Youth Grants Area Board funding application

1. Purpose of the Report

The LYN Management Group met on 6th January 2016 to consider 1 grant application from the following applicant to make the following recommendation to the Area Board on the applications below.

Application

Ramsbury Recreation Centre

Due to a system error, the Local Youth Network Management Group, are happy to confirm that the application was submitted by Marlborough Golf Club Youth Committee and not the Ramsbury Recreation Centre.

The aim of the Marlborough Junior Golf Initiative is to introduce young people to the game of golf and dispel the myth that the Golf Club is not just for privileged people but is accessible to everyone. Through consultations with St John's School and with support of the CYO we will try to reach the more vulnerable children and young people in the local area.

We have two young people on our Junior Committee, who have been involved at the planning stage and will help once the practical work begins - 6 - 12 for a 12 week 2 x 6 weeks period initially and then expand.

The sessions will be free and initially we will target young people from the local area to enable accessibility to all. Future sessions may involve a small charge.

We will ensure the project is accessible to everyone and ask St John's to ensure a good mix of young people.

We have two Junior's on our Committee and there are always opportunities for more to join to be involved.

This initiative took into account the Joint Strategic Assessment Consultation event which was carried out with young people from St John's in 2014 and data from Intelligence Network for Marlborough Community Area and also the accompanying Needs Assessment.

The Local Youth Network Management Group has made a recommendation to award the full £1660.00 requested towards this initiative.

The application submitted is available on the following link:

A sub group of the Wider Local Youth Network has requested the sum of **£5,000** to use towards a Music Festival for Young People – named MY Music Festival.

The event has been identified by the Wider Local Youth Network as a priority out of a consultation with young people based on the Joint Strategic Assessment which was carried out in June 2014, together with the Needs Assessment produced by the Community Youth Officer.

Background

1.1 Area Boards have authority to approve Youth Grants area applications as per the Leaders Guidance for Community Area Grants on positive Activities for Young People, adopted by Marlborough Area Board. Area Boards will allocate their dedicated youth funds in accordance with this guidance issued by the Leader, meeting requirements of the Constitution. These decisions will take place at the public meetings to ensure that consideration on how the Youth Grants funding is deployed is open and transparent.

1.2 Area Boards must comply with the statutory equality and safeguarding duties as well as the council's rules on contracts and procurement and the code of conduct, as well as ensuring the Community Youth Grants criteria is met. Area Boards have been delegated the responsibility to ensure positive activities for young people are secured sufficiently to improve their well-being and to ensure support from Wiltshire

Council Children's Services has been received. This support will fundamentally come from the local areas Community Youth officer so Area Boards need to be sure this resource has been offered and enabled.

1.3 The Community Youth Officer is required to provide recommendations from the Local Youth Network management group through a report submitted to the Area Board. These recommendations will be generated from the Local Youth Network management group through the use of a scoring sheet matrix of each Youth Grant funding application. Community Area Boards must take into account these recommendations, advice and guidance.

1.4 When considering funding applications, the Area Board must ensure there is evidence that young people have participated in the decision making process. This will have been verified by the Community Youth Officer.

1.5 Area Boards must ensure that safeguarding and quality assurance standards have been met and that and must have the necessary policies and procedures in place to meet legal requirements. The Community Youth Officer will have carried out these checks on the group that has submitted an application for funding.

1.6 Applications of up to and including £5000 can be made for a Community Youth Grant and those that have sought match funding will carry more weighting.

1.7 Applications that involve and benefit groups of vulnerable young people will be given extra weighting when coming to a decision.

1.8 Applications must help meet the identified needs, priorities and outcomes for young people in the area that the Local Youth Network has provided through its community needs analysis.

1.9 Applications must be for positive activities for young people aged 13-19 (up to 25 years of age for young people with special additional needs and or disabilities and must be for new

projects and or support community projects, not retrospective applications. The Community Youth Grant funding is for revenue based positive activities for young people and is ring-fenced for this purpose.

1.10 Those applying for funds must be a voluntary or community sector organisation or have a sponsor organisation. Applications may be received from a parish/town council or school or other statutory service, providing conditions of application have been met, as per criteria. Groups of young people may apply providing they have the support of a supporting/sponsor organization.

1.11 Area Boards will not consider Community Youth Grant applications from town and parish councils or schools/other statutory bodies for purposes that relate to fund their normal services and or activities.

1.12 The funding is not to replace other local funding which is used to support services and activities for young people and the Area Board is required to ensure the funding enhances and complements local provision/resources.

1.13 The Area Board will ensure that impact assessment will form a condition of any funding decision to enable monitoring of the effectiveness of positive activities. The Community Youth Officer and the Local Youth Network management group will carry this role out. This will include recipients completing and returning evaluation forms and accounts of expenditure.

1.14 The emphasis of this Community Youth Grants funding is to support the ethos of the community-led model for the provision of positive activities for young people, which supports young people and their communities to come together to develop a local response to meet local needs. Therefore, applications that embrace and evidence this should be encouraged.

1.15 Area Boards will consider funding applications at every meeting whilst there is still funds available.

1.16 The funding criteria and application forms are available on the council's website: <http://www.wiltshire.gov.uk/council/areaboards/communityyouthactivitiesgrants.htm>
