#### LARKHILL COMMUNITY ACTION PLAN 2010 TO 2015 As at 4 Nov 10

This Community Action Plan has been collated from a variety of sources including consultation and feedback received in questionnaires from residents, through the regular Community Area Partnership meetings with residents, through consultations with Garrison HQ staff, meetings with the local Councillor, meetings amongst the Welfare Officers of 14 Regiment, 19 Regiment and 32 Regiment, consultations with Larkhill Primary School, advice from the Garrison Padre, the Local Community, Businesses, Policeman and written representations.

It is assumed this Community Action Plan encompasses the civilian houses on Fargo Road (the Steel Houses) and the three principle SFA patches; Fargo Road, the Packway and those SFA in the vicinity of the Glover Road VCP. It also includes all the retail outlets and private dwellings on the Packway, including the Garage and Golf Driving Range. This document will become an addendum to the Durrington Town Council Plan.

The Commanding Officers of the Regiments thank all those who have contributed to the formulation of this, the first Larkhill Community Action Plan.

Short Term = within 2 years Medium Term = within 5 years Long Term = over 5 years
