Pay Policy Statement

This policy can be made available in other languages and formats such as large print and audio on [request](#).

What is it?

The pay policy statement sets out the council's approach to pay and reward for senior managers and the lowest paid employees for the financial year 2017-2018.

Its purpose is to provide a clear and transparent policy, which demonstrates accountability and value for money. The policy also meets the council's obligations under the Localism Act 2011 and the Code of Recommended Practice for Local Authorities on Data Transparency.

The pay policy is applicable to council staff and does not include schools support staff or teachers.

The pay policy statement sets out the authority's policies for council staff for the financial year relating to:

- the remuneration of chief officers
- the remuneration of the lowest-paid employees
- the relationship between the remuneration of chief officers and employees who are not chief officers.

Remuneration for the purposes of this statement includes three elements:

- basic salary
- any other allowances arising from employment

The term "chief officer" in this instance applies to more posts than the usual council definition, and includes the following senior manager roles:

Corporate Director
Associate Director
Head of Service
Some specialist roles

The term “lowest paid employees” refers to those employees on the lowest pay point of our grading system. This is the lowest apprentice rate of £8,065 per annum for Level 2 & Level 3 apprentices under 18 years.

Introduction

Wiltshire Council is a large and complex organisation providing a wide range of services to the community, with an annual budget of £XXX (tba) (2017/18).

In order to deliver these services around 11,240 people work for the council, 4,671 of whom work in the council (non-schools), in a variety of diverse roles such as corporate director, social worker, public protection officer and general cleaner.

The council published the Business Plan 2013 – 2017 in September 2013. At the heart of the business plan is the vision to create stronger and more resilient communities, and the four year plan sets out the key actions that will be taken to deliver this. The key priorities are to continue to protect the vulnerable in our communities, boost the local economy and encourage communities to come together and provide support so they can do more for themselves.

This is set against a background of continuing budget cuts from central government whilst there is an increasing service delivery expectation. In order to help meet this expectation, the job family approach has now been implemented across large areas of the council with the expectation that all remaining employees will be moved into role profiles which describe different

levels of work during 2017. The job family approach will allow greater clarity of career paths for individuals and will provide greater flexibility of staff which is key to effective service delivery when resources are limited.

The coming year will continue to be challenging with the council having to find innovative ways to deliver services within strict cost parameters. It is now more important than ever to ensure the council has the right people in the right place at the right time to deliver services, and the focus will be on developing our future leaders in order to drive efficiencies and excellence. An annual review of market pay for senior roles will ensure the council is able to compete in the jobs market to recruit and retain the right people in these senior roles.

In early 2016, negotiations took place between Wiltshire Council and the recognised trade unions in order to deliver annual savings of £2.5m over a 4 year period. The trade unions recommended to their members that a temporary change to terms and conditions negotiations would be preferable to any permanent changes. The ballot resulted in an increment freeze for a two year period covering 2016/17 and 2017/18 in order to avoid permanent changes to any terms and conditions as well as further redundancies. The council were able to offer staff an additional two days annual leave per year as part of these negotiations.

The forthcoming legislation and government initiatives planned for 2017/2018 will have an impact on pay arrangements. The new National Living Wage (NLW) will increase to £7.50 per hour from 1st April 2017 and increasing to over £9.00 by April 2020. The 1% cap on public sector pay awards is set to continue until April 2020.

The government has also announced that Gender Pay Gap legislation for organisations to provide gender pay gap information will be extended to include the public sector. Regulations on when and where the data should be published will be set out in due course. In addition, the government has proposed a cap on public sector total exit payments at £95,000. As well as redundancy pay this payment will include any compensation payment as a result of a voluntary exit, any payment in lieu of notice, and the costs associated with early access to an unreduced pension. The exit payment cap will have implications for the Wiltshire Council's redundancy pay policy and the current voluntary redundancy procedure. A consultation is currently being undertaken, and indications are that the implications will be complex and will likely involve changes to the LGPS.

The recovery of exit payment provisions provide that employees in the public sector with annual earnings of £80,000 or more must repay exit payments where they return to work in the public sector within 12 months of leaving. It is anticipated that there will be tapered recovery over 12 months following exit, starting from the first day after exit. This will also include in-recovery employer funded pension top-up payments made under the LGPS. The recovery

regulations are expected to be in force during 2017, subject to their passing by both Houses of Parliament under the affirmative process.

Who does it apply to?

This pay policy statement applies to all non- schools employees of Wiltshire Council with the exception of Centrally Employed Teachers who fall under the Teacher's Pay Policy.

When does it apply?

This pay policy statement was originally published in February 2012 and has been updated for the financial year 2017/2018. It will be reviewed and updated on an annual basis.

What are the main points?

1. This pay policy statement sets out the pay policies which apply to both the lowest paid and highest paid employees within the council.
2. In many cases the pay policies are the same for all employees. Where there are differences, these have been clearly outlined below.

The level and elements of remuneration for employees

3. In line with good employment practice the majority of jobs within the council have been evaluated using a job evaluation scheme. This is to ensure that jobs are graded fairly and equitably, and that the council complies with the Equal Pay Act.
4. A small number of jobs i.e. Youth and Community workers, centrally employed teachers and Soulbury staff are subject to national salary scales which determine the pay for each job, and therefore the evaluation schemes do not apply.
5. The council uses two job evaluation schemes in order to rank jobs.

Hay job evaluation scheme:

6. The Hay job evaluation scheme is used to evaluate senior manager jobs within the council (currently 112 employees), which include the following roles:
 - Corporate Director
 - Associate Director
 - Head of Service
 - Strategic and technical specialists

7. Each job is assessed by a panel of three Hay trained evaluators. The evaluators consider the job against each Hay element and sub-element and apply the description and points that best fit the job being evaluated. The values awarded are subsequently added together to give a total job score.
8. The Hay Group periodically carry out quality control checks to ensure the consistency of job scores in line with the conventions of the scheme.
9. The job score determines the grade for the job. There are 6 Hay grades each containing a salary range over 4 spinal column points.
10. See the [Hay job evaluation scheme](#), the [points to grades](#) and [salary bands](#) for further details.
11. The council's policy is to pay the median market rate for the jobs evaluated using the Hay job evaluation scheme, and aims to ensure that the pay scales for Hay graded posts are sensitive to labour market pressures. There are no national pay scales for senior roles so pay is a matter for local determination. Pay scales for Hay grades are determined using the Hay pay databank for the public and not for profit sector and are reviewed on an annual basis and realigned should a pay drift be identified.

Greater London Provincial Council job evaluation (GLPC) scheme:

12. The GLPC job evaluation scheme is used to evaluate the majority of jobs within the council (currently 4,374 employees).
13. Each job is assessed by a panel of three trained GLPC evaluators. The evaluators consider each job against a suite of agreed role profiles that set out the level of work required of the grade within the relevant job family.
14. There are 8 job families each containing a set of role profiles stating the requirements at each grade.
15. There are 15 grades, each grade containing between 3 and 4 increments except for the lowest grade which has just one salary point. The GLPC pay grades were first implemented and agreed with the unions as part of the Pay Reform agreement in 2007.
16. See the [GLPC evaluation scheme](#), [the points to grades](#) and [salary bands](#) for further details.
17. The council aims to ensure that the GLPC scheme is appropriately applied and that there is continuity and consistency in the results. The evaluation process and a sample of the scores are checked externally by job evaluation specialists in the South West Councils organisation.

18. For jobs evaluated using the GLPC job evaluation scheme the national pay spine determined by the National Joint Council (NJC) for Local Government Services applies and changes to the national pay spine are subject to annual pay negotiations.

Remuneration on recruitment

19. The same recruitment policies apply to all employees who take up a new appointment with the council, regardless of grade.

20. The council advertises all posts through the careers website, and may also employ a recruitment agency to provide a shortlist of candidates for senior manager jobs.

21. Candidates are normally appointed on the minimum spinal column point of the grade for the post.

22. If a candidate is currently being paid above the minimum point of the post they are applying for, the appointment may in some circumstances be on the next increment above their current salary, subject to the maximum of the grade.

23. The recruitment procedure for Corporate and Associate Director posts are undertaken by the Officer Appointments Committee. This committee represents Council for all Corporate and Associate Director appointments. Once an appointment is proposed by the committee, cabinet is required to ratify the decision and salary level within the band before the appointment is confirmed.

24. In line with the requirements of the Localism Act 2011, all chief and senior officer jobs, including those paid over £100,000 per year, are assessed by applying the Hay job evaluation scheme. The job is then allocated the appropriate existing Hay grade and pay band, and a salary offer will only be made within that pay band.

25. Where it is necessary for any newly appointed employee to relocate more than 15 miles in order to take up an appointment the council may make a contribution towards relocation expenses.

Market supplements

26. The council has a [market supplement policy](#) which stipulates that if there are recruitment difficulties for a particular post and it is shown that the council are paying below the market rate for the job, a market supplement may be paid.

27. Market supplements are only payable to a small number of jobs which are evaluated using the GLPC or HAY schemes. See the list of [market supplements](#) for current details.
28. Where skills shortages exist in specific areas, or where despite paying at the median market rate for the role the pay rate for the role is still not sufficient to recruit and retain the skills required, a rate higher than the market median may be paid. This requires the authorisation of the corporate directors.
29. The level of market supplement applied to GLPC posts is determined by analysing market data from an external source e.g. Croner Solutions.
30. The data used for assessing market supplements for Hay graded posts is the Hay pay databank for the public and not for profit sector. The Hay databank provides the market median, upper quartile and upper decile pay range for each Hay pay grade.

Salary protection

31. As a result of service redesign, employees may be redeployed to a role which is one grade lower than their current role. In this case, the employee will be in receipt of salary protection for a period of 12 months. Incremental progression and any negotiated pay award will not be applicable during the period of salary protection. Redeployment (and salary protection) is subject to the following criteria:
 - transferable skills,
 - knowledge of work / experience
 - agreement to undertake relevant training, which may include formal qualification
 - match behaviours framework and skills profile
 - working hours
 - location

Increases and additions to remuneration

32. The council's policy is to apply the nationally negotiated NJC pay award for GLPC graded employees which takes effect from 1st April each year and which applies to the national pay spine.
33. Most NJC employees received a pay award of 1% in April 2016 whilst those on the lower spinal points (below SCP 18) received a higher percentage increase. It has been agreed that a further 1% will apply from April 2017 until March 2018 as part of a pay deal for financial years 2016/17 and 2017/18.

34. For GLPC graded employees, increments are awarded automatically up to the maximum of the grade unless formal proceedings are taking place under the Improving Work Performance Policy. Increments are paid on the 1st April each year, or six months after the start date (if the starting date is between October and April). There is no provision for the payment of an increment at any other time.
35. The council's policy for Hay graded employees is to review salaries on an annual basis using the Hay pay databank and realign these should a pay drift be identified. As a result the JNC pay award is not applied to Hay graded employees.
36. For Hay graded employees incremental progression through the grade is based on satisfactory performance measured over a 12 month period. Increments are paid on 1st April each year subject to satisfactory performance, and a minimum of 6 months in post at that time. There is no provision for the payment of an increment at any other time.
37. However, as one of a number of cost saving measures, a two year increment freeze has been agreed jointly between Wiltshire Council and the recognised unions. This means that no annual increments were paid in April 2016 and will not be paid in April 2017 for both GLPC and Hay graded employees.
38. The council also employs a small number of specialist employees covered by either Youth and Community, Teachers or Soulbury salary scales which are also negotiated nationally.

The use of performance-related pay

39. It is the council's policy that Hay graded employees are subject to a performance appraisal each year. If the performance is measured as satisfactory, an increment may be awarded. If the performance does not meet the required standard an increment may be withheld. However as a result of the agreed two year increment freeze, increments will not be paid until April 2018.
40. For GLPC graded employees, increments are awarded automatically to the maximum of the grade unless formal proceedings are taking place under the Improving Work Performance Policy. However as a result of the agreed two year increment freeze, increments will not be paid until April 2018.

The use of bonuses

41. The council does not offer a bonus or honorarium scheme to any employee.

The approach to the payment of employees on their ceasing to be employed by the authority

42. Employees who leave the council's employment are entitled to payment of their contractual notice, along with any outstanding holiday pay.
43. All employees, including chief and senior officers, are subject to the same redundancy payments policy which has been agreed by Staffing Policy Committee.
44. There is no discretion to make redundancy payments which do not comply with the policy.
45. If employees choose to volunteer and are accepted for redundancy they are entitled to a payment calculated as follows:
- Statutory weeks x normal weekly pay x 2.5, capped at 40 weeks, with a minimum payment of £3000 (pro rata for part time staff).
46. If employees choose not to volunteer for redundancy, and cannot be redeployed, they will leave on compulsory grounds. The payment is calculated as follows:
- Statutory weeks x weekly salary (capped at £479), with a cap of 30 weeks pay or 20 years service. There is a minimum payment of £1500 (pro rata for part time staff).
47. If employees are aged 55 or over, and have been a member of the pension scheme for at least 3 months, they are able to receive their pension and lump sum early if their employment is terminated on grounds of redundancy.
48. No augmentation to pension will apply for any employee.
49. If employees are dismissed on redundancy grounds, and receive a voluntary (enhanced) redundancy payment, they may be considered for re-employment to posts within Wiltshire Council after the minimum statutory period of four weeks has elapsed subject to the following conditions:
- The post did not exist or was not foreseeable at the time of the dismissal.
 - The vacancy has been advertised in accordance with Wiltshire Council policy and procedures.
 - The appointment was made on the basis of the best person for the job with regard to the usual selection procedures.
 - The appointment has corporate director approval.

50. These conditions apply for 12 months from the date of the dismissal, after which the employee may be considered for re-employment to any post within Wiltshire Council.

51. In accordance with the Localism Act 2011, full council will be given the opportunity to vote on severance packages over £100,000 before they are approved.

The pension scheme

52. All employees are entitled to join the Local Government Pension Scheme (LGPS).

53. The LGPS changed in 2014 and the benefits structure has moved from a Final Salary basis to a Career Average Revaluation Earnings (CARE) approach for benefits accruing after this date. Employee contribution bandings have also changed and the new regulations have introduced 9 bandings with rates varying between 5.5 – 12.5% according to the employee's salary.

54. The benefits of the scheme for all members include:

- A tiered ill health retirement package if employees have to leave work at any age due to permanent ill health. This could give employees benefits, paid straight away, and which could be increased if they are unlikely to be capable of gainful employment within 3 years of leaving.
- Early payment of benefits if employees are made redundant or retired on business efficiency grounds at age 55 or over.
- The right to voluntarily retire from age 55 (on an actuarially reduced pension), even though the Scheme's normal pension age is 65.
- Flexible retirement from age 55 if employees reduce their hours, or move to a less senior position. Provided the employer agrees, employees can draw all of their benefits – helping them ease into their retirement.

55. Further information about the pension scheme can be found on the [pensions website](#).

Any other allowances arising from employment

Payment for acting up or additional duties

56. This policy applies only to all employees who, on a temporary basis:

- act up – carrying out the full responsibilities and duties of a higher graded post either for some or all of their working hours; or

- carry out some, but not all, duties or responsibilities of a higher graded post for some or all of their working hours; or
- take on additional duties within their role.

57. The policy allows for employees to receive the salary difference between the lower and higher graded job, calculated on a percentage basis if the additional duties are taken on for only part of the working week.

Unsocial hours allowances

58. The council provides an additional allowance, expressed as a percentage of the basic rate, for regularly working late evenings/early mornings/nights/Sundays. These payments are graduated according to the degree of unsocial hours working and range from 10% to 33% in addition to normal hourly rate.

59. Unsocial hours allowances are only payable for GLPC graded jobs, and are not available for senior managers.

Overtime allowances

60. The council has an overtime policy where all employees are entitled to receive additional payment for hours worked in excess of 37 hours. GLPC graded employees are able to claim overtime hours at their normal hourly rate x1.5 for hours worked on a Monday to Saturday, and x 2 for working a Sunday. Hay graded staff are able to claim overtime hours but only in exceptional circumstances and payment is based on the highest spinal point (point 49) of the GLPC pay scale.

Standby and callout allowances

61. The council has a standby and callout policy where all employees receive an allowance should they be on standby out of normal office hours. If employees are called out whilst on standby additional hours or overtime will be paid in accordance with the overtime policy.

Sleeping in allowance

62. The council pays a sleep in allowance to employees required to sleep in on the premises. This includes up to 30 minutes call out per night, after which the additional hours provisions will apply. The sleep in allowance payable is currently £34.68 and increases in line with the NJC pay award.

Local election duties – Acting Returning Officer

63. The role of Acting Returning Officer is currently being carried out by a nominated corporate director. Fees are paid in line with the guidance stipulated from the Elections and Democracy Division for the relevant elections.

Governance arrangements

64. The council's policy is to apply the nationally negotiated NJC pay award to the pay scales for jobs evaluated using the GLPC job evaluation scheme.

65. The council also relies on national negotiation for some key provisions of employment such as the sickness and maternity schemes.

66. The council negotiates locally on some other conditions of employment, such as pay and grading, travel expenses, overtime payments and unsocial hours allowances.

67. For these local conditions of employment, the council consults and negotiates with the relevant trade unions in order to reach agreement. These conditions and allowances are then referred to Staffing Policy Committee for agreement.

68. The role of Staffing Policy Committee is to determine, monitor and review staffing policies and practices to secure the best use and development of the council's staff. This includes the power to deal with all matters relating to staff terms and conditions.

69. The full remit of the council's Staffing Policy Committee is contained within the constitution.

The publication of and access to information relating to remuneration of chief officers

70. In accordance with the Local Government Transparency Code 2015, the council is committed to publishing the following information relating to senior employees via the council's website:

- Senior employees salaries which are £50,000 and above. This is updated on a monthly basis
- A list of their responsibilities
- An organisational chart of the staff structure for the top three tiers of the local authority to include each individual's job title, contact details, grade, salary in a £5,000 bracket, grade maximum and whether each individual is a permanent or temporary employee. This is updated on an annual basis or more frequently if a significant restructure takes place

The publication of and access to information relating to trade union facility time

71. In accordance with the Local Government Transparency Code 2015, the council is committed to publishing the following information relating to trade union facility time as a percentage of the Council's total wage bill via the council's website:

- Basic estimate of spending on unions (calculated as the number of full time equivalent days spent on union duties by authority staff who spent the majority of their time on union duties, multiplied by the average salary)
- Basic estimate of spending on unions as a percentage of the total pay bill (calculated as the number of full-time equivalent days spent on union duties by authority staff who spent the majority of their time on union duties, multiplied by the average salary divided by the total paybill).

The relationship between the basic pay remuneration of chief officers and employees who are not chief officers.

72. In terms of overall remuneration packages the council's policy is to set different levels of basic pay to reflect the different sizes of jobs, but not to differentiate on other allowances, benefits and payments it makes.

73. The Hutton Review of Fair Pay in the Public Sector recommends a maximum ratio of the highest remunerated post compared with the lowest remunerated post of 1:20

74. The table below shows the relationship between the basic pay of the highest and lowest paid employees in the council, excluding pensions and allowances. The figures include all staff in the council (non schools) and are based on annual full time equivalent salaries.

	Annual FTE Salary (November 2015)	Ratio (November 2015)	Annual FTE Salary (November 2016)	Ratio (November 2016)
Highest Paid	£148,271		£149,767	
Lowest paid	£13,614	10.9	£10,708	14.0
Mean Salary	£25,236	5.9	£25,822	5.8
Median Salary	£23,698	6.3	£23,935	6.3

75. The council would therefore not expect the basic pay remuneration of its highest paid employee to exceed 20 times that of the lowest group of employees.

76. The current ratio is well within the Hutton review guidelines at 1:14. This has increased from the previous year due to the introduction of an apprenticeship scheme and apprenticeship pay rates in April 2016.
