Using the service
When returning to a participating location and you have already registered:

Text from your mobile
When at a participating location, send a text to 60300 with the word PARK plus the location number and the duration you wish to stay in minutes.

Example: PARK   701234   60

Extend your stay from anywhere
If you think you need more time and would like to increase the duration of your stay, you can extend it quickly and simply. Send a text to 60300 with the word EXTEND and the number of minutes to extend by. The additional duration will be added on to your stays end time. Please note that stays cannot be extended beyond the time limit of the car park.

Example: EXTEND   60

By telephone
When at a participating location, call 0845 505 1155 to create your stay. The automated system will request the location number and duration of stay.

Call: 0845 505 1155

Online via the cashless portal
You can pre-arrange your stays up to 7 days in advance*. If your plans change, you can cancel future stays from the portal without being charged for them**.
