Reasons:

The Sub-Committee have considered the relevant provisions of the Licensing Act 2003 (in particular Sections 4 and 18); the guidance issued under Section 182 of the Act and the licensing policy of Wiltshire Council.

The Sub-Committee have considered the written evidence presented in the agenda, together with the oral evidence given at the hearing from the Applicant, the applicant's representative and 4 of the objectors who raised concerns about the application for the new premises. These concerns related primarily to the perceived public nuisance by patrons of the premises when leaving the premises.

The Sub Committee noted that although the parties raised concerns relating to public nuisance, crime and disorder and public safety, there was no evidence to support this as it was a new application. Also, no representations had been received from any of the responsible authorities and no other evidence relating to these concerns had been presented to the Sub Committee.

Appeals

All parties have the right to appeal to the Magistrates Court within 21 days of this decision. A Responsible Authority or interested party has the right to request the Local Authority to review the licence. Such an application may be made at any time, but it is in the discretion of the Local Authority to hold the review, and a review will not normally be held within the first twelve months of a licence, save for the most compelling reasons.
