Update for Area Boards - March 2015

Support for unpaid carers

On behalf of Wiltshire Council, Healthwatch Wiltshire (HWW) has agreed to independently facilitate an engagement project looking at support for unpaid carers. The aim is to understand whether the services on offer are meeting the needs of carers, and specifically what services would make the most positive impact to carers who require immediate support.

HWW will work with specialist voluntary sector organisations where appropriate, to engage with their members and service users. HWW will then collect together all the feedback it receives and produce a report that will help with the decision making process. The project is likely to finish in June. If you would like us to come to your community area about this then please get in touch.

New health & social care information website “Your Care Your Support Wiltshire”

HWW, in partnership with Wiltshire Council, Wiltshire Clinical Commissioning Group, and the local voluntary sector, is developing a new health and social care information website for the public and professionals in Wiltshire. The information will include a directory of:

- * Health, care and community-based services
- * Voluntary sector groups
- * Self-help groups
- * Social clubs

If there is any information that you feel should be included on the website, then please let us know, or if you belong to an organisation, community group or service that would like to be listed, do get in touch with us.

Consultation on specialist dementia hospital care in Wiltshire

HWW independently facilitated the consultation on the permanent location of specialist dementia hospital care in Wiltshire. We reached a lot of people through the process. People said that the quality of care should be the first priority rather than location. In particular, people living with dementia felt strongly about this. There was broad agreement about the benefits of having a specialist service in one location if this would help ensure high quality. The report is now available for everyone to read <http://www.healthwatchwiltshire.co.uk/consultation-specialist-dementia-care>.

Wiltshire Clinical Commissioning Group has now made its decision about where the hospital care will be permanently located. It will be at Amblescroft South, Fountain Way, in Salisbury. You can find the full report here:

<http://www.wiltshireccg.nhs.uk/wp-content/uploads/2015/03/Paper-12-Outcome-of-public-consultation-of-dementia-specialist-inpatient-beds.pdf>

Volunteering with Healthwatch Wiltshire

We are always looking for new volunteers to help fulfil our role as the local people’s champion on health and social care. There is a lot of scope for volunteers to get involved in focus groups, surveys, or to help us talk to service users.

If you are interested in volunteering with HWW or would like more information please contact us or visit our website <http://www.healthwatchwiltshire.co.uk/content/join-us>

Army Basing Briefing for Amesbury, Pewsey, Tidworth and Warminster Area Boards - May 2015

Background

The government's Army basing announcement in March 2013 advised of approximately 4,300 extra Service personnel moving to Wiltshire, who will be accompanied by their families, bringing the total number of additional people to 7,600. These plans will require additional levels of infrastructure and services to be provided by Wiltshire Council.

May 2015 Update

Planning Applications

- Priority Works

Eight "advanced works" applications covering relatively small scale development within the camps had been submitted. Six of these had been determined.

- Camps

The application for the full scale of development at Perham Down was submitted to Wiltshire Council in mid-April 2015. The applications for other camps are expected as follows:

end May 2015 - Bulford

End June 2015 - Larkhill

End July 2015 - Tidworth

December 2015 - Upavon (the Defence Infrastructure Organisation - DIO - is planning for pre consultation with Wiltshire July/Aug 2015, and an Application just before Christmas 2015).

- Service Family Accommodation (SFA)

The application for the SFA at Ludgershall was submitted to Wiltshire Council at the end of March 2015. (Application: 15/02770/FUL). The applications for the remaining SFA are expected as follows:

- Late April 2015 - Bulford

- Early - mid May 2015 - Larkhill

- There are no applications for Tidworth (though DIO will be purchasing 100 units at the Riverbourne Fields development over the next year or so).

- No additional SFA is required at Upavon.

- Planning Committees

With the exception of the Priority works which are being determined under delegated powers, the remaining applications will be considered by the Strategic Planning Committee. The precise arrangements for which are still being established. However, the DIO is proposing a single section 106 of the Town and Country Planning Act 1990 (as amended), agreement to cover all three SFA applications.

Schools

Wiltshire Council is presently negotiating the financial contribution for new primary schools at Ludgershall (210 places) and Larkhill (420 places), an extension of Bulford Kiwi Primary (210) places and a total of 450 secondary places to serve SFA at Larkhill, Bulford and Ludgershall. DIO has identified land at Larkhill, Ludgershall and Tidworth for new school buildings to transfer to Wiltshire Council. These sites are being studied by the council to confirm their suitability and to identify the best location within the plots suggested, for the school buildings, parking and playgrounds / sports pitches.

Community Infrastructure

Land offered - The DIO have offered 0.6 hectares of land adjacent to that for the primary school at Ludgershall. In addition 0.3 hectares of land adjacent to that for the primary school at Larkhill has been offered. DIO is looking to make a range of sports halls, pitches and community centres more readily available for wider civilian use across Salisbury Plain. Wiltshire Council is negotiating an agreement with DIO and the Army to achieve this, which will be incorporated into the Section 106, agreement as part of the planning determination.

Report to	Tidworth Area Board
Date of Meeting	18th May 2015
Title of Report	Area Board Funding

Purpose of Report:

- 1. To outline Community Area Grant funding and other funding available to Tidworth Area Board in the financial year 2015/16**
- 2. To approve reapplication for award from financial year 2013/14 - Collingbourne Ducis Parish Council - £5000**

1. Background

- 1.1. Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet Member. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2015/2016.
- 1.2. In accordance with the Scheme of Delegation, any decision of an Area Board that is contrary to the funding criteria would need to demonstrate that the application in question has a wider community benefit, and give specific reasons for why this should justify an exception to the criteria.
- 1.3. The Localism agenda supports the ethos of volunteering and community involvement and the nurturing of resilient communities. With this in mind Community Area Grants (CAGs) should be encouraged from and awarded to community and voluntary groups.
- 1.4. The area board may want to link funding to local priorities, including those identified in their Community Plan, Local Area Joint Strategic Assessment and any other community based consultative work.
- 1.5. Tidworth Area Board has been allocated a 2015/16 budget of **Capital £45,975, Digital Literacy £1,500, CATG £11,757, Youth Funding 11-19 revenue £4,055, Youth Funding- LYN £13,865**. In 2015/16 only capital funding is available for community area and digital literacy grants. Area board operational funding and some small project support can be paid from revenue budgets as they allow.
- 1.6. In addition to CAGs and digital literacy grants councillors can submit an Area Board/Councillor Led Initiative. This enables area boards to tackle sticky community issues and/or community identified priorities. Cabinet have emphasised that they do not wish these to be used to avoid complying with Community Area Grant criteria or for filling gaps where there are council service shortfalls.
- 1.7. In support of the Olympic and Paralympics legacy, in 2015/16 the Tidworth area board invites applications that encourage young people and people with disabilities to become more actively involved in sports, outdoor activities, recreation, arts and volunteering.
- 1.8. Applications of up to and including £1,000 can be made for a Community Area Grants, which will not require matched funding. Amounts of £1,000 - £5,000 will be required to find matched funding. The area board will rarely award more than £5,000. Grants of up to £500 are available for Digital Literacy projects.
- 1.9. There are on-line application processes for Community Area Grants (CAG), Digital Literacy grants and LYN funded projects, introduced

to provide an easy step by step application process. The application process and funding criteria can be found online on the Wiltshire Council website.

- 1.10. Area boards will not consider CAG applications from town and parish councils for purposes that relate to their statutory duties or powers that should be funded from the local town/parish precept. However this does not preclude bids from town/parish councils, encouraging community projects that provide new opportunities for local people or those functions that are not the sole responsibility of the town/parish council.
- 1.11. The decision to support applications is made by Wiltshire councillors on the area board.
- 1.12. Funding applications will be considered at every Area Board meeting whilst there is money available.
- 1.13. All recipients of area board funding are expected to complete an evaluation form as soon as the project has been completed and provide receipts if requested. Groups are encouraged to up-load information and photographs about their project on to their area board [blog site](#). Failure to evaluate projects will preclude applicants/organisations being considered for future funding.

Background documents used in the preparation of this report	Area Board Criteria and Guidance
--	----------------------------------

2. Main Considerations

- 2.1. Tidworth Area Board has been allocated a 2014/15 budget of **£45,975 discretionary Capital, £1,500 Digital Literacy funding, £11,757 CATG, £4,055 Youth Funding 11-19, LYN Youth Funding £13,865**. In 2015/16 only capital funding is available for community area and digital literacy grants. Area board operational funding and some small project support can be paid from revenue budgets as they allow.
- 2.2. Councillors will need to ensure that the distribution of funding is in accordance with the Scheme of Delegation outlined in Section 1 of this report.
- 2.3. Councillors will need to be satisfied that grants awarded in 2015/16 are made to projects that can realistically proceed within a year of the award being made.

- 2.4. There are six funding rounds during 2015/16. Deadlines for receipt of funding applications are **6 weeks before** the next area boards in

20 July 2015
21 Sept 2015
16 Nov2015
8 Jan 2016
14 March 2016

- 2.5. The Community Area Manager has delegated authority to authorise grant payments up to £500 between area boards where a project needs to be funded urgently. This will be in consultation with and agreement of the Chair and Vice-Chair of the board, all projects must meet the community grants criteria and be ratified at the next meeting of the area board.

3. Environmental & Community Implications

- 3.1. Area Board Grants contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

4. Financial Implications

- 4.1. Awards must fall within the Area Boards budget allocated to the Tidworth Area Board.

5. Legal Implications

- 5.1. There are no specific legal implications related to this report.

6. HR Implications

- 6.1. There are no specific HR implications related to this report.

7. Equality and Inclusion Implications

- 7.1. Community Area Grants and Small Grants will give local community and voluntary groups, town and parish council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

- 7.2. Implications relating to individual grant applications will be outlined in section 8, "Officer Recommendations" of the funding report.

8. Officer Recommendations

8.1

Ref	Applicant	Project proposal	Funding requested
	Collingbourne Ducis Parish Council	Village Playground	£5,000 ringfenced

8.1.1 Collingbourne Ducis Parish Council was awarded a Community Area Grant of £5,000 in financial year 2013/14 for development of a village playground. Whilst it is a requirement that Community Area Grants are spent within 1 financial year, the parish council has been unable to proceed in the timescales given due to a number of factors including changes in committee members and project managers.

The funding allocation has been ring fenced and carried forward.

The area board is asked to permit the parish council to reapply and draw down the funds in this financial year subject to the board being satisfied that the project can go ahead as planned.

No unpublished documents have been relied upon in the preparation of this report other than those requested in the funding criteria e.g. estimates.

3. Performance and Other Local Issues

The recorded crime statistics for the Tidworth Community Area are up slightly (4.2%) on the same figures for last year but it should be born in mind that the crime figures are very low and small changes can make a big difference to the percentage figures. It is pleasing to see that dwelling burglaries, which can cause so much distress to the victims, continues to fall and we have only had nine such crimes in the past year. Non-dwelling burglaries, where sheds are broken into, have started to rise again so the team have been involved policing activity to deal with this. One recent operation resulted in a car being seized and four tickets being issued for driving without insurance.

PCSO Natalie Cleife joined the team in March and has been completing her tutorship period. She is looking forward working in the Tidworth area and will soon become a familiar face in the town.

In my last update I mentioned that we had been having problems with a group of people throwing stones at passing buses in Tidworth. I am pleased to inform you that the offenders concerned were eventually identified and they have been dealt with. We have also been working with the parents of other young people who have been causing a few problems in the area and we have seen an improvement in the behaviour of this particular group.

Since the establishment of the MCPT (Military Communities Policing Team) we have seen a significant rise in the number of joint patrols carried out with the Royal Military Police on

Friday and Saturday evenings. We have also recently been joined on patrol by some of the Senior Army Officers and it is clear that their presence outside certain nightclubs can have a positive and sobering effect on the soldiers. We have appreciated the support that the Army has provided to ensure that we have a safe and thriving night time economy in the area.

We are heading for a busy Summer with a number of events scheduled including the Blue Light Day on 29th June and the Freedom of Ludgershall event on 30th May.
