This is reflected in our current Village Plan. - At our Open Forum in April 2009, more than one-third of the village adult population challenged Service Director Tracy Carter over perceived road and traffic concerns. - Our June 2009 campaign petition ‘20’s Plenty For Us’ has attracted over 300 signatures from concerned residents. - The Limpley Stoke Parish Council is unanimous in its support for this community initiative. Limpley Stoke had 640 residents at the last census, including around 100 under the age of 18 and 100 over 60. The Scheme will benefit all residents and visitors to the village.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The project involves a one-off spend on various potential schemes which will be prioritised in a January 2010 workshop which is being held with Alan Feist and various of his transport officers. This will be a one-off cost and future maintenance will be undertaken between the Highways department and the Limpley Stoke Parish Council.

Limpley Stoke Parish Council are spearheading this project in close coordination with Alan Feist and the Highways Department. The beneficiaries of the scheme are all residents and visitors to Limpley Stoke who want to walk through the village. Particular beneficiaries are the school children who are currently at risk walking to school in Freshford and elderly residents walking to bus stops/ village hall/ village shop.

Reduced traffic intimidation will encourage more walking through the village which will:
