Apologies	Maranda Morgan, Mr Staten; Josh Towers, Sheila Parker				
Agenda Items					
1	Introductions				
2	<p>Assessing the grant LYNMG discussed the grant application and the group discussed whether it is believed that the Corsham Youth Zone operates in a safe way, taking into consideration their safeguarding responsibility and their duties. As the Corsham Youth Zone has all of the relevant policies, including no lone working and all volunteers being DBS checked, the LYNMG do believe that the LYNMG operate safely. Also, as the group is working with vulnerable young people; supporting their needs and filling a gap in provision within the community, the LYNMG is recommending that the Corsham Area Board fund the Capital items they require.</p>				
3	<p>Youth Fest – they young people at Corsham secondary school have decided that they would like their ‘whats on’ day to be called the ‘Youth Fest’. The LYNMG would like to work with the school, in order for the day to be hosted there in September and for it to be in the afternoon. The Youth Fest would consist of youth provision providers setting up stalls and young people coming out, as part of their lessons, to see what is on in their local area for them to participate within; from mental health services to emotional wellbeing provision, to positive activities. A working group of the LYNMG will carry this forward and meet separately to the LYNMG; to plan and carry out the Youth Fest.</p>				
4	Cllr Alan Macrae explained the difference between the Capital funding and the revenue funding that is available through the Area Board.				
5	<p>Future meeting date 4th July 2016</p>				
Decisions					
1	To have a working group out of the LYNMG members to plan and carry out the Youth Fest day.				
Recommendations to Area Board					
1	To award the Corsham Youth Zone the funding grant.				
Date of Next meeting Thursday 28 th April					
Notes Taken By	Emma Drage			Position	Community Youth Officer
