x 5 days = £211.80

Total Costs: £508.32

Corinna Cuff
Youth Dance Co-ordinator, Wiltshire Council

Carrie Creamer
Wiltshire Youth Arts Partnership, Youth Arts Co-ordinator

REDUCING UNNECESSARY STREET LIGHTING IN THE PEWSEY COMMUNITY AREA

1. Purpose of the Report

1.1. To seek the Area Board's approval of bids to the "reduced unnecessary street lighting" budget 2010/11.

2. Background

2.1. Wiltshire Council has been approached by a number of communities in the recent past seeking to reduce their carbon footprint and reduce light pollution of the night sky by reducing unnecessary street lighting. Turning off unnecessary lighting for part of the night has already been successfully introduced in trial sites at Urchfont and Tidworth.

2.2. Each of the 18 Area Boards has been allocated £5,000 to introduce part night lighting in their respective community areas in 2010/11. This would enable lights selected by parish councils, subject to assessment by highways consultants, to be upgraded to a unit which automatically switches off around midnight and switches back on again around 5.30pm. The £5,000 is expected to enable between 100 and 150 lights to be upgraded.

2.3. Part of the consultation process and technical assessments includes the discernment of support or otherwise from residents, local businesses, the police, community safety and highways' officers. This discernment process includes checking to ensure that where lighting is needed all night for community or highway safety purposes, units are not upgraded.

2.4. In the summer of 2010, the Pewsey Community Area Partnership invited all parish councils in this community area to consider whether or not they would like to take advantage of this scheme, and, accordingly, to consult with residents.

2.5. In response, 6 parish councils have submitted bids

3. Main Considerations

3.1. The Area Board is asked to consider the bids detailed below:

Table 1

Parish	No. of lights
Pewsey	44
Woodborough	20
Wilcot	17

Alton Barnes, Priors and Honeystreet	8
Marden	3
Chirton*	remainder
<u>Total</u>	100+

* Chirton submitted a list of lights to remain on.

3.2. Subject to the Area Board's approval of these bids, a final assessment will be carried out by highways officers and confirmation given as to the total number of lights to be converted.

3.3. Once final confirmation has been received, the process for upgrading the lights will begin and will take approximately 3 months.

4. Implications

4.1. Environmental Impact of the Proposals

The benefits from the upgrade of street lights to part night lighting are two fold (a) reduced carbon emissions and (b) reduced energy cost. It is estimated that for each individual street light conversion there will be a reduction of 40% in both carbon emissions and energy cost.

4.2. Financial Implications

The Area Board has a budget of £5,000 to allocate in 2010/11.

The cost of the alterations to the lighting units will be paid for by the savings in energy consumption, and it is estimated that it will take approximately four years to pay back the cost of installation.

£5,000 will pay for the upgrading of between 100 and 150 lights.

5. Recommendation

It is recommended that the parish council bids detailed in Table 1 above be approved.
