

**Petition for the Introduction of Restricted Parking to be
put in place on Langley Road (east) Chippenham
Wiltshire**

The inconsiderate long stay parking on the eastern side of Langley Road has created a very dangerous situation regarding line of sight in both directions when exiting private driveways. The exiting of vehicles owned and driven by mothers with children, the elderly and other residents of the access road to Wade Mews, which serves NINE properties, is proving to be very dangerous.

We the undersigned petition for restricted Parking
(4 hour maximum stay) to be put in place.
