

STRATEGIC PLANNING COMMITTEE

DRAFT MINUTES OF THE STRATEGIC PLANNING COMMITTEE MEETING HELD ON 15 JUNE 2016 AT COUNCIL CHAMBER - COUNTY HALL, TROWBRIDGE BA14 8JN.

Present:

Cllr Andrew Davis (Chairman), Cllr Tony Trotman (Vice Chairman), Cllr Glenis Ansell, Cllr Trevor Carbin, Cllr Terry Chivers, Cllr Stewart Dobson, Cllr Charles Howard, Cllr David Jenkins, Cllr Christopher Newbury, Cllr Bridget Wayman and Cllr Fred Westmoreland

Also Present:

Cllr Magnus Macdonald, Cllr Pip Ridout and Cllr Toby Sturgis

38 Apologies for Absence

There were no apologies for absence.

39 Minutes of the Previous Meetings

Resolved:

To confirm and sign the minutes of the meetings held on 11 May and 2 June 2016.

40 Declarations of Interest

Cllr Bridget Wayman declared a non-pecuniary interest in West Warminster Urban Extension Masterplan (Minute No 43 below) as she was a member of Cranborne Chase and West Wiltshire Downs AONB Panel.

Cllr Andrew Davis declared a non-pecuniary interest in West Warminster Urban Extension Masterplan (Minute No 43 below) as he was a member of Warminster Town Council and, as a member of the Town Council's Planning Advisory Committee, had taken no part in the Committee's consideration of the matter and had left the committee room during the debate.

41 **Chairman's Announcements**

The Chairman reminded members of the public that whilst they had the opportunity to make representations on the West Warminster Urban Extension Masterplan and to contact and lobby their local member and any other members of the planning committee before today's meeting, he would not allow any last minute lobbying of members once the debate has started, including the circulation of new information, written or photographic which had not been verified by the Council's planning officers. He respectfully asked Members and members of the public to please bear this in mind

42 **Public Participation and Councillors' Questions**

No questions had been received from councillors or members of the public.

The Chairman welcomed everyone to the meeting. He then explained the rules of public participation and procedure to be followed at the meeting.

43 **West Warminster Urban Extension Masterplan**

The following people spoke against the proposal

Mr Jeremy Stadward, a local resident
Mr Tony Nicklin, Chairman, Neighbourhood Plan Working Group
Mrs Tracy Clifford, representing ABC Action Group & a local resident

The following people spoke in support of the proposal

Mr Dennis Barry of GL Hearn – Property Consultants, representing Persimmon Homes.
Ms Jenny Mitter of Nathaniel Lichfield & Partners, representing Redrow Homes.

Consideration was given to a report by the Associate Director, Economic Development & Planning requesting the Committee to endorse the draft West Warminster Urban Extension masterplan (WWUE) and to authorise the Associate Director for Economic Development & Planning, in consultation with the Cabinet Member for Strategic Planning, Development Management, Strategic Housing, Property & Waste, to make any further necessary minor changes in the interest of clarity and accuracy.

It was noted that, at its meeting on 13 April 2016, this Committee had given consideration to adopting this masterplan but during discussion Members had considered that there appeared to be some confusion on the number of houses which should be included in this masterplan. They also requested further detailed information about potential flooding, landscaping, traffic management

particularly of West Street and the sighting of the proposed new primary school and had resolved as follows:-

“To defer consideration of the draft West Warminster Urban Extension masterplan and to request the officers:

- (1) to look into how this could be brought into greater conformity with the Wiltshire Core Strategy, and*
- (2) to examine further the issues regarding potential flooding, landscaping, traffic management particularly affecting West Street and the position of the new primary school.”*

The Associate Director made a presentation in which he explained that the Wiltshire Core Strategy supported the delivery of 900 homes and six hectares of employment land on this site until 2026. Following a detailed site investigation and after consultation including an examination in public, the WWUE site had been identified as the most sustainable location for growth in Warminster. He further explained that the purpose of a masterplan was to manage the development of sites as identified in the Core Strategy. It provided a template to ensure that developers worked within the framework as set by the Core Strategy. It was pointed out that although the Core Strategy had identified this site as suitable for the provision of 900 houses until 2026, the site was large enough to accommodate 1550 homes. The intention of the masterplan was that development of the site would extend beyond the Core Strategy plan period to 2026 with estimates showing that 893 dwellings would be delivered within the Core Strategy Plan period to 2026, with the remaining figure to be delivered over the following years to 2033.

Following on from the meeting on 13 April 2016, further work had been undertaken to examine the issues regarding potential flooding, landscaping, traffic management particularly affecting West Street and the position of the new primary school and this was set out in paragraph 11 of the accompanying report.

Members then had the opportunity to ask technical questions after which they received statements from members of the public as detailed above, expressing their views regarding the proposal.

Members then heard the views of Cllr Pip Ridout, the local Member, who, whilst not supportive of so many dwellings being planned for this area of Warminster, nevertheless recognised the need for a masterplan and accordingly reluctantly supported the approval of the WWUE.

Cllr Ridout also drew attention to the traffic assessment and was disappointed that it did not include either West Street or Bath Road, both of which she considered required some attention whilst recognising that West Street was narrow and incapable of being widened. The Traffic Engineer recognised that

West Street was a traffic pinch point and these constraints had been taken into account in the traffic modelling. One option could be the introduction of a 20mph zone in West Street.

After some discussion,

Resolved:

- (i) **To endorse the draft WWUE masterplan as a significant material consideration, subject to the recommended changes set out in paragraph 11 of the report.**
- (ii) **To authorise the Associate Director for Economic Development and Planning, in consultation with the Cabinet Member for Strategic Planning, Development Management, Strategic Housing, Property and Waste, to make any further necessary changes in the interest of clarity and accuracy. This will include confirmation of drainage and modelling as set out in paragraph 12 of the report.**

44 **Date of the Next Meeting**

Resolved:

To note that the next scheduled meeting of this Committee was due to be held on Wednesday 13 July 2016, at County Hall, Trowbridge, starting at 10.30am.

45 **Urgent Items**

There were no items of urgent business.

(Duration of meeting: 10.30 am - 12.40 pm)
