Application ID	Applicant	Project Proposal	Requested
<a href="#">2881</a>	Devizes Outdoor Celebratory Arts (DOCA)	DOCA - Getting seen	£2,292.00
<b>Project Description:</b> DOCA delivers ambitious highly valued contemporary outdoor arts events to Devizes having a positive financial impact offering learning opportunities and instilling a sense of pride to over 100 volunteers. Our programme has expanded to include the Colour Rush which is improving our sustainability but creates the need for more signage as our volunteer base swells so does our need for T-Shirts. Our street banners need replacing they are very patched and have outdated branding materials are needed to create new large-scale lanterns for the Lantern Parade our collection buckets need labelling to comply with street collection guidelines.  Note: original application was for £5,000.00 which was deferred at the last area board meeting. In between meetings £2,708.00 of this was approved via delegated decision by the Community Engagement Manager as it was time critical.			
<b>Proposal</b> That the Area Board determines the application.

2941	Caenhill Countryside Centre	Mechanical Equipment	£3,000.00
<p><b>Project Description:</b>            CCC has, for some time, had a tractor on site which was donated by a third party. We have only recently managed to complete the mechanical works to get it to start. This funding will help us to adapt the tractor to enable CCC to complete much more of the heavy work around the farm.</p> <p>This will, in turn, enable CCC to provide another workstream for the young people and others that the centre works with. It will also allow CCC to do some work which they currently pay an outside body to complete for them, reducing their regular outgoings.</p>			
<p><b>Proposal</b>            That the Area Board determines the application.</p>
