The installation of a steel access ramp will provide safe disabled and independent access to and from our newly created garden facilities for our 60 existing local children, and their relatives and carers - currently the only direct access is via old wooden steps, which are now rotting and therefore not safe for the children to use. As well as enabling us to comply with recent Ofsted advice on encouraging outdoor play every day, it would also allow us to hold local community events, where appropriate, on our premises, and could encourage disabled children from surrounding localities to join our pre school.

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, the you will ensure the financial sustainability of your project beyond the period of this grant (if su	
Maintaining and preserving the fabric of our building is the major focus of much of our fundraising act regular calendar of events familiar to the local community, aswell as the parents and carers of the chi attend and have attended pre school over the last 25 years. We have been advised that the installation ramp should require minimal maintainance in the future.	ldren who

Last year the local junior school agreed to lease us more land behind our building. It was a huge job the help of families, local contractors and community group the "Cricklade Bloomers", we cleared overgreef fenced the new boundary, planted fruit trees, built a raised bed vegetable plot, a compost heap and a wildlife area, and generally got it into shape, with toys donated by parents. With such a fantastic new to encourage outdoor play as often as possible, in line with Ofsted recommendations, and to teach the about the environment. However we now urgently need to replace the rotten wooden steps that curren access. To be able to offer safe independent access for disabled children and their carers, as well as bodied small children we currently have, would allow us to offer this great new facility to even more clamay even attract disabled children from surrounding localities.	own areas, designated garden we try e children tly provide the 60 able
