Dear Sirs,

**Mr Hasan Tarkan Kisioglu
Application for Premises Licence, Canal Trust Café
15 Frome Road, Boa, BA15 1LE**

The above has applied for licence for the "sale of alcohol for consumption on the premises/sale of alcohol for consumption off the premises from 0900-2300, performance of plays, films, indoor sporting events, live music, performance of dance, making music and dancing from 1000-2300 and recorded music 0900-2300".

The building concerned has operated for a number of years as a tea-room, with a small number of tables inside – the space is very limited – and a number of tables outside in good weather. The garden is prize-winning and recently the surrounding area has been paved and could accommodate more tables than previously. As such, the tea-rooms have become a real asset to the upper wharf area of the canal, providing a different, (alcohol-free), service to the area than that already available from the Barge Inn, The Canal Tavern and the Lock Inn Licensed Café.

The area surrounding the tea-rooms is largely residential, with a private residence immediately bordering it along the tow path and a grouping of old people's bungalows immediately behind. (The bungalows are elevated from the site of the tea-rooms). Further along the towpath in the direction of Moulton Drive is the Bailey's Barn development and across the canal is Spencers Orchard, another residential development.

I wish to lodge my objection to the above application in its' entirety on the grounds of the above two paragraphs. In short:-

- It is in an area which already provides for all the functions listed in the application. The Barge Inn and the Lock Inn are very popular venues.
- Because of the restriction on indoor space, much of the above activity would take place out of doors thereby creating a sound nuisance in – my third point of objection.....
- It is in a residential area, which includes in the immediate area, housing for the elderly.

Yours sincerely,

Denise Leigh (Mrs)
