

## Pewsey Area Board – The Vale Community Campus Update June 2018

### Build

- The build programme is progressing well.
- The internal spaces have now been created; this includes the new studio, wet change and fantastic new atrium space. The fitness suite is also starting to take shape.
- The swimming pool is currently being tiled following a successful leak test.
- Mechanical and plant equipment is now being installed.
- The new sports hall roof is currently being fitted.
- The build stage of the project is still due to conclude early this autumn.
- The new outdoor skate park is being designed. There will be an opportunity for local people to have their say on the design of the park; please let your CEM, Ros Griffiths [Ros.Griffiths@wiltshire.gov.uk](mailto:Ros.Griffiths@wiltshire.gov.uk) know if you are interested in getting involved. Please note that the park is subject to planning approval.
