Dear Sir/Madam

Re: Canal Trust Café Licence Proposal

I am writing to express our concern regarding the above proposal at 15 Frome Road, Bradford on Avon. We already have three licensed premises within throwing distance of each other and do not see any need for another.

The premises in question is very small, sits directly underneath properties occupying older people who I am sure would not appreciate loud noise of any kind. Why would a small café feel the need to hold indoor sporting events, live music, recorded music between the hours of 9am and 11pm, this seems so unnecessary; particularly as we have pubs in the vicinity that often hold these kind of events. Part of its charm is that it sits on the canal towpath and is a perfect place for walkers, cyclists and holiday makers to stop and enjoy refreshments and the idyllic spot on which the café sits.

Many thanks for taking the time to read this letter.

Yours faithfully

David and Niki Bright
