

Chairperson's announcement: **Information regarding your local Household Recycling Centre**

Following the award of a contract, nine household recycling centres (HRCs) will be operated by FCC from 2 October 2017. We would like to update the area boards about the changes that residents will see at their local sites.

There will be no changes or closures at the HRCs at Purton and Lower Compton near Calne as these will continue to be operated by Hills Waste Solutions.

The change in contractor has allowed the council and FCC to review the current site layouts to make some changes. Where possible, we are making improvements to the traffic management in and out of the sites to help reduce the queuing issues that occur at some of the sites.

The sites will have their white lining repainted and new containers will be placed on the sites. The site signage and staff uniforms will be updated.

To allow for the refurbishment works to take place each site will be closed, one at a time, for a short period of time between 2 October and 17 December 2017

Please see below for your area board's local site(s), the closure date of that site(s), and the closest alternative site(s) which can be used during the closure period.

We would encourage all residents to check online before they travel as sites will be closed on their usual days in addition to the dates below.
