

DISCOVER Trowbridge – a town council for all of the town.

Trowbridge Town Council believes that Trowbridge has made a step change in recent years, with its own investment in the Civic Centre and the Town Park and support for the development of new shops, the ODEON cinema and restaurants, the weekly market, new businesses and a growing population.

Trowbridge Town Council wants to ensure that this transformation continues into the future so that together we can all deliver a sustainable town that provides a full range of facilities and services for the whole community.

Trowbridge Town Council is already working with partners on plans to deliver; new sports pitches and outdoor leisure facilities, improved cultural and heritage venues and activities in the Museum and at the Town Hall, a new health and well-being centre and other improvements in the town centre. It also want to improve our car parks and make them more affordable for people who work in the town centre and visit Trowbridge, retain our town bus services, provide better children's play areas and new and improved youth facilities including skate-parks.

Trowbridge Town Council can only do these things for the whole town if the areas of new development are included in the town boundary and everyone makes a contribution to our success. Wiltshire Council is currently undertaking a consultation on changes to the town boundary and everyone needs to respond to the consultation. If you think that Trowbridge Town Council should continue to deliver a better place, with better facilities then please tell Wiltshire Council that:

Trowbridge needs one town council for all of the town and we support all of the revisions to the town boundary proposed by Trowbridge Town Council.

Please attend the public meeting on Tuesday 13th October at 6pm in County Hall and complete the online survey at:
