Fare zones

Calne and Kennet Valley fares are calculated using fare zones – shown here on the map.

Travel by zone

Use the map to find out which fare zone you live in or wish to travel to.

Tickets are available from the driver each time you board the bus and the cost of your travel in any one direction will depend on how many fare zones you travel through.

Costs are: £1.00 (adult) per fare zone boundary crossed (50p child).

For example, to travel one way from Cherhill to Calne will cost £1.00 (1 zone crossed) and a return journey will cost £2.00.

All fares are for single journeys. However you can purchase the appropriate number of zones to complete your return journey.

Day tickets

If your journey takes you across more than 4 zones, ask the driver for a day ticket – a cheaper way to travel.

£5.00 adult/£2.50 child fare

	Adult	Child
1 zone	£1.00	50p
2 zones	£2.00	£1.00
3 zones	£3.00	£1.50
4 zones	£4.00	£2.00
