2015	St Andrews & Jammie Dodgers	Development of Under twos nursery	£1422.46

Project Description:

Due to very high Demand we are planning to develop two rooms within our building to accommodate children from 03 months to 24 months. We plan to

1. Replace flooring through play spaces
2. install to bespoke safety gates doors
3. Cover radiators
4. Box in pipe work and install low sink
5. Make halls way safe- panel railing etc.
6. Furniture and equipment for the age group evacuation trolleys changing station sensory equipment activities seating etc.
7. Recruitment and advertising

Input from Community Engagement Manager:

During a recent meeting with the manager (Louise Chant) we discussed the newly developed space for 3 month plus babies, which has had a very successful uptake by parents. The grant would develop this provision to provide a further 6 places, which would go some way to helping accommodate the waiting list for these highly sort after places. The setting provides affordable subsidised places for military and civilian families in their community area which enables parents to work by offering full day care provision. The expansion of places would also offer invaluable respite play sessions for families, single parents and carers for the very young as other settings in the area only take from 12 months.

The expansion will also offer employment opportunities for qualified and unqualified staff from the surrounding areas and would be self-funded when up and running.

Proposal

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
2019	Avon Small Saints Pre School	Avon Small Saints Pre-School furniture	£1000.00

Project Description:

We are redecorating our Pre-School this summer and I moving forward with a new vision and ethos. We would like new wooden chairs and tables as our current ones are old and some are broken and it would change the overall look of our setting to the calm and tranquil environment we are striving towards.

Input from Community Engagement Manager:

Improving the provision for children and ensuring the maintenance and quality of places where young people go so as to improve safety and experience was voted as a priority at the last JSA and this project helps fulfil that aim.

Proposal

That the Area Board determines the application.
