

FUND OVERVIEW

Charishare is one of six Common Investment Funds managed by BlackRock that have been specifically designed to meet the investment needs of charities. The Fund offers charities access to a professionally managed, diversified equity portfolio which invests predominantly in quality UK companies. Charishare is a charity in its own right, approved by the Charity Commission and with an independent Advisory Committee. It is exempt from stamp duty and capital gains tax. The Fund aims to provide medium to long-term capital and income appreciation by investing mainly in UK listed companies.

GROWTH OF 10,000 GBP

Unit Class and Benchmark performance displayed in GBP. Source: BlackRock. Performance is based on closing bid prices for UK funds with net income reinvested. **Past performance is not a guide to future performance.**

GLOSSARY

Market Capitalisation: is the total value of the shares issued by a company which trades on the stock exchange.

Price to Book Ratio: represents the ratio of the current closing price of the share to the latest quarter's book value per share.

Price to Earnings (TTM) Ratio: represents the ratio of the market price per share of a company to the company's earnings per share for a twelve-month period (usually the last 12 months or trailing twelve months (TTM)).
