9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
2512	Durrington Football Club	Floodlight expansion	£967.90
Project Description: We are looking to increase our investment in portable floodlights for the Durrington FC club. as we now have 14 teams we need to expand the winter training area to allow teams to train in parallel. We have already invested in some floodlights but need more to cater for the expansion of the club. The lights will allow the clubs teams to train outside and on grass throughout the winter and as we can train on a full pitch we can train 2 teams in parallel and therefore have all players start at same time each night			
Input from Community Engagement Manager: This club is trying to cater for a wide spectrum of the local population and is a well respected club. This fits some of the JSA priorities: Positive activities for YP, healthy lifestyles and community events.			
Proposal That the Area Board determines the application. Conditional on the balance of funds being in place.
