Part 4C - Guidance on Amendments to Motions

 The requirements concerning amendments to motions are contained in the Council's Rules of Procedure in Part 4 of the Constitution. Paragraph 103 provides:

An amendment to a motion must be relevant to the motion and will either be:

- to refer the matter to an appropriate body or individual for consideration or reconsideration
- to leave out words
- to leave out words and insert or add others or
- to insert or add words

as long as the effect of the amendment is not to negate the motion.

- 2. The Chairman will determine the validity of any proposed amendment under this paragraph, after taking advice from the Monitoring Officer. The Chairman's decision on any proposed amendment is final.
- 3. In exercising judgment on the validity or otherwise of any proposed amendment, the Chairman will have regard to the following principles:
 - the overriding principle of fairness in the conduct of the Council's business;
 - the amendment is relevant to the motion;
 - the proposed amendment does not negate the motion; this can be secured more appropriately by voting against the original motion.
 - The content of the proposed amendment is proportionate to the original motion in nature and extent;
 - The proposed amendment does not amount to a device to frustrate the purpose of the original motion or to raise a late motion.
- 4. Councillors are encouraged, where practicable, to seek advice from the Monitoring Officer in connection with any proposed amendment in advance of the meeting at which it is to be moved.
