WORK FOR CARERS

STP: BaNES, Swindon, Wiltshire

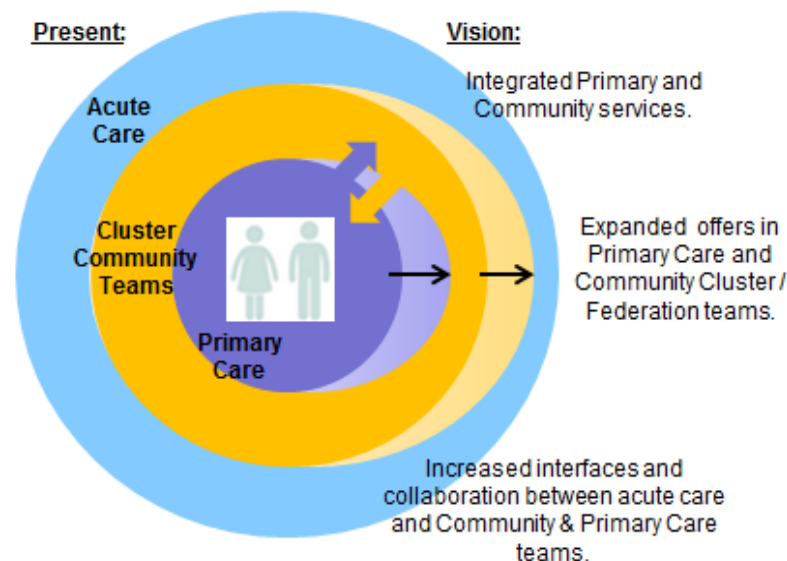

Local Pressures:

- 87.0% A&E 4 Hours 2015/16 (RUH, GWH & SFT combined)
- 90.8% RTT 18 weeks Incompletes 2015/16 (RUH, GWH & SFT combined)
- The 2015/16 financial outturn position for all health organisations within B&NES, Swindon & Wiltshire was a deficit of c£6m.
- If we do nothing to change how we deliver our services, the gap between available income and cost of services will rise to £337m per year by 2020/21

To provide improved person-centred care by:

1. Strengthening and integrating the specialist services which support primary care and providing more community-based services via primary and community care teams
2. To shift the focus of care from treatment to prevention and proactive care;
 - Ageing Well
 - Healthy Lifestyles
 - Self Management
 - Specialist Support in the Community

STP Vision (cont)

3. To redefine the ways we work together as organisations to deliver improved individual/patient care – no more silo working.
4. To ensure we offer staff an attractive career and build a flexible, sustainable workforce.
5. To strengthen collaboration across organisations to directly benefit acute and urgent care services.

WORK FOR CARERS

Challenges

- Health and social care challenges - demographic and financial challenges.
- Wiltshire vision is for care closer to home
- Urgent care demand is increasing
- GP Forward View – CCG responsible for commissioning to expand capacity ensuring plans in general practice dovetail with plans for single point of contact to integrated urgent care with access with OOH and reformed 111 and clinical hubs = 7 days
- Condition of current community hospital estate
- Challenge of primary care estate capacity
- Increase in population over next 10 years in relation to GMS space leaves a gap of over 8,000m²

NHS Wiltshire Clinical Commissioning Group has commissioned a Strategic Healthcare Planning and Strategic Outline case for the Towns of Chippenham, Melksham and Trowbridge.

This area of the County has a known under provision of General Practice space and poor quality community hospital accommodation.

This is a strategic exercise to determine projected service need through to 2027 and from this the buildings needed to provide these services across the 3 towns.

The Strategic Healthcare Planning exercise will identify the service need through to 2027 and includes for population growth.

Once the service need has been established the space required to provide these services will be developed.

The Strategic Outline Case will follow the Strategic Healthcare Planning. This exercise identifies a preferred way forward and is the first step in the business case process.

Clinical Commissioning Group

Where are we now?

Forecast the future

Understand shortfalls

Define future options

The right healthcare for you, with you, near you.'

The end objective of this piece of work is to identify a preferred way forward for healthcare buildings across the 3 towns based on service need and accounting for population growth.

Reporting to NHS Wiltshire Clinical Commissioning Group's Governing Body spring 2017 (target of March 2017).

If approved by the Governing Body it is expected to form the basis for a programme of works across the 3 towns.

Community Policing Report Area Board – 16th January 2017

Chippenham

Hello and welcome to this latest Community Policing report.

Over the last few months Wiltshire Police has rolled out its Community Policing Team (CPT) model across Wiltshire and Swindon.

Any large scale restructuring is naturally likely to have its teething problems but I am delighted to say that so far the response has been positive. I extend my thanks to everybody within the community for their assistance and valuable feedback, which helps us to continuously improve the way we work and ultimately helps us provide the high quality of service you all deserve and expect.

Partnership work has been incredibly important in this process and we are keen to continue, where possible, working in a joined up approach to deliver that high standard of service.

As we head in to the New Year we can look forward to seeing the results of ongoing innovation and investment within Wiltshire Police. Senior leaders within the organisation have made a clear commitment to ensuring the workforce is fit and well for work and have outlined their dedication to embracing innovation and technology so that officers and staff are able to do their jobs serving and protecting the people of Wiltshire and Swindon confidently, effectively and efficiently.

I would like to reassure you that we are working to improve our 101 system. We have made efforts to ensure the service you can expect to receive when calling for non-emergencies is high quality and we are continuing to work to reduce the time it takes to get through to us.

Going forward, as ever, we welcome and encourage your feedback. Wiltshire Police is here to serve you and we always want to know where you think we can improve and of course where you think we have done well. I wish you all a safe and happy 2017.

COMMUNITY MESSAGING

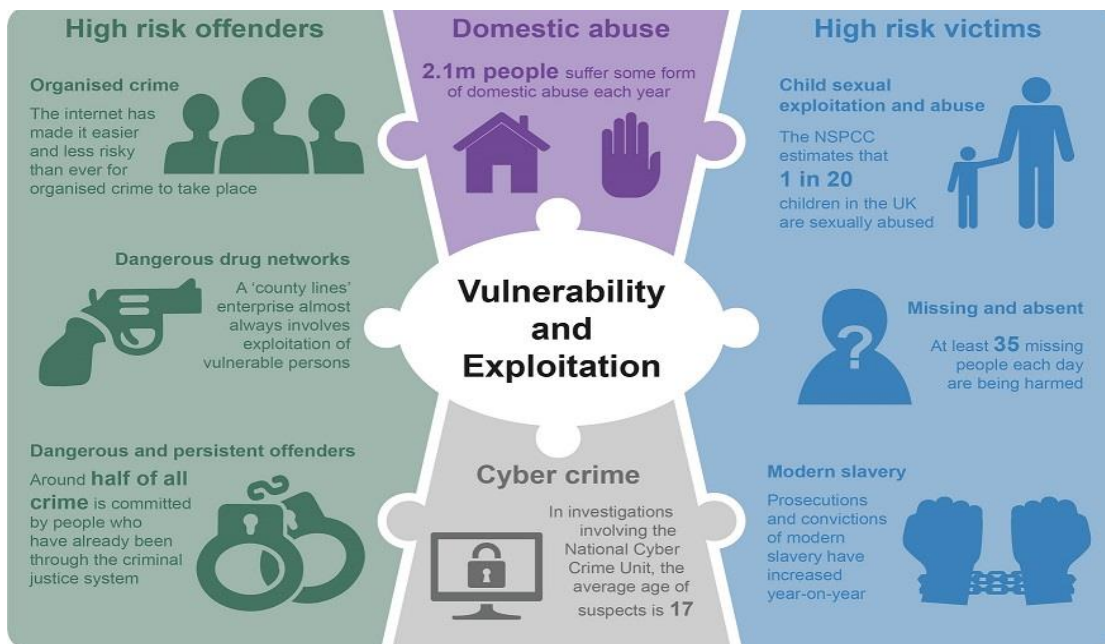

We have been talking a lot publically about Community Messaging over recent months and I have included the link below and would continue to encourage you to spread the message to your communities, encouraging as many people as possible to sign up. We have seen a 20% growth over the recent months and this is to be commended and I want to say thank you for this and the work you have done within your communities to assist us in getting the key messages out there to the right people at the right place at the right time. Please help us take this even further. We are continually reviewing the content of our messages, so if there is any feedback for us, please let us know.

CONTROL STRATEGY

Below is our control strategy for your reference. This focuses on where how we conduct our operational Policing based on the Police & Crime Plan. We will continue to align our resources with the threat/harm/risks presented in line with the control strategy.

- Domestic abuse / Cyber Crime / High risk offenders / High risk victims

Wiltshire North Community Policing Team - awarded with the Urban Trinity Award at the Chippenham Safer and Supportive Communities Meeting by the Chippenham Street Pastors. They wanted to recognise the partnership approach that is given to the Night Time Economy in Chippenham and to thanks us for supporting them and making Chippenham safer. We are delighted to be recognised in this way and would also like to take the opportunity to thank the Chippenham Street Pastors for their support throughout the year and in particular over the festive period when they operated a 'Safe Zone' to support the community and Emergency Services.

Our CPT priorities: Shoplifting (OP ELF)

Various shops have been the targets of theft and a number of arrests have been made and persons charged. We work closely with security staff at Borough Parade and Emery Gate, those at larger stores and the Town CCTV operators to target repeat offenders and secure prosecutions. We also encourage retailers to install CCTV of a good quality to help us identify those responsible, put further security measures in place and communicate with us quickly and effectively during or following an incident. Leading up to Christmas we expected the number of shoplifting incidents likely to increase, so additional foot patrols were carried out by officers both in uniform and plain clothes in the town and within the larger stores to deter perpetrators and be close at hand if an incident occurs. As a result of the additional foot patrols, I am pleased to advise that the number of thefts reported have reduced significantly.

The mobile CCTV van has been a very useful piece of equipment and it has been deployed in the town for the Christmas Lights Switch on and to assist with OP ELF (Shoplifting priority over the festive period) during the daytime. With the sheer visible presence, it prevents any criminality in the town which has been reflected in the very few number of thefts reported to the Police, in addition deployment in the evenings to assist with any reports related to Night Time Economy. Officers are being encouraged to deploy the CCTV Van within the 3 towns.

Vagrants in the town centre

We have had a number of reports recently concerning homeless people and street drinkers in Chippenham Town Centre. The complaints mostly concern public urination, littering, antisocial behaviour and public order offences. We are working in partnership with Wiltshire Council ASB Team, Emery Gate staff and Borough Parade Security to target those responsible by offering support to get them off the street and put measures in place to assist us in dealing with them.

A 'Day of Action' is being planned for all the appropriate support agencies to come together to tackle this and hopefully offer various options for the individuals involved.

Community Protection Warnings

The Community Protection Warning/Notices are intended to deal with particular ongoing problems or nuisances which negatively affect the community's quality of life in the locality by targeting those responsible.

Two Community Protection Warnings have been issued to local males who persistently call the 999 Emergency Services when there is not a genuine reason for doing so thus wasting both Police and Ambulance time and resources. Should they continue to do so and breach this CPW, they will then be issued with a Community Protection Notice which is the next step and any further breaches, they can be arrested and attend Court.

Preventing vehicle crime

Most vehicle crime is preventable. It can take as little as 10 seconds for a thief to steal something from your car. The best way to protect your belongings is to lock your car whenever you leave it.

Other things you can do include:

Removing everything from the car; don't even leave a jacket where it can be seen.

Closing the sunroof along with the windows when you leave.

Not storing things in the boot; take them with you.

Storing car ownership information in your home, not your car.

Having a routine to ensure you always take the keys out of the ignition.

Taking removable stereos and sat nav equipment with you.

In addition, using secure (theft resistant) number plates can make your plates less attractive to thieves.

Where you park can make a big difference to the safety of your car and your belongings. Look out for car parks approved by the police [Safer Parking \(opens in a new window\)](#) scheme. You can find them by looking for their distinctive 'Park Mark' signs.

How to keep your car safe at home

Thieves sometimes break into houses looking for car keys. They can also use wires and hooks 'to try and drag' your keys through the letterbox.

Keep your keys away from doors and windows, and tucked away out of sight.

Have your vehicle's windows etched with its registration number or the last seven digits.

Motorbikes

There are plenty of ways you can help to keep your motorbike safe:

Always lock your bike and set its alarm if it has one

Try to use a designated motorcycle parking place with a stand and security loop

When leaving your bike for some time, try to lock it to something secure. At home, you can fit special attachments to lock your bike to.

Use a motorbike cover.

Have the motorbike marked with its vehicle identification number (VIN).

Burglaries

We have had a number of burglaries across Chippenham in the last few months, some residential and some commercial properties. When entry was gained, almost all incidents seem to have been targeting cash or jewellery. We are thoroughly investigating each incident and additional patrols are being carried out to deter further incidents. Reports of suspicious behaviour are being taken seriously and the Bobby Van has attended various properties to make them more secure.

We also take every opportunity to remind members of the public to keep their properties secure and valuables safe to prevent further people becoming victims of crime.

We have pulled together some top tips to prevent becoming a victim of burglary :

- Always close and lock all windows and doors when leaving your home.
- Invest in a light timer and leave lights on inside your house in more than one room.
- Remove any cover for a burglar to work unseen, such as shrubbery, and give your neighbours every chance to spot something suspicious.
- Ensure valuable or sentimental items of jewellery are suitably insured.
- Take photographs of all such items (laid beside a ruler) and store these in a safe place.
- Register all valuable items on www.immobilise.com
- Large quantities of cash should never be kept at home.
- Keep keys and valuables out of sight, and reach from cat flaps, letterboxes, and downstairs doors and windows.

Remembrance Parade

On Sunday 13th November 2016, the Remembrance Parade took place, officers attended to assist and lay a wreath.

Christmas Lights Switch On

On Saturday 26th November 2016 the Xmas lights were switched on attracting a large crowd of mostly families with children. The security and road closures were managed by the organisers, supported with a visible Policing presence to engage with the community.

Police Cadets

Our Police Cadets who are aged 13-16 years of age assisted with community engagement at the above event and are very keen to get involved in future events.
