

## Register now for Pewsey Our Community Matters conference

The '**Our Community Matters**' event is on Thursday 19th January 2017 at Bouverie Hall, Pewsey SN9 5ES. Doors open at 6.30pm and the event starts at 7.00pm. Refreshments will be available.

**What has changed in the Pewsey Area over the last two years?** A brand new report on the issues affecting our community will be presented and you will have a chance to shape how we respond. The Community Area Joint Strategic Assessment will cover local issues across health and wellbeing, community safety, the economy, transport, the environment, housing, older people, children and young people and culture. The assessment will allow us to see what has changed since 2014 and decide what needs to change over the next two years.

**Are you shaping the future of our community?** This evidence will help us decide how we can deliver local projects to address local challenges and we want to hear your views on how we can, together, make the Pewsey community area a better place to live in, work in and to visit.

**Please come and join us.** Our community really does matter and I do hope you can take part in this conversation.
