Update for Royal Wootton Bassett & Cricklade Area Board

- Safe and Well Checks are available and free on website
-

- RWB Incidents since last Area Board up to 19/09/17

Automatic Fire Alarms - 9

Fires - 6

Other - 2

Special Service - 7

Total – 24 Incidents

Cricklade Incidents since last Area Board

Automatic Fire Alarms - 0

Fires - 8

Other - 2

Special Service - 0

Total – 10 Incidents

A number of these incidents are duplicates where both stations attended the same incident. Both stations also support colleagues across Wiltshire for relief crews and enhancing our attendance at certain incidents.

I would like to say farewell to the area board and wish you well for the future, I am retiring from the service and District Commander Matty Maggs is my replacement, you will meet him very soon.

Kind regards

Jason Underwood
