<p>This project is to replace an existing wicket mower that is over 30 years old. The wicket mower is an essential piece of equipment for a cricket club. In the case of the Peterborough Arms Cricket Club this enables us to operate and provide cricket for players from Dauntsey, Bradenstoke, Great Somerford, Upper Seagry, Little Somerford and Brinkworth. There are no cricket facilities in these villages. The pitch at St Johns, Dauntsey is also used by other teams in the area who do not have the benefit of a cricket ground. The proper preparation of the wicket is essential to ensure that young players are given an introduction to village cricket and develop team activities. The ground is also used by local youngsters who are not members of the team, but are encouraged to use the nets and a special wicket that is prepared by the club for their use. The Peterborough Arms Cricket Club has an open constitution and a current playing membership of 48 members. The Club provides cricket and social activities for villagers of all age groups and encourages players who often feel their days of competitive league cricket are over. This is a special element of the way the club operates and every effort is made by the club to encourage those players who need exercise and companionship to take part.</p>			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The running costs of the club, including care of capital equipment, are covered by the annual receipts from match fees and fund raising.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

The Club was formed in 1986 by a group of 'mature' players who frequented the Peterborough Arms at Dauntsey Lock. The initial years were spent playing at what is now Woodbridge Golf Club. In 1996 the club was offered the use of a field in Dauntsey at St Johns Farm, courtesy of Mrs and Robert Hitchcock and has developed on that site since then. The club is an essential part of village life in Dauntsey, all home matches are well advertised and villagers are encouraged to visit the ground and relax for a while. Any award that is granted will help to ensure that village cricket continues to thrive in the village, it should be noted that five years ago there were three cricket pitches in the village, the Peterborough Arms Cricket Club is the sole provider of cricket for Dauntsey and the surrounding villages. In 2009 the judges of the Best Kept Village Competition gave the cricket ground a special mention as a village amenity. With the current expansion in the village the need to maintain recreational facilities will become a high priority and the continued existence of the cricket club is very desirable. The Dauntsey Parish Plan identified the need to improve the Recreation Ground in the village. This has been done and is well supported. The cricket Club is seen as an extension of these facilities providing a more structured (and educational) opportunity for the youth of the area.
