p)	<p>MyWiltshire App No:316367 Near accident on A4 over main rail bridge.</p>	<p>An assessment of the site has been undertaken. The width of the bridge precludes physical measures, and signs warning of the narrowing are already located on the approaches.</p>	<p>That the Area Board notes the update SP and AC to discuss outside the meeting and bring any further updates</p>		

		  <p>Images from Google Streetview dated 06/2014</p> <p>Any solution to go through Network Rail.</p>			
q)	Devizes Road A365 -	Area has been identified for	That the Area Board notes the update,		

	lorries fast and mounting pavement Issue No: tbc	Major Maintenance, and this should include amendments to kerbs which preclude vehicle driving over the footway to pass each other – PB to confirm. Box PC are consulting residents on the provision of waiting restrictions. Freight strategy from 2010, looking to re-do the freight survey to look at the levels of lorries.	awaiting results of the consultation from the Parish Council.		
r)	Issue No: 3870 Emergency vehicles on Hazelbury Hill http://services.wiltshire.gov.k/Areaboard/get_area_board_issue.php?id=3870	Either side of the road is lined by high pavement and solid wall. No parking restrictions. Box PC have been discussing with residents.	That the Area Board notes the update, awaiting the response from the consultation being undertaken by the Parish Council.		
5	New Requests and Issues Raised Since Last Meeting				
	Issue No: 4213 The Tynings – White line parking deterrent Issue No: 4233	The issue has been discussed previously by the Town Council and is not supported.	That the Area Board notes the update and removes this issue from the list		
			To await consideration by the Town		

	Velley Road, Gastard		Council in the first instance.		
	Issue No: 4304		To await consideration by the Parish Council in the first instance.		
	Hither Way, Lacock				
6.	Other agenda items				
6.1	<u>Freight Strategy</u> In future CATG will be responsible for prioritising the request for freight and weight restrictions. They are currently going back to Parish councils and ask if they still support the requests received over the past few years. Once they have these they will bring them to the CATG and ask them to put through the top two requests and these will be prioritised and looked into. Only two requests from the areas in this CATG and both are still supported. A new issue was raised for Box/ Colerne SD suggested this is brought forward now, and then all three will be brought to the next CATG.			Spencer Drinkwater	
6.2	Charge to apply double yellow lines was raised. Gareth advised there is no charge to apply for double yellow lines, it is done through Parish or Town Councils and are put through together.				
6.3	<u>Traffic Signal installations</u> A4 Cross Keys / Priory Street Wiltshire's traffic signal consultants have been reviewed to identify which are near end of life and require maintenance. There is a programme of works for the next 5-6 years to replace these, while doing this they will look into both traffic flow and pedestrian use.			Gareth Rogers	

	In this area the traffic signal on this list is A4 Cross Keys
7.	Date of Next Meeting
	7 th January 2016

Corsham Community Area Transport Group 29 October 2015

Report Author:

Present: Cllr Philip Whalley (Chair), Cllr Alan Macrae, Cllr Richard Tonge, Gareth Rogers, Cllr Sheila Parker, Spencer Drinkwater, Laura Hopkins, Simon Scott – Corsham Town Council, Alan Clench – Box Parish Council, Mike Curd, Box Parish Council, John Bull, Colerne Parish Council, Ruth Hopkinson- Corsham Town Council, Anne Lock – Corsham Town Council.

1. Environmental & Community Implications

1.1. Environmental and community implications were considered by the CATG during their deliberations. The funding of projects will contribute to the continuance and/or improvement of environmental, social and community wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

2. Financial Implications

2.1. All decisions must fall within the Highways funding allocated to Corsham Area Board.

2.2. If funding is allocated in line with CATG recommendations outlined in this report, and all relevant 3rd party contributions are confirmed, Corsham Area Board will have a remaining Highways funding balance of **£18,903.38**

3. Legal Implications

3.1. There are no specific legal implications related to this report.

4. HR Implications

4.1. There are no specific HR implications related to this report.

5. Equality and Inclusion Implications

The schemes recommended to the Area Board will improve road safety for all users of the highway.

6. Safeguarding implications
