3 Key Principles

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
 - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
 - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
 - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or an Interested Party/Parties;
 - 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or an Interested Party/Parties.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

4 The Hearing

- 4.1 The Hearing shall take place in public.
 - 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
 - 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
 - a refuse to permit them to return;
 - b permit them to return only on such conditions as the Committee may specify;
 - c in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;
- 4.6 Where there is a multiple of Interested Parties who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those Interested Parties.

5 Presentation of Submissions

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
 - 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
 - a the options available to it;
 - b the considerations that are relevant in reaching its decision.
 - 5.3.2 The Applicant (or the Applicant's Representative) may orally present its submission which may include:

- a presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
- b confirming key information and answer pertinent questions; and
- c calling witnesses in support of the Application (see paragraph 4.3).

A Responsible Authority/Authorities and/or an Interested Party/Parties will orally present their representations in turn which shall include:

- a the grounds of the representation to the Application; and
- b any condition(s) that the Responsible Authority/Authorities and/or an Interested Party/Parties would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

6 Questioning of Submissions

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or an Interested Party/Parties to ask questions through them of the other parties
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

7 Documentation

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any Interested Party's premises. If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

8 Intervention

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

9 Failure of Parties to Attend Hearing

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
 - 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
 - 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

10 Closing Submissions

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and the Interested Party/Parties to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application

11 Decision

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.

WILTSHIRE COUNCIL

WESTERN AREA LICENSING SUB COMMITTEE

18 JULY 2011

Application for Review of a Premises Licence; *Favourite Chicken and Ribs, 3 Market Street, Trowbridge, BA14 8EY*

1. Purpose of Report

- 1.1 To determine an application for a Review of a Premises Licence in respect of Favourite Chicken and Ribs made by Wiltshire Police.

2. Background Information

- 2.1 An application for the Review of Favourite Chicken and Ribs' Premises Licence for late night refreshment, has been made by Wiltshire Police. Following advertisement of the application, no additional representations from responsible authorities or interested parties have been received.
- 2.2 Wiltshire Council (as the Licensing Authority) must hold a hearing to consider the application having regard to the representations. In accordance with Section 52 (3) of The Licensing Act 2003, the Licensing Sub Committee is required to take such steps as it considers necessary for the promotion of the licensing objectives.
- 2.3 The licensing objectives are:
- i) The Prevention of Crime and Disorder;
 - ii) Public Safety;
 - iii) The Prevention of Public Nuisance; and
 - iv) The Protection of Children from Harm.
- 2.4 Such steps are:
- i) To modify the conditions of the licence.
 - ii) To exclude a licensable activity from the scope of the licence.
 - iii) To remove the designated premises supervisor.
 - iv) To suspend the licence for a period not exceeding three months.
 - v) To revoke the licence.
 - vi) To determine that no steps are necessary

Government Guidance issued under s.182 of the Licensing Act states that:

“Licensing Authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of

the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as a necessary means of promoting the licensing objectives. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is necessary and proportionate to the promotion of the licensing objectives

- 2.5 Since November 2005, the premise benefits from a Premises Licence issued under the Licensing Act 2003.
- 2.6 The Premises Licence was subsequently varied in August 2009 to extend the hours of late night refreshment and replace the existing CCTV condition with new wording, to be applied as a new condition on the licence. Following representation from Wiltshire Police, the application for variation was subject to a hearing, held on 25 August 2009 at the Wiltshire Council Offices, Bradley Road, Trowbridge. A conditional licence was subsequently granted by the Licensing Committee. The Premises Licence is attached at **Appendix 1**.

3. Details of the Grounds for Review

- 3.1 On the 8 June 2011, an application for a review of the premises licence was served on the premises and the Licensing Authority. The review of the licence has been requested by Wiltshire Police on the grounds that the premises have been conducted in such a manner as to prejudice the licensing objectives. The grounds for review are:

“Despite police and Wiltshire Council engagement with the management, police are increasingly concerned over the number and nature of incidents associated with this premise.

Additionally the management display a lack of appreciation of their role in promoting the licensing objectives evidenced when engaging with police officers and staff.

Through monitoring police conclude that the management of the premises do not actively promote the licensing objectives, the prevention of crime and disorder and public safety, which in turn leads to increased levels of crime and disorder associated with the premise”.

- 3.2 The application for review is attached as **Appendix 2(a)**. The evidence relied upon by Wiltshire Police in support of their application is contained within **Appendices 2(b)**.

4. Consultation and Representations

- 4.1 The review process requires a public notice to be posted on the premises for a period of 28 days, together with a copy of the notice posted at the offices of Wiltshire Council, 165 Bradley Road, Trowbridge, Wiltshire, BA14 0RD. During the consultation period no additional relevant representations have been received.

- 4.2 The Sub Committee can take into account documentary or other information presented at the hearing with the consent of all other parties.
- 4.3 The police have specified the following as the reasons for calling the review:
- 4.3.1 Between 1st of January 2010 and 31st May 2011 in excess of 50 incidents linked to the premise have been recorded by police. 62% of these being incidents of disorder.
- 4.3.2 Police find that over 76% of incidents of disorder occur after 04.00 hours.
- 4.3.3 In the same period police have found the premise to be operating beyond its permitted hours on several occasions despite previous formal warnings. Police find that on each occasion the premise is in breach of the premise licence.
- 4.3.4. Over a period of eight months police have experienced difficulties retrieving, or have been unable to retrieve CCTV images from the system installed at the premises, police find that on each occasion the premises is in breach of the premise licence.
- 4.3.5 Police now believe that additional conditions are required to ensure that the licensing objectives the prevention of crime and disorder and public safety are met.
- 4.4 Recommendations to the Committee:
Police believe and can provide evidence to support the view, that the terminal hour on a Thursday, Friday and Saturday night of 05.00 hours contributes to the levels of crime and disorder.

Police request that consideration be given to the following –

- The premise to employ two SIA registered staff from midnight to the terminal hour of the licence.
- The premise licence is to cease at no later than 03.30 hours on a Thursday, Friday, Saturday night.

Note: The Police may not raise matters at the hearing unless they have already referred to them in the review application. The Licensing Authority may nevertheless take into account documentary or other information produced by the Police in support of their application, if it is provided to the Licensing Authority before the hearing, or at the hearing with the consent of all the other parties.

5. Legal Implications

- 5.1 This hearing is governed by the Licensing Act 2003 (Hearings) Regulations. These provide that hearings should be held in public unless the Licensing Authority considers that the public interest in excluding the public outweighs the public interest in the hearing taking place in public.

6. Officer Recommendations

- 6.1 Officers are not permitted to make a recommendation – the decision is to be reached by the members of the Licensing Sub Committee.

7. Right of Appeal

- 7.1 It should be noted that the Premises Licence Holder and the Responsible Authority may appeal the decision made by the Licensing Sub Committee at the Magistrates Court. The appeal must be lodged with the Magistrates Court within 21 days of the notification of the decision.
- 7.2 In the event of an appeal being lodged, the decision made by the Licensing Sub Committee is suspended until any appeal is heard and any decision made by the Magistrates Court.
- 7.3 The Premises Licence Holder and all Interested Parties have been informed of the date, time and location of the hearing and their right to attend and be represented.

Please state the ground(s) for review (please read guidance note 1)

Despite police and Wiltshire Council engagement with the management, police are increasingly concerned over the number and nature of incidents associated with this premise.

Additionally the management display a lack of appreciation of their role in promoting the licensing objectives evidenced when engaging with police officers and staff.

Through monitoring police conclude that the management of the premises do not actively promote the licensing objectives, the prevention of crime and disorder and public safety, which in turn leads to increased levels of crime and disorder associated with the premise.

Please provide as much information as possible to support the application
(please read guidance note 2)

1. Between 1st of January 2010 and 31st of May 2011 in excess of 50 incidents linked to the premise have been recorded by police. 62 % of these being incidents of disorder.

2. Police find that over 76% of incidents of disorder occur after 04.00 hours.

3. In the same period police have found the premise to be operating beyond its permitted hours on several occasions despite previous formal warnings. Police find that on each occasion the premise is in breach of the premise licence.

4. Over a period of eight months police have experienced difficulties retrieving, or have been unable to retrieve CCTV images from the system installed at the premises, police find that on each occasion the premise is in breach of the premise licence.

Police now believe that additional conditions are required to ensure that the licensing objectives the prevention of crime and disorder and public safety are met.

Recommendations to the Committee

Police believe and can provide evidence to support the view, that the terminal hour on a Thursday, Friday and Saturday night of 05.00 hours contributes to the levels of crime and disorder.

Police request that consideration be given to the following -

- The premise to employ two SIA registered staff from midnight to the terminal hour of the licence.
- The premise licence is to cease at no later than 03.30 hours on a Thursday, Friday, Saturday night.

DECISION NOTICE

Western Area Licensing Sub-Committee – 25th August 2009, Council Chamber, Bradley Road, Trowbridge

Application for the Variation of the Existing Premises Licence in respect of Favourite Chicken & Ribs, 3 Market Street, Trowbridge, BA14 8EY

The Sub-Committee has taken account of the guidance issued under Section 182, Section 18 of the Licensing Act 2003, together with the relevant licensing policy of the former West Wilts District Council as adopted by Wiltshire Council.

The Sub-Committee has heard oral evidence from Ms J Gallimore Divisional Licensing Officer and Sergeant D Hobman and has considered the written application and the letter from the police dated 23rd June 2009 contained in the agenda papers.

The Sub-Committee resolves to GRANT the application subject of course to the condition outlined at paragraph P(b) on page 19 of the application which the Sub-Committee considers of crucial importance.

Reasons:

The Sub-Committee wishes at the outset to express its concern that a large body of detailed evidence was presented by the Police Licensing Officer at the hearing.

The Sub-Committee take note of regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, that “documentary or other information” may be taken into account if produced either before the hearing or at the hearing with the consent of the other parties. The Sub-Committee however recognised that it has a residual discretion to admit evidence where that is considered necessary in the interests of justice. When this evidence was first tendered Mr Olmez was not at the hearing. However, he arrived shortly afterwards and had the opportunity of first of all presenting his application and then hearing the full evidence given by Ms Gallimore. On being questioned the Sub-Committee was satisfied that Mr Olmez did not seriously challenge this evidence. The Sub-Committee therefore accept the evidence of Ms Gallimore that there has been a high number of disturbances relating to crime and disorder either on or in the vicinity of the premises since January 2009.

The Sub-Committee wish to record however that it would have been greatly assisted if the majority of this evidence had been provided in written form in advance of the hearing in accordance with the regulations.

As referred to above the Sub-Committee accept that there have been incidents of crime and disorder whether on the premises or in its vicinity. In the light of they application however, the Sub-Committee was not satisfied

that the additional 2.5 hours during the week and 30 minutes at weekends would significantly increase this disturbance particularly in the light of the condition proposed by the applicant at paragraph P(b) of the application. Indeed, the evidence tendered by the police underlined the effectiveness and importance of properly operated CCTV coverage in and outside the premises and the implementation of this measure may indeed result in a reduction of the problems. The Sub-Committee wish the applicant to note that it expects the strictest compliance with the conditions of this licence in the future. The Sub-Committee were made aware that Mr Olmez has already received a caution in respect of breaches of his existing licence conditions and the Sub-Committee wish to give the firmest possible warning that further breaches could result in prosecution in addition to the right of review.

All parties are reminded that a review of the licence can be requested at any time but would not normally take place within a date of 12 months from the date of the licence. All parties have the right of appeal to the Magistrates Court within 21 days of this hearing.

I give this statement in relation to a breach of licence I witnessed on Sunday 26th September 2010.

I am a current serving Police Officer with Wiltshire Police and on Sunday 26th September 2010 I was on duty in full uniform with SPC 5894 THORNTON. We were on static patrol in Trowbridge Town Centre parked in a marked Police Van opposite FAVOURITE CHICKEN, MARKET PLACE, TROWBRIDGE.

I was aware that the hot food licence is valid until 0500hrs. At 0500hrs I noticed the male I know to be the Manager of the store still serve hot food to customers and take payment for this. At 0506hrs I went into the shop with SPC THORNTON and said to the male "YOU NEED TO STOP SERVING NOW, IT HAS GONE PAST 5AM AND YOU ARE BREACHING YOUR LICENCE". The male looked directly at me and said something which I could not understand then waved his arm towards me in a dismissive manner as if he was indicating for me to go away and stop talking to him.

I stayed in the shop with SPC THORNTON until 0510hrs and said to the male " I WILL BE REPORTING YOU TO THE LICENSING OFFICER FOR THIS BREACH". The male just looked at me and carried on serving his customers. It appeared that the food he was serving was pre-cooked food in the hot cabinet.

SPC THORNTON and I went back to the van and waited for the shop to close. By 0520hrs the Manager had got everyone out and closed the door.

On Sunday 20th of February 2011 at 0500 hours i was part of call sign WS 92 when i attended Trowbridge town centre in order to back up colleagues dealing with public disorder.

Upon arrival I could see police units dealing with a group of males in Castle Street so I positioned myself outside of Best fried chicken, number 3 Market Street, Trowbridge as a large group had gathered out-side the premises.

As I stood monitoring the group I noticed members of the public leaving Best fried chicken eating food which appeared to have been recently served to them, the time by my watch was 05.20 hours.

I then conferred with the shop supervisor regarding his designated closing time to which he informed me it was 05.00 hours.

I then spoke to the male about customers only just leaving his premises with hot food, he explained how it was difficult for him to close at 0500 hours when people still wanted to be served and could become aggressive.

I believe the fact that Best fried chicken was open contributed to the retention of people in the town centre and added to the ongoing problems.

I am a Police Officer currently serving with the Wiltshire Police Armed Response Group.

At 0520 hours on 20th February 2011 I was on uniformed duty in company with PC 1457 Cavill. It was at this time that we were carrying out foot patrol of Market Street Trowbridge following outbursts of public order. Situated on the corner of Market Street is a take away restaurant namely 'Best Favourite Fried Chicken'. I could see that customers were still being served. In company with Pc Cavill we entered the premises and conferred with one of the staff serving. A council issued licence displayed behind the counter confirmed that the licence was in place until 0500 hours. We advised the member of staff to stop serving customers and to close the premises. The staff did this. The member of staff explained that they had continued to serve staff to prevent upset to queuing customers.

Dear Mr. Olmez

BEST FAVOURITE CHICKEN - LATE NIGHT REFRESHMENT HOUSE

Further to your attendance at this police station on 18th March 2011 I feel it necessary to write to both clarify and reinforce the position of the Police Licensing Department in respect of your premises.

I was disappointed with your actions and demeanour whilst at the police station.

For the record, I left the office of our meeting for a moment as you had requested a piece of paper to write on. When I returned I saw that you had handled a document on the desk by turning it around and were in the process of reading it. The paper had nothing to do with our meeting and you would have been aware of that. When I challenged you, your response was to laugh. I concluded our meeting at this point.

I remind you that the police have grave concerns in respect of your premises. These concerns relate to a clear association with violent crime and disorder, and to an apparent disregard in the upholding of the licensing objectives.

We treat this matter seriously and have a very clear objective to reduce violent crime.

Whilst at the police station I explained to you that over a period of time there have been a significant number of incidents of violent crime and disorder, either on or in the vicinity of Best Favourite Chicken. It was not relevant or necessary for me to give you the detail of each incident. I do however provide you below with a summary of the incidents to which I refer covering the period of the last year.

The incidents vary in seriousness. Some involve assaults; some involve arrests, and most require police attendance. The police retain all the necessary details should it be necessary to disclose them at any future stage.

I also advised you that on previous occasions you have been warned in respect of serving customers beyond your permitted hours. I further advised that police possess evidence to show that you continue to breach this condition of your licence.

I proposed that to reduce the incidents of crime and disorder you should consider the employment of door staff at times and days to be agreed. I urge you to give this serious consideration and respond to me with a proposal by 6th April 2011. If you agree to this, the police will wish to condition your licence accordingly.

I will further advise you on the intention of this Department dependant upon your response to this proposal.

I look forward to hearing from you.

Yours Sincerely

D Bennett
Licensing Manager

Dear Mr. Olmez

BEST FAVOURITE CHICKEN – LATE NIGHT REFRESHMENT HOUSE

I am writing further to my correspondence of 23rd March and 4th April 2011.

In my letter of 23rd March I asked you to give serious consideration to the employment of door staff.

To date I have had no formal response to that letter other than a telephone call from your solicitor. However my Licensing Officer has indicated from her recent visit that there may be some movement on this particular issue.

It is my intention to make application for a formal review of the licence based on the history I have previously outlined to you. I am reluctant to delay that process much longer because of the risk that poses in terms of the continuance of violent crime and disorder.

If it is your intention to employ door staff on a permanent basis and this can be formalised on your licence, the need for a review may be averted.

You may wish to speak again with your solicitor or make contact directly with me. I will allow a further two week period before taking any further action.

In respect of my letter of 4th April in relation to CCTV, you will be aware of the recent visit by my Licensing Officer, Jacqui Gallimore. She reports that new have some new equipment and all appears in order. This is good news and the progress is welcomed.

We have not yet requested any downloaded images from your system since these changes – I am hopeful that these will be provided in accordance with your conditions in the future.

Yours sincerely

Incident summary –

This incident relates to an offence of racially aggravated public order (sect 4a poa) at Market Street, Trowbridge for which [REDACTED] was arrested.

From statement of PC Tuite -

at 0435hrs on Sunday 13 June 2010, I was on duty in full police uniform in company with pc 2485 lax, on foot patrol market street, Trowbridge. We were stood outside Favourite Chicken takeaway, which was still serving customers. Due to the time of the morning and the fact that they were still serving, there was a large amount of customers inside the takeaway and outside on the street eating food or waiting for taxis.

I then heard a male swearing loud saying words like [REDACTED] I approached the male who I now know to be, [REDACTED] and told him to keep his language and his voice down. When I spoke to him I noticed that his breath smelt heavily of alcohol, his eyes were glazed and he was unsteady on his feet. In my opinion he was drunk.

Not long after I spoke to [REDACTED] he started talking to a group of males. One of the males was white and the other two were black. [REDACTED] was talking to them for about 5 minutes and then he walked back towards [REDACTED]. Shortly after this, [REDACTED] walked back towards the group of males who he had just been talking to. As he did, he threw the container that his food was in on the ground in front of me. I approached [REDACTED] and asked him to pick up the package that he had just thrown on the ground. He refused so I warned him that if he did not comply with my request that he would receive a ticket for littering. [REDACTED] then bent down and picked up the package. I then told him to put it in the bin, and I pointed to a bin which was approximately 4 meters away. But he just stood there staring at the group of males. I asked him to place the package in the litter bin a second time. When I said this, [REDACTED] ripped the package in two and started staring with fixed eyes at the group of males and started clenching both his fists and gripping the packaging in his hands and shaking. He then said to me in an aggressive manner, [REDACTED] [REDACTED]

A report was made of a large fight in progress and that a male had had his ear bitten off. On viewing CCTV footage of the incident it is apparent that Favourite Chicken were serving food after their licensed hours. The lights were on, the doors were open and people were freely entering the shop and being served.

Summary of incident:

The fight had started outside Fever night club at closing time, around 0600hrs.

The circumstances of the offence are that the police control room were notified of a disorder via Ambulance Control at 0612 hours on that date.

The injured party was identified as [REDACTED] who pointed out another male to police at the time as the person who bit part of his ear off during the disorder. The alleged offender for the assault on [REDACTED] was arrested and identified as [REDACTED]

As a result of the subsequent investigation into the assault and surrounding disorder it was established that [REDACTED] had been involved in the initial fighting outside the club, prior to any injury to his ear. It was also established that [REDACTED] had been involved in fighting after the injury to his ear.

After having his ear bitten, [REDACTED] went to Favourite Chicken. CCTV shows him at Favourite Chicken. He can be seen outside Favourite Chicken with a broom in his hand.

Two members of staff from Favourite Chicken seem to be trying to get the broom from him.

One of the members of staff, [REDACTED] walks around the corner with [REDACTED] in the direction of Fever. He looks at [REDACTED] ear then continues to walk along Castle Street, leaving [REDACTED] to be looked after by a female. He can be seen to return shortly after and is on his mobile phone.

From CCTV he walks to The Courthouse, the location to which the fight has now moved. On first viewing it appears that [REDACTED] had got involved with the fight. He was subsequently interviewed under caution. In interview he stated that he had tried to intervene to break up the fight. On close inspection, this does appear to be the case. [REDACTED] [REDACTED] knew the injured party from Favourite Chicken. From the CCTV, he was constantly on the phone. According to [REDACTED] he was calling the Police. No log has been traced of this call. After [REDACTED] had returned to Favourite Chicken further males arrived at the scene. It is unknown where they came from.

When the manager was spoken to he stated that he had been clearing up on his own. However, the CCTV shows [REDACTED] at the premises and he was still wearing his apron. In interview [REDACTED] said he had been working that night.

You can clearly see people entering Favourite Chicken and then leaving with food. The time showing on The Shires' CCTV is between 0605 and 0612hrs. At 0610hrs 8 people can be seen to leave Favourite Chicken. At least two of them are carrying a food carton; one of whom can be seen to enter Favourite Chicken at 0608hrs with no food in his hands. According to the Police Log, Police arrived at 0616hrs the time showing on the Shires' CCTV is 0614hrs. This therefore verifies the time showing on The Shires' CCTV.
