Statement in Support of Application for Dispensation

I am a member of Westbury Town Council and also on the Management Committee of Heigh Park Community Association which is likely to benefit from the success of planning application 10/03876 FUL, because if successful the application would generate Section 106 monies to be used for the building of the proposed Community Centre in Heigh Park. I therefore consider I have a personal and ~~part~~ prejudicial interest in this application.

I sit on the Highways, Planning and Development committee which will be considering this application. There are nine (9) members of the H.P & D committee of whom five (5) are also members of the Heigh Park Community Committee and for that reason I am applying for a dispensation to speak and vote at any meeting of Westbury Town Council at which business relating to planning application number 10/03876/FUL is considered.
