**Trustees' Annual Report**

Wiltshire Council is the sole Trustee of the Trust and is required by the Charity Commission to produce an annual report for Councils approval. Under delegated powers the approval of annual reports on the activity of the Trust and on investment matters, together with any contentious policy issues, are dealt with on behalf of the Council, as trustee, by Dick Tonge, Cabinet Member for Finance, Performance, Risk, Systems Thinking, Procurement and Welfare Reform.

**Structure, Governance & Management**

The Charity was established from a deed of gift constituted on 24 May 1888 between William Henry Laverton and eleven others. It provides for a swimming bath for the benefit of the inhabitants of the parish of Westbury.

A piece of land at Church Street, Westbury with buildings would be used as public baths. In 1901 the baths transferred to the Urban District Council of Westbury with an indenture being conveyed on 6<sup>th</sup> May 1903.

Until 1 April 2009 West Wiltshire District Council (WWDC) were sole trustees. From this date WWDC along with other Councils within Wiltshire became a

single tier unitary authority under a Structural Change Order 2008 (No. 490). The new authority and Trustees became Wiltshire Council.

The charity was gifted to the Council without any form of corresponding endowment fund. The charity has been operated by the Council since then as part of the Council's leisure services function, from which it receives all necessary funding to pursue its objects. The Council, as the trustee of the Charity, has arranged for its day to day administration and responsibilities for the site to be delegated to Places for People Ltd. This company manages other sports centres and pools provided by Wiltshire Council.

### Risk Management

Places for People are responsible for maintenance at Westbury Pool through the contract. However detailed contract management and risk assessments by Wiltshire Council Property team mitigate the risks.

### **Objectives and Activities**

The objects of the charity are:-

The provision and maintenance of the swimming bath for the benefit of the inhabitants of the parish of Westbury as constituted on 24 May 1888 without the distinction of political, religious or other opinions with the object of improving the conditions of life for the said inhabitants.

A brief summary of the main activities and achievements of the charity during the year in relation to its objects;

The facility is provided for the residents of Westbury and the wider community. The main activities of the charity focus around the provisions of swimming. This specifically includes swimming for schools, mums and toddlers, lessons for both adults and children, aqua fit classes and general public swimming sessions.

### **How our Activities Deliver Public Benefit**

Briefly the aims of the Trust are to provide a public bath for the parish of Westbury.

The charity is maintained by the Council for the benefit of all residents to the area and visitors to West Wiltshire. A scheduled timetable exists including public swimming and various group sessions. The pool is also available for hire.

### Statement

The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Charity Commission.

## **Achievements & Performance**

The Baths continue to be used by local residents, groups, schools and organisations during 14/15. Attendance figures for the year reached over 48,000 visits. This is approximately a 20% increase from the previous year and this is due to the fact that there have been no long periods of closure in the past year.

Free swimming for under 16's during school holidays has continued and is being re-implemented. The children's learn to swim programme continues to be successful and numbers have increased to over 11,000 in attendance, over 3,900 are from schools in the local area and over 3,800 are from the town swimming club that continues to operate out of the centre.

## **Financial Review**

The financial position of the Charity for the year is shown in the financial statements. Expenditure for the year totalled £143,208 with the £15,211 being paid to People and Places Ltd who manage the Swimming Pool. This was a reduction from the previous year as the overall contract with the council was renegotiated. Income from Wiltshire Council was £100,843 which is made up of an apportionment of the overall Management Fee that Wiltshire Council pays People and Places Ltd to manage 8 leisure facilities in West Wiltshire.

The gross book value of the swimming pool at 31 March 2015 totalled £562,921. Depreciation has been deducted using the straight-line method calculated to write off the cost or valuation less estimated residual value of the asset over its expected useful life. The useful economic life of Westbury Swimming Baths is 50 years of which 8 years have passed.

## **Independent Examination**

The Charity's accounts, which are maintained by the Director of Finance, are subject to independent scrutiny by accountants Blomfields of Trowbridge.

## **Other Information**

Any comments on this report or on the activities of the Charity generally should be addressed to the Westbury Swimming Baths c/o Associate Director Public Health, Wiltshire Council, County Hall, Trowbridge, Wiltshire, BA14 8JN.
