Collaborative Schools Steering Group	Area Board - Trowbridge	The Extended Services agenda has evolved massively since its original conception and has an increasing focus on health and wellbeing community initiatives, that support a whole family. Our initiatives are very much locality and needs led, grounded by family consultation. This places us in a key position to provide feedback to the Area Board on welfare issues that are of priority to the community. We have developed strong relationships with a wide variety of local partner agencies, parents and young people, including vulnerable families and believe that an official representation on the Area Board will help to ensure community voice. This communication will also minimise duplication of initiatives.	As a collaborative partnership of schools the vision is to create a community in which parents feel supported to achieve the very best outcomes for their children. The needs of our families are diverse - we aim to empower all parents resulting in raised aspirations and the increased well being of whole families, subsequently impacting positively on our community area. We are committed to keeping the children and their families at the heart of our collective decision making.	The Extended Services and Collaborative Steering Group meet 6 times per year as a whole body, for a meeting duration of 2 / 3 hours. During the periods between these meetings communication between all representatives and the wider constitution is very strong ensuring ongoing progresses.	Yes	1	Position Vacant July 2013.
