Help shape Wiltshire's plans to 2036 : Wiltshire Local Plan Review

Wiltshire Council has a statutory duty to plan for the new homes, jobs and infrastructure needed to support Wiltshire's communities while protecting the local environment and quality of life and to keep its plans up to date.

The Council is reviewing the Wiltshire Core Strategy adopted in January 2015 which sets out policies for the future development of the county over the period to 2026 and is used in the determination of planning applications. The review of the Wiltshire Core Strategy (renamed the Wiltshire Local Plan) will extend the period to which the plan relates to 2036.

This is your opportunity to inform the review of the local plan. The consultation starts on Tuesday 7 November 2017. All comments should be submitted by 5pm Tuesday 19 December 2017

The Council is seeking the views of the Wiltshire community on the scope of the review, including the preparation of a Joint Spatial Framework to consider how development across the Borough of Swindon and the Wiltshire Council area should take place. Consultation documents have been prepared to stimulate discussion and ask questions about the strategic issues to be considered in the review in relation to Chippenham, Salisbury and Trowbridge (as Wiltshire's principal settlements) and the market towns named in the core strategy.

For example, in relation to Amesbury, the consultation documents include information about the recent rate of house building (including affordable housing), employment change and environmental constraints. The Amesbury, Bulford and Durrington profile acknowledges that:

- The area is a focus for investment containing two recognised business clusters with significant potential for job growth.
- Amesbury is the dominant focus for housing development.
- The trading position of the town centre needs consolidation.
- Environmental designations may be a constraint on development.

And asks the questions:

- What more can be done to improve the range of services to improve the attractiveness of the area?
- Should planning for Amesbury be distinct to planning for Bulford and Durrington?
- How should the area capitalise on business investment? What amount of further housing is appropriate?

All the consultation documents and supporting evidence will be available on the Council's web site from the 7th (<http://www.wiltshire.gov.uk/planning-policy-local-plan-review>) and are available to view during normal opening hours at the Council's main offices at Monkton Park (Chippenham), Bourne Hill (Salisbury), County Hall (Trowbridge) and at all Wiltshire Council libraries.

There is also leaflet available on the information table (**please say where**) if you would like to know more about the content of the consultation
