2. Comprehensive Spending Review

Over the next 4-years the Wiltshire Police Authority's annual budget of £108 million must be reduced by £15 million to meet governments spending cuts. It is the police authority's responsibility to ensure that the police continue to provide an effective and efficient service across the whole of the Force area. A consultation exercise is now underway that will allow you to tell us which policing services you value most. I encourage as many people as possible to visit the Wiltshire Police Authority website to complete an on-line questionnaire:

 <http://www.wiltshire-pa.gov.uk>

I will also have available some hard copy questionnaires that can be completed at the Area Board for those who prefer not to use the internet.

As a result of the cuts Wiltshire Police is likely to lose up to 150 officers and up to 200 members of police staff. We are however committed to keeping officers on the streets and protecting the frontline as far as possible.

3. Performance

As this report was required to be submitted before the holiday period it has not been possible to provide up-to-date crime and ASB performance figures for this meeting. Normal service will be resumed for the next Area Board.
