The condition of the existing wire fence has deteriorated over the years and funds are not available to allow its replacement by steel bow top fencing. The Parish Meeting has therefore decided to replace the section fronting the road. Approximately 20 children aged between 2 and 14 years will benefit, but the whole community also benefits in the knowledge that an effective barrier between the playground and the road will be provided.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The ongoing costs relate to the maintenance of the playground generally. Hitherto, materials have been provided by the Parish Meeting and volunteers have carried out the work. Lately, however, such labour has not been available and contractors are having to be engaged.
