

# Technical Note

**Project:** Salisbury Transport Strategy

**To:** Wiltshire Council

**Subject:** HGV

**From:** Graham Bown

**Date:** March 2010

**cc:**

This note provides details of HGV movements in 2008 between 7am and 7pm.

The daily HGV movements are shown in Table 1.1.

Whilst there were no observed HGV movements to or from south of the river in Salisbury, there are HGV movements along Netherhampton Road. The proportion of HGV observed along Netherhampton Road in the October 2008 surveys was 13% in the morning peak.
