Safe and Well Visits- Home safety

Fire Service '**Safe and Well**' advisors will visit people, in their own homes, advising on home safety and personal wellbeing.

A Safe and Well visit is **FREE** and normally last about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

If you have thatch property, are living alone, have a young family, are over 65 or a smoker please get in contact with us. We want to help make you safer in your own home. If you or someone you know has mobility or sight and hearing impairments please suggest a Safe and Well visit.

Fancy Volunteering for the Fire Service ??

Working alongside the team at their local fire station, our volunteers help to educate the local community in fire safety and gather referrals to allow us to offer people goodwill advice about safety in their own homes.

There are also opportunities for volunteers to get involved with station life, Service events and our amazing youth initiatives.

Our volunteers are invaluable in supporting Dorset & Wiltshire Fire and Rescue Service and enabling us to work together making our counties safer.

Car wash Event

The Crew at Devizes raised around £800 from a car wash event at the Station on 29th April. Funds raised were split between the Mayor's two nominated charities.

I would like to extend my thanks to the local Community for your generous donations on the day.
