The Area Board is asked to consider the list of proposed highway maintenance schemes for 2014/15 seen in appendices 1 and 2, and agree the final list for implementation.

Appendices 3 and 4 of the report detail the list of potential schemes for future years. This is based on the existing condition and anticipated deterioration, and will be reviewed annually.

If the funding is secured the Local Action Group will be able to award grants to eligible community projects, rural businesses and for farming, forestry and tourism related projects in the Malmesbury area.

The LAG is keen to:

- Understand from area and community representatives what they consider to be the key funding priorities for the next 7-8 years.
- Work with area and community representatives to ensure wide business and community input during the bidding stage.
- Once funding is secured, work with area and community representatives to communicate as widely as possible the benefits of the Programmes.
