Wiltshire Family Learning has recently started working with army welfare, The Rise Trust and Lyneham Primary School. We are offering four 'Supporting your Child with English' sessions in July (flier attached) 2nd, 9th, 26th and 23rd July at Lyneham Community centre. We hope that the interest and attendance at the 4 events will trigger further learning based in Lyneham. Courses are free for ... 'If you have more than 5 GCSEs (grades A-C), the course may not be right for you. Service families welcome to join, also EU residents of more than three years.'
