4	<p><u>Declarations of Interest</u></p> <p>There were no declarations of interest.</p>
5	<p><u>Chairman's Announcements</u></p> <p>The Chairman made the following announcements:</p> <ul style="list-style-type: none"> • UK Youth Parliament Elections and Activity The Chair noted the agenda report on the UK Youth Parliament Elections and Activity and highlighted the campaigns they had chosen; <ul style="list-style-type: none"> ○ Votes at 16 in all public elections and ○ A curriculum for life. It was noted that there were 3 divisions, North, East and West. Although there is no South division, Amesbury is part of the East division. • Healthwatch Wiltshire The Chair highlighted the written report in the agenda. • CCG The Chair highlighted the written report in the agenda. • Housing Site Allocations At the Chair's invitation Cllr Darren Henry gave a verbal update on housing site allocations. It was stated that the draft Wiltshire Housing Sites Plan along with a Schedule of Proposed Changes were endorsed and approved by Cabinet and full Council on 3rd and 10th July respectively. These would now be submitted to the Secretary of State in

	<p>order to commence the independent examination process. These documents and associated details would be published on the Wiltshire Council website. The Secretary of State would appoint an inspector to consider the plan as well as all the submitted evidence, including the representations received through the formal consultation undertaken in 2017. These would be independently and robustly examined in terms of legal compliance and soundness. Once adopted, the draft plan would form part of the development plan for Wiltshire.</p> <p>In response to questions regarding Durrington being considered a large village, rather than part of Amesbury, Cllr Henry stated that there will be a consultation in the autumn on the local plan and that would be the proper medium for the people of Durrington to express their views on this.</p> <ul style="list-style-type: none"> <p>Update on the incident in Amesbury And Salisbury</p> <p>The Chair read a brief update on the incident in Amesbury and Salisbury, drawing attention to two community update meetings that were due to be held in Salisbury on 24 July and Amesbury on 25 July. A book of condolence for Dawn Sturgess was available at the Board meeting for people who wished to sign it. The Chair then introduced Salisbury Area Inspector Pete Sparrow to give an update.</p> <p>Inspector Sparrow stated that this incident had seen the largest mobilisation of police resources since the Olympics. Due to the incident, the World Cup, President Trumps visit and various other events the force had been extremely busy and working very long hours in order to keep everyone safe. It was confirmed that Public Health England still said the risk to the public was low, this was backed up by the fact that only 5 people in total had been affected throughout the whole situation. The Inspector had been very impressed by the resilience of the community and their kindness to the officers working on cordons.</p> <p>Questions were received regarding pharmacies in Amesbury. One had been cordoned off as a result of the incident and this left just one functioning pharmacy in Amesbury which was struggling to cope with demand, resulting in queues and long waits for medication. The option of ordering medications online was highlighted to the meeting as a possible way to reduce the problems.</p> <p>In response to questions regarding the Speedwatch campaign the Inspector stated that the Police do support the campaign and would try to get enforcement out into areas conducting Speedwatch when they could. The Chair thanked Inspector Sparrow and highlighted leaflets from Public Health, Police and Wiltshire Council regarding the incident that were available for people to take.</p>
6	<p><u>A303 Update</u></p> <p>Chris Jones from Highways England gave an update on the A303 Stonehenge Supplementary Consultation.</p> <p>A statutory consultation had taken place earlier in the year to which they</p>

	<p>received over 5,000 responses. From these responses Highways England identified three changes to the scheme which they were now asking the public to feedback on as part of a supplementary consultation.</p> <p>The changes being consulted on were:</p> <ul style="list-style-type: none"> • Removing the previously proposed motorised link between Byways 11 and 12 in the Stonehenge World Heritage Site. • To widen the green bridge proposed near the existing Longbarrow roundabout. • To move the proposed modification of Rollestone crossroads. <p>The supplementary consultation would run from 17 July to 14 August 2018. More information and a feedback form were available on the Highways England website.</p> <p>In response to questions regarding the timing of the proposed works and whether the Rollestone Crossroads element of the scheme could be undertaken first, it was stated that their intention was to do this first. However, due to fixed timescales planning would not be applied for until early 2020.</p> <p>The Chair thanked Chris Jones for attending.</p>
7	<p><u>Updates from Partners and Town/Parish Councils</u></p> <p>The Chairman referred to the updates set out in the agenda and invited further updates from Town/Parish Councils and other Partners.</p> <ul style="list-style-type: none"> • Fire and Rescue Services A verbal update was received from the Wilts and Dorset Fire Service. They had been providing support for the major incident in Salisbury and Amesbury and had been importing cover from other stations to ensure that there was enough coverage for fires. The fire on Salisbury plain was now out. Unfortunately they had been unable to put it out as it was located within a live fire zone where there is live ordinance. Due to the hot weather there was a high fire risk as everything was tinder dry, therefore everyone was urged to take care. The Amesbury station was still recruiting and employers were encouraged to contribute to the community by allowing their staff to be volunteer fire fighters.
8	<p><u>Waste Services Presentation</u></p> <p>Martin Litherland, Head of Waste Services Officer gave a presentation on changes to Waste Services. From 30 July 2018 waste services would introduce interim arrangements to include more recycling; you would then be able to recycle plastic posts, tubs and trays, drinks and food cartons in your blue lidded bin along with the usual plastic and cardboard. These changes would help</p>

	<p>Wiltshire Council to meet their target of recycling 50% of waste by 2020 and would also help to save energy, reduce costs and reduce landfill. It was anticipated that co-mingling of different materials within recycling bins would be introduced in around May/June 2019. Hills Waste was the new provider of the service.</p> <p>In response to questions it was stated that containers should be washed if possible prior to recycling. There would be stickers placed on bins to advise people of the changes to the service and the meeting was encouraged to advertise changes and encourage recycling. The Waste Department was at present trying to encourage people to recycle rather than using enforcement to penalise those who don't recycle. The amount of waste going to landfill each year was reducing. A high percentage of Wiltshire's waste went to an energy plant where it is turned into solid fuel pellets. Collection dates were to remain the same for the present time.</p> <p>The Chairman thanked Martin for his presentation.</p>
9	<p><u>Evergreen Court - Housing Update</u></p> <p>An update was received from Laura Young, Commissioning Officer, Housing – Strategy and Assets on the progress of Wiltshire Council's new Independent Living Facility at Archers Gate – Evergreen Court.</p> <p>60 affordable independent living apartments for the over 55's were being built in Kings Gate in Amesbury. This was a Wiltshire Council initiative providing an affordable alternative of this sort of housing. 40 of the apartments were available as affordable rent and 20 as shared ownership. The site would include a café/restaurant that would be open to residents and to the wider population. Activity rooms, a communal lounge, laundry facilities, a mobility scooter store and a hair salon would also form part of the complex. Flats would have an alarm system fitted for 24 hour emergency response. Properties would be advertised on Homes 4 Wiltshire and applicants would need to bid for the properties. 21 of the 60 properties had been allocated so far.</p>
10	<p><u>Communities Together</u></p> <p>Cllr Graham Wright and Cllr Darren Henry gave a brief update on Communities Together. This concept had been launched at the last area board meeting. Updates would be provided at future area board meetings.</p>

However there was a balance of £8858 left in the budget, once all planned works had taken place. A new officer was in place supporting the CATG – Kate Davies, Traffic Engineer.</p> <p>The next CATG meeting would be held on 3 September 2018, 10am, Redworth Centre, Amesbury Leisure Centre, Amesbury.</p> <p>In response to questions as to whether CATG was the forum to request road signs, it was stated that the Parish Council would need to be contacted first, then the request would be referred to CATG and to contact Kate Davies for advice.</p> <p><u>Resolved</u></p> <p>To note the CATG report.</p>
12	<p><u>Health & Wellbeing Group</u></p> <p>Cllr Wright gave a brief update from the HWBG and thanked those that attended the meeting.</p> <p>The HWBG made the following recommendation regarding the Older Persons Champion (OPC) as Jan Tidd was standing down as OPC.</p> <ul style="list-style-type: none"> • The HWBG recommended that the funding allocated for OPC (£1000) could be used to fund other activities and events that the H&WB group found to be important to them. <p>The board considered the sustainability report from Farleys Malone and the HWBG recommendation to award the second tranche of funding (£2,500) as detailed in the agenda.</p> <p><u>Resolved:</u></p> <p>To accept the proposal that OPC funding is used for activities the HWBG find important.</p> <p>To note the sustainability report from Farleys Malone and to grant Farleys Malone £2,500.00, the second tranche of the grant funding towards their Community Lunch Club.</p>
