

SOUTH WILTSHIRE COMMUNITY POLICING TEAM – May 2018

Tidworth Area Board

Sector Head: Insp Pete Sparrow

Sector Deputy: Sgt John Hutchings

Community Coordinator: Pc Lucy Wileman

Tidworth & Ludgershall

PCSO: PCSO David Simons

PC: PC Jim Nicholson, PC Myles Scott, PC Ian Cooke, PC Sam Van den Broek, PC Josh Bliss, PC Toby McKee, PC Steve Porter, PC Alastair Jarvis, PC Sarah Moth

Over the last few months South Wiltshire CPT has responded to unprecedented demands, the impact of which has been felt locally and around the world. Much has been said about this major incident in local, national and international media and we still see cordons in and around the city. I'm pleased that we are now moving from crime scenes towards the lengthy clean up phase and that the 4 persons who were physically affected are all showing positive signs of recovery. I apologise for the impact these cordons have had upon both individuals and businesses and can assure you that Wiltshire Police continue to work closely with our colleagues in Counter Terrorism and DEFRA to balance the needs of the investigation without sacrificing the safety of the public.

The incidents of 4th March 2017 have instigated an expression of public support for their emergency services. The community spirit has been based around unity. Acts of kindness continue with offers of warm drinks on cold days and ice-cream in the heat. There have even been offers of roast dinners and haircuts! But what really struck me were the messages of support and good wishes towards the recovery of those affected and the efforts of the emergency services that have been received from around the World. There really have been too many to respond to, but each and every one has been gratefully received.

I am incredibly proud of the way my officers responded on the day as well as the way the wider Policing family have united to meet the demands. No Police service could manage an incident of this scale without the support of mutual aid. We still have over 80 officers per day working on managing the cordons with countless others working on the investigation and cleaning operation. The 'can do' attitude of everyone involved is heartening. They have embraced the true meaning of Community and have immersed themselves with engagement at every opportunity to help reassure the public and soften their impact.

It is worth noting that Major Incidents do not happen very often. However, South Wiltshire CPT responded to two within a week. The officers who attended to the medical needs in the Maltings were the same officers who had been working extensive hours to help rescue motorists trapped in the snow during their preceding shifts. Again, this demonstrated the community spirit that exists in South Wiltshire with support from farmers and 4x4 drivers coming to help.

When the Community Policing Team Model was introduced in October 2016, the Policing areas were based on demand profiles. A recent decision was made to bring Amesbury and Tidworth area away from the East CPT and into the South CPT, which came into place at the start of April.

This is a move that I welcome as it provides me the resilience I need to move resources to meet the demand. My focus now is to increase the number of frontline deployable officers, help these two areas work as one team and deliver the best possible service to our community.

I noted with interest the latest media release from the ONS on Crime Statistics, which reported that between January 2017 and December 2017, Wiltshire Police recorded 44,043 crimes overall – an increase in 7.9% compared to the national average of 15.3% and 11.1% regionally. Statistics are often blunt tools and caution should always be taken when trying to interpret them, particularly when the sample size is small. In no way would I want to represent that a rise in crime is good, but crimes in Wiltshire were rising at a slower rate than the national picture.

I have reviewed our 12 month figures for South Wiltshire to the end of March 2018, where we witnessed a 3% rise in All Crime. I have broken them down to each Area Board to provide you with an opportunity to appreciate the scale and direction of various crime types and local variance. The most significant figures that I would like to highlight are:

Robbery – Down by 42%; Possession of Drugs Down by 28%, but Trafficking of Drugs Up by 79%. This is the reflection of the targeting of County Line Drug Networks, particularly in Salisbury. The focus on dealing and not simple possession has led to improved community intelligence, supporting the use of closure orders and protection of vulnerable addicts who can be directed toward rehabilitation. Although a Salisbury based focus, the tendrils of Class A drug addiction impacts on crime rates on a much wider area.

Violence with injury is Up by 16%. This rise is across all areas and will need some more research to appreciate how this rise compares when split between private and public space violence and any relationship with Domestic Abuse.

Sexual Offences are Up 21%. This is principally due to one ongoing investigation and inappropriate to comment further.

Cycle Theft Up 65%. We have recognised this and PCSO Simon Nash is organising a cycle marking and register event in partnership with www.bikeregister.com from the Five Rivers Leisure Centre. Once we have details we will circulate them on our Social Media and Community Messaging.

I hope these figures reassure you that the South Wiltshire area remains a safe low crime area.

South Wiltshire CPT have also joined forces with our local Community Speed Watches. We are now being provided the data that they collect to help direct our officers in prioritising where they should be conducting speed enforcement. I often hear from various Area Boards that speeding is one of their top concerns and that they never see a Police Officer... well here is an opportunity for the various Area Boards to set up and support more CSW programs. I will commit that South Wilts CPT will attend the top 3 locations based on collected speed data and 1 further location that is rotated to allow us to attend all CSWs over the year. These areas will change on a fortnightly basis and we will keep publicising where we are going, although not the times we will be out. Sometimes we will do this with the CSW and at others not. Not only is this a great way to support another volunteer sector, it is also an opportunity to demonstrate that our officers are getting out onto their areas.

NEWS

Wiltshire's overall recorded crime increase is half the national average according to crime statistics out today.

Between January 2017 and December 2017, Wiltshire Police recorded 44,043 crimes overall - an increase in 7.9% compared to the national average of 15.3% and 11.1% regionally.

Recorded burglary was up 13.2% on the previous year's figures with 503 more burglaries, making a total of 4,318 break-ins for the year January 2017 to December 2017.

This increase is primarily down to how break-ins are recorded by the Force; since April 2017 the way burglary is recorded has changed nationally and new categories are not directly comparable to the previous ones i.e. shed break-ins are now classed as residential burglaries (home/property break-ins), whereas before they were categorised as non-dwelling (non-home/property break-ins).

Wiltshire Police has also improved how they record crimes with a 95.2% crime recording compliance rate.

Although the dramatic improvement in the quality of crime recording has impacted on the results, tackling burglary continues to be a Force priority and Wiltshire Police has also invested in crime prevention awareness concerning vehicle crime.

Over the past 12 months a burglary improvement plan has been developed which now forms the basis of all burglary investigations. Part of this has involved holding a series of public drop-in sessions across the county to take on board the concerns of people - our communities who are a vital resource in shaping our response to this type of crime. As part of this, burglary detection rates have nearly doubled since April 2017 from 3% to 5.8% and this continues to improve.

The ONS figures show an increase of 24.2% in theft from vehicles (2,064 in 2016 compared to 2,564 in 2017). Our analysis suggests that the majority of these incidents are from vehicles which are insecure or have valuables on display and are often beauty spot thefts.

Officers continue to run a number of crime prevention campaigns urging motorists to lock their vehicles and keep belongings out of sight.

Police and Crime Commissioner Angus Macpherson said: "Whilst it is always concerning to see an increase in recorded crime I am confident that our improved recording practices explain some of this increase.

"Although I continue to highlight the increases in crime as being reflective of recording practices, at no point am I, or the Chief Constable becoming complacent.

"The Force has recognised the increase in domestic burglary and vehicle crime, and I am pleased to see the Force is robustly responding to the concerns that I and the wider community have about these crimes.

"I have challenged the Chief Constable and his team frequently and will continue to do so on burglary, as this increase is not acceptable, and while detection rates are increasing more improvements need to be made.

"The Force has had some recent success in securing convictions for prolific burglars and I am reassured that this continues to be a Force priority."

Meanwhile, the number of overall recorded drug offences dropped by 15.2% with 187 fewer offences in 2017 compared to 2016.

The number of recorded rapes has increased by 37%, with 30% of this increase being accounted for by non-recent reports and 70% being reported within 12 months of the incident.

This increase also accounts for multiple reports of crime coming from the same victim.

Angus Macpherson added: "I'm committed to ensuring that victims of crime have the confidence to report crime to Wiltshire Police and receive support from their very first call and throughout the criminal justice process when they do.

"And I will continue to fund a number of victim support services across the county to ensure that this continues to be the case."

The figure reflects that more victims are feeling confident to come forward and report a sexual assault thanks to international awareness campaigns like #MeToo, which went viral in October 2017, and the publicity around high profile historical sex abuse cases.

Detective Superintendent Jeremy Carter said: "We take reports of rape and sexual assault incredibly seriously and we always work hard to provide the appropriate support for victims of these types of crime so they feel able to report the offence and work with police so we can get a successful prosecution.

"We have recently employed a lawyer with expertise in sexual offences to give our staff additional training to ensure they are well equipped to conduct thorough investigations to maximise the opportunities for prosecutions.

"We always encourage people to report these types of crime to us, so they can be investigated thoroughly. Through our Sexual Assault Referral Centre (SARC) we will always signpost additional support for victims through what is often a very traumatic time. Victims can seek help and counselling from the SARC based at the New Swindon Sanctuary - they can be contacted on the 24-hour helpline 0808 168 0024.

"Crimes can be reported to police by calling 101, or 999 in an emergency."

Assistant Chief Constable Craig Holden said: "Our crime increase is lower than the national and regional figures and compared to similar sized Forces we are well below the average crime figures; however we are not complacent and remain focused when it comes to tackling all crime and criminals.

"Our crime recording is consistently high and stable as reflected by our HMICFRS grading. The figures we are seeing are now an accurate picture of crimes in our county and the work we are doing to combat criminal behaviour is reflected in this too.

"As a Force we are constantly changing our processes and are pro-actively putting into practice the recommendations made. A good example of this is the introduction of the Community Tasking Teams (CTT) last year and their on-going work, with burglary continuing to be a Force priority.

"The CTTs have targeted the small number of prolific offenders responsible for most of burglaries in our communities. This has resulted in a high number of arrests, remands in custody, convictions and custodial sentences.

"The CTTs will continue to work relentlessly to improve how we engage with the communities we serve, and ultimately to reduce future offending."

Other News

Our Tri-Force police dogs and their handlers need your help

We are looking for new venues within Wiltshire to train our police dogs. Do you know of any empty or disused buildings for our firearms support/general purpose German Shepherd police dogs?

Or do you know of any office complexes, large houses, colleges, stadiums or other venues for our drugs or explosive search dogs? These dogs can happily search safely around people so these premises do not need to be empty like the ones required for our German Shepherds.

If you have empty buildings awaiting to be let or sold, we would be interested in these too, even if they are only available for a few weeks – our dog handlers (and dogs) would be extremely grateful.

It is really important for the development of our police dogs that they receive training in realistic venues to prepare them for

operational duties. If you have any buildings or land which you would be happy for our dog handlers and dogs to use for training purposes, please contact our dog training manager Ian Partington via email on ian.partington@wiltshire.pnn.police.uk.

Current Priorities Tidworth and surrounding areas.

Following the recent Neighbourhood Tasking Meeting on 16th April it was decided amongst the group, that the new priority for the next 3 months would be to concentrate on reported issues of drug use and anti-social behaviour amongst the youths in Tidworth. A separate meeting took place on 26th April with Pc Wileman, PCSO Simons, Brian Pratt & Carly Lovell to discuss the way forward. School talks to be arranged, possibility of a new street warden scheme to be set up, how to share more information via social media and gain access to the numerous facebook accounts that every town now has. To date 17 patrols have taken place. Anti-social behaviour surveys have been hand delivered to all residents of Melksham House. We will collate the findings of the surveys and share the concerns with the Town Council.

One piece of good news since this patrol commenced on 17th April was the following that took place on 22nd April:

A 22-year-old man from Tidworth has been arrested on suspicion of drug offences and money laundering.

Officers spotted a man acting suspiciously in the bus shelter near Melksham House in Tidworth shortly before midnight on 21 April. When officers approached the man, he was evasive and made off from the scene. He was located a short time later in overgrowth nearby.

He was arrested on suspicion of possession and being concerned in the supply of class A drugs.

A Section 18 search was then conducted at an address associated with the man and a number wraps of what was believed to be cannabis were located, along with two mobile phones, approximately £900 in cash, a knife and a set of scales. He was further arrested on suspicion of money laundering.

Enquiries are continuing and the man has since been released under investigation while enquiries continue.

If you suspect drug activity in your area, please call 101 to report it.

Target Patrols Tidworth and surrounding areas

New Buildings Enford

Due to a series of criminal damage to motor vehicles at the location, a target patrol commenced on 20th February to offer reassurance and obtain further intelligence. This patrol **closed** on 9th April. In total 30 patrols were actioned.

Zouch Farm Estate & Arnott Close

On 16th February target patrols commenced following reports from the community of a group of youths ringing doorbells, banging on doors, throwing eggs at windows and knocking over recycling bins. Due to no further patrols this **closed** on 13th March with 13 patrols actioned.

Recreation Road, Old Common Way & Fleming Close

Patrol set up following an incident of a distraction offence at an address. Target patrols commenced on 20th February to offer some reassurance to our elderly residents. The patrol **closed** down on 10th March with 6 patrols actioned.

Empress Way

Due to complaints of Anti-Social Behaviour in Empress Way, a target patrol commenced on 23rd April to offer reassurance and gather community intelligence. The patrol continues at this time.

Community Speed Watch

On 9th May your Community Policing Teams at Amesbury will receive their fortnightly taskings to support their Community Speedwatch Teams. 4 locations will be selected where officers will carry out speed checks.

Neighbourhood Tasking Meeting

The next NTG is booked for 14.30 hours on 23rd July in the Ludgershall Town Council Office

Media

We continue to use our Tidworth Facebook page and PCSO Simons is negotiating regular Radio Broadcasts with Brian Pratt.

Consultations

As PCSO Simons settles in he will start to arrange community drop in clinics on his area. The new PCSO for Ludgershall & Ludgershall Rural is currently in training at headquarters and should be out with us in July.

Update re Rural Crime Partnership

Wiltshire Police, working with our partners Avon and Somerset Constabulary, Devon and Cornwall Police, Dorset Police and Gloucestershire Constabulary are pleased to pledge our ongoing commitment to Operation Badger, which is an intelligence-led nationwide police operation gathering evidence of badger persecution and targeting offenders.

All five south west forces are sharing the new set of posters agreed by the UK Priority Badger Group depicting the plight of the badger and urging members of the public to report any illegal activity they are aware of.

Chief Inspector Richard Pegler The Senior Rural Crime Officer from Gloucestershire Constabulary said: "We are pleased to join our partners in our ongoing commitment to Operation Badger, which we hope will once again raise awareness of the cruel and illegal activities carried out against them.

"Badgers are a protected species, and defined as a priority group by the National Wildlife Crime Unit.

"There are many levels of persecution; such as sett interference, shooting, poisoning, snaring, or badger baiting, all result in either a loss or disturbance of their habitat, suffering or death. These offences are sadly all too frequent events across the UK. There is also a link between some of the activity and the involvement of organized crime groups.

"We appeal to everyone to be our eyes and ears - together we can make a difference.

"If you believe a crime is taking place call 999, or you have any information call 101 or Crimestoppers on 0800 555 111."

Pete Sparrow
